# IT'S MORE THAN AN INTERIOR; IT'S A LEATHER-TRIMMED DIGITAL PLAYGROUND

DENALI

Yukon Denali's advanced technologies keep your life mobile.

Apple CarPlay™<sup>1</sup> and Android Auto™<sup>2</sup> compatibility enables hands-free phone integration, while wireless charging<sup>3</sup> cuts the cord on powering up.

The multicolor Head-Up Display projects useful information onto the windshield to keep you focused on the road ahead.

Everyone stays entertained, simply by hitting "Play" on the GMC Infotainment System,<sup>4</sup> Bose® Centerpoint® Surround Sound and the Rear-Seat Entertainment System.

Wrapping all of this in tranquility is Bose Active Noise Cancellation.

<sup>1</sup>Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay is a trademark of Apple, Inc. Siri, iPhone and iTunes are trademarks of Apple, Inc., registered in the U.S. and other countries. <sup>2</sup>Vehicle user interface is a product of Google™ and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android™-compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. Android Auto is a trademark of Google LLC. <sup>3</sup>The system wirelessly charges one PMA- or Qi-compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter/back cover. To check for phone or other device compatibility, see [my.gmc.com/learn](http://my.gmc.com/learn) or consult your carrier. <sup>4</sup>Functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices.

INTERESTING HOW THIS MUCH SPACE  
CAN ACTUALLY BRING YOU TOGETHER

7-8-9

**IN YUKON, IT'S AN OPEN INVITATION FOR UP TO NINE**

Yukon offers flexible seating for up to eight in SLT and Denali. If you need to accommodate more, SLE offers available class-leading seating for up to nine. Inside Yukon Denali, enjoy inspiring surroundings highlighted by authentic materials—burnished aluminum trim, Mastique Ash wood grains and perforated first- and second-row Mulan leather-appointed seating.

Seven-passenger Denali seating shown.

# YOUR LIFE IN 121 CU. FT.

No matter how you use it, Yukon and Yukon XL provide generous cargo room. To access all of it, the second-row seats offer an available power-release fold-and-tumble feature, while available third-row power fold-flat seats complete the transition from passengers to cargo. With both rows down, Yukon offers up to 94.7 cu. ft<sup>1</sup> and Yukon XL delivers up to 121.7 cu. ft.<sup>1</sup>

- FLAT, EASY-TO-LOAD CARGO FLOOR
- UNDER-FLOOR CARGO MANAGEMENT SYSTEM
- AVAILABLE HANDS-FREE POWER PROGRAMMABLE LIFTGATE

<sup>1</sup>Cargo and load capacity limited by weight and distribution.

# THE SECRET TO POWER IS HOW YOU USE IT

From effortless cruising to adventurous exploring, Yukon's 5.3L V-8 generates an overwhelming feeling of confidence with 355 hp and up to 22 mpg highway.<sup>1</sup> Accelerate the performance and Yukon Denali's 6.2L engine paired with the 10-speed automatic transmission produces class-leading V-8 power and V-8 highway fuel economy: 420 hp and 23 mpg.<sup>2</sup> Both engines use Direct Injection, Active Fuel Management and continuously Variable Valve Timing to deliver exceptional power, efficiency and durability.

<sup>1</sup>EPA-estimated mpg (2WD). <sup>2</sup>EPA-estimated mpg (2WD). Based on GM Large SUV segment.

**6.2L**

**+**

**=**

**8,400 lbs<sup>1</sup>**  
**TRAILERING CAPABILITY**

Everything about Yukon is designed and engineered for confident trailering so you don't have to leave your boat, your camper and, especially, your passions at home. Choose Yukon Denali with the 6.2L V-8 and the 10-speed automatic transmission and pull up to 8,400 lbs.<sup>1</sup> Yukon SLE, SLT Standard Edition and SLT offer a maximum trailer rating of up to 8,500 lbs.<sup>1</sup> with the 5.3L V-8 and the available Heavy-Duty Trailering Package. Some of the technologies that make this all possible:

**TOW/HAUL MODE** This feature raises transmission upshift points to help accelerate and improve drivability when trailering or hauling heavy loads.

**TRAILER SWAY CONTROL** Helps keep your Yukon and your trailer heading in the same direction, automatically. The system uses StabiliTrak sensors to detect a swaying trailer, applying both Yukon's and the trailer's brakes (if properly equipped) to help bring it back in line.

**INTEGRATED TRAILER BRAKE CONTROLLER** For fingertip control of your trailer brakes, an integrated trailer brake controller is available. Conveniently located to the left of the steering wheel, it displays the level of brake force, or "gain," in the Driver Information Center. Learn how to tow like a pro at [gmc.com/trailering-towing](http://gmc.com/trailering-towing).

**(ALL SET)**

**(NO SWEAT)**

**(ALL 30 FT OF IT)**

<sup>1</sup>8,400 lbs requires Yukon Denali Short Wheelbase 2WD model with 6.2L V-8. 8,500 lbs requires Yukon Short Wheelbase 2WD model with 5.3L V-8 and Heavy-Duty Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

An aerial photograph of a winding asphalt road through a dense forest. The trees have vibrant autumn foliage in shades of yellow, orange, and red. Three cars are visible on the road: a dark car in the distance, a red car in the middle ground, and a white car in the foreground. Overlaid on the scene are semi-transparent blue sensor fields around the cars, representing various safety features like forward collision alert and lane change alert. The overall lighting is soft, suggesting a misty or overcast day.

YUKON OFFERS:

- | FORWARD COLLISION ALERT
- | FORWARD AUTOMATIC BRAKING
- | SAFETY ALERT SEAT
- | REAR CROSS TRAFFIC ALERT
- | LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT

# SEE IT SENSE IT AVOID IT

Offering a comprehensive collection of available driver-alert technologies, Yukon is engineered with the idea that the best way to handle a collision is to avoid it.

Discover more of Yukon's available safety features at [gmc.com/yukon](https://gmc.com/yukon).

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

**INTRODUCING GMC CONNECTED SERVICES**  
Seamlessly link your digital life to your Yukon with GMC Connected Services with its range of plans. Available Connected Access<sup>4</sup> gives you standard connectivity to enable services that analyze your driving data and provide tips on how to improve your driving habits. Or add the available Remote Access Plan<sup>5</sup> to start and stop or lock and unlock your Yukon via the available myGMC mobile app<sup>5</sup>.

OnStar service plans and Connected Services have changed significantly. While many of the offered services are the same, available plans and pricing are different. Visit [onstar.com](http://onstar.com) to review all the details and limitations.

Discover how to stay connected at [gmc.com](http://gmc.com).

<sup>1</sup>Service varies with conditions and location. Requires active OnStar service and data plan. Data plans provided by AT&T.® Vehicle must be on or in accessory position for Wi-Fi to function. <sup>2</sup>Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay is a trademark of Apple, Inc. Siri, iPhone and iTunes are trademarks of Apple, Inc., registered in the U.S. and other countries. <sup>3</sup>Vehicle user interface is a product of Google™ and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android™-compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. Android Auto is a trademark of Google LLC. <sup>4</sup>Standard connectivity available only to original purchaser for 10 years. See [onstar.com](http://onstar.com) for details and further plan limitations. Does not include safety services. Connected Access services are subject to change. <sup>5</sup>Requires compatible Apple® or Android device and data connection. Remote services require a paid plan.

# YUKON MODELS

## 3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY

GMC will warrant each 2019 Yukon from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first; see dealer for details).

**NEW-VEHICLE LIMITED WARRANTY** Every 2019 GMC Yukon comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your GMC dealer for details.

## ONSTAR AND GMC CONNECTED SERVICES

Connected vehicle services require a paid connected vehicle services plan or trial, connected hardware, vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Effective May 1, 2018, available GMC Connected Services have changed significantly. While many of the offered services are the same, available plans and pricing are different. Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations.

## GMC CERTIFIED SERVICE

To help your Yukon live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Yukon, GM-trained technicians have the expertise to care for it.

## ADDITIONAL NOTES

**A NOTE ON CHILD SAFETY** Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

**TRAILERING AND OFF-ROAD DRIVING INFORMATION** Please go to [gmc.com](http://gmc.com) and carefully review the vehicle Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

**FLEET ORDERS** Some standard content may be deleted on fleet orders. See dealer for details.

**ENGINES** GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

**GMC.COM** See more of Yukon on our website: [gmc.com/yukon](http://gmc.com/yukon). More photos and information; hot links to related subjects; convenient dealer locator; pricing guide, spec out your own vehicle. Or call 1-800-GMC-8782.

**IMPORTANT WORDS ABOUT THIS CATALOG** We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large SUV segment and latest available competitive information. Excludes other GM vehicles.

**AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES** Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

**ASSEMBLY** GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

**GMMOBILITY.COM** (1-800-323-9935) GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit [gmmobility.com](http://gmmobility.com).
