Shown: Yukon XL Denali, in Pewter Metallic with some optional equipment.

With the all-wheel-drive, 320 hp, Yukon® Denali® and Yukon XL Denali, surprisingly agile handling is only the beginning. A uniquely designed interior and a variety of amenities give them their own distinctive character. For example, Glove-soft leather-trimmed seating with a tone-on-tone design is standard, as are the ten-way power adjustable front seats with power-adjustable lumbar support.

Shown: Yukon XL Denali interior with optional second-row captain's chairs and some optional equipment.

BASE MANUFACTURER'S SUGGESTED RETAIL PRICE³

- Yukon Denali: \$47,280
 - Yukon XL Denali: \$48,815
- (Tax, title and license extra)

SELECTED STANDARD/AVAILABLE EQUIPMENT

INTERIOR

- Audio Controls—Remote steering wheel mounted audio controls
- Audio System—Bose® Acoustimass® 11-speaker music system, including an in-dash, single-load 6-disc CD changer; rear-seat audio controls
- Climate Control—Fully automatic climate control includes fully partitioned (front to rear) air conditioning, with independent AC and heat controls for front and rear passengers (models equipped with sunroof have manual rear controls)
- Driver Information Center—Instrument-panel-mounted module performs more than 10 functions, including trip and mpg, and displays data in four languages
- Headrests—Articulating front- and second-row seat headrests
- Homelink®⁴ Universal Transmitter System—Program up to three different signals for items such as garage-door opener, home lights, or electric gate
- Locks—Programmable automatic door locks allow you to set doors to lock at four available settings. Lockout Protection prevents vehicle from being locked with key in ignition
- Retractable Cargo Shade—Color-keyed security shade extends from rear seat to tailgate (Yukon XL Denali only)
- Remote Keyless Entry
- Available Power Sunroof

SEATING OPTIONS

- Trimmed with tone-on-tone leather. Front bucket seats equipped with 10-way power adjusters including power lumbar adjusters, power seat-back recliner, power adjustable side bolsters, heated seat backs and cushions, fold-down inboard armrests, manual articulating headrests, and two-position driver's-seat memory
- 60/40 split-folding second-row seat has heated cushions, a folding center armrest with stowage tray, dual cupholders, and articulating headrests. Second-row reclines 20 degrees
- Optional second-row captain's chairs
- One piece third-row seat, offering seating for three (50/50 split bench in Yukon Denali)

¹Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information. Front-seat side-impact air bags help reduce the risk of certain injuries to front-seat occupants in side impacts. ²Visit www.OnStar.com or call 1-800-ONSTAR-7 for system limitations and details. ³Suggested retail prices for GM® vehicles as of August 3, 2001. ⁴Operation of system may require the purchase of a receiver from HomeLink.
