360°

***The world is  
yours.***

The new **Ford Kuga** perfectly reflects your aspiring, self-assured nature. Its inspirational technologies together with a beautifully executed design, deliver premium luxury with superior performance – making the new Ford Kuga the ideal partner to your enterprising and adventurous spirit.

***Enjoy it.***

360°

Welcome to new Ford Kuga's beautifully crafted interior. Its exceptional styling is clear to see, with a contemporary facia design complemented by luxurious, soft-touch surfaces. Premium front seats are perfectly contoured for unsurpassed comfort, even during long journeys. While a host of inspirational new technologies contribute to a more sophisticated and enjoyable drive.

**Applink, Apple CarPlay and Android Auto**  
Control SYNC-compatible apps with Applink, while Apple CarPlay and Android Auto allow you to navigate your smartphone HMI through the SYNC 3 home screen, just as if it were your handset.

The new FordPass app lets you access a range of Ford services designed to help make journeys easier and more enjoyable. These include:

- Live Traffic\* – delivers regular traffic data for the best-calculated journey times possible
- Find fuel – lets you search for refuelling points and refine your search by brand or fuel grade
- Parking – search for available parking spaces, and check costs, opening hours and ratings
- Destinations – Search for points of interest around your current location or en route to your planned destination. FordPass will automatically send these locations to your SYNC 3 Navigation system when you connect through Applink

\*Live Traffic access is complimentary for the first 2 years following the registration of a new Ford featuring SYNC 3 with navigation; thereafter there is an annual licence fee. Mobile data charges may apply.

*"Call John"*

*"Listen to message"*

*"I need fuel"*

*"Find town centre"*

*"I need to park"*

*"I'm hungry"*

➤ Ford SYNC 3

***Connects with  
your voice,  
responds to your  
touch.***

**SYNC 3** gives you control of everything from music and satellite navigation\*, to phone calls, apps and text messaging – all through simple voice commands. The intuitive 8" colour touchscreen lets you configure your home screen just how you want it, while Applink, Apple CarPlay and Android Auto, allow you to bring your compatible smartphone technology into your car.

\*SYNC 3 satellite navigation is an option at extra cost on Zetec and standard on all other series.

| SYNC

➤ Active City Stop  
***Intelligent  
technology.***

Designed to sense potential low-speed collisions and applies the brakes if you don't react in time. Designed to work at speeds up to 30 mph, this intelligent technology could help prevent or mitigate damage from low-speed accidents. (Option at extra cost on all series excluding Zetec. Also part of Driver Assistance Pack which is an option at extra cost on all series excluding Zetec)

## Active Park Assist helps you find a space.

**Active Park Assist** is designed to steer you into parallel or perpendicular parking spaces just 20% longer and 50% wider than the car. The sensors of this innovative system locate suitable spaces as you drive past. Then, with the simple push of a button, it will automatically steer you in while you operate the accelerator, brake and gears (following on-screen instructions and audible signals). (Standard on ST-Line, ST-Line Edition and Vignale. Option at extra cost on Titanium Edition and Titanium X Edition)

And get in. And get out.

**Park-Out Assist** works like Active Park Assist in reverse, helping you manoeuvre out of a parallel space. The system is designed to steer while you keep control of the accelerator, brake and gears. When the system has cleared the space, it gives you a 'Take control of steering' message through the centre display screen. (Standard on all ST-Line, ST-Line Edition and Vignale. Option at extra cost on Titanium Edition and Titanium X Edition)

➤ **Enhanced Active Park Assist**

***Let Kuga park itself.***

**Active Park Assist** is designed to park your Kuga for you. The system locates suitable parking spaces and can automatically steer you in. It can manoeuvre you out of spaces too. All you need to do is operate the accelerator, brake and gears. (Standard on ST-Line, ST-Line Edition and Vignale. Option at extra cost on Zetec, Titanium Edition and Titanium X Edition)

➤ Ford EcoBoost petrol engine

***The story of less fuel, more power.***

With turbocharging, direct petrol injection and variable valve timing, our award-winning Ford EcoBoost engines deliver the same performance as larger engines, but with better fuel economy and lower emissions.

➤ Intelligent All Wheel Drive system (AWD)

***Follow your own path.***

Ford Kuga's intelligent All Wheel Drive system continually monitors your driving environment, optimising traction to direct power between wheels as required. A display on the cluster panel shows the drive going to each wheel, helping you stay alert to any changes in the road conditions.

***A new expression  
of Ford.***

Experience a new expression of Ford with Kuga Vignale. Ford Vignale features exclusive styling with hexagonal-style mesh front grille, unique alloy wheels and a luxurious leather interior. The vehicles shine with craftsmanship and attention to detail.

Choose the right Kuga for you

Zetec

With its elegant design, impressive integrated technologies, and superb range of engines, a Ford Kuga is the perfect choice.

Titanium Edition

Titanium X Edition

Vignale

Luxury model

Premium materials and additional technologies deliver superior levels of sophistication and comfort.

With unique design features and exclusively sourced soft-touch leathers, the Kuga Vignale places you within a world of contemporary luxury.

ST-Line

ST-Line Edition

Sport model

Unique exterior bodystyling features and interior detailing, give the Kuga ST-Line a distinctively sporty character.

  - 1.5 Duratorq TDCi 120 PS
  - 2.0 Duratorq TDCi 120 PS
  - 2.0 Duratorq TDCi 150 PS
  - 2.0 Duratorq TDCi 180 PS

### Bi-xenon HID headlights with dynamic bending

Ford Kuga's HID bi-xenon headlights are more than twice as powerful as conventional headlights, but use only two-thirds of the energy. Also includes static cornering lights and headlight washers, plus progressive beam, auto high beam\*, dynamic bending, and LED daytime running lights. (Standard on Titanium X Edition and Vignale. Option at extra cost on ST-Line Edition and option at extra cost on ST-Line, as part of ST-Line Style Pack)

\*Progressive and auto high beams only available when front camera is fitted.

### Electric Parking Brake (EPB)

For ease of operation, a simple switch located neatly on the centre console activates the Electric Parking Brake (EPB), allowing you space for extra storage between front seats. The EPB will automatically release as you pull away. (Option at extra cost on Zetec, as part of SYNC 3 navigation system. Standard on all other series)

### Retractable tow bar\*

Electrically released tow bar is there when you need it, but can be tucked away out of sight for uncompromised styling and easier access to load space. A detachable tow bar is also available, as well as a fixed tow bar (accessory). While towing, the standard Electronic Stability Control (ESC) is designed to counteract trailer sway. (Option on all series\*)

\*Not available on 1.5 EcoBoost 120PS engine.

### Blind Spot Information System<sup>0†</sup> with Cross Traffic Alert

Designed to alert you when another vehicle (a car, van or lorry) enters your blind spot – with a discreet warning light built into both door mirrors. Cross Traffic Alert scans left and right as you reverse from a perpendicular or angled parking space, providing visual and audible alert warnings when an approaching vehicle is detected. (Option at extra cost on all series, excluding Zetec, as part of Driver's Assistance Pack)

<sup>0</sup>Uses sensors.  
<sup>†</sup>Designed to operate at speeds above 7 mph.

### Hands-free power tailgate

Opening or closing Kuga's tailgate is easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the hands-free tailgate will operate without you having to touch a thing. (Standard on Titanium X Edition and Vignale. Option on all other series)

### Automatic transmission paddle select-shift

Sports style paddle shift levers mounted on the steering wheel allow for faster up and down shifts while driving in manual select-shift mode. (Standard on ST-Line, ST-Line Edition and Vignale)

Rear bumper protection

This durable protection foil, designed for painted bumpers, helps protect against daily wear and tear without compromising the look of your Ford Kuga. ST-Line and Vignale only. (Accessory)

Cross bars

Sturdy cross bars in combination with roof rails allow you to transport a range of loads easily. (Accessory)

19" 5x2-spoke Black machined alloy wheels

A selection of alloy wheels is available from the accessories range. (Option and Accessory)

Tow bars\*

Three choices of tow bar are available for the Ford Kuga: retractable, detachable and fixed tow bars. The retractable tow bar offers an out of sight solution that can be released when needed for towing. (Option and Accessory). Detachable and fixed tow bars are also available as accessories. While towing, the standard Electronic Stability Control (ESC) is designed to counteract trailer sway. (Accessory)

ClimAir®+ wind deflectors

Allow fresh air to enter the vehicle while driving with the front and rear windows open, even during light rain or snow. (Accessory)

Mud flaps

Contoured mud flaps help to keep your Ford Kuga clean by reducing road spray and stone chips. (Option and Accessory)

Rubber floor mats

The tray-style all-weather floor mats with Kuga nameplate are designed to help protect against dirt and damp. When securely fixed directly onto the vehicle's floor, the rubberised mats are designed not to slip and interfere with the pedals. (Accessory)

Uebler® rear bike carrier

High-quality tow bar-mounted bike carrier from Uebler. Features practical tilting mechanism for easy access to the load compartment. (Accessory)

Boot liner

Durable liner, designed to keep the load compartment clean and tidy, ideal for transporting wet or dirty items. (Accessory)

Thule®+ roof attachments

An array of roof attachments such as roof boxes, bike, ski and snowboard carriers are available. (Accessory)

Roof rails

Stylish roof rails (option and accessory) enhance your Ford Kuga's appearance and are required to install versatile cross bars. (Accessory)

Fitment of accessories may have an impact on your vehicle's fuel consumption.  
\*Not available with 1.5 EcoBoost 120PS engine.  
+Item covered by third party supplier's warranty, please see back cover for details.

FORD KUGA Fuel, performance, emissions, weights and loads

The test used to establish fuel consumption and CO<sub>2</sub> figures has changed to deliver results that are more representative of real life driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption figures shown are derived from the new WLTP test. However, until 6th April 2020, the CO<sub>2</sub> figure shown will be the NEDC equivalent and this will be used to calculate Vehicle Excise Duty.

Understanding fuel data

The table below shows the fuel consumption (WLTP) and CO<sub>2</sub> emissions (NEDC equivalent) for each available engine when fitted on a standard specification Ford Kuga (with no options or accessories). Adding options or accessories to your chosen vehicle can impact WLTP fuel consumption and CO<sub>2</sub> emissions. Please speak to your Ford dealer for more information.

The fuel consumption you achieve in real life conditions and CO<sub>2</sub> produced will depend upon a number of factors including any options and accessories fitted, variations in weather, driving styles and vehicle load.

<sup>\*</sup>In 4th gear. <sup>o</sup>Ford test figures. <sup>oo</sup>The declared Fuel/Energy Consumptions, CO<sub>2</sub> emissions and electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO<sub>2</sub> emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO<sub>2</sub> emissions and electric range. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO<sub>2</sub> emissions which contains data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk/>. For further information see [www.dft.gov.uk/vca/fcb/wltp.asp](http://www.dft.gov.uk/vca/fcb/wltp.asp). All petrol engines are equipped with a catalytic converter. 'Fuel consumption figures are dependent on wheel size, please see price list for specific details. **DPF** = diesel particulate filter. All engines include Auto-Start-Stop.

<sup>\*</sup>Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. **Towing limits** quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Tongue Load** is a maximum of 100 kg on all models. **Gross Train Mass** includes trailer weight.

Colours to match your mood

Kuga’s ambient lighting casts a gentle glow on the centre console, door pockets, door release handles and front footwells. Offering seven different accent colours, ranging from warm red to cool blue, you can pick a tone for each day of the week. (Standard on Titanium Edition, Titanium X Edition and Vignale)

<sup>1)</sup> Safety feature. <sup>2)</sup> Driver assistance feature. **\*Note: A rear-facing child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.**

- Standard
- Optional, at extra cost
- ◻ Part of an option pack, at extra cost

Note: The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners. \*Ford Emergency Assistance is an innovative SYNC feature that uses a Bluetooth®-paired and connected mobile phone to help vehicle occupants initiate a direct call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

Use the configurator to build  
your perfect Ford Kuga.

# Making ownership easy and affordable.

Take advantage of a range of invaluable services and make the most of your car.

## FORD SERVICE

Allows you to relax knowing we're always by your side.

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car – throughout its life.

- Comprehensive service and maintenance plans
- Use of quality Ford parts for added peace of mind
- Ford trained technicians using the latest diagnostic equipment and tools
- Ford Online Service Booking
- One Call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers

Also, every Ford vehicle comes with 12 months UK & European Roadside Assistance from the date of registration. This can be extended for a further 12 months when your vehicle has a Scheduled service at a participating Ford Dealer.

## FORD INSURE

At Ford Insure we provide insurance designed specifically for Ford owners. We have comprehensive cover which includes features and benefits that really matter to you, along with first class service.

- Repairs carried out by Ford-trained technicians at Ford Accident Repair Centres
- Genuine Ford parts with a 5 year guarantee
- Small replacement car for the duration of your repairs
- Ford Insure experts at UK call centres
- 24 hour accident recovery
- Unlimited cover for standard fit in-car entertainment equipment
- Up to 90 days European cover
- Replacement child seats in the event of an accident

Terms and conditions apply.

Ford Insure is sold and administered by Europa Group Limited which is authorised and regulated by the Financial Conduct Authority. Registration number 309794. Registered in England with company number 3279177. Registered office: Europa House, Midland Way, Thornbury, Bristol, BS35 2JX.

## FORD PROTECT

Extend your warranty up to 5 years/100,000 miles with Ford Protect.

Extend your standard 3-year/60,000 miles warranty and enjoy worry-free motoring for many years to come. Ford Protect provides a range of key benefits including:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- With Ford Protect, the price of parts and labour are guaranteed for the length of your plan
- Help prolong the lifespan of your Ford vehicle
- Help protect your vehicle resale value

To help increase potential resale value, Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

Ford Protect terms and conditions apply see [ford.co.uk/extended-warranties](http://ford.co.uk/extended-warranties) for more information.

## FORD Protect Extended Warranty for New Vehicles

	Total Mileage (mls)
4 Year Protection	80,000 mls
5 Year Protection	100,000 mls

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. ♦ The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Ford and BP – working together to reduce fuel consumption and emissions.
