

# A6 S6

Sedan | Avant

**You drive it and it moves you.**

Quiet and fluid, the smooth, progressive power of the 3.0 TFSI® engine feels infinite. The incomparable interior detailing is exquisite. Driving the new A6 is simply driving bliss.

The image shows the front interior of a car. The seats are upholstered in black leather with tan leather accents on the seatbacks and seat cushions. The dashboard and center console are finished with dark wood grain. The steering wheel is black with a silver Audi logo in the center. The instrument cluster features three analog gauges with red needles and a central digital display. The center console has a gear shifter and a handbrake. The overall design is sleek and modern.

Power and efficiency\* aren't the  
only things in perfect alignment.

**Capable of carrying just about anything.**

Including attributes like refined luxury, relentless power and superb handling.

**A ribbon of asphalt before you  
and a wake of contentment behind you.**

The S6 proposition is simple: A 435 hp V10 nestled beneath the sculpted S6 hood and an open road assure you of a driving experience unlike any other. Its understated looks, refined luxury and everyday usability belie its true performance and handling capabilities.

**Good luck getting it  
out of your head.**

The contoured fit of the sport seats, the distinct grip of the sport steering wheel and a carbon fiber trim option come together for an experience exclusive only to the S6. Not to mention, one that won't be leaving you anytime soon.

## A6. 3.0T | 3.2 Premium

1.

**LED rear lights** | LED lights are superior to conventional bulbs with their activation speed and their long service life. They can last an entire vehicle lifetime, consume up to 50 percent less energy and take up less space.

2.

**Walnut wood inlay** | The genuine wood decorative inlays in dash, center console and door panels underscore the refined touch of luxury in the A6.

3.

**Leather shift knob** | The quality and craftsmanship of leather and aluminum accents detail the overall interior excellence of the A6.

4.

**MMI® advanced** | The simple terminal distills advanced technology into a natural, easy-to-use interface. Multi-Media Interface connects you with every advanced system of your Audi, making a remarkable vehicle an intuitive extension of yourself. Controlling infotainment functions and car settings will become second nature. You will manage Satellite Radio, CDs and vehicle systems with ease, creating a driving experience like no other.

5.

**Four-spoke, multifunction, leather steering wheel** | The four-spoke, leather-wrapped design has a refined look and feel. The multifunction steering wheel provides easy access to infotainment functions.

+

**Eight-way power front seats** | This comfortable and convenient interior feature includes four-way power lumbar adjustment and adjustable head restraints.

+

**Audi music interface** | The Audi music interface offers a unique and intelligent integration with the iPod®. Any iPod generation 4 and higher (iPod, iPod Nano, iPod Photo) equipped with the Dock Connector may be connected through the glove box, and full iPod controls are available through the MMI® screen.

+

**DSP sound** | Enhancing the sound system of the A6 is Digital Sound Processing, providing a premium acoustic listening environment with the realism of a live performance in your Audi.

+ Feature not shown.

+

**Power tailgate lift** | The tailgate conveniently opens and closes with the touch of a button. The desired opening height can also be individually adjusted [3.0T Avant only].

+

**Aluminum doorsill and window trim** | The aluminum doorsill and window trim complements the stylish lines of the A6, adding a touch of sporty elegance to the vehicle [3.0T Avant only].

+

**Bluetooth®** | The Bluetooth® hands-free phone interface allows you to pair a Bluetooth-enabled mobile phone with your Audi and access your phonebook within the driver information display or MMI® screen in your instrument panel. For specific compatibility and operation, refer to [audiusa.com/bluetooth](http://audiusa.com/bluetooth) or contact your local Audi dealer for the latest listing of compatible phones.

+

**SIRIUS® Satellite Radio** | Enjoy commercial-free music and more, available with a subscription\* to the SIRIUS® Satellite Radio network.

+

**HomeLink® universal garage door opener** | HomeLink® is integrated into the overhead controls and uses a simple three-button system that can activate garage doors, gates and even lights in the home.

+

**Lighting Package** | The Lighting Package includes LED rear and brake lights, LED footwell lighting in front and rear, illuminated driver and passenger sun visor with normal and magnified mirror.

+

**Power lumbar support** | The ultimate in convenience, the power lumbar support gives the front seat passengers extra lower-back support with the touch of a button.

+

**Sunroof** | Standard on all A6 models, the sunroof provides passengers with a light and airy driving experience.

+

**Storage Package** | This comprehensive storage system provides ample and convenient spaces for a wide variety of storage needs.

\* Free three month trial subscription offered.

## A6. 3.0T | 3.2 Premium Plus

1. **BI-XENON™ headlights with LED daytime running lights** | BI-XENON™ headlights produce about twice as much light as comparable halogen headlights and help make night driving, particularly in poor weather, easier for the driver's eyes with improved visibility. LED daytime running lights consume much less energy than conventional daytime running lights.

2. **Aluminum doorsill and window trim** | The aluminum doorsill and window trim complements the stylish lines of the A6, adding a touch of sporty elegance to the vehicle [Standard on 3.0T Avant].

3. **18" five-Y-spoke wheel with all-season tires** | The 18" wheel with all-season tires ensures a safe and comfortable ride on virtually all driving surfaces.

+ **Auto-dimming interior mirror with compass** | The rearview mirror with compass recognizes distracting bright lights behind the car and darkens the mirror glass automatically.

+ **Heated, automatic dimming and manual folding exterior mirrors** | The exterior mirrors with automatic dimming recognize glaringly bright headlight beams behind the car and darken the mirror glass automatically. The manual folding feature helps protect the mirrors by collapsing them inward to fit into tight spaces.

+ **Self-leveling headlights** | An addition to the safety and convenience of the A6, the self-leveling headlights help illuminate the road and increase the driver's visibility.

+ **Driver's seat memory** | Available on the 3.2 and 3.0T Premium Plus and 3.0T Prestige, the driver's seat memory remembers the occupant's seat position and recalls it by the push of a button for added comfort.

+ Feature not shown.

## A6. 3.0T Prestige

4. **18" ten-spoke wheel with all-season tires** | The impeccably designed wheel provides a touch of sporty elegance.

5. **BOSE® Surround Sound** | Nine speakers, including a center speaker matched with a five-channel DSP amplifier, deliver a total output of 255 watts. In addition, the BOSE® exclusive AudioPilot noise compensation technology adjusts the volume in response to unwanted road noise, creating a richer stereo experience.

+ **Audi Navigation system** | An in-car computer processes GPS signals and determines the car's position, providing you with suggested routes in getting to your destination. The in-depth functionality includes radio and hands-free car phone functions by speaking the necessary commands through voice control, and a large color information display screen.

+ **Shift paddles** | Shift paddles allow effortless, race-inspired gear shifting that keeps the driver's hands on the steering wheel.

+ **Power adjustable steering column** | The power adjustable steering column is an added touch of luxury to the A6, ensuring maximum driving comfort.

+ **Audi advanced key** | With advanced key, the car can be locked/unlocked and started without removing the key from a pocket or purse. The steering can be released and the ignition turned on electronically, all without inserting the key in the ignition.

+ **Rearview camera** | The rearview camera aid helps the driver to see objects behind the vehicle when backing up.

+ **Adaptive headlights with cornering lights** | Utilizing input from the steering and speed of the vehicle, adaptive headlights pivot up to 15 degrees to help the driver to see ahead in the dark by lighting up corners and bends more effectively.

+ **Voice Recognition** | The Audi voice control system can be used to operate the most important navigation, radio and hands-free car phone functions by speaking the necessary commands.

## A6. 4.2

**1. S line bumpers** | The unique S line bumpers accentuate the sporty and powerful exterior of the A6.

**2. Audi Navigation system** | An in-car computer processes GPS signals and determines the car's position, providing you with suggested routes in getting to your destination. The in-depth functionality includes radio and hands-free car phone functions by speaking the necessary commands through voice control, and a large color information display screen.

**3. Rearview camera** | The rearview camera aid helps the driver to see objects behind the vehicle when backing up.

**4. Audi advanced key** | With advanced key, the car can be locked/unlocked and started without removing the key from a pocket or purse. The steering can be released and the ignition turned on electronically, all without inserting the key in the ignition.

**5. MMI® advanced** | The simple terminal distills advanced technology into a natural, easy-to-use interface. Multi-Media Interface connects you with every advanced system of your Audi, making a remarkable vehicle an intuitive extension of yourself. Controlling infotainment functions and car settings will become second nature. You will manage Satellite Radio, CDs and vehicle systems with ease, creating a driving experience like no other.

**BI-XENON™ headlights with LED daytime running lights** | BI-XENON™ headlights produce about twice as much light as comparable halogen headlights and help make night driving, particularly in poor weather, easier for the driver's eyes with improved visibility. LED daytime running lights consume much less energy than conventional daytime running lights.

**Four-spoke, leather, multifunction steering wheel with shift paddles** | The multifunction, four-spoke steering wheel not only provides shift paddles for fast, race-inspired gear shifting, it also offers easy access to infotainment functions.

**18" ten-spoke wheel with all-season tires** | Standard on the A6 4.2, the impeccably designed wheel provides a touch of sporty elegance to the A6.

\* Feature not shown.

**BOSE® Surround Sound** | Nine speakers, including a center speaker matched with a five-channel DSP amplifier, deliver a total output of 255 watts. In addition, the BOSE® exclusive AudioPilot® noise compensation technology adjusts the volume in response to unwanted road noise, creating a richer stereo experience.

**Voice Recognition** | The Audi voice control system can be used to operate the most important navigation, radio and hands-free car phone functions by speaking the necessary commands.

**Headlight washers** | The retractable, high-pressure headlight washers concealed in the front bumper are activated when the driver washes the windshield and the headlights are on.

**Lighting Package** | The Lighting Package includes LED rear and brake lights, LED footwell lighting in front and rear, illuminated driver and passenger sun visor with normal and magnified mirror.

**SIRIUS® Satellite Radio** | Enjoy commercial-free music and more, available with a subscription\* to the SIRIUS® Satellite Radio network.

**Bluetooth®** | The Bluetooth® hands-free phone interface allows you to pair a Bluetooth-enabled mobile phone with your Audi and access your phonebook within the driver information display or MMI® screen in your instrument panel.

**Auto-dimming interior mirror with compass** | The rearview mirror with compass recognizes distracting bright lights behind the car and darkens the mirror glass automatically.

**HomeLink® universal garage door opener** | HomeLink® is integrated into the overhead controls and uses a simple three-button system that can activate garage doors, gates and even lights in the home.

**Adaptive headlights with cornering lights** | Utilizing input from the steering and speed of the vehicle, adaptive headlights pivot up to 15 degrees to help the driver to see ahead in the dark by lighting up corners and curves more effectively.

\* Free three month trial subscription offered.

## S6.

- S6 sport seats** | In addition to greater lateral support, the specifically contoured S6 sport seats deliver a sporty and secure feel. Covered in Silk Nappa Leather, the seats also feature eight-way lumbar control.
  - Leather shift knob** | The superior quality of leather and impeccable craftsmanship add to the elegant, dynamic and versatile driving experience.
  - Dual exhaust quad tailpipes** | Unique quad oval tailpipes create a monstrous exhaust note and leave no doubt about the power contained under the hood of the S6.
  - BI-XENON™ with LED daytime running lights** | BI-XENON™ headlights produce about twice as much light as comparable halogen headlights and help make night driving, particularly in poor weather, easier for the driver's eyes with improved visibility. LED daytime running lights consume much less energy than conventional daytime running lights.
  - S6 multifunction steering wheel** | S6-specific three-spoke multifunction leather-wrapped steering wheel with aluminum shift paddles, S6 badge and contrasting stitching. A matching gear selector shift knob in the center console is made of leather and aluminum.
  - 19" S6 wheel with summer performance tires\*** | The 19" five-double-spoke wheel complements the sporty and aggressive look of the S6, and the performance tires optimize driving dynamics.
  - S6 aluminum doorsills** | The stylish aluminum doorsill trim accents the overall interior excellence.
- + **S6 specific sport tuned suspension** | The suspension, which has been aligned specifically to the performance characteristics of the new Audi S6, largely prevents undesired longitudinal and transversal body movements. Increased stability and a cushioned ride means the S6 even performs on less than ideal driving surfaces.
- + **S6 bumpers** | One of the most distinguishing factors of the S6 model is its unique exterior elements. The bumpers add a stylish and sporty quality, complementing the powerful lines and stance of the vehicle.

+ Feature not shown.

+ **BOSE® Surround Sound** | Nine speakers, including a center speaker matched with a five-channel DSP amplifier, deliver a total output of 255 watts. In addition, the BOSE® exclusive AudioPilot® noise compensation technology adjusts the volume in response to unwanted road noise, creating a richer stereo experience.

+ **Voice Recognition** | The Audi voice control system can be used to operate the most important navigation, radio and hands-free car phone functions by speaking the necessary commands.

+ **SIRIUS® Satellite Radio** | Enjoy commercial-free music and more, available with a subscription\* to the SIRIUS® Satellite Radio network.

4

5

1. A6 3.0T Premium, 3.2 Premium

**17" five-spoke alloy wheel with 245/45 all-season tires** | This standard wheel on Premium gives the A6 a sporty look and feel. The all-season tires help provide a safe and comfortable ride in a variety of weather conditions.

2. A6 3.0T Premium Plus, 3.2 Premium Plus

**18" five-Y-spoke alloy wheel with 245/40 all-season tires** | The 18" five-Y-spoke alloy wheel comes standard with the Premium Plus and offers a stylish and refined look to the A6 exterior.

3. A6 3.0T Prestige, 4.2

**18" ten-spoke alloy wheel with 245/40 all-season tires** | Standard on Prestige, this impeccably designed wheel provides a touch of sporty elegance to the A6.

4. S6

**19" five-double-spoke alloy wheel with 265/35 summer performance tires\*** | This impressive wheel is standard on the S6 and is complemented by summer performance tires\* which provide the driver with superior handling.

5. S6 Optional

**18" seven-double-spoke alloy wheel with 255/40 summer performance tires\*** | The eye-catching seven-double-spoke wheel is optional and comes equipped with summer performance tires\*.

1

4

2

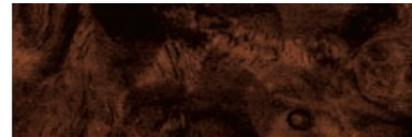

5

3

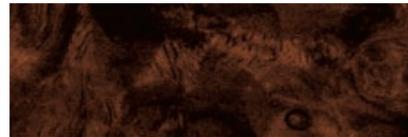

\*Summer performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tires specified for your car or their equivalent. These summer performance tires also have a lower aspect ratio that aids performance and handling; however, in order to avoid tire, rim or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at recommended levels. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces, or upon encountering road debris or obstacles. Please also remember in making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices. For more information on all of these topics, please consult the owner's manual, your local dealer or call 1-800-FOR-AUDI.

Finally, these tires may wear more quickly than other choices. For more information on all of these topics, please consult the owner's manual, your local dealer or call 1-800-FOR-AUDI.

† Audi Navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgement in determining whether or not to follow a suggested Audi Navigation plus route. Periodically, the mapping is updated, and a new DVD will be required in order to maintain the latest navigation information available to us. These will be available for purchase from time to time at an additional cost. Consult your dealer or call 1-800-FOR-AUDI for details.

‡ Your Audi vehicle is equipped with a phone preparation utilizing Bluetooth® interface to enable hands-free functionality [compatible mobile phones sold separately]. You will need a Bluetooth®-enabled mobile phone in order to utilize this function. Not all Bluetooth®-enabled mobile phone models are compatible with Audi's phone preparation. Visit audiusa.com/bluetooth, or contact your local Audi dealer for the latest listing of compatible phones. Audi recommends use of the Audi phone cradle [sold separately] with your mobile phone while operating this vehicle.

3.0 TFSI® engine shown

### FSI® Direct Injection

This technology increases the torque and power of the engine, making it more economical,\* as well as reducing exhaust emissions. More power, better economy and reduced emissions. It's a win-win-win for everyone.

### quattro®

Developed and continually refined by Audi, quattro® offers a significantly enhanced level of all-wheel drive performance. With a 40/60 split of power between the front and rear in normal conditions, quattro® becomes simply superlative in the worst of conditions by dynamically shifting torque as required.

\* Fuel economy estimates combined: 18 mpg [Audi A6 4.2], 21 mpg [Audi A6 3.2]. EPA estimate; your mileage may vary.

### Tiptronic®

Tiptronic® allows the driver to manually select the gears and enables gear changes to take place with minimal interruption in engine power, even during downshifts. An additional sport program delays upshifts for a sportier driving style.

### MMI®

The Multi-Media Interface is a highly intuitive and simple to use system that connects you with every advanced system of your Audi, making this remarkable vehicle an intuitive extension of yourself. The MMI® controls a range of features, including ride dynamics, your entertainment system, your environment, and the Audi Navigation System.

## A6 | S6. Accessories

**1.**  
**Roof Edge Spoiler** | This Audi-designed body styling component contributes to vehicle aerodynamics while it complements the pure lines of the A6 Avant. The spoiler features an integrated brake light.

**2.**  
**Cargo Net Partition** | This practical, durable partition can help keep your cargo or pets safely in the cargo area. Attaches to existing hooks. No drilling necessary.

**3.**  
**Upright Barracuda Bicycle Holder** | This bike holder fits 20-80mm bike frames and is easy to use. It features a molded front wheel well that allows the bike to stand on its own as you easily secure the bike. Lock included [must be used in combination with the base carrier bars, sold separately].
