4x4 Diesel in Kinetic Blue Metallic
(extra-cost color) with available
dealer-installed 3-inch Black Assist
Steps from Chevrolet Accessories.

THE TRUCK YOU ALWAYS WANTED.

Colorado is the truck that never compromises, for the driver who doesn't either.

You want power? The available V6 offers 308 horsepower. And an available GM-exclusive Duramax® 2.8L Turbo-Diesel engine generates up to 7,700 lbs. of towing¹ muscle and 369 lb.-ft. of torque.

Want to go farther? That same diesel helps Colorado travel a maximum highway range of 630 miles per tank².

Or are you ready to leave roads behind? Colorado ZR2 is the truck built specifically to dominate the off-road and was named the 2018 *Four Wheeler* Pickup Truck of the Year.

Colorado. It's everything you ever needed in the one pickup you've always wanted.

¹ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ² Maximum range based on EPA-estimated 30 MPG highway for Colorado 2WD with available Duramax 2.8L Turbo-Diesel engine and fuel tank capacity. Your range may be less.

EXTERIOR DESIGN

1. UNMISTAKABLE APPEARANCE.

Projector-beam headlamps, a gunmetal grille and model-specific badging bring a one-of-a-kind look to Z71.

2. OFF-ROAD READY. With 17-inch Dark Argent Metallic-painted cast-aluminum wheels and all-terrain tires, Colorado Z71 4x4 considers paved roads an afterthought.

3. A STEP IN THE RIGHT DIRECTION.

It's easy to reach the cargo bed of Colorado with the ingenious CornerStep rear bumper.

4. HOLD ON TIGHT. Corner hand grips are standard on Colorado and cargo tie-down rings from Chevrolet Accessories¹ are available, elevating cargo bed functionality to an even higher level.

¹ Chevrolet Accessories are dealer-installed and covered by the GM 3-year/36,000-mile (whichever comes first) New Vehicle Limited Warranty when ordered with your new Colorado. See your dealer for details.

Colorado Crew Cab
Short Box Z71 in Red Hot.

ZR2

KIDS AREN'T THE ONLY ONES WHO LIKE TO GET DIRTY.

Colorado Crew Cab Short Box ZR2
in Red Hot with available features.

WHO WANTS TO HEAD OFF-ROAD?

With rugged features such as front and rear electronic locking differentials and a Multimatic DSSV™ Damping System that offers an exceptional ride, plus one-touch terrain select for desert, mud or mountains, nearly 2 inches of front and rear lift, and a 3.5-inch wider stance, ZR2 is the ultimate off-road midsize pickup.

READY TO LAUNCH. Where you're going, ordinary engines just won't do. The available GM-exclusive Duramax 2.8L Turbo-Diesel 4-cylinder engine produces 369 lb.-ft. of torque. And the 3.6L V6 delivers a massive 308 horsepower and 275 lb.-ft. of torque.

THE TRAILS WON'T STAND A CHANCE.

Tubular rocker protectors shield the lower body when you head off-road, while skid plates help defend against underbody damage. A bed-mounted spare, available from Chevrolet Accessories¹, provides additional rear clearance when roads get steep.

Professional driver. Closed course.

1. MULTIMATIC DSSV DAMPING SYSTEM.

The dampers on ZR2 work equally well in the dirt or on the highway, easily absorbing big hits when off-road and providing a smooth ride on-road.

2. LOCKING DIFFERENTIALS. Segment-exclusive, driver-selectable front and rear electronic locking differentials provide equal power to all wheels, giving you the traction to keep moving.

3. AGGRESSIVE ANGLES. Approach, breakover and departure angles are maximized to enhance your 4-wheeling experience.

4. BED-MOUNTED SPARE TIRE CARRIER. Designed specifically for Colorado ZR2, this durable carrier available from Chevrolet Accessories¹ lets you move the spare tire from underneath the vehicle, providing easy access and extra clearance when you go off-road.

¹ Chevrolet Accessories are dealer-installed and covered by the GM 3-year/36,000-mile (whichever comes first) New Vehicle Limited Warranty when ordered with your new Colorado. See your dealer for details.

Colorado Extended Cab Long Box
ZR2 Diesel in Satin Steel Metallic
with available features.

LOOKS ARE NOT DECEIVING. The front fascia, grille and hood scoop let everyone know ZR2 has arrived. Front and rear wheel flares, 17-inch wheels with a 31-inch overall diameter and a spray-on bedliner with ZR2 logo intensify the appearance.

CLIMB INSIDE. ZR2-specific Jet Black leather-appointed seating, embroidered head restraints and sill plates are standard. Power driver and front passenger seat adjusters ensure customized comfort. And the Driver Information Center displays your off-road performance.

Colorado Extended Cab ZR2
Jet Black interior with
available features.

in Black with available features,
GearOn accessories and Thule®
Big Mouth Bike Carrier attachment
from Chevrolet Accessories.
You can add a number of other
lifestyle accessories, such as the
Thule Hull-a-Port PRO Kayak/
Canoe Carrier.

DON'T SLEEP ON THIS BED. The available GearOn System is an innovative solution that lets you organize and secure your stuff. Put bikes, canoes and boards above the bed, and securely stow even more gear below.

GEARON™

INTERIOR DESIGN

Colorado Z71 interior in Jet Black/Dark Galvanized with available features.

AT HOME WHEREVER YOU ROAM. All seats are contoured for maximum support and leg room. For added comfort on a cold day, heated front seats and a heated steering wheel are standard on Z71 and ZR2 and available on LT.¹

SAY “NO” TO THE NOISE. Colorado combines design features such as inlaid triple-sealed doors and thick windshield and side glass to help reduce wind noise inside the cab.

A PLACE FOR ALL YOUR GEAR. A huge center console provides secure storage for your valuables. Crew Cab models feature a fold-down rear seat with hidden underseat storage.

AT-A-GLANCE INFORMATION.

An available full-color multi-function display² provides critical data when you need it, including tire pressure readouts, instant and average MPG, digital speed, fuel range and much more.

Z71 STYLE. Colorado Z71 features a choice of an exclusive Jet Black cloth/leatherette or Jet Black leather-appointed interior that’s durable and easy to clean.

POWER WITH A PURPOSE. Two USB ports³ and an auxiliary input jack located in the front center storage bin are standard. LT, Z71 and ZR2 add two charge-only ports³ on the rear of the center console.

¹ Heated seats require available Luxury Package – Chrome or Redline Luxury Special Edition Package. Heated steering wheel requires available LT Convenience Package and Luxury Package – Chrome. ² Standard on LT, Z71 and ZR2. ³ Not compatible with all devices.

Colorado Crew Cab LT interior in Jet Black with available features.

TECHNOLOGY

1. Apple CarPlay® COMPATIBILITY!

With Apple CarPlay, you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your touch-screen display.

2. THE WORLD AT YOUR FINGERTIPS.

Available steering wheel-mounted controls, along with Bluetooth® wireless technology² and Siri Eyes Free,³ give you access to features of your compatible iPhone.

3. ANDROID AUTO COMPATIBILITY!⁴

You can quickly and intuitively interact with select smartphone apps with support for Android Auto™. This system takes some of your compatible Android™ phone's features and lets you access them on the touch-screen display. You can access your navigation, phone, text messages, music and more.

WORK YOUR CONNECTIONS. Chevrolet offers available built-in 4G LTE Wi-Fi¹ that provides a better in-vehicle experience than your smartphone. Our strong signal means you have a fast and reliable connection for up to seven devices.

INTELLIGENT, INTUITIVE INTERIOR. The Chevrolet Infotainment 3 System² lets you arrange icons and features on the color touch-screen. Touch and swipe on the screen just like you do on your smartphone.

CUSTOMIZE YOUR DRIVE. Easily browse, select and install apps³ that can help enhance your driving experience. Using the vehicle's touch-screen, you can customize your content with music, audiobooks, weather and more.

myChevrolet Mobile App⁴ Download the app to your compatible smartphone and if your vehicle is properly equipped, you can start or turn off your engine, lock or unlock your doors⁵ (requires paid subscription after trial), send destinations to your available navigation⁶ system, view key vehicle diagnostic information, set parking reminders and more. Requires available Remote Access Plan⁷.

PERFORMANCE

Colorado Crew Cab Short Box Z71
4x4 Diesel in Kinetic Blue Metallic
(extra-cost color) with dealer-
installed 3-inch Black Assist Steps
from Chevrolet Accessories!

THE MIDSIZE PICKUP THAT GOES FOR MILES. AND MILES. AND MILES.

EXCELLENT EFFICIENCY. With the available Duramax 2.8L Turbo-Diesel 4-cylinder engine, the award-winning Colorado is exceptionally fuel-efficient² and offers a remarkable EPA-estimated 30 MPG highway and a maximum highway range of 630 miles per tank³

TORQUE MONSTER. The Duramax doesn't stop at efficiency. It also offers 369 lb.-ft. of torque. Towing, hauling or passing, you'll feel the type of strength you need in the toughest situations.

DESIGNED TO GO THE DISTANCE. Our diesel takes midsize truck capability to remarkable levels. The 4-valves-per-cylinder design contributes to excellent performance. With an engine block made of durable cast iron, there's no doubt this engine was created specifically for trucks.

¹ Chevrolet Accessories are dealer-installed and covered by the GM 3-year/36,000-mile (whichever comes first) New Vehicle Limited Warranty when ordered with your new Colorado. See your dealer for details. ² EPA-estimated MPG city/highway: Colorado with available Duramax 2.8L Turbo-Diesel engine 20/30 (2WD), 19/28 (4x4), 18/22 (ZR2). ³ Maximum range based on EPA-estimated 30 MPG highway for Colorado 2WD with available Duramax 2.8L Turbo-Diesel engine and fuel tank capacity. Your range may be less.

Requires available Z82 Trailering Package. ⁴ These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. ⁵ Requires Crew Cab Short Box WT 2WD model. ⁶ EPA-estimated MPG city/highway: Colorado 2WD with 2.5L 4-cylinder engine 20/26.

Colorado Crew Cab Long Box LT Diesel in Shadow Gray Metallic with available Luxury Package – Chrome and dealer-installed 5-inch Chrome Rectangular Assist Steps from Chevrolet Accessories!

**YOU KNOW YOU WANT A TRUCK
THAT CAN TOW LIKE THIS.**

7,700 LBS. OF TOWING POWER. A properly equipped Colorado with the available Duramax 2.8L Turbo-Diesel 4-cylinder engine can tow up to 7,700 lbs^{2,3}. With the available 3.6L V6 engine, it can tow up to 7,000 lbs^{3,4}. That's full-size capability in a more maneuverable package.

FULLY BOXED FRAME. This rugged foundation provides maximum hauling capability. Strategic use of advanced high-strength steel reduces mass while reinforcing strength.

RUGGED TRUCK. SMOOTH RIDE. With a coil-over-shock front suspension, rear leaf springs, asymmetric rear shock placements and a wide track, Colorado is solid, smooth and capable – loaded and unloaded.

HITCH GUIDANCE. This feature helps make lining up your hitch and trailer easy. Just shift into Reverse and press the Hitch Guidance button on the rear vision camera screen. A single guiding line appears to help you center the hitch ball and trailer coupler. Standard on ZR2 and available on Colorado models with Tow/Haul mode.

TRUCK-PROVEN TECHNOLOGIES.

Electric Power Steering, 4-wheel disc brakes and long-lasting Duralife™ brake rotors deliver a confident drive. An automatic locking rear differential is available on WT and LT and standard on Z71 models. Driver-selectable full locking front and rear differentials are standard on ZR2.

6-SPEED AUTOMATIC TRANSMISSION.

An electronically controlled 6-speed automatic transmission with Tow/Haul mode⁵ and auto grade braking can be paired with either the 2.5L 4-cylinder

or the available Duramax 2.8L Turbo-Diesel 4-cylinder engine.

8-SPEED AUTOMATIC TRANSMISSION.

This strong, durable, smooth-shifting transmission, which also includes Tow/Haul mode⁵ and auto grade braking, is constructed with extensive amounts of aluminum and magnesium to help reduce size and weight. See the specifications section for transmission availability.

¹ Chevrolet Accessories are dealer-installed and covered by the GM 3-year/36,000-mile (whichever comes first) New Vehicle Limited Warranty when ordered with your new Colorado. See your dealer for details. ² Requires Colorado 2WD model with available Duramax 2.8L Turbo-Diesel 4-cylinder engine and available Z82 Trailing Package. ³ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ⁴ Requires available 3.6L V6 engine and available Z82 Trailing Package. All models except ZR2. ⁵ Tow/Haul mode is included with available 3.6L V6 engine or Duramax 2.8L Turbo-Diesel engine.

SAFETY

SAFETY STARTS WITH YOU. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

AS SAFE AS IT IS STRONG.

A comprehensive package of available driver assist technologies uses strategically located available cameras to help warn you of potential risks on the road – or even in a parking lot.

AVAILABLE SAFETY PACKAGE. This package, available on LT models, includes Lane Departure Warning, Forward Collision Alert and Rear Park Assist.

LANE DEPARTURE WARNING. If you unintentionally drift out of your lane without using a turn signal, this available camera-based system can send an alert. The system reads traffic lane markings when identifiable and provides audible and visual alerts.

FORWARD COLLISION ALERT. This available feature monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it can alert the driver to a potential crash. It also can warn the driver if their Colorado is following a detected vehicle much too closely.

REAR PARK ASSIST. This available feature helps you when backing up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects in close proximity behind the vehicle.

REAR VISION CAMERA. When traveling in Reverse at low speeds, the standard rear vision camera with dynamic guiding lines helps provide a real-time view of the area immediately behind your Colorado on the touch-screen display. So it's easier to back up, park or hook up a trailer.

STABILITRAK WITH TRACTION CONTROL. The advanced StabiliTrak® Electronic Stability Control System with rollover mitigation works in conjunction with standard ABS and Traction Control.

SIX AIRBAGS. Every Colorado offers six standard airbags! Sensors determine how many airbags deploy – including side airbags for the driver and front passenger.

TEEN DRIVER. This technology helps encourage better driving habits in a number of ways, including an in-vehicle report card that displays the frequency of certain available active safety feature activations, muting the audio system when front-seat occupants aren't wearing their seat belts, and giving audible and visual warnings when the vehicle is traveling over a predetermined speed.

HIGH-STRENGTH STEEL FRAME. The ladder-type frame is made from 83% high-strength steel and ultra-high-strength steel for enhanced occupant protection and reduced mass.

ROLL-FORMED STEEL PICKUP BOX. Colorado features an exclusive roll-formed steel pickup box with advanced high-strength steel, which is stronger and lighter than traditional stamped-steel designs.

1 A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

WE MEAN BUSINESS. For nearly 100 years, Chevy has partnered with small business owners to do whatever it takes to get the job done. Our dealers can show you how our portfolio of vehicles – the most comprehensive lineup in the industry – can help your business run more efficiently. Because business is all about the bottom line, you'll be happy to know the 2018 Chevrolet Colorado is among the top three midsize pickup trucks with the lowest 5-Year Cost to Own according to Kelley Blue Book's KBB.com¹

TAILORED FOR YOUR BUSINESS.

The Business Choice Program allows small business owners to choose from a variety of upfit² and accessory options to ensure work vehicles are cost-effective and properly equipped.

BUSINESS ELITE DEALERS. Chevrolet Business Elite Dealers provide owners with a team of expert sales consultants to help select the right vehicles for the job. Plus, every Business Elite service department has the facilities, tools, equipment and certified technicians to accommodate your specific needs.

COMMERCIAL LINK³ This platform, available through OnStar,⁴ provides small business owners with the tools, reporting and customization needed to optimize costs and reduce vehicle downtime. Access key information such as location, fuel efficiency, speed, miles driven and maintenance needs to help keep your business running at maximum efficiency. To learn more and to receive your 30-day trial, please visit chevroletcommercialink.com.

Leather-appointed seats with ZR2 logo

¹ A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. ² Read the vehicle Owner's Manual for important feature limitations and information. ³ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. ⁴ Visit my.chevrolet.com/learn for vehicle and smartphone compatibility. ⁵ Not compatible with all devices. ⁶ Visit onstar.com for limitations and details. OnStar plan, working electrical system, cell service and GPS signal required. OnStar links to emergency services. Roadside service provided by Allstate Roadside Services. Stolen Vehicle Assistance requires armed factory-installed theft-deterrent system. ⁷ If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. ⁸ Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include safety services. Visit onstar.com for details and plan limitations. ⁹ Service varies with conditions and location. Requires active OnStar service and paid AT&T data plan. Visit onstar.com for details and limitations. ¹⁰ The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn for details.

CHEVROLET.COM/ACCESSORIES

ONSTAR.COM

(SiriusXM)

SIRIUSXM.COM

NEW VEHICLE LIMITED WARRANTY

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY Chevrolet will warrant each 2019 Colorado from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY

Every 2019 Colorado comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

¹ Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco dexos1™ Full Synthetic Oil and Filter Change/Tire Rotation/MPVI. Does not include air filters. See participating dealer for other restrictions and complete details. ² Whichever comes first. See dealer for details. ³ Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include safety services. Visit onstar.com for details and plan limitations. ⁴ Connected Services include navigation services and Remote Access Plan, and 1 month/3 GB of 4G LTE data (whichever comes first) from vehicle delivery date. Services are subject to User Terms and limitations. Certain services require working electrical system, cell service and GPS signals. OnStar links to emergency services. Visit onstar.com for more details. ⁵ Requires Colorado 2WD model with available Duramax 2.8L Turbo-Diesel 4-cylinder engine and available Z82 Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ⁶ Requires Crew Cab Short Box 2WD model with available 3.6L V6 engine. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. ⁷ Cargo and load capacity limited by weight and distribution.

IMPORTANT INFORMATION

CHEVROLET CONNECTED SERVICES AND ONSTAR Effective May 1, 2018, available Chevrolet Connected Services have changed significantly. While many of the offered services are the same, available plans and pricing are different. Connected vehicle services require a paid connected vehicle services plan or trial and connected hardware, vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Visit onstar.com for coverage map, details and system limitations.

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment,

specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Midsize Pickup segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

CHEVROLET.COM/SAFETY Chevrolet is committed to keeping you and your family safe – from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935) GM MobilitySM offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

THE BUYPOWER CARD The Chevrolet BuyPower Card – Every purchase you make with the BuyPower Card from Capital One* helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.
