

All roads lead to Touareg. And vice versa. In our newly refined luxury SUV, you're not afraid to haul, explore, work, or just get dirty. Especially when you have the latest available Driver Assistance features. For Touareg, luxury is defined by more than heated front seats and LED taillights. Instead, it's the confidence to go your own way, knowing you have a heck of a sidekick. Isn't it time for

German engineering?

Fast-forward to the fun parts of the map.

Performance. For us, it is all about how you get there. The Touareg simply doesn't feel like a typical SUV. It's German engineering at its finest that helps make the ride feel surprisingly nimble and agile, while maintaining all the power and presence of a luxury SUV. The Touareg combines 4MOTION® all-wheel drive, an 8-speed automatic transmission, and Servotronic® steering to help create an effortless and assured feeling few SUVs can achieve.

3.6L engine

Known for its smooth, seamless power delivery, this V6 with direct injection is also engineered to be fuel efficient.* So step on the gas and this engine might even deliver an adrenaline rush too.**

280

265

3.0L TDI[®] Clean Diesel engine

Getting up to 765 hwy miles[†] on a single tank, it's easy to see why the available TDI Clean Diesel engine gives the Touareg a greater range for adventures. And since it's turbocharged, we didn't have to compromise on the other end of the spectrum.**

240

406

3.0L supercharged hybrid

Sure it's fuel efficient,^{††} but we didn't take the "S" out of SUV. This available supercharged hybrid[‡] delivers a surprising amount of torque. So let go of your preconceived hybrid[‡] notions and let the 3.0L, 380-hp supercharged V6 hybrid engine change your mind.

380
HORSEPOWER

428

Endless possibilities need to start somewhere.

Versatility. The way a Touareg feels represents our best German engineering, and it doesn't end there. In a quick moment you can access the 64 cubic feet of cargo space, with the rear seats folded down. Especially when you don't have to take your key out of your pocket to unlock and open the available hands-free Easy Open liftgate. Just swipe your foot under the rear bumper. Load it up and let the adventure begin. The Touareg is the luxury SUV that's not afraid to get a little dirt under its bumpers.

40/20/40-split folding seats

Remote power liftgate

Four 12V power outlets

Available hands-free Easy Open liftgate

Available electric rear seat release in cargo area

Bring your comfort zone along for the ride.

Interior. The list of refinements could fill its spacious cargo area. Because inside the Touareg, even the details have details. Like how the dual-zone climate control can help prevent pollutants from entering the cabin, or how the glovebox can be cooled to help keep your drinks chilled. Even the cargo space is easily accessible thanks to the available electric rear seat release. As you'll see, the little stuff is big to us.

Dual-zone automatic climate control

8-way power-adjustable front seats

Heated front seats

Available power tilting/sliding panoramic sunroof

Available Vienna leather seating surfaces

Available 12-way power-adjustable front seats with 3-position memory

Available heated steering wheel

Available heated rear seats

The world is literally at your fingertips.

Technology. Now you can be synced, connected, plugged in, and in touch while on the road,* whether it's with the available 360-degree Area View exterior camera system or an available navigation system with 8" color touchscreen and voice commands. For a full-out entertaining option, listen to SiriusXM® Satellite Radio with an available 620-watt, 10-speaker Dynaudio® premium sound system that immerses you in a rich, detailed soundstage. All of it helps create an experience that is as effortless as it is advanced.

Touchscreen sound system

Bluetooth® technology with audio streaming for compatible devices

Bi-Xenon headlights with LED Daytime Running Lights (DRL)

Available Dynaudio premium sound system

Available touchscreen navigation with 3D landmarks

Available keyless access with push-button start

Available SiriusXM Traffic™ with 4-year subscription**

*Always pay careful attention to the road, and do not drive while distracted. **SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package after trial period and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. You can't predict every situation.

Safety and Driver Assistance. The Touareg was designed to be as helpful as it is dynamic. It starts with sophisticated safety systems, like our Intelligent Crash Response System,* before surrounding all those features with a protective, high-strength safety cage. And with the new available Driver Assistance features, you can have a better sense of potential dangers around you. When it comes to our drivers, we're quite protective.

Safety cage

 $Adaptive \ airbags^{\dagger}$

Intelligent Crash Response System (ICRS)*

Seven stability-enhancing systems

Tire Pressure Monitoring System (TPMS)

Safety Features

Adaptive airbags. To help enhance protection, the front airbags can tailor their operation based on crash severity and even the weight of the occupants. And pressure sensors within the doors help accelerate the side airbags' response time in side impacts.

Intelligent Crash Response System (ICRS). In the event of a collision that activates the airbags in a Touareg, the ICRS will automatically disable the fuel pump, unlock all the doors, and turn on the hazard lights.* It's how your Volkswagen helps look out for you when you need it most.

Seven stability-enhancing systems. The Touareg features seven stability systems to help you maintain control when accelerating, braking, and while cruising. And it can help enhance your sense of confidence on the road too.

Tire Pressure Monitoring System (TPMS). The TPMS helps alert you when the pressure of one of your tires is low, which can help improve overall tire life, handling, and fuel economy.^{††} A tireless effort that can help you and your tires.

Available Driver Assistance Features

Side Assist (Lane Change Assistant) and Lane Assist (Lane Departure Warning). At cruising speeds, proximity sensors can help warn you when another vehicle is coming from behind or alongside you. And the Lane Departure Warning front-facing camera can help alert you by vibrating the steering wheel if you unintentionally drift outside of your lane.

Adaptive Cruise Control (ACC) and Front Assist with Autonomous Emergency Braking. If you're in cruise control and get a little too close for comfort to a vehicle in front of you, ACC will automatically adjust your speed to help maintain a proper distance. Or if Front Assist detects a critical situation when approaching a vehicle too fast, it can automatically brake for you;#

^{*}The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners to activate. **This is a dramatization and does not depict what will happen in a collision. All bags will not inflate simultaneously in real-world collisions, and if multiple bags do deploy, they will be in various stages of inflating/deflating and will never all be inflated at the same time. †Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age. †17 city/23 highway mpg (2015 Touareg 3.6L engine with automatic transmission). EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. ‡Do not rely solely on Side Assist or Lane Assist; they are not substitutes for attentive driving. Always check surrounding traffic and use your turn signal. These features have important limitations; see Owner's Manual for further details. ‡Do not rely solely on Front Assist with Autonomous Emergency Braking. It is designed to help minimize the effects of certain collisions and is not a substitute for attentive driving. This feature has important limitations; see Owner's Manual for further details.

Interior

Vienna Leather

Not all combinations of exterior paint and interior seating surfaces are available.

^{*}The Touareg Hybrid is available in the U.S. in very limited quantities and only at participating dealers. **Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age. *The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners activate. **Hollswagen Carefree Maintenance County or safety belt pretensioners to activate. **The Volkswagen Carefree Maintenance Carefree Ca Program covers the vehicle's first scheduled maintenance for one year or 10,000 miles, whichever occurs first, only on 2015 models. This program does not apply to 2009-2014 models. Some limitations apply. See dealer or vehicle maintenance program booklet for details.

Volkswagen DVD navigation depends on the signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes to location addresses, destinations, and other points of interest, Changes in street names, construction zones, traffic flow, points of interest, and other road system changes are beyond the control of Volkswagen of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Periodically, the mapping is updated and a new DVD will be required in order to maintain the latest navigation information regarding any Volkswagen coll to us. These will be available to us. These will be available for purchase from time to
