

2020 RAM PROMASTER CITY

FROM CARGO TO PEOPLE, *THIS CITY GETS IT RIGHT.*

CARGO VAN

WAGON

CARGO VAN AND WAGON: PURE CAPABILITY, EVERYWHERE YOU LOOK.

This is Ram ProMaster City® at a glance: one well-thought-out body design that capably meets multiple assignments and uses—and with commercial-grade capability. One powertrain that delivers remarkable performance, impressive economies of scale—and a host of best-in-class advantages. Two proven and practical models—offering nearly unlimited potential for businesses, organizations, shuttles and families. ProMaster City models feature a nimble 2.4L Tigershark® MultiAir®2 in-line four-cylinder mated to a

class-exclusive 9-speed automatic transmission^{1*}—a working powerhouse that delivers best-in-class horsepower¹, best-in-class torque¹ and best-in-class highway fuel economy² (Cargo Van)—and backed by top-tier rankings that include best-in-class payload¹ and unsurpassed towing¹ (Cargo Van), topped off with best-in-class GVWR¹ for all models. If you're looking for a commercial-grade vehicle that's versatile, tough and resilient—your review here is just the start. Spec out your Ram ProMaster City model of choice anytime at ramtrucks.com/promastercity

RAM PROMASTER CITY[®]
A MODEL OF EFFICIENCY

CARGO VAN

BEST-IN-CLASS

28 MPG HWY FUEL ECONOMY²

THE BEST-IN-CLASS ADVANTAGES JUST KEEP ROLLING IN. When the starting point of your search for a commercial-grade Cargo Van is best-in-class highway fuel economy,² you know things are looking good. Happily, America's Most Efficient Work Van³ makes it even better. Along with that highway fuel economy figure are best-in-class stats for horsepower,¹ torque¹

and GVWR (it's 5,395 lb),⁶ as well as a big GCWR of 5,900 lb.⁶ Best-in-class advantages continue, with payload (up to 1,890 lb)¹ and cargo capacity behind the first row (of 131.7 cu ft)¹—about the volume of three washer/dryer sets. Also, with an accommodating 48.4 inches between the wheel wells—perfect for a pallet—Ram ProMaster City[®] proves itself, time after time.

THE RIGHT POWERTRAIN FOR THE CITY.

CLASS-EXCLUSIVE 9-SPEED AUTOMATIC TRANSMISSION!

- ▶ Equipped with Electronic Range Select (ERS), an electromechanical gear selection system that provides you with manual shift control of the transmission
- ▶ A wide 9.79 ratio spread brings outstanding launch characteristics and smooth, nearly indecipherable transfer between gears
- ▶ Shorter mid-range gears ensure quick transitions, and higher gears—7th, 8th and 9th transitions—relate to lower engine speeds
- ▶ High efficiency in all gears and speeds thanks to nested carriers, dog clutches and advanced hydraulic control unit architecture

2.4L TIGERSHARK® MULTIAIR®2 I-4

- ▶ **BEST-IN-CLASS** HORSEPOWER **178 HP¹** @ 6,400 rpm
- ▶ **BEST-IN-CLASS** TORQUE **174 LB-FT¹** @ 3,800 rpm
- ▶ 3.7 seconds from a full stop to 30 mph⁴
- ▶ Smart pulse-width modulation technology on the alternator and fuel pump helps contribute to operating efficiency
- ▶ Individual oil squirters help keep internal temperatures in the ideal range
- ▶ Position of the exhaust manifold helps minimize noise in the engine compartment
- ▶ Runs on 87-octane gasoline
- ▶ 5-Year/60,000-Mile Powertrain Limited Warranty⁵

An aerial, top-down view of a city street. The street is filled with cars, some parked and some in motion. Buildings line both sides of the street. A dark, semi-transparent banner is overlaid across the center of the image, containing the text 'RAM PROMASTER CITY' in red and 'CAPABILITY DELIVERED' in white. The overall tone is dark and professional.

**ENOUGH SPACE FOR
THE REAL WORLD.**

PRACTICAL. PURPOSEFUL. PROFICIENT. From the first sketch on the design board, the focus was threefold: make it big. Make it user-friendly. Make it versatile. Which is why you'll find an easy-to-load floor height, a huge interior made for customized upfits and near-vertical side walls that welcome aftermarket shelving. Engineered and built for real-world needs, Ram ProMaster City® Cargo Van leaves it all up to you. You know what you need to succeed—and this adaptable design is ready for it.

ROOF CAPACITY *THAT INCREASES YOUR CAPABILITIES.*

150-LB⁷

ROOF WEIGHT CAPACITY

PARTITION WITH WINDOW Available for Tradesman Cargo Van and SLT Cargo Van

DESIGN LATITUDE *OPENS NEARLY EVERY POSSIBILITY.*

IT'S MADE TO BE WHATEVER YOU MAKE OF IT. Take a look, make some choices—and grow your business. The nearly vertical side walls are ideal for aftermarket shelving. The low, flat floor and adaptable rear doors simplify

the transformation of this Cargo Van into a mobile workshop. The spacious interior accommodates volumes of cargo and equipment—including pallets. So use your imagination, because this partner is your blank canvas.

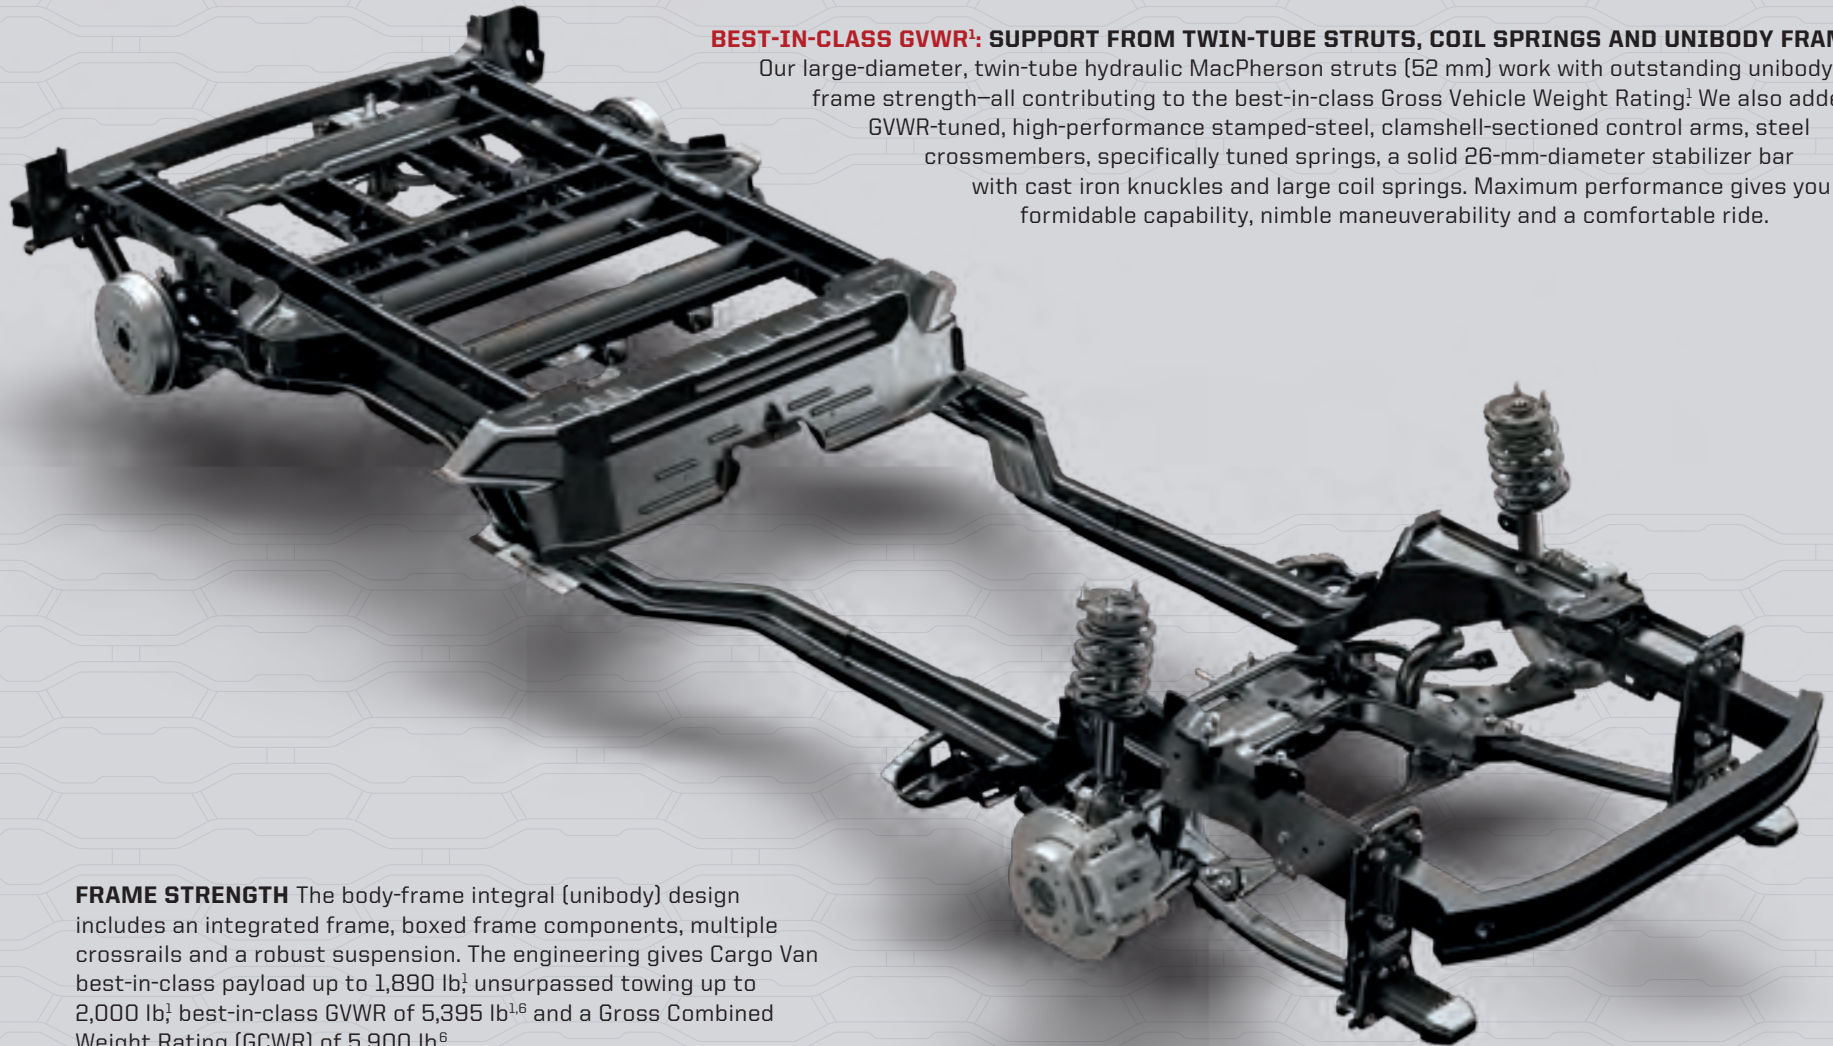

Shown with aftermarket upfit.

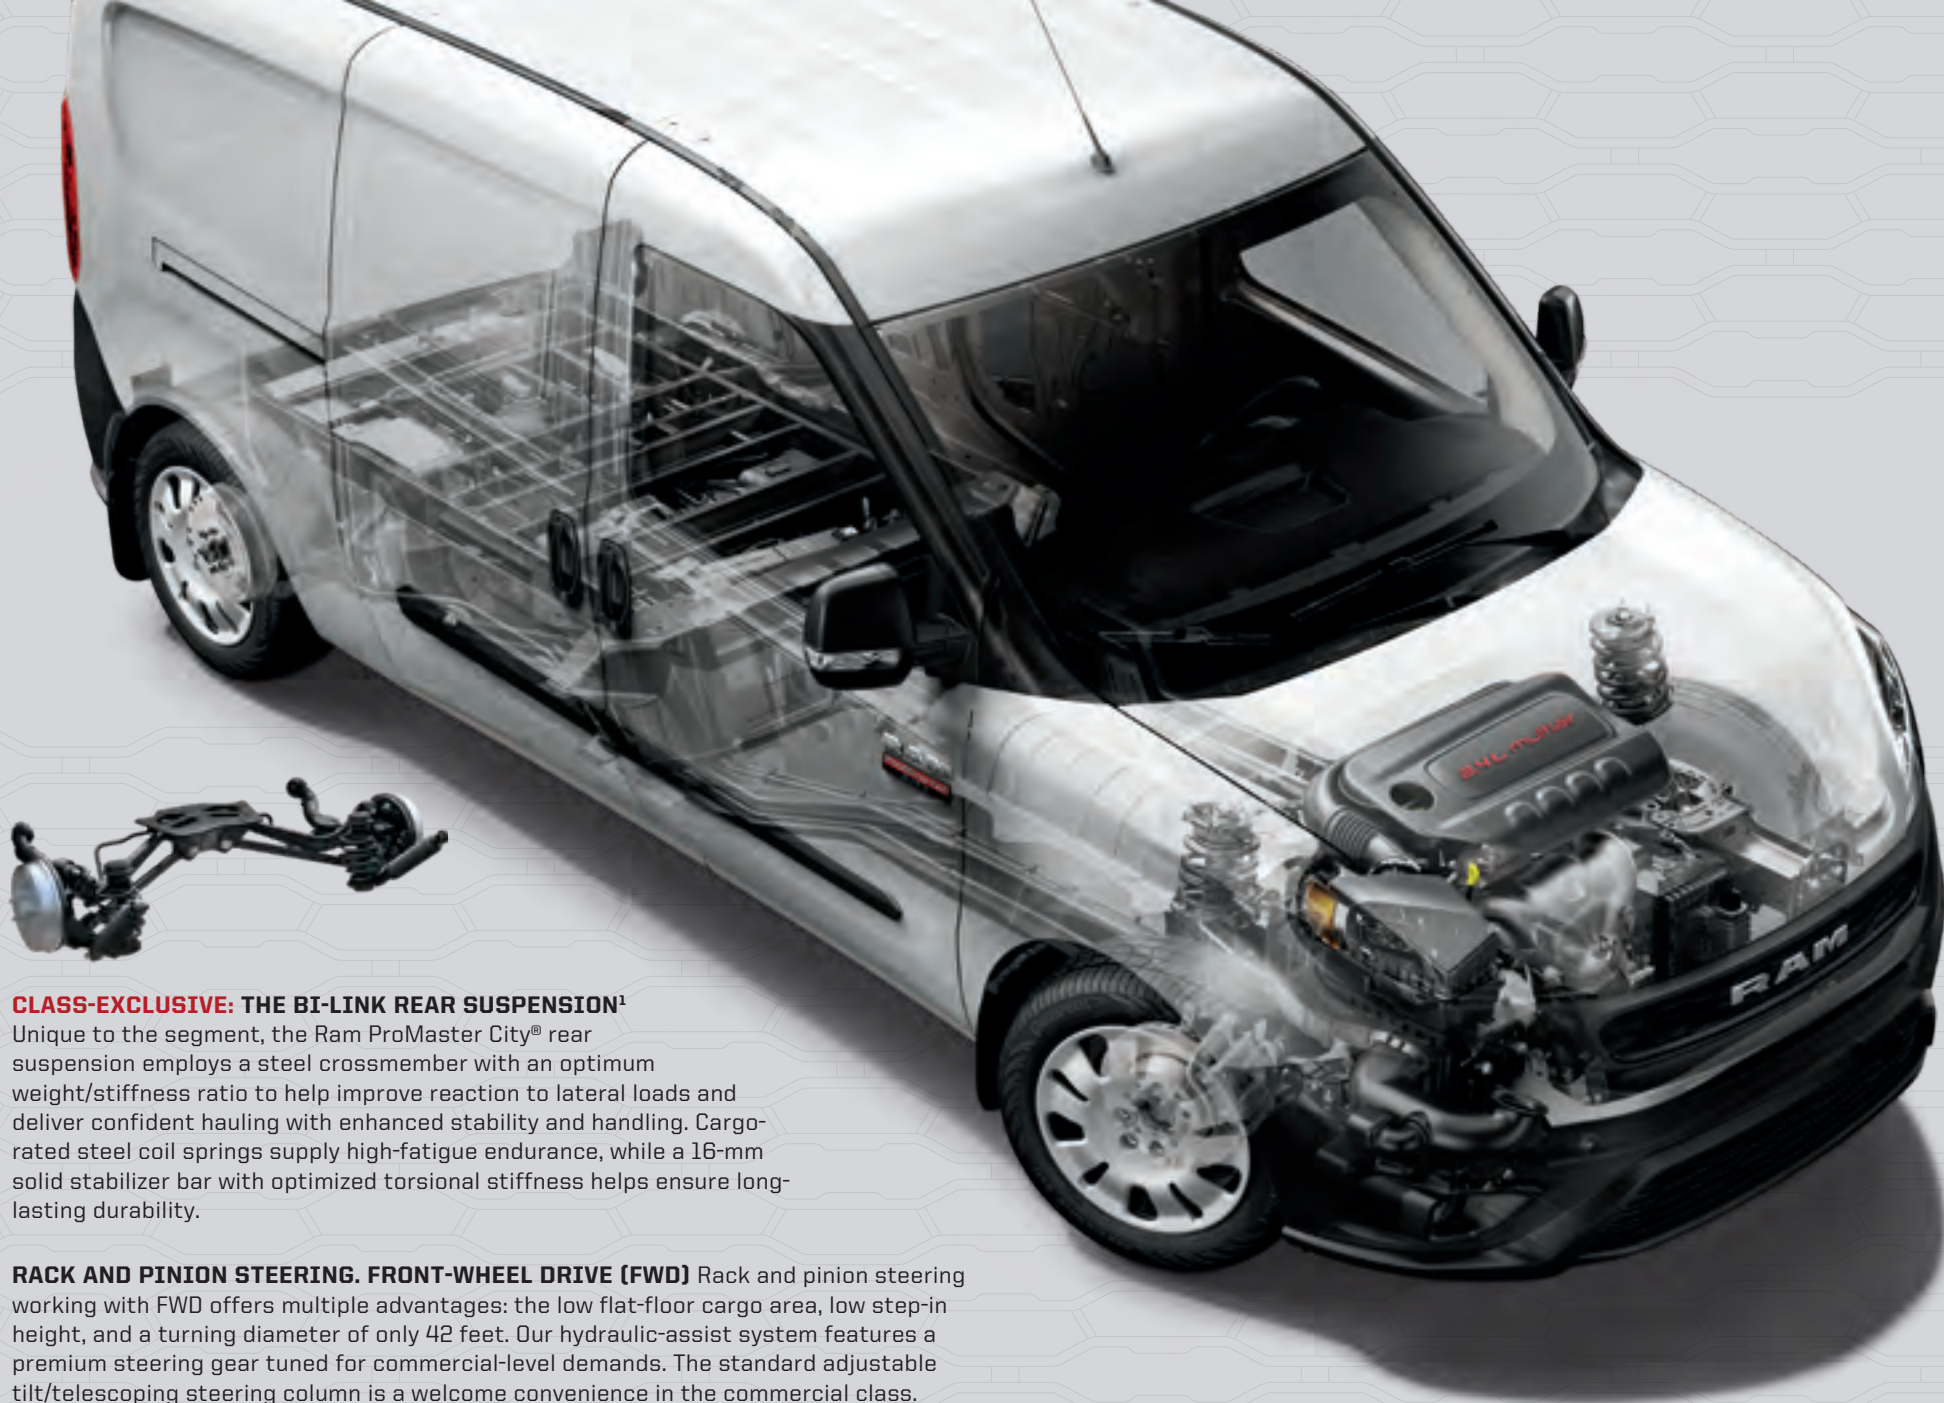

THE MECHANICS OF *STRENGTH AND CAPABILITY.*

BEST-IN-CLASS GVWR¹: SUPPORT FROM TWIN-TUBE STRUTS, COIL SPRINGS AND UNIBODY FRAME

Our large-diameter, twin-tube hydraulic MacPherson struts (52 mm) work with outstanding unibody frame strength—all contributing to the best-in-class Gross Vehicle Weight Rating¹. We also added GVWR-tuned, high-performance stamped-steel, clamshell-sectioned control arms, steel crossmembers, specifically tuned springs, a solid 26-mm-diameter stabilizer bar with cast iron knuckles and large coil springs. Maximum performance gives you formidable capability, nimble maneuverability and a comfortable ride.

FRAME STRENGTH The body-frame integral (unibody) design includes an integrated frame, boxed frame components, multiple crossrails and a robust suspension. The engineering gives Cargo Van best-in-class payload up to 1,890 lb¹, unsurpassed towing up to 2,000 lb¹, best-in-class GVWR of 5,395 lb¹⁻⁶ and a Gross Combined Weight Rating (GCWR) of 5,900 lb⁶.

CLASS-EXCLUSIVE: THE BI-LINK REAR SUSPENSION¹

Unique to the segment, the Ram ProMaster City[®] rear suspension employs a steel crossmember with an optimum weight/stiffness ratio to help improve reaction to lateral loads and deliver confident hauling with enhanced stability and handling. Cargo-rated steel coil springs supply high-fatigue endurance, while a 16-mm solid stabilizer bar with optimized torsional stiffness helps ensure long-lasting durability.

RACK AND PINION STEERING. FRONT-WHEEL DRIVE (FWD) Rack and pinion steering working with FWD offers multiple advantages: the low flat-floor cargo area, low step-in height, and a turning diameter of only 42 feet. Our hydraulic-assist system features a premium steering gear tuned for commercial-level demands. The standard adjustable tilt/telescoping steering column is a welcome convenience in the commercial class.

THE MECHANICS OF *AGILITY AND CONTROL.*

YOU'RE ALWAYS RIDING WITH SAFETY AND SECURITY.

SEVEN STANDARD AIR BAGS⁸

INCLUDING CLASS-EXCLUSIVE DRIVER-SIDE KNEE AIR BAG^{1,8}

Few competitive vehicles in the class offer so many. Our system includes dual-stage driver and front-passenger air bags,⁸ side air bag⁸ inflatable curtains, front-seat-mounted thorax air bags,⁸ the class-exclusive driver-side knee air bag,^{1,8} dual front seat belt pretensioners and seat belt load limiters.

IN-FLOOR TIE-DOWN RINGS

In-floor tie-down rings (six on Cargo Van, four on Wagon) help secure cargo. They come as standard equipment on every model.

PARKVIEW[®] REAR BACK-UP CAMERA⁹

Standard on every model, the ParkView Rear Back-Up Camera⁹ automatically shows the rear scene in the Uconnect[®] 3 with 5-inch touchscreen display when in Reverse. The on-screen grid lines help when backing up to docks and trailers or into parking spaces.

PARKSENSE[®] REAR PARK ASSIST SYSTEM¹⁰

The available ParkSense Rear Park Assist System¹⁰ is an indispensable asset to help keep the driver alert to his or her surroundings. Activated under 8 mph when in Reverse, it detects objects up to 55 inches away (from the center of the rear fascia) and projects audible warnings that increase in intensity as the vehicle nears obstructions to the rear.

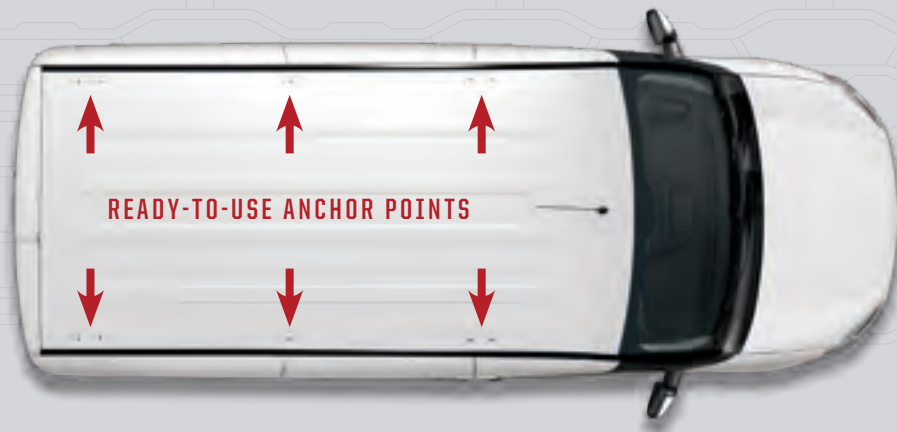

In-floor tie-down rings and seven standard air bags⁸

ELECTRONIC STABILITY CONTROL (ESC)¹¹

Every Ram ProMaster City[®] features one of the most comprehensive and advanced technologies for handling and maneuvering: the Electronic Stability Control (ESC)¹¹ system. This system integrates the Antilock Brake System (ABS) with a variety of All-Speed Traction Control technologies that enable all four corners of the vehicle to respond to lateral movement and the steering input from the driver. ESC¹¹ helps maintain

control under conditions such as wet or snow-covered roads, during tight turns and when the driver must utilize evasive maneuvers to help counter the unexpected. Calibrated to engine output, ESC¹¹ includes four-channel ABS, Brake/Lock Differential, a full-function All-Speed Traction Control system, Brake Assist, Trailer Sway Control,¹² Hill Start Assist and Electronic Roll Mitigation.

TOP-LEVEL CARGO MANAGEMENT

Convenient anchor points are in place for numerous aftermarket roof accessories—including available Roof Rails from Mopar®. Molded in color with a Silver finish, they carry a 150-lb⁷ max rating and will accommodate a variety of optional equipment. They're ideal for commercial applications, like ladders and similar large items. For a complete inventory, search mopar.com

A DESIGN THAT'S *JUST PLAIN SMART.*

SLEEK AERODYNAMIC EXTERIOR

Thoroughly wind tunnel-tested, Ram ProMaster City® delivers a super-low drag coefficient (CD)—it's a mere 0.30. While this enables a remarkably quiet interior, reducing wind resistance also acts as a major contributor to impressive efficiency.

INTELLIGENT FORWARD LIGHTING

Headlamps are high-mounted above common crash zones to help reduce damage (and costs) in the event of a collision. The system includes the Follow Me Home function, keeping the headlamps lit for a preset time after the engine is shut down to help illuminate your path in the dark.

EVEN IN BACK, WE'RE IN THE FOREFRONT.

Shown with aftermarket upfit.

60/40
REAR DOORS

OFFSET DOORS ARE DESIGNED TO BE SIMPLE AND CONVENIENT. From every standpoint, it just makes sense. With the larger of the rear doors positioned on the left, curbside work is easier, the cargo area is more accessible—and, most importantly, the worker avoids traffic in motion.

Uconnect®

TECHNOLOGY THAT CAN GET YOU THERE.

STAY IN TOUCH—AND IN THE KNOW. YOU NEED UCONNECT.® You need information, news and sports—without taking your eyes from the road or your hands off the wheel. You need directions to your next destination. Or you're just taking a break, and you need clear fidelity for ten minutes of uninterrupted "You Time." Uconnect can get you there—with Integrated Voice Command, exceptional audio and, depending on the radio you choose, navigation and points of interest. Available SiriusXM® Radio¹³ includes a one-year trial subscription.

MEASURE PRODUCTIVITY *EVERY DRIVEN MILE.*

AVAILABLE RAM TELEMATICS™ A COMPREHENSIVE SET OF DIAGNOSTICS FOR YOUR RAM PROMASTER CITY®. Scalable to fleets of all sizes, factory-installed and backed by a 3-Year/36,000-Mile Basic Limited Warranty,¹⁴ available Ram Telematics monitors key performance metrics in real time—the power you need to transform your business.

Tracking nearly 100 separate mechanical functions—everything from accelerator pedal position to engine info such as coolant level and oil life monitoring—these detailed notifications help keep your Ram vehicle in top-notch condition, let your drivers make better decisions and, most importantly, contribute to dramatically increased uptime.

RAM TELEMATICS

POWERED BY VERIZON CONNECT

STAY ON TRACK BY KEEPING TRACK. Zero complexity plus total visibility equals 100% effectivity. This is vehicle status and history that add insight about driver behavior. Just a few of the many advantages:

VEHICLE DIAGNOSTICS

- ▶ Oil Life Monitoring
- ▶ Tire Pressure Monitoring
- ▶ Diagnostic Trouble Codes

VEHICLE PERFORMANCE

- ▶ Fuel Consumption
- ▶ Idling
- ▶ Odometer Readings

VEHICLE TRACKING

- ▶ GPS Location

DRIVER BEHAVIOR

- ▶ Speeding vs. Posted Speed Limit
- ▶ Hard Braking / Accelerating
- ▶ ABS / Stability Control Events

DRIVER SAFETY AND VEHICLE SECURITY

- ▶ Seat Belt Usage
- ▶ Air Bag[®] Deployment
- ▶ Unauthorized Vehicle Use

RAM TELEMATICS

POWERED BY VERIZON CONNECT

THE WELL-RUN BUSINESS: MORE VEHICLE UTILIZATION WITH LESS DOWNTIME.

The successful business is efficient, effective and up-to-date, and stays on top of any and all technologies that will help it run better. For fleets both large and small, the state-of-the-art available Ram Telematics™ is the way to continue getting the best from your Ram ProMaster City®.

Powered by Verizon Connect, available Ram Telematics gives you instant and real-time on-screen monitoring, provides complete visibility of fleet operations and helps reduce the total costs of ownership.

Activation is easy, with your choice of one-, three- and five-year plans. Online registration is fast and simple.

PROFITS ROLL WITH BOTTOM-LINE SAVINGS. Ram Telematics advantages in real-world numbers:

+15% IN PRODUCTIVITY

+20% IN VEHICLE UTILIZATION

-25% IN FUEL EXPENSES

-30% IN IDLE TIME

-10% IN MILEAGE DRIVEN

-15% IN OVERTIME

ONE PLAN. MULTIPLE DIVIDENDS.

RAM PROMASTER CITY[®]
MORE THAN JUST CARGO

RAM PROMASTER CITY® WAGON

THE WAGON THAT PUTS PEOPLE FIRST.

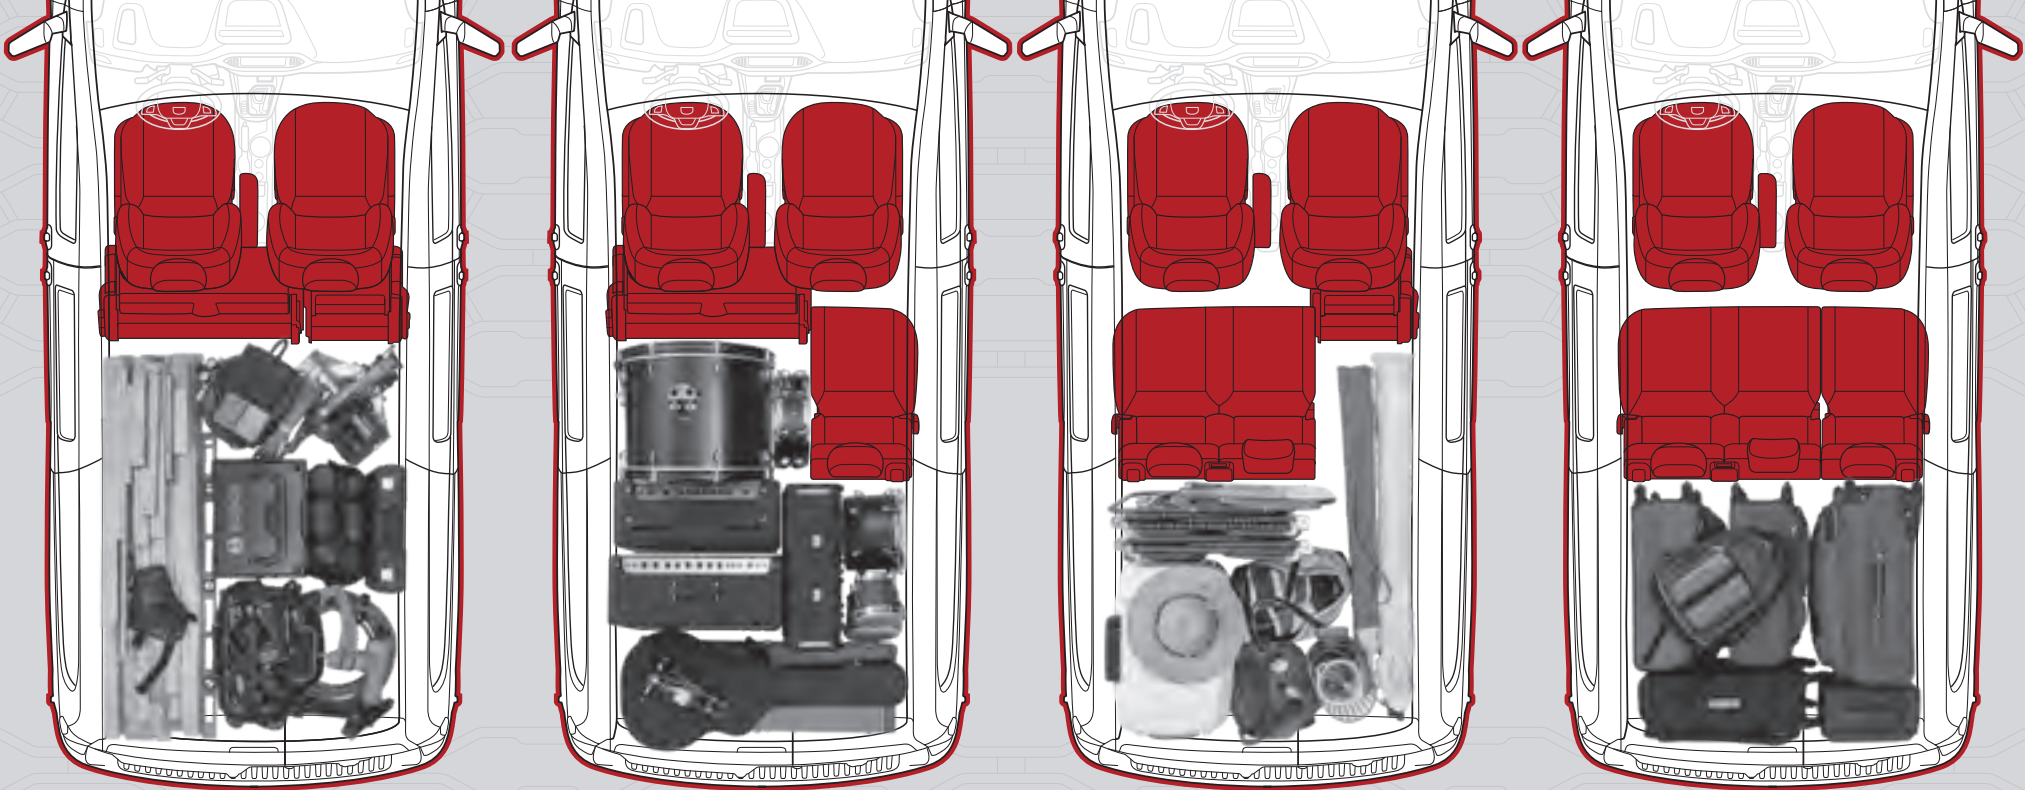

HUGE INNER SPACE. PERFECT FOR EXPLORING THE GREAT OUTDOORS. It's got everything a people-first vehicle should offer. Like sleek aerodynamic styling—with a roof design ready-made for adding on the fun stuff. Like a spacious and well-appointed interior—with dual side sliding doors that help make getting in and out a breeze. Like an intelligent 60/40 rear door design that promotes secure and convenient loading—curbside or beachside. Add towing rated up to 1,878 lb⁷ and you've got the just-right Wagon for people, pooches, parties and playtime.

LARGE ENOUGH FOR THE WHOLE CREW. The confined spaces of the traditional family vehicle are long gone. The area behind Passenger Wagon's upright second-row seats is 74.1 cu ft⁷; fold them down, and the space opens up to 101.7 cu ft⁷.

Properly secure all cargo. Animals should always be safely and properly secured while vehicle is in motion.

INSTANTLY ADAPTS TO NEARLY EVERY LIFESTYLE.

EACH FOLD IN THIS WAGON BRINGS NEW OPPORTUNITIES. Before we get into the mechanics of the seats themselves—that's on the next page—let's discuss just what this interior design allows you to do: it's pretty much anything. With rear seats folded, you've got a cavernous 101.7 cu ft⁷ of max

cargo room. At full five-person occupancy, you still have 74.1 cu ft⁷ of cargo room behind the second row of seats. The variations illustrated above reflect the designed-in adaptability that'll satisfy just about any lifestyle out there. So feel free to do your thing. We're ready for it.

STORAGE: ABUNDANT. SPACIOUS. CONVENIENT.

From the huge in-door pockets (with sculpted bottle holders) to specialized trays to oversized glove compartments, it's all here—even an overhead shelf, two 12-volt auxiliary power outlets, and USB port and connections to charge on-the-go electronics.

LONG AND SHORT HAULS. RIDE IN COMFORT.

AMPLE ROOM FOR PEOPLE AND CARGO. If you're totally demanding about interior comfort, quality and convenience, know this: we're comfortable with it. On every model, these front tubular seats feature spring suspensions and adjustable headrests with reclining seatbacks¹⁵ and super-durable fabrics.

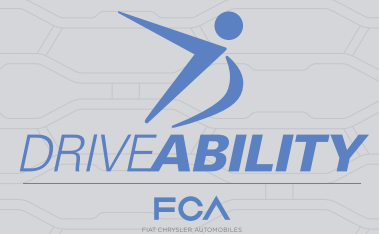

Manual supports for the driver's seat and heated surfaces for both front seats are available. Rear seats feature innovative Fold-and-Tumble operation with up to nine configurations. Impressive storage, huge cargo room and comfort for everyone make this the Wagon of choice.

A TOTAL FOCUS TO MEET SPECIAL NEEDS.

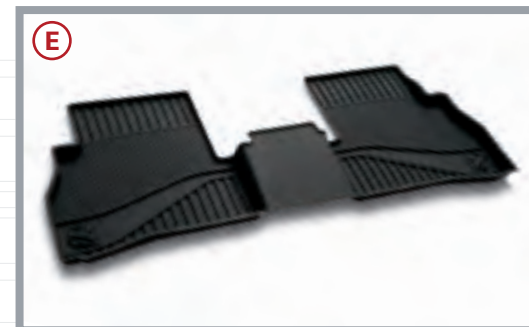

JUST TAKE A SEAT. THIS RIDE IS JUST RIGHT. The true measure of adaptability is to satisfy challenging demands with dignity, grace and style. Count on Ram ProMaster City® and the FCA Driveability Program to help you achieve it.

Expansive side door openings provide huge, unimpeded access to the interior. The flat floor and big 60/40 split rear doors make wheelchair access and mounting apparatus simple. Standard in-floor D-rings (four on Wagon, six on Cargo Van) ensure secure anchoring—and incentives offered by the Driveability Program are pocketbook-friendly. Think comfort and operational ease—because our starting point was to make a van that's all about you.

Shown with aftermarket upfit.

AUTHENTIC ACCESSORIES BY MOPAR®

- A. LED Cargo-Area Lights
- B. Hitch Receiver¹⁶
- C. Molded Splash Guards
- D. All-Weather Floor Mats, First Row
- E. All-Weather Floor Mats, Second Row

AS THE OFFICIAL SERVICE, PARTS AND CUSTOMER CARE PROVIDER for the Ram Brand, only Mopar Parts and Accessories can ensure the proper fit, finish and functionality that make your Ram ProMaster City® the ideal vehicle for your needs. Why? It's simple: this is original equipment, engineered by the same people who designed your vehicle. They know it inside out, and that means you can customize it with exacting quality and complete confidence.

Mopar is also more than parts and accessories. We're here to help you properly maintain and care for your vehicle. Our certified technicians are trained to know your vehicle best, and our Mopar Express Lane service departments are set up to get you in and out quickly. From parts and accessories to expert service and more, always be sure to choose Mopar. Learn more at mopar.com

EXTEND YOUR *CAPABILITIES.*

RAM PROMASTER CITY® IS READY-MADE TO GIVE YOU MORE.

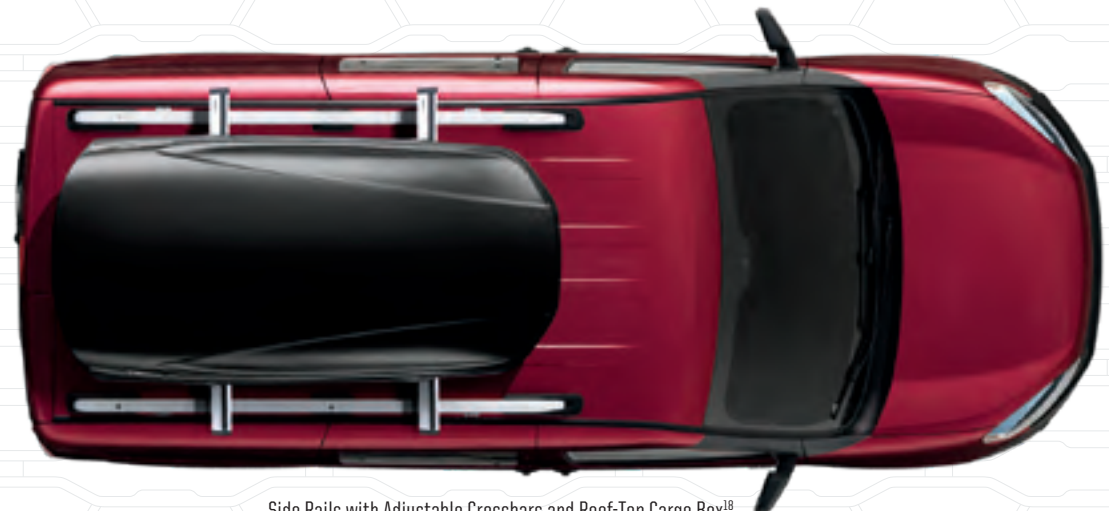

The roof on every model features six ready-to-use anchor points designed to perfectly fit the optional factory-installed Mopar® Side Roof Rails or the Mopar Three-Bar Utility Rack. THE HEART OF THE EFFICIENCY. Mated to the class-exclusive 9-speed automatic transmission; this proven in-line 4-cylinder powerhouse provides stellar economic figures. Among them: best-in-class horsepower¹; best-in-class torque¹; best-in-class highway driving range with standard motor²⁰; unsurpassed towing capability—up to 2,000 lb¹ on Cargo Van models. Finally, it all runs on pocketbook-friendly 87-octane gasoline, with the confidence that comes from a comprehensive 5-Year/60,000-Mile Powertrain Limited Warranty.⁵ In the final analysis, Ram ProMaster City is a rolling example of low costs of ownership and operation.

PAYLOAD / TOWING	WAGON	WAGON SLT	TRADESMAN® CARGO VAN	TRADESMAN SLT CARGO VAN
GVWR⁶	5,395	5,395	5,395	5,395
GCWR⁶	5,900	5,900	5,900	5,900
CURB WEIGHT	3,671	3,671	3,501	3,501

THE DEALER NETWORK FOR YOUR BUSINESS.

Your **BusinessLink** dealer is committed to providing you, the small business owner, with the vehicle support you need for your business, from servicing all makes and models of your existing vehicles to selling you the right vehicles needed to perform the work that you do. Your **BusinessLink** dealer provides priority service because we know downtime is costing you money. Your **BusinessLink** dealer has sales professionals trained to properly “job-rate” the right vehicle for your work application along with providing commercial finance options. New vehicle sales to qualified small business owners also receive a free alternate transportation contract, in the event your vehicle is in for service.

Membership in the **BusinessLink** program is free. Membership helps us to identify you as a small business owner so we can provide you with both the service you deserve and update you with offers that can help reduce the costs of doing business. Ask your **BusinessLink** dealer to register today.

BusinessLink has you covered.

- ▶ Full Range of FCA Commercial Vehicles
- ▶ Free Membership
- ▶ Priority Service
- ▶ Extended Service Hours
- ▶ Dedicated Staff of Commercial Vehicle Experts
- ▶ Free Alternate Transportation
- ▶ Generous Incentives
- ▶ Expertise in Commercial Financing Options
- ▶ 24/7 Towing Service Available
