Class-leading safety technology.¹

Experience the crossover in its most visionary form.

The 2020 Lexus NX

NX 300

Razor-sharp styling conceals a 2.0-liter turbocharged in-line four-cylinder engine delivering 235 horsepower.² Every NX model features Amazon Alexa³ compatibility as well as class-leading standard Lexus Safety System+ 2.0.^{1,4} And added iPhone^{®5} functionality via Apple CarPlay^{®6} integration. Available AWD.

NX 300 F SPORT

The NX 300 can be further enhanced with more aggressive styling and performance upgrades, including a more dynamic F SPORT-tuned suspension.

NX 300h AWD

Behind its cutting-edge style, the NX 300h pairs a potent 2.5-liter engine with powerful electric motors for instantaneous torque and a class-leading 31-MPG combined EPA estimate.^{7,8} Standard AWD.

Inspired by the facets of a cut gemstone, LED taillamps are just one of many eye-opening details that set the NX apart. Available Premium Triple-Beam LED headlamps and dramatically styled front and rear fascias further punctuate its low, wide stance. From the sharp contours of its exterior styling to the available expansive moonroof, every aspect pushes the conventional to the leading edge.

CUTTING-EDGE DESIGN

Multifaceted LED illumination puts scintillating design in razor-sharp focus.

STRETCHING THE LIMITS OF VERSATILITY

Lexus-first innovations and class-leading features push comfort and convenience even further.

Versatility goes beyond boundaries with the 2020 NX. It offers a Power Rear Door with Kick Sensor¹³ that raises and lowers with a simple kick of your foot beneath the concealed sensor. Inside, available heated and ventilated front seats provide customized comfort, while available class-leading power-folding and -reclining rear seats¹⁴ take amenities to another level.

UNCOMPROMISING PERFORMANCE

From the high performance and fuel efficiency of its hybrid to the available adaptive suspension on its F SPORT, the NX is exhilaration, evolved.

NX shown in Atomic Silver

From the powerful NX 300 to higher-performance F SPORT models, this is a visceral driving experience, delivered. With a dynamic suspension and an available adaptive F SPORT suspension inspired by the LC, this is the most responsive NX yet.

**MORE EFFICIENCY.
MORE RESPONSE.
MORE NX, PERIOD.**

With two sources of power and innovative all-wheel drive, the NX Hybrid gives even more to the driver while taking less from the world.

NX 300h

Welcome to the next level of NX. Pairing a potent 2.5-liter engine with powerful electric motors, the NX Hybrid delivers immediate torque and smooth, seamless acceleration off the line. And, with its class-leading 31-MPG combined EPA estimate^{7,8} you won't just enjoy a smoother and quieter ride, you'll enjoy it over many more miles on a single tank of gas. All without requiring a charge. Featuring an all-wheel drive system so innovative that it's designed to adapt to the angle or condition of the road, as well as an exclusive damping control system, it offers performance as captivating as its style.

TURBOCHARGED *POWER*

The surge of the 235-horsepower² engine in the NX and NX F SPORT doesn't let up—thanks to the Lexus engineers who spent years researching, developing and refining a turbocharger with advanced twin-scroll technology. The powerplant itself seamlessly moves between conventional and Atkinson cycles, for quick acceleration with greater efficiency.

ALL-WHEEL *DRIVE*

Go beyond limitations with available all-wheel drive. AWD predicts your path, monitoring the vehicle and your input. On the NX and NX F SPORT, if wheelspin is detected, it can deliver up to 50% of available torque to the rear wheels. On the NX Hybrid, the electronic AWD system is so innovative, it can even adapt to the angle or condition of the road.

F SPORT PERFORMANCE

For those with an even greater passion for performance, the NX F SPORT offers head-turning styling and technology that puts the F SPORT stamp on its thrilling driving experience.

A bold front fascia sets the distinctive NX F SPORT even further apart. The 18-inch, split-five-spoke alloy wheels¹⁵ and black exterior mirrors punctuate its sleek stance, while its suspension was specially tuned to make this the most responsive NX yet.

ADAPTIVE VARIABLE SUSPENSION

Available AVS allows the driver to harness the engine's power and communicate with the pavement like never before. Based on the state-of-the-art technology in the Lexus LC, this system features 650 levels of damping that can automatically adapt to changing conditions, for enhanced response based on the selected drive mode.

F SPORT STYLING

The NX F SPORT doesn't just look the part—it feels it. From its aggressive exterior styling to deeply bolstered front sport seats that hug you through the turns, this luxury crossover brings exhilaration to every drive. Exclusive Circuit Red NuLuxe^{®12} and Arctic White NuLuxe interior trims boldly reflect its performance roots. And impeccable contrast stitching completes the experience of pure invigoration for all the senses.

NX F SPORT shown in Atomic Silver

BOLSTERED SPORT SEATS

Feel confidence through every curve with the F SPORT front sport seats. Featuring a unique foam-injected construction and designed to contour to the needs of the driver, these enhanced bolstered sport seats cradle you from hip to shoulder for a more dynamic driving experience.

DRIVER'S COCKPIT

F SPORT performance is deeply ingrained in the driver's experience, with lightning-fast paddle shifters, exclusive G-force and turbo-boost gauges, and an exclusive perforated leather-trimmed shift knob and heated steering wheel. Additional signature touches in the F SPORT include rubber-studded aluminum pedals and Metallic Sport interior trim.

The highly advanced NX is not only designed to make a statement, with Amazon Alexa³ compatibility, it's also designed to make driving even more convenient. A high-resolution multimedia display provides access to your favorite iPhone⁵ apps via Apple CarPlay⁶ integration, and enables you to control audio, climate and other systems, including the available voice-activated Navigation System.¹⁶ On the NX F SPORT, G-force and turbo-boost displays ensure performance information is front and center.

INTUITIVE TECHNOLOGY

Experience an array of innovations—from class-leading standard active safety equipment^{1,4} to Apple CarPlay integration.

PEACE OF MIND, STANDARD

Presenting Lexus Safety System+ 2.0, an integrated suite of class-leading standard active safety equipment.^{1,4}

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION

By enhancing the radar and camera capabilities, it's possible for the system¹⁷ to help detect not only the vehicle ahead, but also a preceding bicyclist in daytime and even a preceding pedestrian in daytime and low-light conditions.⁹ Should it detect a potential frontal collision, it can help automatically brake the vehicle to a stop.

LANE TRACING ASSIST

When All-Speed Dynamic Radar Cruise Control¹⁸ is enabled, this hands-on system¹¹ monitors visible lane markings or the path of the preceding vehicle to help the driver keep their vehicle centered in the lane by providing steering assistance. Designed for added convenience and to help reduce driver strain, the system can even be used in traffic and on highways with gradual curves.

LANE DEPARTURE ALERT WITH STEERING ASSIST

This system¹⁰ utilizes a camera to monitor visible lane markings. If an inadvertent lane departure is detected at speeds above 32 mph, the system is designed to warn you so that you can steer back into the lane, and can even take slight corrective measures to help keep you within your visibly marked lane.

ROAD SIGN ASSIST

This system¹⁹ uses a built-in camera to help provide road sign information in the instrument panel. In addition to displaying speed limit information, the system can alert you of certain detected signs you otherwise might have missed.

ALL-SPEED DYNAMIC RADAR CRUISE CONTROL

This system¹⁸ uses radar and camera technology to help you maintain a preset speed and following distance from the vehicle ahead. Whether at highway speeds or in stop-and-go traffic, the system is designed to detect if you get closer than the preset distance and automatically slow your vehicle—even to a complete stop. If driving at highway speeds and the road ahead clears, your Lexus returns to its preset speed.

INTELLIGENT HIGH BEAMS

To help provide greater visibility for you as well as other drivers, Intelligent High Beams²⁰ offer added illumination to help keep you focused on the road. When the road ahead is clear, the system defaults to high-beam mode, then temporarily switches to low beams when it detects the headlamps or taillamps of vehicles ahead.

TECHNOLOGY AT THE LEADING EDGE

AMAZON ALEXA

Bring all the convenience of Amazon Alexa³ on the road with the Lexus+Alexa²¹ app. Using only your voice, you can easily access thousands of the same functions you get with Alexa at home. Listen to audiobooks, stream Amazon Music,³ make lists, check the weather, get news briefings and much more. You can also use it to control compatible smart-home devices such as lighting, thermostat and security systems. Offering added in-vehicle convenience, Alexa can even sync to your Navigation System¹⁶ or provide on-the-go directions via the integrated Waze app.

APPLE CARPLAY®

With Apple CarPlay⁶ integration, you can access the same familiar interface from your iPhone⁵ through the vehicle's multimedia display. Simply connect your iPhone to get directions, make calls, send and receive messages via Siri,²² and get access to your favorite apps like Waze, Spotify[®] and Apple Audiobooks.^{TM23}

ANDROID AUTO

With Android Auto,^{TM24} you can now seamlessly cast your device's interface onto the vehicle's multimedia display. Play your music via your favorite apps such as Spotify[®] and Pandora,[®] send messages through a range of commonly used apps like WhatsApp,[®] navigate with Google Maps,^{TM25} and request information—all with just the sound of your voice—through the Google Assistant.²⁵ For added convenience, Android Auto can also deliver tailored information based on your calendar, usage activity and habits.

LEXUS ENFORM

Lexus Enform²⁶ elevates connected technology and provides concierge-level convenience. From emergency assistance and onboard Wi-FiTM to the ability to start your engine remotely²⁷ using your smartphone, smartwatch, the Lexus skill on Amazon Alexa³ built-in devices, or the Lexus Action on Google with your Assistant-enabled²⁵ devices, our premium suite of connected technology offers peace of mind with every drive.

MARK LEVINSON® AUDIO

The new available 14-speaker, 835-watt Mark Levinson^{®28} Premium Surround Sound Audio System features patented, proprietary Clari-Fi^{®28} technology that restores audio quality from compressed music, resulting in crisp, clear, dynamic sound from almost any source. This, combined with technology designed to create an expansive "sweet spot" of audio, envelops every passenger in three-dimensional sound that rivals the finest home audio systems.

INTUITIVE PARKING ASSIST

Using sensors in the front and rear bumpers, available Intuitive Parking Assist²⁹ cues the driver with audible tones and an indicator on the multimedia display. Notifications indicate a detected object's location and proximity, which is especially helpful for routine tasks like parallel parking. If contact with an obstacle is imminent, the system can also bring the vehicle to a complete stop, under certain circumstances.

DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other features in your new Lexus, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime.^{®30} Learn more about these services at lexus.com/specialists.

Actual mileage will vary. **9.** The Pedestrian Detection System is designed to detect a pedestrian or bicyclist ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **10.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **11.** Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions when DRCC is engaged. When potential lane departure is detected, LTA provides a visual warning and either an audible alert or vibration in the steering wheel and can apply a slight steering force. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors, including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **12.** Nuluxe is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **13.** The touchless sensor can be affected by water, weather, dirt and other conditions. It may not operate properly, or may operate unintentionally, under certain conditions. See *Owner's Manual* for additional limitations and details. **14.** Do not allow passengers to sit in a seat that has been fully or severely reclined while driving. This feature is intended for use only when the vehicle is parked. While the vehicle is being driven, all vehicle occupants should have the seatback upright, sit well back in the seat and properly wear the seatbelts provided. In the event of a collision, the more the seat is reclined, the greater the risk of death or personal injury. See *Owner's Manual* for additional limitations and details. **15.** 17- or 18-inch performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy or 15,000 miles, depending upon driving conditions. **16.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system depends on many factors and service may not be available in every location. Phone performance depends on software, coverage and carrier. **35.** May not be compatible with all mobile phones, MP3/WMA players and like models. **36.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **37.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle. The engine will only start if the code in the key/fob matches the code in the vehicle's immobilizer. The transponder in the key/fob can be lost or damaged and can be costly to replace. If you lose a key or fob, your Lexus dealer can help or you can go to www.aa.org to find a qualified locksmith in your area who can perform high-security key service. **38.** The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **39.** Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in an infant passenger seat. See *Owner's Manual* for additional limitations and details. **40.** Roof rails not recommended for luggage. **41.** Please consult your Lexus dealer or *Owner's Manual* for towing and load specifications. **42.** Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard or optional equipment added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. **43.** CAUTION! When driving an electric-only vehicle, pay special attention to the area around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **44.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **45.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **46.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Dynamic Navigation and Dynamic Voice Command are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control, which can limit the ability or functionality of the system. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyvts/>. Use common sense when relying on information provided. Services and programming subject to change at any time without notice. Services not available in every city or roadway. Subscription required upon end of trial service period. See *Navigation System Owner's Manual* for additional limitations and details. See *lexus.com/enform* for details. The Dynamic Navigation three-year trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Terms and conditions apply. **47.** Destination Assist depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Lexus' control, which can limit system functionality or availability. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Services subject to change at any time without notice. Terms and conditions of subscription services agreement apply. See *Owner's Manual* and *lexus.com/enform* for additional limitations and details. To learn about Lexus Enform's data collection, use, sharing and retention, please visit <https://www.lexus.com/privacyvts/>. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. **48.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **49.** HomeLink and the HomeLink® house icon are registered trademarks of Genex Corporation. **50.** Automatic Braking is intended to assist a driver, but it is the driver's responsibility to be aware of the vehicle's surroundings. The system cannot prevent all collisions, and performance is dependent on road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **51.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt. **52.** 2020 EPA estimates. Actual mileage will vary. **53.** All Accessories (Genuine Lexus and F SPORT) installed at the time of retail vehicle delivery are warranted for the same time as the new-vehicle warranty (48 months/50,000 miles). Accessories purchased after retail vehicle delivery and installed by an authorized Lexus dealer are warranted for 12 months from date of purchase or installation, regardless of mileage, or the remainder of any applicable new-vehicle limited warranty, whichever is greater. Accessories purchased over the counter are covered for 12 months from the date of purchase. For all Accessories, refer to your accessory limited warranty or documentation that accompanies accessory purchase for coverage and conditions. **54.** Warranty honored at all Lexus dealerships nationwide excluding Hawaii. **55.** This floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner must be secured with its fasteners. Do not install a floor liner on top of an existing floor liner. **56.** This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat. **57.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **58.** Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **59.** Lexus Universal Tablet Holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the vehicle in the event of an accident. Tablet, phone, music and video player sold separately. **60.** Genuine Lexus Paint Protection Film by 3M™ is designed for specific sections of the hood and front fenders. Depending on the model, it may also be applied to select portions of the front bumper for an additional charge. Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **61.** Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions. **62.** Accessory roof rack cross bars with side rails not recommended for luggage. See *Owner's Manual* for details. **63.** Ball mount, trailer ball and tow hitch sold separately. Please consult your Lexus dealer or *Owner's Manual* for towing and load specifications. Some models require factory tow package option. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of printing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Vehicles shown may be prototypes and/or shown with options. Actual models may vary. Colors depicted may vary based on multiple factors, including ambient lighting and the format in which they are being viewed (e.g., computer, mobile device, or print). See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly.
