

# 2007 THE NEW SPORT TRAC

**BOLD**MOVES

## Energetic, strong, versatile

The new Sport Trac is *the* ride for hittin' the trails, dominatin' the slopes, hangin' in Red Rock country, and every other bold move you dare to dream up. For the first time ever, Sport Trac can be equipped with a 292-hp V8 engine. That's 42% more available power than before. You also get tons of rugged new standards like a 427% stiffer, fully boxed frame; nearly 27% larger, dent- and scratch-resistant composite cargo box; a smooth-riding Independent Rear Suspension (IRS); and, our industry-exclusive AdvanceTrac® with RSC® (Roll Stability Control).

Adventure's out there – go find it in the new 2007 Ford Sport Trac.

## Rock on with new V8 power

Sport Trac's first-ever V8 powertrain option has arrived. It's a gutsy new 292-hp 4.6L 3-valve V8 engine mated to a new 6-speed automatic transmission for exceptional performance and fuel economy. Whether you need peak power for accelerating or peak efficiency for saving fuel, the electronically controlled 6-speed can deliver.

The new Independent Rear Suspension (IRS), another first for Sport Trac, helps improve handling and performance. It also gives Sport Trac 8.8" of combined wheel travel (jounce + rebound) in the back, which contributes to its extreme flexibility, and helps it tackle rough terrain and uneven road surfaces with ease.

For extra traction on demand, look to the optional new Control Trac® 4-wheel-drive system. It can take you from everyday driving in 4x4 AUTO to serious rock-crawling in 4x4 LOW at the touch of a button. It's all about versatility.

**42% more hp** Thanks to its optional new 4.6L 3-valve V8 engine with 6-speed automatic transmission, the new Sport Trac can crank out 292 hp and 300 lb.-ft. of torque. For an EPA-estimated 15 mpg in the city and 21 on the highway, go with Sport Trac's standard 4.0L SOHC V6 engine and 5-speed automatic transmission.

## Gear up for good times

Think you might need it? Better toss it in. Sport Trac's new, 26.7% larger, composite cargo box holds up to 37.5 cu. ft. of gear. So you can pack to your heart's content. In fact, the optional cargo cage bed extender can help you stow another 6+ cu. ft. with the tailgate open, or just section off the box with the tailgate closed.

The cargo box's corrosion-proof, sheet-molded, composite exterior takes muddy trails in stride, while the dent-proof, scratch-resistant, molded inner liner is also designed to take a beating. The box includes a total of 10 integrated tie-down hooks and special notches inside that can help create tiered storage, perfect for transporting 4' x 8' sheets of plywood with the tailgate open. New this year, 3 rugged gear bins enable you to stow things below deck. Let the adventures begin.

**More power 2 you** Sport Trac's optional, new power-sliding rear window can be opened to allow rear-seat passengers to access the cargo box from inside, or just to get some air flowing. And it's now standard on Limited models.

**3 simple steps** The optional, locking hard tonneau cover is hinged in the middle, so you can access just the front or back of the box, as needed. Want to access the entire thing? The tonneau cover can be removed in just 3 steps.

Cargo and load capacity limited by weight and weight distribution.

## Unwind in rugged refinement

Because getting back to nature doesn't *have* to mean roughing it, we sought out every opportunity to increase the peace inside Sport Trac, starting with its foundation. The new frame boasts a 427% increase in torsional stiffness and greatly contributes to the extremely quiet interior experience. The latest lightweight materials help add extra insulation to key areas like the doors, instrument panel and headliner. Even the standard molded-rubber flooring and heavy-duty berber floor mats help keep road noise where it belongs – outside.

We also completely redesigned the front bucket seats, giving them new contours and increased track travel for long-term comfort. The standard overhead and center floor consoles give you plenty of storage options for smaller items, while the 2nd-row 60/40 split bench seat folds down to create 44.4 cu. ft. of interior cargo space. The 2nd row also comfortably seats up to 3 adults and includes articulating head restraints for outboard passengers.

**Take charge with ease** An available new DVD-based Navigation System with intersection programming actually calls out upcoming street names rather than just telling you in which direction to turn. And the new Dual-zone Electronic Automatic Temperature Control, available in the Limited Electronics Package, allows you and your front passenger to select different temperature settings, then automatically maintains them.

**MP3s, 6 CDs and more** All of Sport Trac's sound systems feature a new auxiliary audio input jack for use with your MP3 player. The optional Audiophile® Sound System includes a 6-disc in-dash CD changer with MP3 capability and an 8" subwoofer. SIRIUS Satellite Radio\* service can also be added to any of Sport Trac's sound systems.

\*SIRIUS is not available in Alaska or Hawaii. See your Ford Dealer or contact SIRIUS at 1-888-539-7474 for more information.

## Revere its remarkable agility

New industry-exclusive AdvanceTrac® with RSC® (Roll Stability Control), standard on every Sport Trac, is a comprehensive electronic stability enhancement system that actually measures what other systems ignore or estimate. Our system features a vehicle-roll motion sensor in addition to AdvanceTrac's Anti-lock Brake System (ABS), traction control and yaw control. RSC uses the sensor to directly measure the vehicle's roll-rate at least 100 times every second, which helps determine when and how the system will apply individual brakes and modify engine power to help keep all 4 wheels firmly planted. AdvanceTrac with RSC can help in many real-world situations, such as when you have to make an emergency maneuver, or when you're driving on slippery or uneven surfaces.

**Get serious about safety** New for 2007, front-seat side airbags and our Intelligent Safety System™ (ISS) are both standard. The ISS processes information from a suite of sophisticated sensors and adjusts the performance of Sport Trac's adaptive front airbags, adaptive load-limiting front safety belt retractors, and adaptive steering column to enhance your protection in the event of certain frontal collisions. Both front airbags feature adaptive venting to help tailor airbag power to specific occupants' needs. Plus, the front-passenger airbag features an adaptive tether that helps tailor the airbag's shape and size.

To enhance protection for outboard-seated occupants in the 1st and 2nd rows, add our patented Safety Canopy™ System. This optional system features larger, 2nd-generation side-curtain airbags and a rollover sensor that directs their deployment in certain types of side-impact collisions or rollover events.

Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. For more information on AdvanceTrac with RSC, visit [www.fordvehicles.com](http://www.fordvehicles.com).

# SPECIFICATIONS

## STANDARD FEATURES

### MECHANICAL

4.0L SOHC V6 engine with 5-speed automatic transmission  
 4-wheel Anti-lock Brake System (ABS)  
 Non-limited-slip rear axle — 3.73 ratio  
 Class II trailer tow hitch receiver  
 Control Trac® 4-wheel-drive system (4x4 models only)  
 Independent front and rear suspensions

### SAFETY/SECURITY

Adaptive driver and front-passenger airbags\*  
 Adaptive energy-absorbing steering column  
 AdvanceTrac® with RSC® (Roll Stability Control)\*\*  
 Belt-Minder® safety belt reminder  
 Front-Passenger Sensing System  
 Front-seat side airbags  
 Safety belts with pretensioners/energy-management retractors (height-adjustable in 1st row)  
 Securilock® passive anti-theft system  
 Tire Pressure Monitoring System

### INTERIOR

1st-row dome/map lights  
 2-line message center  
 2nd-row 60/40 split-folding bench seat  
 Air conditioning — Manual  
 AM/FM stereo/single-CD player with MP3 capability  
 Auxiliary audio input jack  
 Coat hooks — 2  
 Floor console with floor shifter  
 Grab handles — 1 for front passenger and 2 in 2nd row  
 Illuminated glove compartment  
 Large overhead console  
 Power windows with one-touch-down driver's-side feature  
 Steering wheel with cruise control and tilt column

### EXTERIOR

16" cast-aluminum wheels  
 P235/70R16 all-season OWL tires  
 Cargo box — Composite material with 3 storage compartments  
 Grille — Chrome, 3-bar design with nostrils  
 Power point — Cargo box  
 Power sideview mirrors  
 Rear window — Fixed glass  
 Tie-downs — Cargo area

\*Always wear your safety belt and secure children in the rear seat.  
 \*\*Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. For more information on AdvanceTrac with RSC, visit [www.fordvehicles.com](http://www.fordvehicles.com).

## MAXIMUM PAYLOAD (lbs.)

	4.0L V6	4.6L V8
4x2	1390	1380
4x4	1370	1350

## FEATURES & OPTIONS

### XLT — 4x2 or 4x4

### LIMITED — 4x2 or 4x4

### MECHANICAL

- 4.6L 3-valve V8 with 6-speed automatic transmission and non-limited-slip rear axle — 3.55 ratio
- 16" cast-aluminum wheels
- 17" cast-aluminum wheels (only available with XLT Appearance Package)
- 18" machined-aluminum wheels
- P235/70R16 all-season OWL tires
- P245/65R17 all-season OWL tires (only available with XLT Appearance Package)
- P235/65R18 all-season OWL tires

### SAFETY/SECURITY

- Reverse Sensing System
- Safety Canopy™ System

### SEATING

- Cloth trim — Two-tone 1st-row bucket seats with 2-way adjustable head restraints
- Cloth trim — Two-tone 1st-row bucket seats with 2-way adjustable head restraints; 6-way power driver's seat with manual lumbar, and 4-way manual passenger's seat
- Leather trim — Two-tone 1st-row heated bucket seats with 10-way power driver's seat including power lumbar, and 4-way manual passenger's seat with manual lumbar

### INTERIOR

- Audiophile® Sound System with AM/FM stereo/6-disc in-dash CD changer with MP3 capability and 8" subwoofer
- Leather-wrapped steering wheel and shift knob
- Limited Convenience Package — Includes auto-dimming rearview mirror and illuminated keyless-entry keypad
- Limited Electronics Package — Includes Dual-zone Electronic Automatic Temperature Control, 4-line message center, and secondary steering wheel-mounted audio and climate controls
- Navigation System† (includes Audiophile Sound System)
- Power-adjustable pedals
- Power moonroof with shade
- Power-sliding rear window††
- Rear-Seat DVD Entertainment System
- SIRIUS Satellite Digital Audio Receiver System (SDARS)‡
- XLT Convenience Package — Includes auto-dimming rearview mirror, automatic headlamps and illuminated keyless-entry keypad

### EXTERIOR

- Automatic headlamps (only available on XLT with XLT Convenience Package)
- Bumpers, sideview mirrors, door handles and wheel-lip moldings — Black, molded-in-color
- Bumpers, sideview mirrors, door handles and wheel-lip moldings — Body-color-painted
- Cargo cage bed extender
- Class III/IV Trailer Tow Package — Includes 7-pin trailer wiring harness and connector, 7- to 4-pin adapter, and frame-mounted hitch receiver
- Fog lamps (only available on XLT with XLT Appearance Package)
- Heated windshield‡‡
- Limited Chrome Package — Includes 18" chrome-clad aluminum wheels, chrome sideview mirror caps, chrome roof rails, chrome door handles, and chrome step bars
- Roof side rails — Black
- Roof side rails — Silver-painted
- Step bars — Black (only available on XLT with XLT Appearance Package)
- Step boards — Silver-painted
- Tonneau cover — Hard
- XLT Appearance Package — Includes fog lamps, 17" cast-aluminum wheels, P245/65R17 all-season OWL tires and black step bars

Standard  Optional — Not Available

†Not available with heated windshield.

††Available on units produced on or after 10/2/06.

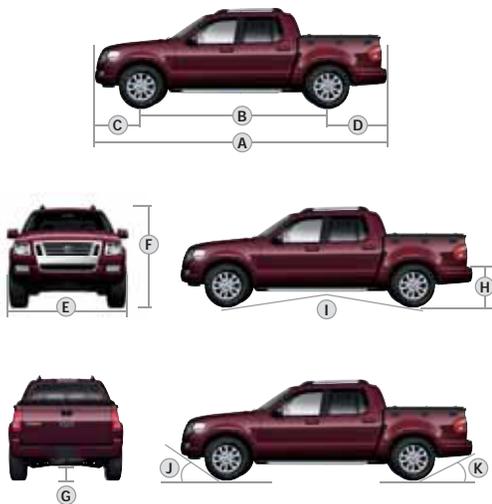

‡Not available in Alaska or Hawaii. See your Ford Dealer or contact SIRIUS at 1-888-539-7474 for more information.

‡‡Includes heated mirrors on units produced on or after 12/4/06.

## THE 5 YEAR / 60,000 MILE POWERTRAIN WARRANTY

### New Vehicle Limited Warranty

We want your Ford Sport Trac ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

For more assurance: There's now a 5-year/60,000-mile powertrain limited warranty that's fully transferable, has no deductible, and provides you with an additional 2 years or 24,000 miles of coverage — on select components, including the engine and transmission — beyond the standard 3-year/36,000-mile Bumper-to-Bumper Coverage. Plus, Roadside Assistance is extended to 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details, or check us out at [www.fordcredit.com](http://www.fordcredit.com).

Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at [www.fordvip.com](http://www.fordvip.com) for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

For a purchase or lease, the Ford **Extended Service Plan** (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Genuine Ford Accessories are designed and engineered specifically for Ford vehicles. Visit our website at [www.fordaccessoriesstore.com](http://www.fordaccessoriesstore.com) to use the Accessorizer, and to learn about complete accessory details and purchase instructions.
