It just makes sense: Our vehicles are different than any on the road, so why shouldn't our warranties be a cut above as well? At Mitsubishi, we're so confident in the quality, reliability and durability of Eclipse that we back it with one of the best Limited Powertrain Warranties in the business: 10 years or 100,000 miles.³ It's just one in a number of extensive warranties that come with the Eclipse—a list that includes a 5-year/60,000-mile fully transferable bumper-to-bumper New Vehicle Limited Warranty.

MSRP* **\$19,999**
