

A white Toyota Avalon is shown driving on a dirt road through a rural landscape. The car is positioned in the lower right quadrant of the frame, moving towards the viewer. The background features large, mature trees with thick trunks and spreading canopies, some of which are blurred by motion, suggesting speed. The overall atmosphere is bright and airy.

Avalon

2016

Let's
Go
Places

Stand out on any street. The 2016 Toyota Avalon.

Enjoy elegance wherever you go in the Avalon. The angles and details have been meticulously reimagined. Its sculpted lines and curves, along with integrated turn signals, create a stunning profile — while the bold new grille, available 18-in. alloy wheels¹ and stylish available LED headlights make it more striking than ever. Step inside and you're immediately surrounded by luxurious touches like a beautiful dashboard, heated leather-trimmed seats and the warm glow of available ambient lighting. All of this beauty just begs to be shared with the world. Let's go places.

"Every weekend should be spent surrounded by good friends and great scenery."

Left to right: **Touring** shown in Blizzard Pearl;¹ **Limited** shown in Midnight Black Metallic. **1.** Extra-cost color.

The 2016 Toyota Avalon. Captivate any crowd.

*"Weekend to-do list:
See more, laugh more,
live more."*

Left to right: Limited shown in Midnight Black Metallic; Touring shown in Blizzard Pearl.¹ 1. Extra-cost color.

An interior that surrounds you with intelligence.

There's innovative thinking at work inside Avalon. The sleek and intuitive dash puts technology at your command with Intelligent Touch controls. The available Entune™ Premium JBL® Audio system with eleven speakers in nine locations delivers crisp, clear sound throughout the cabin. While the available three-zone automatic climate control system lets rear passengers adjust their air temperature without affecting the front, ensuring custom comfort for everyone.

INTELLIGENT TOUCH CONTROLS

Technology should simplify, not complicate. Avalon is equipped with Intelligent Touch capacitive controls for the audio system and climate control. These sleek, low-profile controls allow the driver to adjust the environment in Avalon with ease.

ENTUNE® APP SUITE¹

With Avalon's available Entune® App Suite, you can access Pandora^{®2} for music, make restaurant reservations with OpenTable[®] and buy movie tickets with MovieTickets.com. Plus, get sports scores, stocks, traffic and weather — even fuel prices.

INTEGRATED BACKUP CAMERA³

The integrated backup camera with available projected path helps guide you into or out of tight spots with ease. The camera guides you by showing what the camera detects on the touch-screen display.

1. See footnote 3 in Disclosures section. 2. See footnote 15 in Disclosures section. 3. See footnote 13 in Disclosures section.

Touring interior shown in Almond.

Style and comfort that make every day indulgent.

Step inside and you're surrounded by comfort tailored just for you. Avalon Limited's spacious interior beckons you with the warm glow of ambient lighting throughout. In addition, the perforated leather-trimmed seats soothe with heat and cool with ventilation for the ultimate level of comfort. All of these luxurious touches have been crafted to make sure that every drive is an enjoyable one.

AVAILABLE Qi-COMPATIBLE WIRELESS SMARTPHONE CHARGING¹

No charger? No problem. Simply place your Qi-compatible device on the nonslip surface in the integrated eBin™ and charge up wirelessly.

PREMIUM SEATING

Avalon's cockpit is tailored to you, the driver. Its available 10-way power-adjustable driver's seat is a near-custom fit. It also features an available power seat extension for added leg support. And Avalon offers standard leather-trimmed heated front seats with available ventilated front seats on Limited.

ROOMY SECOND ROW

Your rear-seat passengers ride in comfort as well. The spacious rear seat of Avalon offers plenty of leg room thanks to a near-flat rear floor.

1. See footnote 20 in Disclosures section.

Limited shown in Black with standard premium perforated leather-trimmed seats and genuine stitching.

Engineered to help you master every mile.

The open road was our inspiration when creating the 2016 Avalon. We know that every road is different, so we engineered two unique suspensions; one for a comfortable, luxurious ride and the other for a more dynamic and responsive driving experience. For speed and efficiency, we aerodynamically sculpted every inch of metal for better airflow and stability. Now it's up to you to find that open road and see where it takes you.

SUSPENSION

Avalon has a fully independent suspension that adapts to the road, helping give you more control. And Avalon Touring allows for an even more dynamic ride with its unique suspension.

AERODYNAMIC EFFICIENCY

Underneath the chassis, specially shaped diffuser panels reduce turbulence, resulting in enhanced control and reduced wind noise.

XLE Premium shown in Ooh La La Rouge Mica.

Get ready to take performance to the next level.

From freeway on-ramps to your favorite stretch of road, Avalon makes driving fun again. Step on the gas and feel the rush of the 3.5-liter V6 powered by 268 hp and 248 lb.-ft. of torque. Even with all this power, the engine is still incredibly efficient with an EPA-estimated 31 mpg highway¹ and Ultra Low Emission Vehicle (ULEV) certification.

ENGINE — 6-SPEED ECT-i

An engine that adjusts itself to suit your driving style. The Electronically Controlled automatic Transmission with intelligence (ECT-i) optimizes the engine's output based on your driving, improving acceleration and fuel economy.

PADDLE SHIFTERS

A true driver's car inspired by racing, available steering wheel-mounted paddle shifters provide for a more hands-on driving experience by letting you control when you shift and matching each rev for seamless downshifts.

SPORT MODE

Avalon's Sport Mode increases throttle response and quickens the Electric Power Steering (EPS) for livelier handling when desired.

Touring shown in Blizzard Pearl.¹

1. Extra-cost color.

See how efficiency can be a very beautiful thing.

Avalon Hybrid is designed to offer an uncompromising level of performance. A driving experience that is more than refined — it's revolutionary. We used our proven Hybrid Synergy Drive® system that delivers a spirited ride while at the same time offering up to an EPA-estimated 40 combined mpg¹ and a Super Ultra Low Emission Vehicle (SULEV)² emission rating.

MULTI-INFORMATION DISPLAY (MID)

Avalon's MID shows you everything you need to know. See how much fuel you have left, check your current mpg and, on Avalon Limited, get turn-by-turn directions³ to your favorite spot — all on one display.

MPG

Avalon Hybrids are rated up to an impressive EPA-estimated 40 mpg city and 39 mpg hwy. Our Hybrid Synergy Drive® system and Electronically controlled Continuously Variable Transmission (ECVT) combine for the fuel efficiency you want and the performance you love.

1. See footnote 41 in Disclosures section. 2. See footnote 40 in Disclosures section. 3. See footnote 16 in Disclosures section.

Hybrid Limited shown in Parisian Night Pearl.

Safety features that are designed around you.

The road can be unpredictable, that's why Avalon is equipped with ten standard airbags¹ and integrated features like Star Safety System™ and the available Toyota Safety Sense™ P (TSS-P).² This newly developed package of safety features combines Pre-Collision System³ with Pedestrian Detection⁴ (PCS w/PD), Lane Departure Alert with Steering Assist (LDA w/SA),⁵ Auto High Beams (AHB)⁶ and Dynamic Radar Cruise Control (DRCC)⁷ to help assist you. TSS-P's comprehensive features create in-the-moment safety designed to support your awareness and decision-making on the road.

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION (PCS w/PD)

Available Pre-Collision System with Pedestrian Detection helps keep the road safe by detecting pedestrians in certain situations. By combining millimeter-wave radar with a camera capable of shape recognition, an audible warning and a display notification can alert you of a possible collision with a pedestrian under certain circumstances. If you don't react, automatic braking and collision-avoidance support is then given to help prevent a collision from happening.

DYNAMIC RADAR CRUISE CONTROL (DRCC)

Avalon's available Dynamic Radar Cruise Control works like conventional cruise control but can do even more. Using forward-sensing radar technology, the system can automatically adjust vehicle speed to help maintain a preset following distance between you and the vehicle directly in front of you.

AUTO HIGH BEAMS (AHB)

Available on Avalon Limited, the Auto High Beam (AHB) feature helps enhance visibility when driving at night. The system is designed to detect oncoming vehicles as far away as 2000 feet and, depending on the circumstances, automatically switches the high beams off, making it easier for other drivers on the road, and then switches them on when it clears.

1. See footnote 26 in Disclosures section. 2. See footnote 30 in Disclosures section. 3. See footnote 31 in Disclosures section. 4. See footnote 32 in Disclosures section. 5. See footnote 33 in Disclosures section. 6. See footnote 34 in Disclosures section. 7. See footnote 35 in Disclosures section.

XLE

Powertrain

- 3.5-liter V6 engine
- 6-speed automatic transmission
- 268 hp @ 6200 rpm
- 21 city/31 hwy/24 combined est. mpg⁴¹

Exterior Features

- Smoked LED taillights
- 17-in. dark gray painted alloy wheels with machined finish
- Quadrabeam halogen headlights with auto on/off feature and Daytime Running Lights (DRL) with on/off feature
- Dual chrome-tipped integrated exhaust with chrome-accented cover
- Smart Key System¹⁸ on driver's side and trunk with Push Button Start and remote illuminated entry
- Color-keyed heated, power outside mirrors with turn signal indicators

Interior Features

- Leather-trimmed tilt/telescopic steering wheel with paddle shifters
- Leather-trimmed multi-stage heated front seats; 8-way power-adjustable driver's seat with power lumbar support; 4-way power-adjustable front passenger seat
- Entune™ Audio Plus with Connected Navigation App³ — includes the Entune™ Multimedia Bundle⁴ (7-in. high-resolution touch-screen display, AM/FM CD player, MP3/WMA playback capability, eight speakers, auxiliary audio jack, USB 2.0 port⁵ with iPod^{®6} connectivity and control, advanced voice recognition,⁷ hands-free phone capability, phone book access and music streaming⁸ via Bluetooth^{®9} wireless technology), Scout[®] GPS Link App,⁹ Siri[®] Eyes Free,¹⁰ SiriusXM[®] Satellite Radio¹² with 3-month complimentary SiriusXM All Access trial, HD Radio,^{TM11} HD traffic and weather in major metro areas, and integrated backup camera¹³ display
- Intelligent Touch controls for audio system and climate control
- Dual zone automatic climate control with rear-seat vents
- eBin[™] storage with two 12V power outlets, auxiliary audio jack, USB port⁵
- Wood-grain-style interior trim with smoked-chrome interior accents and door handles

Safety/Convenience

- Star Safety SystemTM and ten airbags²⁶
- Tire Pressure Monitor System (TPMS)²⁸ with direct pressure readout and individual tire location alert

XLE Plus

Adds to or replaces features offered on XLE

Powertrain

- 3.5-liter V6 engine
- 6-speed automatic transmission
- 268 hp @ 6200 rpm

TOYOTA FINANCIAL SERVICES

Toyota helps you get more out of every dollar you spend. By rewarding you for every purchase you make, the Toyota Rewards Visa® adds even more value to doing the things you love. Turn everything you buy into points to redeem toward parts, accessories or an eligible vehicle purchase or lease at your Toyota dealer. Earn 5 points for every \$1 spent at participating Toyota dealers and 1 point for every \$1 spent everywhere else Visa is accepted.*

Visit www.toyotarewardsvisa.com for complete details.

Toyota Financial Services (TFS)[†] is a leading provider of automotive financial services, offering an extensive line of financing plans along with a variety of vehicle and payment protection products to Toyota customers and dealers in the U.S. For more information on TFS products and services, visit www.toyotafinancial.com

*On approved credit. You must have a valid permanent home address in the 50 United States or the District of Columbia. Terms, conditions and restrictions apply and are fully described in the Toyota Rewards Visa Cardmember Agreement and the Toyota Rewards Program Terms and Conditions received with your card. Points earned are based on net purchases. Points-earning maximums apply and points will expire as described in the Rewards Terms and Conditions. Redemption only available at participating Toyota dealerships in the continental U.S. and Alaska. Points cannot be redeemed for cash. Please contact your participating Toyota dealer for information regarding restrictions your dealer may impose on the use of credit cards related to vehicle purchases or leases. The creditor and issuer of the Toyota Rewards Visa is Toyota Financial Savings Bank. Toyota Financial Services is a service mark used by Toyota Financial Savings Bank.

[†]Toyota Financial Services is a service mark for Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the HV battery, battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. The HV battery may have longer coverage under emissions warranty. Refer to applicable *Warranty and Maintenance Guide* for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty. You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Prototypes shown. Actual production vehicles may vary.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

For Toyota Mobility program details, go to www.toyota.com/mobility
or call the Toyota Customer Assistance Center at 1-800-331-4331

See numbered footnotes in Disclosures section.

CARS BUILT FOR THE WAY YOU LIVE

At Toyota, we build cars for how you live. From building advanced safety features designed to help prevent crashes to driving cross-country to understand how we can make your driving experience better, our work starts with understanding your needs. Building cars for how you live also means thinking about tomorrow — from fuel efficiency and environmental innovations, to things beyond cars, like a bicycle that you can control with your mind. And because what we learn building cars can help improve lives in other places, we do things like help communities rebuild their homes quickly after a disaster and work with soup kitchens to help them serve more people faster. Toyota. Built for how you live. Together we are going places.

DISCLOSURES

1. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. **2.** Performance tires are expected to experience greater tire wear than conventional tires. Tire life may be less than 24,000 miles, depending upon driving conditions. **3.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details. **4.** Entune™ is a trademark of Toyota Motor Corporation. Always drive safely, obey traffic laws and focus on the road while driving. Services vary by phone/carrier. Functionality depends on many factors. Services subject to change. For enrollment and more details, see toyota.com/entune. **5.** May not be compatible with all mobile phones, MP3/WMA players and like models. **6.** iPod® and iPhone® are registered trademarks of Apple Inc. All rights reserved. **7.** Advanced voice recognition capabilities vary by head unit. **8.** Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details. **9.** Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **10.** Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4S or later, iPad® with Retina® display, iPad mini™ and iPod touch® (5th generation) and requires Internet access. Siri® is not available in all languages or all areas, and features vary by area. Some Siri® functionality and commands are not accessible in the vehicle. Data charges may apply. See apple.com and phone carrier for details. Siri® is a registered trademark of Apple Inc. **11.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. **12.** SiriusXM services require a subscription after 3-month trial period. **Subscriptions governed by SiriusXM Customer Agreement available at www.siriusxm.com.** **If you decide to continue your SiriusXM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel.** Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. **13.** The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. **14.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability and accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway; updates may be available at an additional cost from your dealer. See your *Navigation System Owner's Manual* for details. **15.** PANDORA®, the PANDORA® logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc., used with permission. **16.** The navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Road system changes may affect the accuracy of the information provided. Rely on your common sense to decide whether to follow a specified route. Detailed coverage not available in every city or roadway. Periodic updates available at an additional cost. See your *Navigation System Owner's Manual* for further details. **17.** CAUTION! When driving a hybrid vehicle, pay special attention to the area around the vehicle. Because there is little vehicle noise in electric-only mode, pedestrians, people riding bicycles or other people and vehicles in the area may not be aware of the vehicle starting off or approaching them, so take extra care while driving. **18.** The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **19.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **20.** Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. To prevent damage to devices, do not leave the devices in the vehicle. Temperature inside may become high, resulting in damage to the device. **21.** Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. **22.** Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. **23.** Smart Stop Technology® operates only in the event of certain simultaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your *Owner's Manual* for further details. **24.** ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska. **25.** Does not include parts and fluids, except emergency fuel delivery. Valid only in the continental U.S. and Alaska. **26.** All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your *Owner's Manual* for further information/warnings. **27.** Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. **28.** The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your *Owner's Manual* for details. **29.** Contact with the Safety Connect® response center is dependent upon the telematics device being in operative condition, cellular connection availability, navigation map data and GPS satellite signal reception, which can limit the ability to reach the response center or receive emergency service support. Enrollment and Telematics Subscription Service Agreement required. A variety of subscription terms is available; charges vary by subscription term selected. **30.** Please refer to the *Owner's Manual* for more information and system limitations. **31.** The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. See your *Owner's Manual* for further information. **32.** The Pedestrian Detection System is designed to detect the presence of a pedestrian ahead of the vehicle, to determine if impact with the pedestrian is imminent and to help reduce impact speed. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians, driver input and weather, light and road conditions. Please see your *Owner's Manual* for further information. **33.** Lane Departure Alert is designed to read the lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors. See *Owner's Manual* for more information. **34.** The automatic high beam system operates at speeds above 21 mph. Situations such as a dirty windshield, variable weather, lighting conditions and hilly terrain will limit effectiveness, requiring the driver to manually turn off. See *Owner's Manual* for details. **35.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. Please see your *Owner's Manual* for important instructions and cautions. **36.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are several limitations to the function, detection, range and clarity of the monitor. For a complete list of limitations and directions regarding use of the monitor, please see the *Owner's Manual*. **37.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. To learn more, see your *Owner's Manual*. **38.** The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help, or you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org. **39.** EV Mode works under certain conditions at low speeds for up to a mile. Please see your Toyota vehicle *Owner's Manual* for further details. **40.** Meets Tier 2/Bin 3 Federal emissions standard. **41.** 2016 EPA-estimated city/highway mileage. Actual mileage will vary. **42.** This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with fasteners. Do not install a floor mat on top of an existing floor mat. **43.** Cargo and load capacity limited by weight and distribution. **44.** The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details. **45.** Structures may interfere with signal. Compatible with all Apple® products using iOS 5.0 or later. Requires free app download. See *Owner's Manual* for details.
