A SINGULAR FUSION OF THE ARTFUL  
**AND THE POWERFUL.**

### 2012 **INFINITI G SEDAN**

Too often, luxury vehicles insulate you from the driving experience. But the G Sedan embodies a thrillingly human expression of performance—one that forges an exhilarating connection between you, the car and the road. The power rushing from its 328-hp VVEL® V6 engine is engineered to build organically for a feeling of limitless power, even while improving fuel economy.<sup>1</sup> A 2.5-liter V6 affords you the choice of smaller displacement and greater efficiency. Available Intelligent All-Wheel Drive enhances traction and control, adapting to your driving conditions by delivering power where you need it. Inside, your senses are richly rewarded with an interior that beams with stylish beauty and refined textures, while graceful shapes both inside and out flow with dynamic energy.

## 2012 **INFINITI G COUPE**

Beyond alluring, its design pulses with exciting energy as it transforms styling into an intense, magnetic attraction that its rivals cannot equal. This energy is released by engineering that places it among the best-performing coupes in the world. Acceleration comes from the segment-leading<sup>4</sup> 330-hp 3.7-liter V6 engine that's designed to deliver an effortless rush. The vigor found under the hood is expressed in the sculpted body lines that flow with equal parts elegance and enticement. Equally captivating is a refined interior, expressively sophisticated.

2012 **INFINITI G CONVERTIBLE**

Bold thinking can change your perspective. For the G Convertible, that perspective extends infinitely upward, thanks to a three-piece folding hardtop. With it down, nothing stands between you and the powerful rush of liberation delivered by its class-leading<sup>5</sup> 325-hp VVEL<sup>®</sup> V6 engine. To sustain the pleasure whether you're under the moon or sun, we've created the unique Adaptive Climate Control System. It automatically adjusts to compensate for the outside temperature, top position and your speed. And the available Bose<sup>®</sup> Open Air Sound System compensates for outside noise to give you unrivaled audio clarity, including Bose<sup>®</sup> front seat Personal<sup>®</sup> speakers that create depth and ambience for a wider, more immersive sound.
