

Volkswagen

# 2018 Golf Family

# Golf club.

Looking for fun, sporty, or outdoorsy? The Golf family is versatile enough that you can choose all of the above. And no matter which Golf you pick, you'll always belong to a special group that's now more special than ever.

## The People First Warranty\*

6 Years/72,000 Miles · Transferable  
Bumper-to-Bumper · Limited Warranty

02 Golf

08 Golf GTI

14 Golf R

20 Golf SportWagen

26 Golf Alltrack

# Urban legend.

Since its introduction, the Golf has been synonymous with a great ride. The combination of style, performance, versatility, and just plain fun makes it hard to match. Whether you're going on a short trip or a road trip, the Golf is up to the task.

# City. Slicker.

The Golf knows how to carry itself, as well as your things. There's a thoughtfully designed cargo area that helps keep you organized. Not to mention LED taillights, LED Daytime Running Lights (DRL), and the redesigned front grille and bumpers to help you stand out from the crowd. This Golf has what you want to keep up with city life.

## Iconic exterior design

Introduced over 40 years ago, the design of the Golf, with its distinct C-pillars, has stood the test of time. It's what happens when you get it right the first time.

## LED Daytime Running Lights (DRL)

LED accent lighting gives your front headlights a sleek look that will be hard to miss.

## Heated front seats

Who's turning up the heat? Most likely you and your passengers. With this available feature, you each get three settings to help keep you both comfy when the city gets cold.

## FEATURES

- LED taillights
- Automatic headlights
- Driver-focused interior
- Adjustable cargo floor
- Leather-wrapped, multi-function steering wheel
- Rain-sensing windshield wipers

## AVAILABLE FEATURES

- Power tilting/sliding sunroof
- V-Tex leatherette seating surfaces
- Keyless access with push-button start\*
- 16" alloy wheels

# Technology goes to town.

You're really going places. And the Golf has the tools to help make the ride more enjoyable. Access select apps from your compatible smartphone right on your dash. Music, mapping, messaging, and more can be accessed via voice control thanks to Volkswagen Car-Net® App-Connect.\* And your world (at least the digital one) looks brighter from the available 8" touchscreen sound system with glass display.

## FEATURES

**6.5" Composition Color touchscreen sound system**

**Bluetooth® with audio streaming technology for compatible devices**

**USB port**

**Rear View Camera System**

### Volkswagen Car-Net App-Connect\*

VW Car-Net App-Connect allows you to connect your compatible smartphone with Apple CarPlay™, Android Auto™, or MirrorLink® to access select apps on the touchscreen display. From streaming music to mobile apps, it can be accessed on the touchscreen.

### Volkswagen Car-Net Security & Service\*\*

Where did I last park? Did I lock the door? The available VW Car-Net Security & Service feature and trial subscription can show you, as well as handle bigger tasks like calling for help.

## AVAILABLE FEATURES

**8" touchscreen sound system with glass display**

**Keyless access with push-button start†**

**AUX-in**

Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

# Power has met its hatch.

In terms of driving prowess, versatility, and pure unadulterated style, the Golf GTI truly stands out. Turbocharged horsepower and torque and a sport-tuned suspension add to its allure. From cobblestone to concrete, the Golf GTI really brings it.\* May the road stretch out before you.

# If looks could be turbocharged.

When it comes to looks and performance, the Golf GTI is as distinctive as it is refined. Let's start with what's under the hood: a 2.0L TSI<sup>®</sup> engine delivers turbocharged performance and plenty of torque.\* Its aggressive stance, fast roofline, and 18" alloy wheels give the Golf GTI unmistakable style. It's flash, with a whole lot of substance.

## FEATURES

- 2.0L TSI engine with 220 hp (achieved with premium fuel)
- Sport suspension
- Progressive power steering with variable assistance
- 18" Austin alloy wheels
- LED Daytime Running Lights (DRL)
- LED taillights
- Automatic headlights
- Rain-sensing windshield wipers

## AVAILABLE FEATURES

- Limited slip differential (VAQ)
- DCC<sup>®</sup> adaptive chassis control
- Paddle shifters
- Performance Monitor
- Larger front brakes
- LED headlights with Adaptive Front-lighting System (AFS)
- Power tilting/sliding sunroof
- 18" Dallas alloy wheels

### Cross Differential System XDS+<sup>®</sup>

Brakes are great for stopping and now for turning. That's why the Golf GTI features the XDS+ Cross Differential System, which uses the brakes to help maintain power to the outside wheel and to improve cornering.

### Driving Mode Selection

Select a driving mode with the push of a button. Choose between Normal, Sport, and Individual to alter the performance and driving feel.

\*Always obey local speed and traffic laws.

## High-tech street smarts.

Words alone won't do this justice. Because with the Golf GTI, high performance and high style combine to create a unique driving experience. The Top Sport seats are expertly designed, and the instrumentation is handsome to view. Everywhere you look — from the Clark Plaid seating surfaces to the leather-wrapped, multi-function sport steering wheel — you'll see the Golf GTI is engineered to get a reaction out of you and the cars you pass.

### Clark Plaid seating surfaces

Complete with red accents and a nod to the heritage of the Golf GTI, the cloth seating surfaces come in Clark Plaid.

### Volkswagen Car-Net App-Connect\*

VW Car-Net App-Connect allows you to connect your compatible smartphone with Apple CarPlay, Android Auto, or MirrorLink to access select apps on the touchscreen display. From streaming music to mobile apps, it can be accessed on the touchscreen.

### Top Sport seats

Bucket-style, race-inspired front seats. The large, bolstered design really lets you sink into the action, whether you're behind the wheel or you're the copilot.

### Keyless access with push-button start\*\*

With this available feature, the key fob does the job. Leave it in your pocket. You can unlock the door of your Golf GTI as you grip the door handle. Then once you're inside, with the press of the brake and the push of the start button, your engine starts and you're ready to go.

### FEATURES

- Leather-wrapped, multi-function steering wheel
- Color multi-function trip computer
- 6.5" Composition Color touchscreen sound system
- Bluetooth with audio streaming technology for compatible devices
- Rear View Camera System
- Volkswagen Car-Net App-Connect\*

### AVAILABLE FEATURES

- 12-way power driver's seat including lumbar support
- Fender® Premium Audio System
- Leather seating surfaces
- Keyless access with push-button start\*\*
- Climatronic® dual-zone climate control
- 8" touchscreen sound or navigation system with glass display

\*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. \*\*See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

# The perfect formula for performance.

Take thrill, add fun, and then multiply it by handling and horsepower. In the Golf R, everything adds up to a driving experience that's nothing short of spine-tingling.\* We started with the already legendary Golf and then told our engineers to ramp up its handling and performance. The Golf R is the total package, expertly crafted, sophisticated, and technologically advanced.

# Has a track record of breaking them.

The Golf R is further proof that with incredible horsepower, amped-up torque, a sport-tuned suspension, and a quad-tip exhaust, the Golf R can get you to where you're going with remarkable precision. It's driven by a bold attitude.\* And now by you.

## LED headlights with Adaptive Front-lighting System (AFS)

These headlights move with your turns to help you see what's coming.

## 292-hp, 2.0L TSI turbocharged engine

Boasting 280 lb-ft of turn-twisting torque and a powerful 4-cylinder engine, the Golf R comes ready to fire on all cylinders.

## FEATURES

- 4MOTION® all-wheel-drive system
- Sport-tuned suspension
- Quad-tip exhaust
- Driving Mode Selection
- LED Daytime Running Lights (DRL)
- LED taillights
- Progressive power steering with variable assistance
- Cross Differential System XDS+®
- DCC® adaptive chassis control
- 19" Englishtown alloy wheels

## AVAILABLE FEATURES

- 7-speed DSG® automatic performance transmission with Tiptronic® and Sport mode

\*Always obey local speed and traffic laws.

# Hot off the assembly line.

There's more sizzle everywhere this year. Leather seating surfaces, a sleek 8" glass touchscreen display, and Volkswagen Digital Cockpit keep the cabin state of the art. Outside, LED headlights and LED Daytime Running Lights (DRL) plus redesigned bumpers and front grille help you stay ahead of the times.

European 2018 Golf R model shown

## FEATURES

**8" touchscreen navigation system with glass display**

**Top Sport seats**

**12-way power-adjustable driver's seat**

**R-design leather seating surfaces**

**3-spoke, leather-wrapped, multi-function sport steering wheel**

**Volkswagen Car-Net App-Connect\*\***

**Volkswagen Car-Net Security & Service†**

**Volkswagen Car-Net Guide & Inform††**

**Fender Premium Audio System**

### Volkswagen Digital Cockpit

This display is a true breakthrough. Instead of the traditional instrument cluster, information from navigation directions to altitude can be displayed digitally in high resolution.

### Performance Monitor

View your vitals in real time with three digital gauges monitoring performance information, like multi-direction G meter,\* boost pressure, and engine power usage.

# The Sportier Utility Vehicle.

Multitasking made fun. Sure, the Golf SportWagen is versatile and a blast to drive. But it can also hold the road with confidence and poise that have to be experienced to be believed. And it comes with a little something extra under the hood — a turbocharged engine. It's the wagon that can really haul.\*

# Just like your little red wagon. Only horsepower.

You can't forget the unfettered joy of your first red wagon. So we updated ours with a sporty look, available 4MOTION all-wheel drive, and, let's just say, a bit more cargo space. Then we added a turbocharged engine under the hood to make sure every drive is a fun one. You won't be able to wait for your first drive home. The longest way you know.

#### 4MOTION all-wheel drive

With this available all-wheel-drive system in place, your Golf SportWagen can help you navigate a variety of road conditions. When the system senses that the wheels aren't rotating equally, it can deliver more torque to the wheels with traction for improved grip, handling, and more peace of mind.

#### FEATURES

- 1.8L TSI engine
- LED Daytime Running Lights (DRL)
- LED taillights
- Automatic headlights
- Rain-sensing windshield wipers
- Roof rails

#### AVAILABLE FEATURES

- 17" alloy wheels
- Integrated front foglights
- Power tilting/sliding panoramic sunroof

# Full space ahead.

The Golf SportWagen brings even more, inside and out. There are redesigned front and rear bumpers, plus standard LED Daytime Running Lights to show off its good looks. And inside, 66.5 cubic feet of cargo space with the 60/40-split rear seats folded down to show off its versatility. Just fill it up and go.

## 8" touchscreen navigation system

The available touchscreen navigation can locate your favorite spots, give you turn-by-turn directions, and even help find new destinations.

## V-Text leatherette seating surfaces

They don't just look great. They're also comfortable, easy to clean, and have a premium feel.

## FEATURES

### 6.5" Composition Color touchscreen sound system

### Volkswagen Car-Net App-Connect\*

### Driver-focused interior

### Leather-wrapped, multi-function steering wheel

### Bluetooth with audio streaming technology for compatible devices

### Rear View Camera System

## AVAILABLE FEATURES

### Climatronic dual-zone climate control

### Interior ambient lighting

### Keyless access with push-button start\*\*

### Fender Premium Audio System

### 12-way power driver's seat with lumbar support

## Folding rear seats with release levers in cargo area

Configure your space to make the most of the cargo area. The 60/40-split folding rear seats fold down easily for maximum space and minimum effort.

## 66.5 cubic feet of cargo space with rear seats folded down

Expand the cargo space inside by simply dropping the rear seatbacks and start loading up all that roomy 66.5 cubic feet of space.

\*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. \*\*See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

# Tread happily.

The Golf Alltrack is the key to unlocking roads that are off the beaten path. Equipped with 4MOTION all-wheel drive, Offroad Mode,\* and increased ground clearance to accommodate varied road conditions with more confidence, the Golf Alltrack was designed to take the road less traveled.

# All-whee drive.

Looking for fun adventures off the beaten path doesn't always mean a smooth ride. Fear not, the Golf Alltrack was engineered with 4MOTION all-wheel drive, Offroad Mode,\* and Hill Descent Control to help provide smooth sailing, even on challenging road surfaces and in inclement weather.

## 4MOTION all-wheel drive

Available with an automatic or manual transmission, the 4MOTION all-wheel-drive system transfers torque between the front and rear wheels. In normal driving conditions, power is delivered to the front wheels. But 4MOTION can also send torque to the rear axle when it's needed. Talk about a power move.

## FEATURES

1.8L TSI® engine

LED Daytime Running Lights (DRL)

LED taillights

Silver roof rails

17" alloy wheels

Increased ground clearance

## AVAILABLE FEATURES

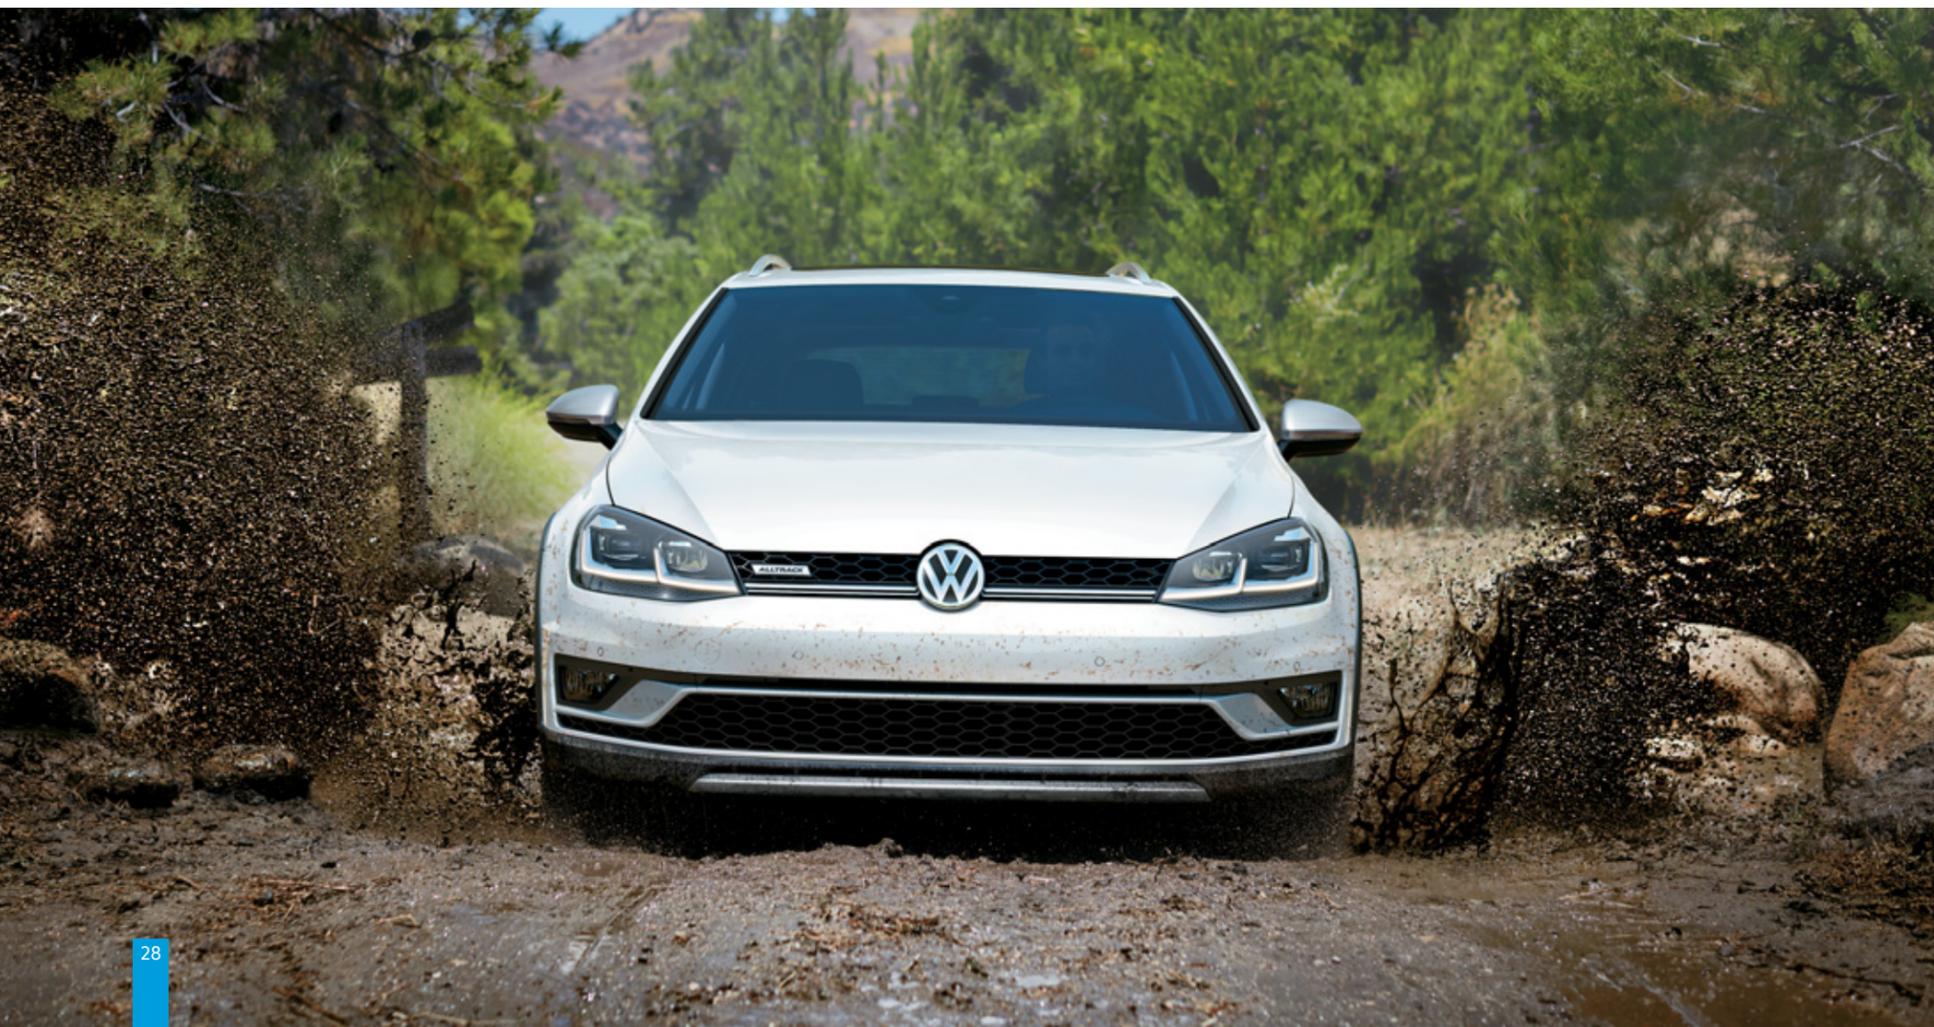

LED headlights with Adaptive Front-lighting System (AFS)

Power tilting/sliding panoramic sunroof

18" alloy wheels

Steering wheel-mounted paddle shifters

6-speed DSG® automatic performance transmission with Tiptronic® and Sport mode

### Driving Mode Selection with Offroad Mode and Hill Descent Control\*

Offroad Mode is designed to help you traverse a variety of different roads. It allows you to comfortably drive down steep grades and helps optimize driving and traction control. The Hill Descent Control will brake for you while going downhill, keeping your ride at a constant speed.

### Rugged bumper design and exterior cladding

With a tough yet refined exterior, the Golf Alltrack is engineered with sleek reinforcements to help combat rough road conditions and inclement weather. In short, it's ready for the adventure ahead.\*

## Blends in while standing out.

The great outdoors meets the great indoors. Inspired by nature's wide-open spaces, the interior of the Golf Alltrack is spacious, with 60/40-split folding rear seats. And with stylish elements like available Marrakesh Brown leatherette seating surfaces, it's designed to stop everyone in their tracks.

### Rear View Camera System

Benefit from the view of a wide lens when you need it. It can help you see obstacles when backing up, a feature so helpful you'll wonder how you ever managed without it.

### FEATURES

**6.5" Composition Color touchscreen sound system**

**Volkswagen Car-Net App-Connect\***

**Rear seat with center armrest and pass-through**

**60/40-split folding rear seats**

**V-TeX leatherette seating surfaces**

### AVAILABLE FEATURES

**8" touchscreen navigation system with glass display**

**Fender® Premium Audio System**

**Climatronic® dual-zone climate control**

**Keyless access with push-button start\*\***

### Folding rear seats with release levers in cargo area

Being ready for adventure goes beyond all-wheel-drive capabilities — straight into the backseat. With a folding rear seat with release levers, your cargo area can instantly expand. So you can pack more, and adventure longer.

### 66.5 cubic feet of cargo space with rear seats folded down

Expand the cargo space inside by simply dropping the rear seatbacks and start loading up all that roomy 66.5 cubic feet of space.

\*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. Android Auto is a trademark of Google Inc. Apple CarPlay is a trademark of Apple Inc. MirrorLink is a registered trademark of the Car Connectivity Consortium LLC. \*\*See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

# Don't pass up a chance for greater peace of mind.

You and your Golf make a good team. Whether it's alerting you to vehicles in your blind spot, monitoring the lane you're in, or helping you park, the available Driver Assistance features can help.\* At the end of the day, they can give you more confidence on every drive.

## 1 | Adaptive Cruise Control (ACC)\*

Available Adaptive Cruise Control (ACC) helps maintain a preset distance from the car in front of you. When activated, if the car in front of you speeds up or slows down, the sensors can detect the change and your car follows suit.

## 2 | Parking Steering Assistant (Park Assist)\*

The available Parking Steering Assistant (Park Assist) can determine if a parking spot is big enough for your Volkswagen. Then it will help steer the vehicle into the space, either parallel or perpendicular. You operate the accelerator, brake, and shifter; it does the rest.

## 3 | Lane Departure Warning (Lane Assist)\*

When moving, the available Lane Departure Warning (Lane Assist) can sense if you start to drift into another lane without using the turn signal. Within the limits of the system, Lane Assist can help steer to help keep you in the current lane.

## 4 | Blind Spot Monitor\*

The sensors on the available Blind Spot Monitor are able to help sense what you might miss. When you're changing lanes, the Active Blind Spot Monitor (available when vehicle is equipped with Lane Assist) on select models can detect when another vehicle is in your blind spot. Within the limits of Lane Assist, it can then countersteer to help keep you in your lane, and in addition to the visual warning in the side mirrors, the steering wheel can vibrate.

## 5 | Maneuver Braking (Included in Park Pilot)\*

Available Park Distance Control (Park Pilot) has sensors that can help you back out of or drive into a parking spot. Audible signals and the optical parking system on the display indicate how much space you have behind and, on some vehicles, in front of the vehicle when parking. If you get too close, the system beeps as a warning. Maneuver Braking (included in ParkPilot) can apply emergency braking force automatically to help mitigate and in best case prevent collisions with stationary obstacles while you maneuver the vehicle in reverse gear.

## 6 | Rear Traffic Alert\*

The available Rear Traffic Alert comes in handy when you're backing up. It has sensors that can alert you to vehicles crossing in your path when in reverse, and even help brake the vehicle if needed.

Front Assist

Dramatization

## 7 | Forward Collision Warning and Autonomous Emergency Braking (Front Assist)\*

The available Forward Collision Warning (included in Front Assist) system can help monitor traffic and can alert you acoustically and visually to a potential front-end collision with the vehicle moving ahead. If it senses that a collision is imminent, Autonomous Emergency Braking (included in Front Assist) can support the driver with increased brake pressure or, under certain circumstances, it can apply the brakes automatically. The available Pedestrian Monitoring (included in Front Assist) feature can warn of pedestrians crossing in front of the vehicle and, under certain circumstances, can brake automatically to help prevent or mitigate the outcome of a collision with a pedestrian if the driver doesn't respond adequately to the warnings.

## 8 | High Beam Control (Light Assist)\*

Available High Beam Control (Light Assist) helps provide better visibility on dark roads by turning on your high beams at certain speeds. A camera mounted at the base of the rearview mirror turns your high beams on when conditions warrant it on dark or poorly lit roads. It then turns them off again if another car approaches or drives in front of you.

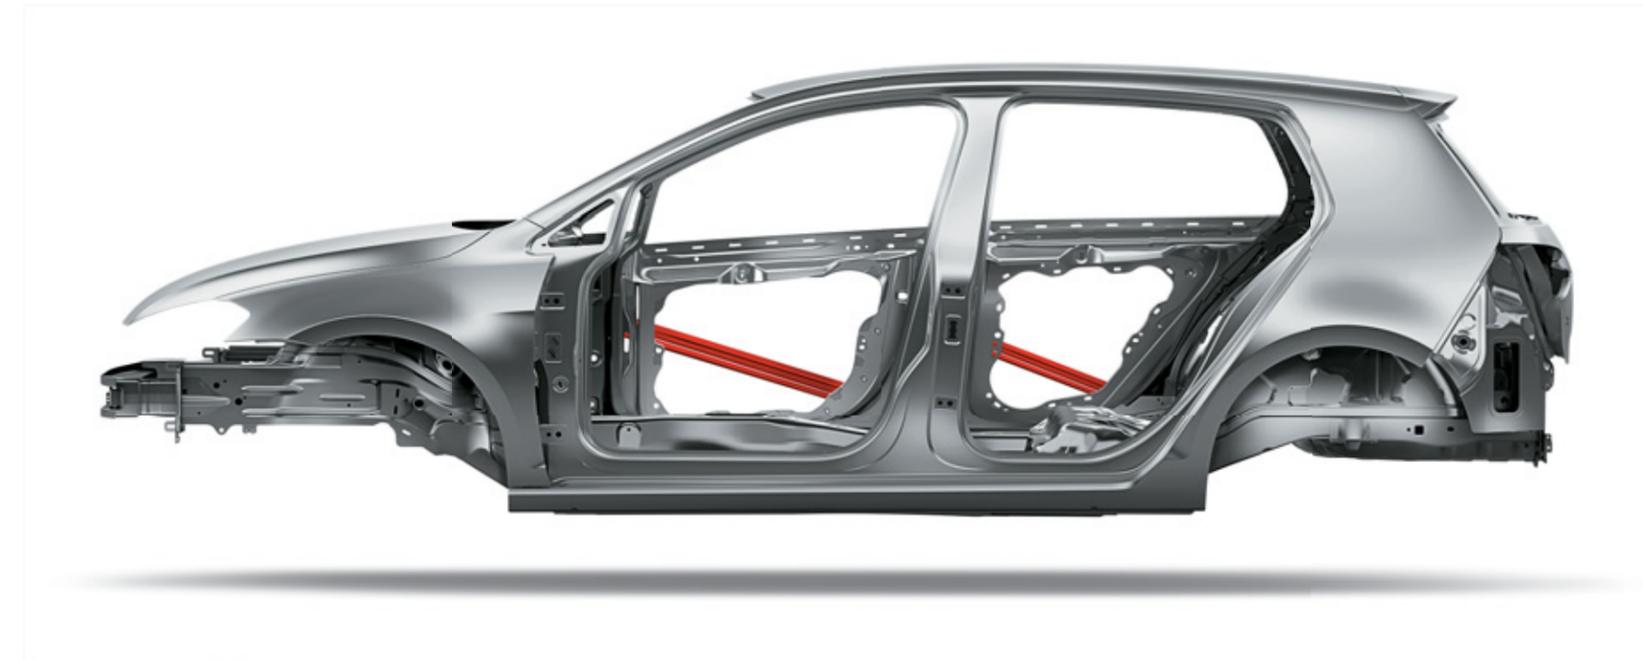

\*Driver Assistance features are not a substitute for attentive driving. Please see Owner's Manual for further details and important limitations.

## A lot goes in before you do.

Accidents seem to happen when you least expect them. That's why we start with a protective safety cage construction that provides rigidity with strategically placed front and rear crumple zones. Plus, with active and passive safety features, it's easy to see what matters to us.

### Safety cage

Front and rear crumple zones help absorb crash energy, while a rigid safety cage helps deflect it away from the driver and passengers.

### Seven stability-enhancing systems

From Electronic Brake-pressure Distribution (EBD), which helps maintain appropriate stopping power during a hard-braking situation, to Electronic Stability Control (ESC), which can adjust engine throttle and apply corrective forces to the wheels that need them most, your vehicle is equipped with a total of seven stability-enhancing systems.

### Intelligent Crash Response System (ICRS)\*

In the event of a collision that deploys the airbags,\*\* the ICRS can turn off the fuel pump, unlock the doors, and activate the hazard lights. It helps react if you might not be able to.

### Automatic Post-Collision Braking System

Not every collision brings a car to a stop. That's why our vehicles include the Automatic Post-Collision Braking System. It can help slow the vehicle down after a collision, helping reduce the chance of additional impacts.

\*The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners activate. Not all collisions cause airbags to deploy or safety belt pretensioners to activate. \*\*Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age.

Volkswagen

# America's Best Bumper-to-Bumper Limited Warranty\*\*

## The People First Warranty\*

6 Years/72,000 Miles · Transferable  
Bumper-to-Bumper · Limited Warranty

In addition to fun and excitement, you also get peace of mind. Because the Golf, Golf GTI, Golf R, Golf SportWagen, and Golf Alltrack are covered by our transferable New Vehicle Limited Warranty for 6 years or 72,000 miles, whichever occurs first.\*

### ACCESSORIES

Satin Silver Mirror Caps

MojoMats® and Monster Mats®

Base Carrier Bars and Cargo Box Attachment

Rear Bumper Protection Plate

\*6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty on MY2018 and newer VW vehicles, excluding e-Golf. Remainder of warranty coverage transfers to subsequent vehicle owner. See owner's literature or dealer for warranty exclusions and limitations. \*\*Claim based on manufacturers' published data on length and transferability of car and SUV Bumper-to-bumper/Basic warranty only. Not based on other separate warranties.

Genuine Volkswagen Accessories installed by an authorized Volkswagen dealer are covered for the greater of: (1) the accessory limited warranty period (12 months or 12,000 miles, whichever occurs first) from the time of purchase; or (2) the remainder of the New Vehicle Limited Warranty period (3 years or 36,000 miles, whichever occurs first). See dealer for details.

©2018 Volkswagen Group of America, Inc. Printed in the USA. Volkswagen of America, Inc., believes the information and specifications in this brochure to be correct at the time of printing. Specifications, standard features, options, fabrics, and colors are subject to change without notice. Some features may be unavailable when your vehicle is built. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Ask your dealer about the availability of options and verify that the vehicle you select includes the equipment you ordered. Tires are supplied and warranted by their manufacturer. Volkswagen navigation depends on the signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes to location addresses, destinations, and other points of interest. Changes in street names, construction zones, traffic flow, points of interest, and other road system changes are beyond the control of Volkswagen of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Periodically, the mapping is updated and an update will be required in order to maintain the latest navigation information available to us. Updates will be available for purchase from time to time at additional cost. For further information regarding any Volkswagen model, please call 1-800-DRIVE-VW or just look us up at vw.com.
