Economical cars that are built to last are an American Motors tradition. We take pride in being a pioneer in the manufacture of quality small cars. And for today and tomorrow, we are totally committed to produce the kinds of automobiles that will best meet the changing needs for transportation in the 80's.

To earn the name "Tough Americans," American Motors engineers and manufactures durable yet fuel-efficient* and smartly-styled automobiles... and then stands behind them with one of the most comprehensive warranty packages in the industry.

First, there's the American Motors Buyer Protection Plan® which offers the only full 12 month/12,000 mile new automobile warranty that covers every part we put on the automobile, except tires... even if it just wears out. A plan that also includes provisions for a free loaner automobile, special trip interruption protection as well as warranty coverage for subsequent owners, and more.

*1982 AMC EPA Fuel Economy Figures are listed on page 31

ONLY AMERICAN MOTORS HAS GALVANIZED

Front valance panel and fender Front wheel opening

Then, there is the exclusive Ziebart® Factory Rust Protection with galvanized steel in 100% of the exterior body panels, backed by the innovative full 5-year No Rust-Thru® Warranty.

Finally, at no extra cost, American Motors offers the new Extended Powertrain Protection Limited Warranty, providing protection for specific powertrain components for an additional 12 months or 12,000 miles.

[Details on this exclusive warranty protection are provided at the back of this brochure.]

The "Tough Americans" for 1982 offer other innovations as well.

All Eagle models now are equipped with Select Drive as standard equipment for 1982. We call it the "Revolutionary Switch." It's a major technological achievement that lets you combine the economy of 2-wheel drive with the traction of full-time 4-wheel drive in one powertrain system.

New 4-speed and optional 5-speed overdrive transmissions are available for all AMC models and engine choices.

Use of precision-engineered electronic fuel metering carburetion systems has been expanded for 1982 models.

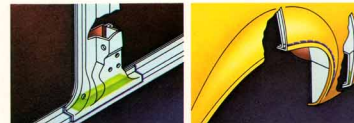

New low-drag disc brakes for improved fuel efficiency are standard on all AMC models.

A wide-ratio automatic transmission option is available with 4- or 6-cylinder engines in 1982 for improved fuel economy.

Use of single-belt "Serpentine" accessory drive has been expanded to include all Spirit and Concord models equipped with 6-cylinder engines and air conditioning, reducing parasitic power loss, improving fuel economy, and extending maintenance intervals.

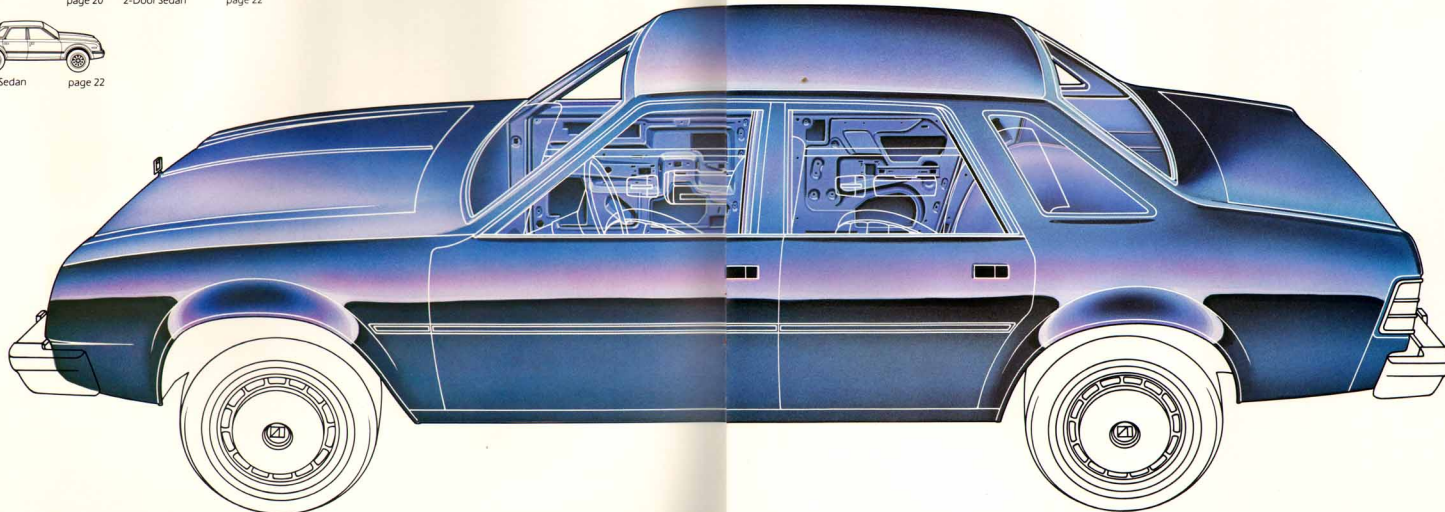

For 1982... more tough action from the Tough Americans at American Motors.

Spirit G.T. Liftback

SPIRIT LIFTBACK

Spirit for 1982 is stylish evidence that durability can be built into a sporty subcompact economy car. Inside the new Spirit G.T. Liftback, you sit comfortably behind a color-keyed sport steering wheel and full instrumentation including tachometer. Outside, spoked-styled wheels, black remote sport mirror, special blackout accents, glass-belted radials and G.T. Medallions convey a bold, on-the-move appearance.

Yet, the Spirit Liftback gives you spacious, comfortable passenger seating, too. And a

convenient rear liftgate that opens into a roomy cargo compartment.

For fuel efficiency on the highway or in the city, the standard powertrain couples a 4-speed manual transmission with a responsive 2.5-liter, 4-cylinder engine. New low drag disc brakes help enhance fuel economy. Powertrain choices include the new 5-speed overdrive manual transmission or wide-ratio 3-speed automatic transmission, with standard 4-cylinder or optional 4.2 liter, 6-cylinder engine.

If you don't mind standing out in the crowd, the G.T. could be your ticket.

Spirit G.T. Liftback . . . with the looks and manners of a true sports car.

Manual 5-speed transmission with Gauge Package

Spirit DL Liftback

SPIRIT LIFTBACK

All the sought-after subcompact car ingredients are yours in the 1982 Spirit. Good looks coupled with high mileage ratings. Built-in durability. Efficient size for easy parking. Great handling when city driving. Excellent roadability on the highway. Overall, a stable, comfortable ride that's surprising in a small car.

The new Spirit is thoughtfully designed and detailed in every respect. The distinctive DL model takes this concept one step further with touches like full-styled wheel covers, remote control chrome mirror, deluxe moldings and DL medallions. Special appointments in the interior include reclining bucket seats, woodgrain instrument panel and quartz digital clock, plus split folding rear seat and plush color-keyed carpeting throughout.

If you like the feeling of the great outdoors, try the optional pop-up sun roof. For additional power and comfort you can order the 6-cylinder engine and air conditioning from the full array of available options.

Spirit DL Liftback . . . a sporty touch of class in a Tough American.

Pop-up sun roof

Spirit Sedan

SPIRIT SEDAN

For true practicality and value it's hard to match the 1982 Spirit Sedan. It's your perfect choice for personal or business use. Or it's the ideal car for the young family. There is extra space for cargo when you fold down the rear seat and a convenient rear hatch makes it easy to load those bulkier items. Whether you're returning from a round of golf or leaving on vacation.

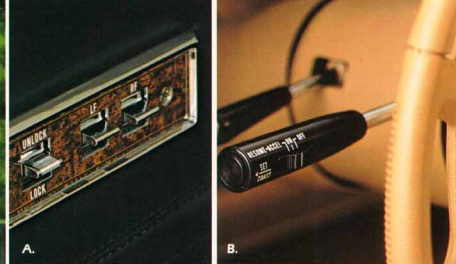

Unlike many other small economy cars, Spirit Sedan and Liftback models deliver interior comfort in a big way. Base models offer custom bucket seats in

attractive, durable vinyl. DL models are equipped with premium reclining bucket seats with a choice of Deluxe Grain vinyl or Coventry Check fabric upholstery.

A broad range of options and accessories lets you personalize your Spirit for optimum driving pleasure. For a sportier look and feel, choose the optional leather-wrapped sport steering wheel, or the functional gauge package and floor-shift console. For convenience, there's air conditioning, a special interior light group, pop-up sun roof and

cruise control as well as a wide selection of audio options, including the electronically tuned AM/FM cassette stereo radio, to mention only a few.

Choose Spirit... One Tough American Economy Car.

- A. Power lift side windows and door locks
- B. Cruise control
- C. Rear hatch with split rear folding seat

Concord DL Wagons

CONCORD WAGONS

Today's wagon owner expects maximum use of space to handle passengers and cargo alike. The 1982 Concord Wagons offer you just that without sacrificing good looks and comfort. In fact, you can indulge most every need for luxury and comfort by stepping up to the Concord DL or Limited models.

Whichever wagon model you select, when you are ready to load-up, just lower the fold-down rear seat and open Concord's wide rear hatch, and you have easy access to a full 57 cubic feet of cargo area. If you like your possessions out-of-sight, you

can order the optional retractable cargo area cover. Or you can lock cameras or other smaller valuables in the hidden stowage compartment which comes standard on all Concord Wagons.

Yet it's not all work and no play. Standard DL model equipment with Concord Wagon includes reclining seats, an electronic digital clock, stylish woodgrain instrument panel, extra quiet insulation package and deluxe woodgrain bodyside panels. Limited models offer genuine leather seats, 18 oz. carpeting, wire wheel covers, and dual remote exterior mirrors. Both offer an almost unlimited array

of options from power windows and seats to a full selection of stereo radios.

Of course, a Concord Wagon is your ready-to-go partner when it's recreation and travel time. Just load up the luggage, fishing tackle and tennis equipment and take to the highway. That's when you'll truly appreciate Concord's ability to deliver personal comfort combined with spacious stowage.

Concord Wagon... a distinctive alternative.

Tilt steering wheel

Concord DL 4-Door Sedan

Concord Limited 2-Door Sedan

CONCORD SEDANS

If you promised yourself a practical, fuel efficient compact, but you want luxurious creature comforts as well, you owe yourself a Concord. The new Concord Sedans are available in 2-Door and 4-Door models, each with a high level of standard equipment on top of American Motor's built-in durability.

Concord DL moves you up into the world of luxury. Outside, the handsome DL has styled full wheel covers, remote control chrome mirror, classic vinyl roof in three new colors, deluxe accent

moldings and DL identification. Inside, individual reclining seats in Deluxe Grain vinyl, woodgrain instrument panel and quartz digital clock increase your driving comfort.

For the ultimate in driving luxury, treat yourself to the Concord Limited. High-style wire wheel covers, special exterior accent moldings, individual reclining seats in supple, genuine leather, premium door panels, woodgrain steering wheel and lush 18-oz. carpeting contribute to the Limited's distinctive appearance and comfort. With a host of

other available options and accessories, you can personalize any Concord to reflect your taste.

Underway, the fuel-efficient Concord is powered by a standard 2.5 liter, 4-cylinder engine and 4-speed manual transmission. Powertrain options include a 4.2 liter, 6-cylinder engine, plus the new 5-speed automatic transmission, both designed to improve mileage and performance.

Concord from American Motors... One Tough American Economy Car.

Lighted passenger visor mirror

EAGLE'S "REVOLUTIONARY SWITCH" ... SELECT DRIVE

For the first time, every 1982 Eagle from American Motors offers you a choice: 2-wheel drive for over-the-road economy or full-time 4-wheel drive for traction and security... either mode at the flick of a switch. Select Drive, an innovative engineering achievement that lets you switch back and forth between 2-wheel drive economy and full-time 4-wheel drive traction... Unlike all other conventional part-time 4-WD systems, Select Drive, designed for full-time operation, lets you enjoy 4-wheel drive security to meet any weather or road condition.

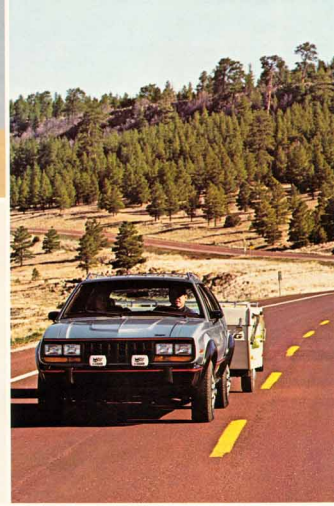

Are you heading into a rainstorm? Are there icy patches or fresh snow on the road? Do you find yourself on a muddy country lane? Once again the choice is yours. Simply stop the vehicle and slide the lever to the right. Now you are in 4-wheel drive for that feeling of confidence and security. It's that simple! To change back to 2-wheel drive economy, just stop the vehicle, reverse the switch... Select Drive is that easy and instant to operate.

With Eagle, you experience superb traction and control as all four wheels, not just two, provide exceptional stability and roadability through rain, mud, snow and icy conditions, as well as on dry pavement.

The Select Drive 4-wheel drive system is standard equipment on all 1982 Eagle 2-Door & 4-Door Sedans, Wagons, as well as the sporty subcompact Eagle SX/4 and Kammback models.

The American Eagle... it's a switch from every other car in the world.

Eagle's "REVOLUTIONARY SWITCH"... SELECT DRIVE

Eagle SX/4 with Sport Package

EAGLE SX/4

American Motor's newest sport machine leaves the world of ordinary cars behind. With the SX/4, you get superior control with 4-wheel traction on any kind of road . . . in good conditions or bad, in snow, mud or sand. Select Drive delivers the traction you need. In addition, with the flick of a switch, Select Drive lets you benefit from the fuel efficiency of 2-wheel drive. All in a sassy package called SX/4.

Wrapped up in this sleek sports car are all the driving features you'd expect: spirited 2.5 liter, 4-cylinder engine and 4-speed gear box, custom bucket seats, carpeted passenger and cargo area,

and a folding rear seat back that lets you accommodate extra cargo. All are standard equipment, along with power steering and power front disc brakes.

You can add to your personal comfort by opting for the DL model: premium reclining buckets, woodgrain instrument panel, deluxe exterior moldings and styled wheel covers. Or, choose the optional Sport Package and go all-out with high/low beam halogen headlights, sport fog lamps, steel-belted radials, blackout grille, bumpers and exterior trim accents.

For more power, you can opt for the 4.2 liter, 6-cylinder engine and a new 5-speed overdrive manual transmission that boosts mileage without sacrificing performance.

Other options include a new electronically tuned AM/FM audio system, air conditioning, and light and convenience groups, among many others.

Eagle SX/4 . . . sporty versatility with 4-WD performance.

Electronically tuned AM/FM cassette stereo radio

Eagle Kammback

EAGLE KAMMBACK

Here's the American Motors' 4-wheel drive package that combines subcompact sportiness with affordability and utility. Versatility on a budget. The new Eagle Kammback handles tough driving conditions with 4-wheel drive traction and authority. The new standard Select Drive feature also provides outstanding fuel economy in the 2-wheel drive mode for day-to-day driving, then converts effortlessly to 4-wheel power.

Whether for work or personal use, Kammback offers a full measure of interior comfort

and roominess. The standard powerteam matches a 2.5 liter, 4-cylinder engine to a 4-speed manual transmission. Available optional powerteams include the new 5-speed overdrive manual transmission, or a wide ratio 3-speed automatic transmission in combination with standard 4-cylinder engine or optional 4.2 liter, 6-cylinder engine.

For added luxury, choose the Kammback DL model which features reclining buckets, split folding rear seat, woodgrain accented steering wheel and specially styled wheel covers.

If security is high on your priority list, select the optional AM/FM/CB stereo radio system. Add power windows and doorlocks or soft fabric seats from Kammback's full list of options and accessories, all designed for your driving comfort and convenience.

Eagle Kammback . . . the Eagle value leader.

Eagle Wagon with Sport Package and Eagle Wagon

EAGLE WAGONS

The go almost anywhere, do almost anything Eagle Wagon is sure to be a winner for versatility once again in 1982.

The Eagle Wagon gives you American Motors' latest innovation with the revolutionary Select Drive system which permits you to convert from economical 2-wheel drive to full-time 4-wheel drive with a flick of a switch. And in the 4-wheel drive mode, the Eagle can get you where you want to go, as no ordinary passenger car ever could.

For trimness and maneuverability it rivals any compact automobile. When it comes to stowing cargo, it's all wagon. The expansive tailgate opens to 57 cubic feet of cargo space with the rear seat folded down.

A separate, lockable stowage compartment protects your valuables, and an optional retractable cargo area cover keeps everything out of sight.

The Eagle Wagon features four door convenience and such standard equipment as the responsive 2.5 liter, 4-cylinder engine, 4-speed manual transmission, glass-belted radial

tires, a range stretching 22-gallon fuel tank, a front sway bar, power front disc brakes and power steering. All standard.

If you choose the optional Sport Package, your Eagle Wagon will have among other features Arriva steel belted radials, Halogen head and fog lamps, black remote sport mirror, 4x4 graphics and black bumpers, moldings and accents. Add the optional trailer towing package and you have yourself a first rate sport machine.

Eagle Wagon . . . one sporty wagon with lots of character.

Rear hatch with retractable cargo cover

Eagle 4-Door Sedan

EAGLE SEDANS

When you've taken the pledge for the practicality of a compact sedan, but still yearn for something unique in your driving experience, then one of the Eagle models is your answer for the 80's.

You'll enjoy the security and traction of a full-time, 4-wheel drive system that allows you to switch over to economical 2-wheel drive with the revolutionary new Select Drive system. You get family-sized roominess and comfort in a luxury automobile that handles all driving conditions with comparable ease. And you can choose between a 2-Door and a 4-Door Sedan in two levels of luxury and convenience.

The standard model Eagle gives you full-styled wheel covers, classic vinyl roof and deluxe exterior moldings, plus interior luxury which includes reclining vinyl buckets, woodgrain instrument panel and quartz digital clock.

The top-of-the-line Eagle Limited offers the supple richness of genuine leather individual reclining seats in combination with other luxurious touches: premium door panels, woodgrain steering wheel and plush 18 oz. carpeting.

Eagle Sedan powertrains include the standard 2.5 liter, 4-cylinder engine with 4-speed manual transmission. Optional powertrains feature

Eagle 2-Door Sedan

the larger 4.2 liter, 6-cylinder engine, a new 5-speed overdrive transmission or a wide-ratio 3-speed automatic transmission.

A wide selection of options and accessories lets you dress up and personalize Eagle to suit your wants or needs. To name a few: power door locks and windows, 6-way power seats, aluminum wheels, gauge package and floor shift console. The American Eagle. It's a switch . . . from every other car in the world.

Six-way power driver's seat

INTERIORS

Choose an interior designed to handle family wear and tear. Or, select one for downright elegance and comfort. American Motors offers you a full range of interiors: from durable vinyls to handsome fabrics to genuine leather — the options are yours.

- A. DL interior in Castilian Sculptured fabric (Concord and Eagle)
- B. Limited interior in genuine leather (Concord Limited and Eagle Limited)
- C. DL interior in Coventry Check (Spirit and SX/4)
- D. Individual reclining seat in Durham Plaid fabric (Eagle Sedans and Wagon)
- E. Bucket seat in Deluxe Grain vinyl (all car lines except Concord Limited and Eagle Limited)

SPIRIT • CONCORD OPTIONS

Spirit • Concord Options
Some options listed are standard on DL or Limited models or are included in select packages.

Power

- Power steering
- Power front disc brakes
- Power lift side windows
- Power door locks
- Six-way power driver's seat (Concord)
- Six-way power driver's and passenger's seats (Concord)
- Power trunk lid release (Concord)
- Power liftback release (Spirit)

Audio

- AM radio
- AM/FM stereo radio
- AM/FM cassette stereo radio
- Electronically Tuned AM/FM cassette stereo radio
- AM/FM/CD stereo radio
- Premium audio system
- Power antenna

Convenience

- Air conditioning system (includes heavy-duty cooling system, heavy duty alternator, and parcel shelf)
- Air conditioning package (includes air conditioning system as above plus power steering and tinted glass)
- Light group (includes dome/map light, two courtesy lights, glove box light, engine compartment light, rear door dome light switches, trunk light on Sedans and liftgate dome light switch on Liftback and Wag.)

- Convenience group (includes lighted passenger visor mirror, lights-on buzzer and intermittent windshield wipers)
- Gauge package (includes tachometer, clock, ammeter, oil and vacuum pressure gauges)
- Quartz digital clock
- Tinted glass
- Rear window defogger
- Rear window wiper and washer (Liftback and Wag.)
- Pop-up sun roof
- Dual horns
- Cruise control (auto, trans.)
- Tilt steering wheel
- Roof rack
- Tailgate air deflector (Spirit)
- Full-length console with armrest (Spirit)
- Halogen headlamps
- Parcel shelf
- Remote control outside sport mirrors (Spirit Liftback)
- Remote control outside mirrors
- Electric control outside mirrors
- 10-inch day/night mirror

Appearance

- Spirit G.T. Package includes the following equipment:
Interior — color-keyed sport steering wheel
Exterior — spoke styled wheels, black left remote sport mirror, black bumpers with nerf strips and guards, European blackout exterior accents on grille, trim moldings, venturi area and taillamps, dual black paint stripes (color-keyed with black exterior paint), G.T. medallions

- Functional — P185/75R14 radial BSW tires; tachometer
- Two-tone paint
 - Woodgrain bodyside panels (Wagons)
 - Rally stripes (Spirit)
 - Rear spoiler (with Spirit G.T. package only)
 - Luxury woodgrain steering wheel
 - Leather-wrapped sport steering wheel
 - Vinyl sport steering wheel (Spirit)

Wheel Trim

- Styled wheel covers
- Wire wheel covers
- Spoke style wheels
- Turbocast aluminum wheels (Spirit)

Protection

- Protection group (includes bumper nerf strips and guards, door edge guards and floor mats)
- Bumper guards
- Extra quiet insulation
- Locking gas cap
- Bodyside scuff moldings (Spirit)
- Retractable cargo area cover (Wag.)

Heavy Duty

- Handling package (includes unique front and rear sway bars)
- Heavy duty shock absorbers
- Automatic load leveling air shocks (Concord)
- G.T. rally tuned suspension (Spirit Liftback; includes uniquely tuned front sway bar, rear sway bar, heavy duty adjustable Gabriel Strider shock absorbers, tuned strut rod bushings, tuned rear spring iso-clamp pads, hi-control rear leaf springs and unique steering gear)

- Light duty trailer towing package (Concord; includes bumper-mounted hitch, 5-connector wiring harness and vehicle to trailer wiring kit. For trailers up to 2000 pounds)
- Twin Grip differential
- Cold climate group
- Heavy duty battery
- Altitude option
- 4-cylinder heavy duty cooling system
- 6-cylinder heavy duty cooling system

Tires

- P185/75R14 fiberglass radial BSW (Spirit)
- P195/75R14 fiberglass radial BSW (Spirit)
- P195/75R14 fiberglass radial BSW

1982 AMC WARRANTIES

1982 AMC FULL 12-MONTH/12,000-MILE AUTOMOBILE WARRANTY

When you buy a new 1982 AMC automobile from an AMC authorized dealer, American Motors Corporation* warrants to you that for 12 months or 12,000 miles (20,000 km)** from the date of delivery or first use, whichever comes first, it will, except for tires, pay for the repair or replacement of any part it supplies which proves defective in material or workmanship.

All we requires is that the automobile be properly maintained and cared for under normal use and service in the fifty United States of America and that warranty repairs or replacements be made by an authorized AMC dealer.

Except for other written warranties issued by American Motors applicable to AMC automobiles, no other warranty is given or authorized by American Motors. American Motors shall not be liable for loss of use, loss of time, inconvenience or other incidental or consequential damages. Some states and provinces do not allow limitation or exclusion of incidental or consequential damages so the above exclusion and limitation may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state or province to province.

*In Canada: American Motors (Canada) Inc.

**In Canada: 20,000 km

1982 AMC EXTENDED POWERTRAIN PROTECTION LIMITED WARRANTY

Upon expiration of your 1982 AMC Full 12-Month/12,000-Mile New Warranty and Buyer Protection Plan benefits, American Motors Corporation* further warrants to you that, for an additional 12 months or 12,000 miles (20,000 km),** whichever comes first, it will pay, except for the first \$100 per repair visit, for the repair or replacement of the following powertrain components which it supplies that prove defective in material or workmanship under normal use and service.

- Engine** — Block, cylinder heads, internal parts, manifolds, timing gears, timing chain, flywheel, damper pulley, valve covers, oil pan, cushions, water pump, seals and gaskets.
- Transmission** — Case, internal parts, torque converter, cushions, seals and gaskets.
- Transfer Case** — Case, internal parts, seals and gaskets.
- Front or Rear Wheel Drive** — Differential housing, internal parts, propeller shafts, U-joints, bearings, seals and gaskets.

• All we require is that the vehicle be properly maintained and cared for under normal use in the fifty United States and Canada and that warranty repairs or replacements be made by an authorized AMC automobile dealer.

Factory Approved AMC Parts/Accessories

Always insist on the use of genuine AMC replacement parts to help maintain the high standard of quality built into all AMC vehicles. And, be sure you select from the vast line-up of factory-approved accessories for dealer installation to personalize your vehicle to suit your driving needs. Because AMC parts and accessories are designed and engineered specifically for AMC vehicles, they will fit correctly, perform properly and give long-lasting satisfaction. Genuine AMC parts and accessories are available only through your local AMC dealer. Ask him for the latest copy of the AMC Accessory Catalog.

Certain equipment items and features illustrated or described in this catalog, are optional at extra cost unless otherwise specified. Certain equipment, items and features may not be available for all models. This brochure contains information correct at the time of printing. American Motors, whose policy is one of continuous improvement, reserves the right to discontinue or change specifications, models, equipment or price at any time without incurring obligation. AMC, EAGLE, AMERICAN MOTORS, SPIRIT, CONCORD, SX/4, EAGLE, BUYER PROTECTION PLAN, SERVICE SECURITY PLAN and NO RUST-THRU are trademarks of American Motors Corporation. ZIEBART is a registered trademark of Ziebart International Corporation.

AMC automobiles incorporate thousands of different components produced by American Motors Corporation, affiliated companies and various independent suppliers. From time to time during the manufacturing process, it may be necessary to produce AMC automobiles with different components or differently sourced components than initially scheduled. All components must meet the standards of American Motors Corporation and will provide the performance expected from AMC automobiles.

1982 BUYER PROTECTION PLAN

Complete Warranty Coverage

This warranty gives you 12-month or 12,000-mile (20,000 km) coverage on many items not covered by most automobile warranties. It covers wiper blades, brake linings, light bulbs — everything we put on the automobile except tires. If any part American Motors supplies goes wrong on your 1982 automobile, you won't have to pay for the parts or the labor. You are responsible to see that your automobile is maintained, at your expense, according to the 1982 Owner's Manual and Maintenance Schedule booklet.

Ziebart® Factory Rust Protection and Full Five (5) Year Perforation from Corrosion Warranty

When you buy a new 1982 AMC automobile with Ziebart® factory rust protection from an authorized AMC dealer, American Motors Corporation* warrants to you that it will pay for the repair or replacement of any part it supplies, except exhaust system components, which proves under normal use and service to have developed perforation from corrosion within five years from the date of delivery or first use, whichever occurs first. There is no mileage limitation.

Service Adjustments

Any needed service adjustments required during the first 12 months or 12,000 miles (20,000 km) of normal use, whichever comes first, and which are not required as part of normal scheduled maintenance will be performed by an authorized AMC dealer without charge to the owner.

Warranty Service for Owners Who Move or Travel

If you move or are traveling, any AMC dealer in the fifty United States or Canada will perform warranty repairs for you.

Warranty Coverage for Subsequent Owners

Subsequent owners of an AMC automobile are eligible for any unused warranty coverage. A subsequent owner need simply present the folder (properly filled out) to an authorized AMC dealer to obtain warranty repairs.

All we require is that the automobile be properly maintained in accordance with the conditions set forth in the warranty brochure, available from your AMC dealer. All repairs and parts replacements under this Warranty must be performed by an authorized AMC dealer. You must notify your dealer as soon as you are aware of perforation due to corrosion.

Corrosion other than perforation which is due to defective factory materials or workmanship is covered by the Full 12-Month or 12,000-Mile (20,000 km)** AMC New Automobile Warranty.

Perforation from corrosion due to accident, damage, abuse or vehicle alteration is not covered under this Warranty.

Tire Polly

The tire manufacturer provides a limited warranty for the tires supplied with your new automobile. Specific warranty information and tire adjustments are handled directly with owners by the tire manufacturer's distributors, dealers or retail stores. Your AMC dealer will assist if you need help in securing an adjustment.

New Automobile Pre-Delivery Service

Your AMC dealer will service and test your automobile for starting, handling, braking and overall performance in accordance with the AMC Dealer Pre-Delivery Service Procedure. In addition, many other checks, inspections, adjustments and final clean-up services have been performed to assure your automobile meets the quality standards of AMC products.

Collision-damaged panels must be repaired or replaced with new factory-approved or authorized parts and rust-protected within two months to be included in this Warranty.

For Service under this Warranty, you must take your automobile to an AMC dealer for examination and approval by a Service Representative of American Motors prior to repair or replacement of any part.

Except for other written warranties issued by American Motors applicable to AMC automobiles, no other warranty is given or authorized by American Motors. American Motors shall not be liable for loss of use of automobile, loss

A Loaner Automobile

If your automobile needs warranty repair work and "same day" (morning to evening) service cannot be completed as promised or if warranty repairs require that the automobile be kept overnight, your AMC dealer will provide you with a free loaner car, for local use only, until your automobile is ready. To qualify, you must comply with your dealer's work schedule.

Special Trip Interruption Protection

If you're 100 miles (160 km) or more from home and a servicing AMC dealer can't provide "same day" warranty repairs for your automobile, interrupting your trip, we will reimburse you for reasonable extra lodging and meal costs up to \$150, based upon your actual expenses. Submit receipts to the AMC dealer who serviced your automobile. He'll handle the paperwork that generates a direct reimbursement from American Motors to you.

of time, inconvenience or other incidental or consequential damages. Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation of exclusion may not apply to you. This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state and province to province.
