

CHEVROLET CAVALIER

Chevy Cavalier is an American favorite. A best-seller, year after year.

And no wonder. Cavalier is very affordable. And equally important,

it's the kind of car you just want to own.

CAVALIER. Look at all you get in a 1994 Cavalier. A choice of

EASY TO BUY. coupe, sedan, wagon and convertible models. Standard

GREAT TO OWN. four-wheel anti-lock brakes. Powerful, fuel-injected

four-cylinder or V6 engines. A comprehensive 24-hour roadside

assistance plan, and an equally comprehensive Bumper to Bumper

Warranty. We invite you to drive a '94 Cavalier.

It could be the beginning of a beautiful relationship.

*Cavalier RS Coupe in
Medium Bright Blue Metallic.*

*Cavalier VL Coupe
in Bright Red.*

THE CAVALIER COUPE.

Your first new car. It's exciting. And of all the new-car choices out there,

over the past three years, Chevy Cavalier has been chosen by

DESIGNED FOR

more people as their very first. It's easy to see why.

A LASTING RELATIONSHIP.

Cavalier Coupe takes good care of you. A standard four-

wheel anti-lock brake system (ABS) provides an extra measure of safety, especially on slippery road surfaces. An enhanced 120-hp, 2.2-liter engine with Multi-Port Fuel Injection gives you passing power when you need it.

Power rack-and-pinion steering makes parking a breeze.

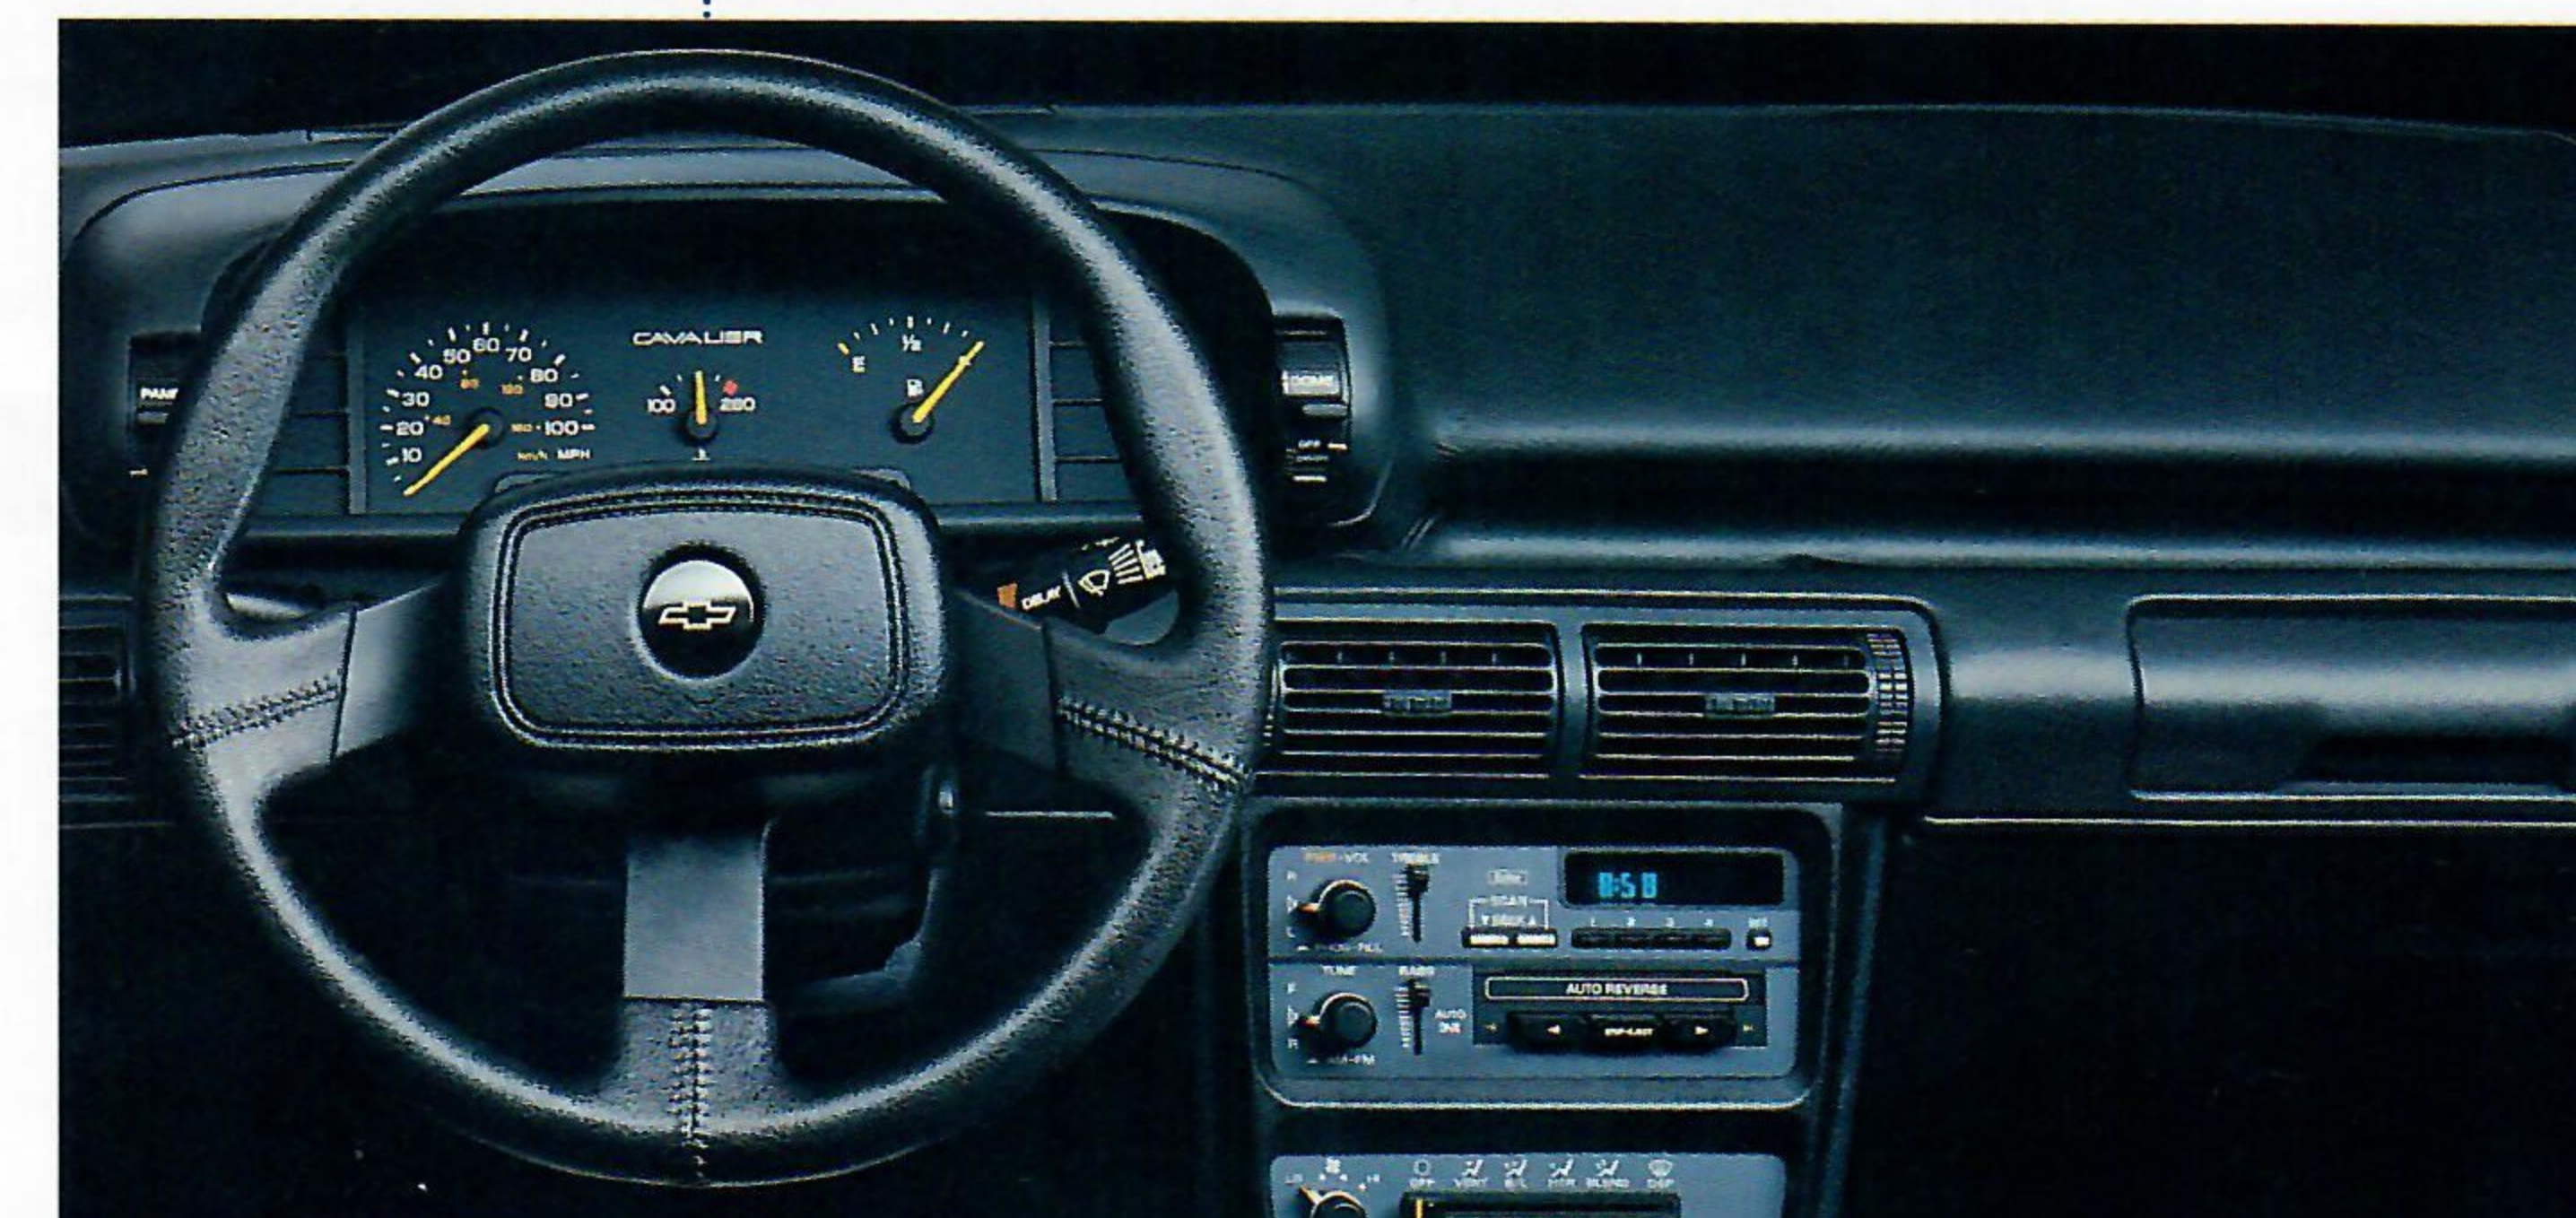

Standard slide-out cup holder.

Other quality features you'll appreciate as the years and miles roll by include a long-lasting stainless-steel exhaust system, rust-resistant two-side-galvanized steel for most exterior body panels, and base-coat/clear-coat exterior paint that provides a deep wet-look shine.

Choose from the value-packed Cavalier VL Coupe, or the uplevel RS Coupe, which includes a special Sport Cloth interior, a Delco AM/FM stereo with Extended Range speakers, and air conditioning.

*The Cavalier instrument panel
features easy-to-read analog gauges.
Optional equipment shown.*

Standard Four-Wheel ABS
A four-wheel anti-lock brake system (ABS) is standard in every 1994 Cavalier. ABS prevents wheel lockup during severe braking and is designed to help you maintain steering control even in a panic stop in rain or snow.

A Special Note to Parents
All 1994 Cavaliers are equipped with rear-seat safety-belt comfort guides. These guides make wearing safety belts more comfortable for children who have outgrown available child restraints.

Two-Side-Galvanized Steel
Excellent corrosion protection is provided by the use of galvanized steel for all body panels, and two-side-galvanized steel for hood (except Z24 hood, which is rustproof composite), front fenders, and deck lid.

Stainless-Steel Exhaust
A standard stainless-steel exhaust system is designed to resist corrosion and last longer than conventional exhaust systems.

Stain-Resistant Interior
Scotchgard™ Fabric Protector, on cloth seats and door trim, is standard in the 1994 Cavalier for stain resistance and easy cleanup.

Side-Guard Door Beams
High-strength steel beams in every door help protect occupants in the event of a side-impact collision.

Automatic Power Door Locks
This convenience/safety feature automatically locks all doors when the car is placed in Drive (automatic transmission models) or as speed reaches 8 mph (5-speed models). Doors unlock automatically when ignition is turned to Off.

Front-Wheel Drive
The combination of front-wheel drive and all-season radial tires helps provide excellent traction and driving stability in the snow. Power steering, standard on all models, makes in-city parking and maneuvering easier.

Split-Folding Rear Seat
A convenient split-folding rear seat is standard in Cavalier Wagon, and optional in the RS Coupe, RS Sedan and Z24 Coupe.

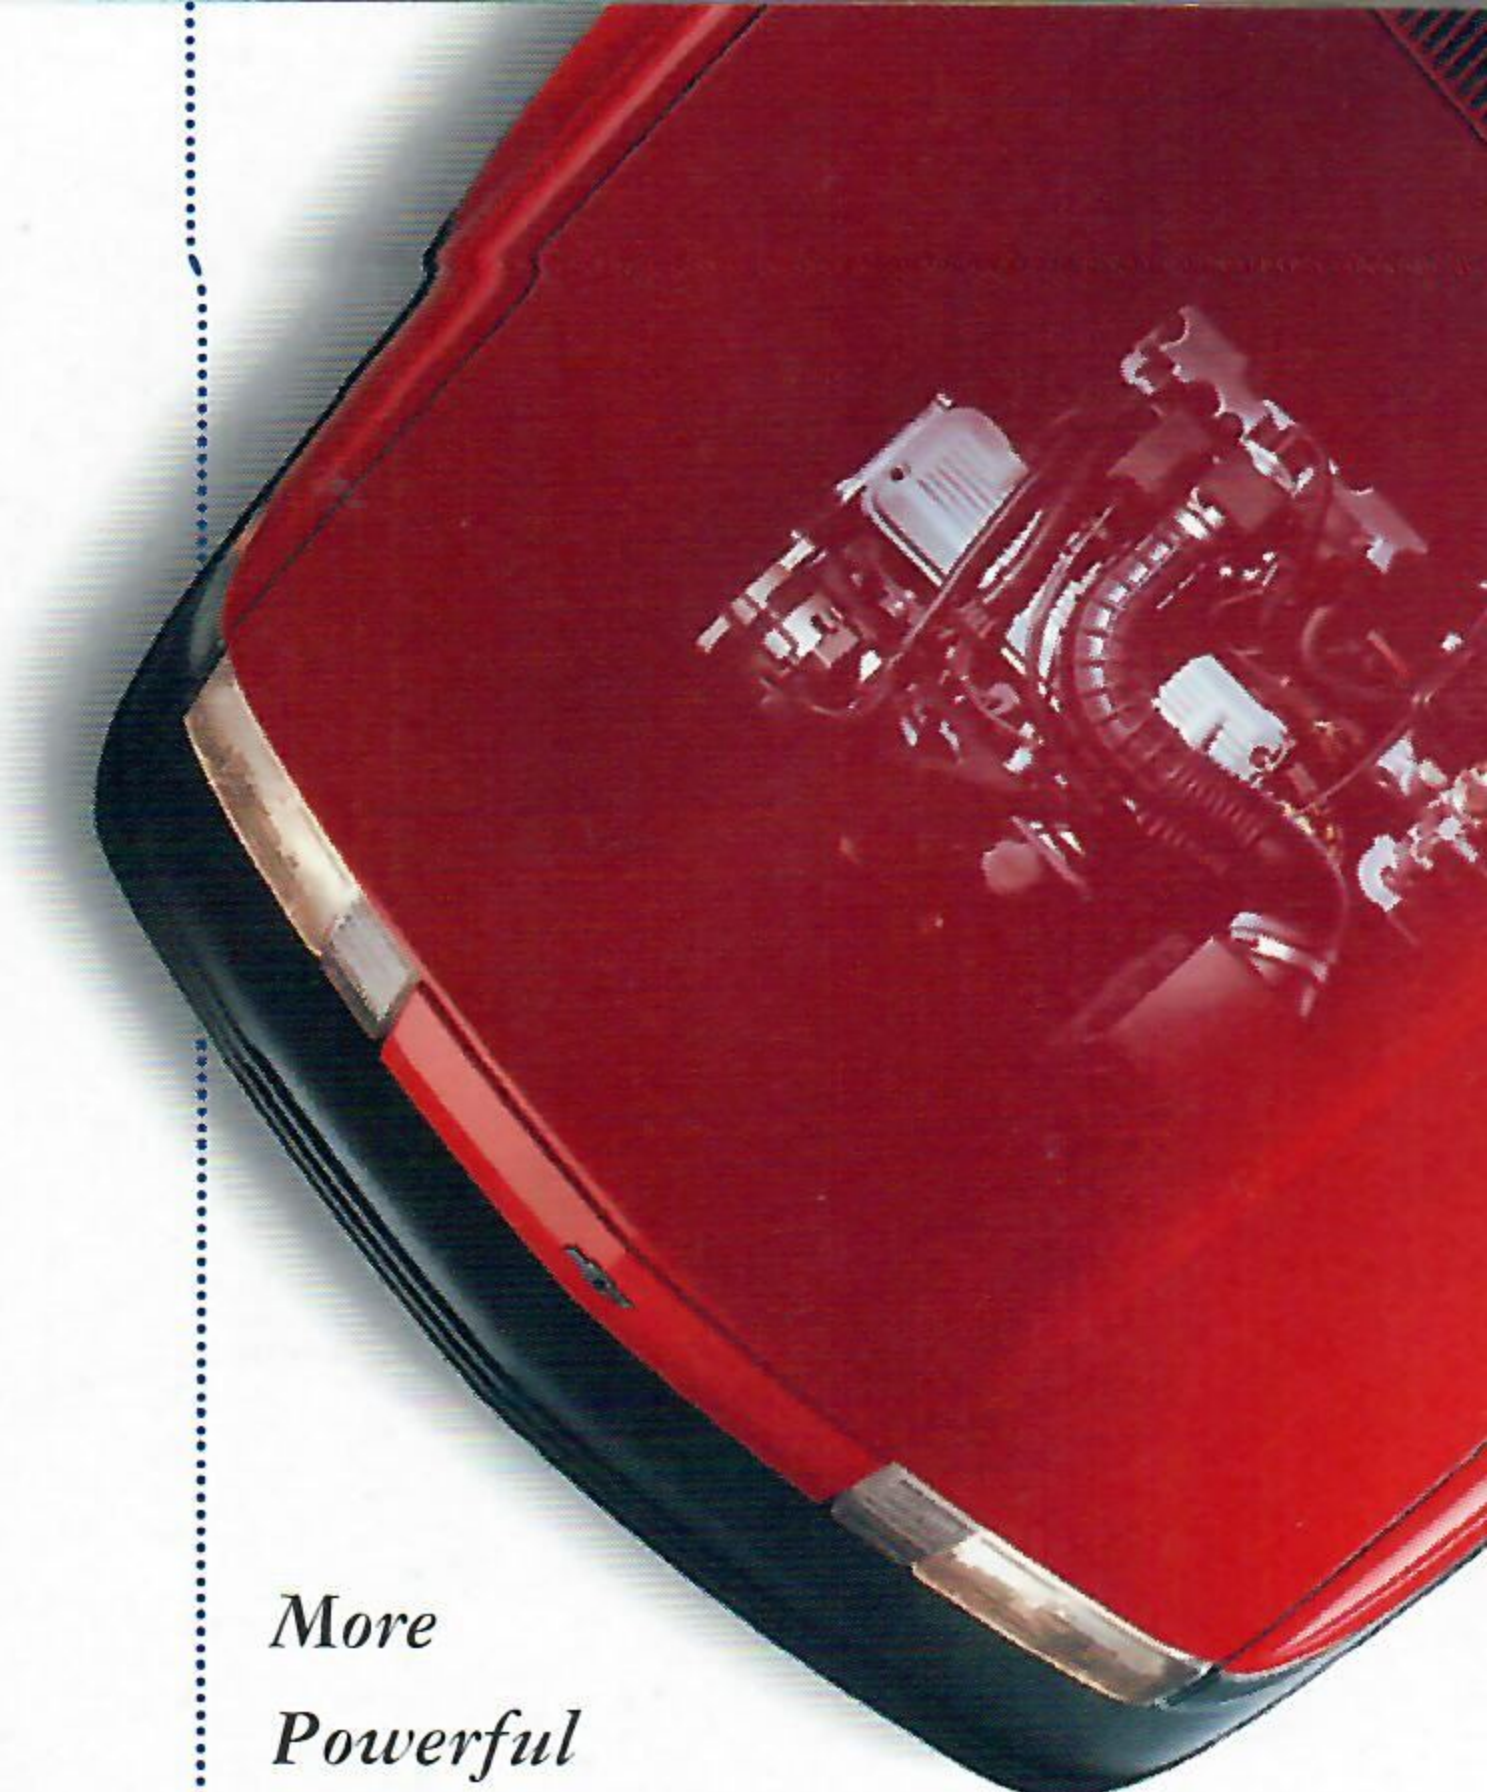

**USE THIS GUIDE
TO "WALK AROUND"
THE '94 CAVALIER.**

Base-Coat/Clear-Coat Paint
All 1994 Cavaliers feature clear-coat paint that not only provides a more durable, lustrous finish, but also reduces the severity of water spotting and etching from acid rain.

Safety-Cage Construction
A rugged steel "safety cage" surrounds the passenger compartment of every Cavalier Coupe, Sedan and Wagon. Front and rear crush zones help cushion and absorb the force of impact in a collision.

**More Powerful
2.2 Liter Engine**
Cavalier's redesigned 2.2 Liter 4-cylinder engine delivers 120 hp at 5200 rpm. That's more than last year. Features include Multi-Port Fuel Injection for excellent drivability and a single-belt accessory drive designed to never need adjustment.

Cavalier RS Convertible
in Bright White.

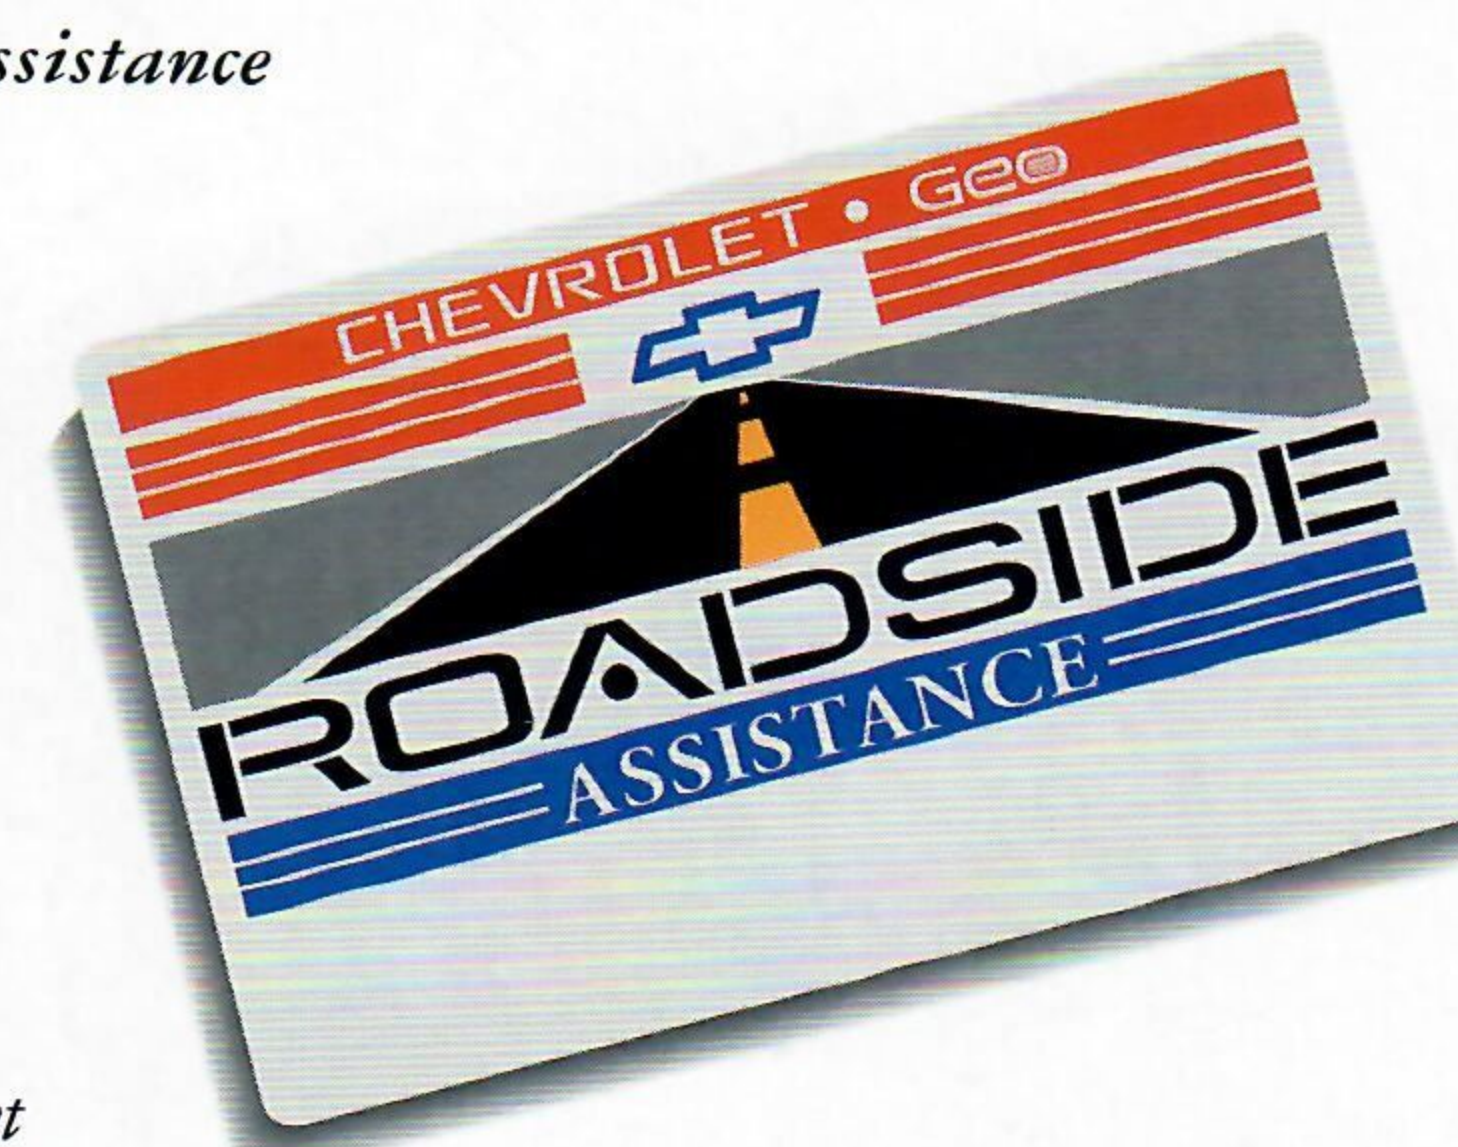

Chevrolet is committed, in every way, to making your 1994 Cavalier the best car you've ever owned. The commitment starts with a quality automobile, and it continues with a promise to treat you as a valued customer and a friend. Always.

As a Chevrolet owner, you are covered by the Chevrolet Customer Care Package, a comprehensive owner-protection plan that includes a 3-year/36,000-mile Bumper to Bumper Warranty with no deductible, Courtesy Transportation if your car needs warranty service, and a 24-hour Roadside Assistance Program for as long as you own your Cavalier.

**IT'S MORE THAN
A NEW CHEVROLET,
IT'S A PROMISE.**

24-Hour Roadside Assistance

For as long as you own your 1994 Cavalier, the security and convenience of round-the-clock Roadside Assistance is available via a toll-free hot line (1-800-CHEV-USA). Please ask your Chevrolet dealer for more details.

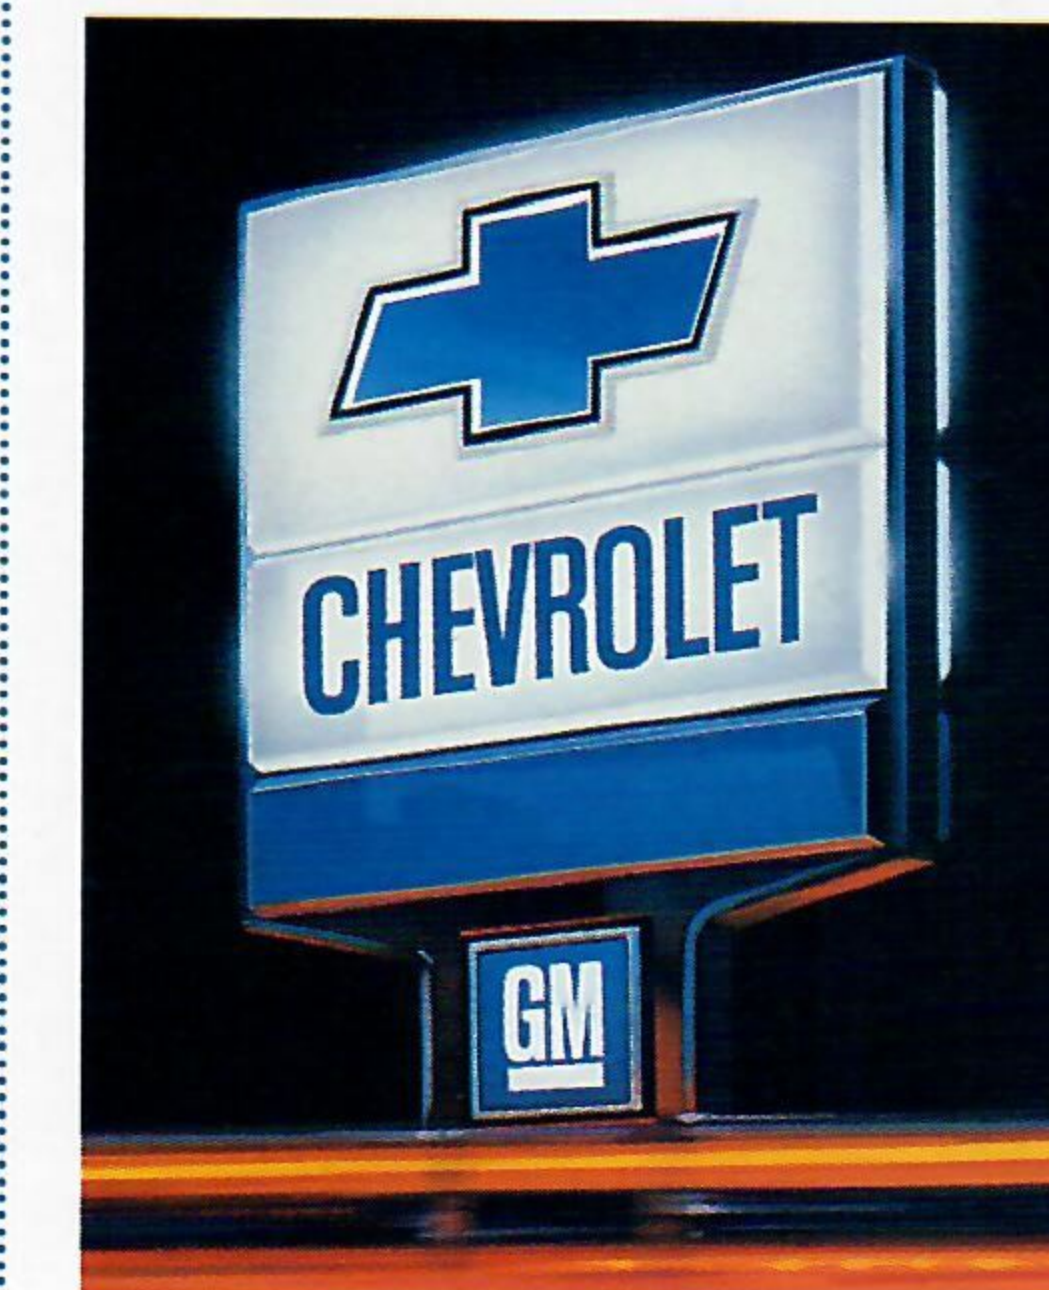

**THE CHEVROLET
CUSTOMER CARE PACKAGE**

Bumper to Bumper Warranty
Every new Cavalier is backed by an extensive, no-deductible warranty for 3 years or 36,000 miles, whichever comes first. See your Chevrolet dealer for terms of this limited warranty.

Courtesy Transportation

Customers who purchase or lease a 1994 Cavalier will be able to take advantage of Courtesy Transportation at no additional charge when their vehicles are left at a participating dealership for repairs covered under the 3-year/36,000-mile New Vehicle Limited Warranty. See your participating dealer for details.

America's Largest Dealer Network

Cavalier owners enjoy the security of the Chevrolet dealer network — the largest dealer network in the United States.

Turn Plastic Into Steel With the GM CardSM.

The GM MasterCard[®], with no annual fee, is the revolutionary financial vehicle specifically designed to help put you behind the wheel. Every time you use it, GM will credit 5% of your purchase toward buying or leasing the GM car or truck of your dreams. It could mean saving hundreds, even thousands of dollars, over and above any other discounts or rebates. Call 1-800-8GM-CARD for more information, including annual limits and restrictions.

*Cavalier RS Sedan in
Light Adriatic Blue Metallic.*

Presenting the slightly more formal side of Cavalier. With tailored sedan styling.

Plus the practicality of four doors and room for five people. If your family budget

CAVALIER SEDAN. calls for restraint (and whose doesn't these days?), you'll also like the

RECOMMENDED bottom line — Cavalier VL is Chevrolet's lowest-priced sedan.

FOR FAMILIES Standard equipment for 1994 includes a four-wheel anti-lock

OF ALL AGES. brake system (ABS), a 120-hp engine with Multi-Port Fuel Injection,

and power door locks with an automatic locking and unlocking feature. Other

features in every Cavalier VL Sedan include base-coat/clear-coat paint, tinted

glass for all windows, power steering, and a stainless-steel exhaust system.

The spacious 13.2-cu.-ft. trunk is one of the largest in this class.

When you opt for the RS Sedan (shown above), you get these additional features: a Delco AM/FM stereo, an automatic transmission, air conditioning, luxury-level interior trim and distinctive exterior moldings. A 140-hp,

3.1 Liter V6 and a split-folding rear seat with trunk pass-

through are optional in the RS Sedan.

*Cavalier VL Sedan
in Bright Aqua Metallic.*

*Cavalier RS interior
in Medium Blue.*

Although Cavalier is very nimble and easy to maneuver, it offers comfort and space you might not expect in this size car.

Standard interior conveniences

include power door

locks with an auto-

matic locking/unlocking feature, a

slide-out cup holder, and an illumi-

nated entry system that turns on

the interior dome light as soon as

you lift the door handle, and keeps

it on for 45 seconds or until you

turn the ignition key. Scotchgard™

Fabric Protector safeguards cloth

seats and door trim, for soil resis-

tance and easy cleanup.

The Cavalier RS interior

(shown at left) includes its own dis-

tinctive Sport Cloth fabric.

THE CAVALIER INTERIOR.

*Cavalier VL front bucket
seat in Gray.*

Cavalier Wagon in Bright Aqua Metallic with optional roof rack.

You are looking at a rather remarkable automobile. The Cavalier Wagon seats five people and can handle more cargo

CAVALIER WAGON.
THE CONVENIENT
FAMILY PACK.

than the biggest full-size sedan.

Inside, a Sport Cloth luxury interior is standard for 1994 (see pages 12-13). Also standard: air conditioning and automatic transmission. This wagon's fun to drive, too, thanks to the enhanced 2.2 Liter engine with Multi-Port Fuel Injection. And for even more power, try the optional 3.1 Liter V6. It's 140 horses strong.

In your search for the perfect family car, look into a Cavalier Wagon. It just might be the logical choice.

Bumper-level loading via a swing-up rear tailgate and a split-folding rear seat adds to the convenience of Cavalier Wagon.

Cavalier Z24 Coupe in Black.

Many cars "talk" performance with stripes, scoops, and spoilers. But when it comes right down to it, some of them are a little lacking under the hood.

CAVALIER Z24 COUPE. Cavalier Z24 has never been that kind of sport coupe. This one's

THIS ONE built a reputation on V6 power and American style.

MEANS BUSINESS. For 1994, the 3.1 Liter, fuel-injected V6 delivers 140 hp at 4200 rpm. The only hard part will be choosing between the slick-shifting 5-speed manual transmission or the optional 3-speed automatic.

The fun of driving a Z24 is amplified by a special sport suspension with

front and rear stabilizer bars, Goodyear Eagle GA touring tires, fast-ratio power rack-and-pinion steering, and a four-wheel anti-lock brake system (ABS).

The no-nonsense gauge package is analog, and includes a tachometer, temperature gauge and oil-pressure gauge. Air conditioning and a Tilt-Wheel™ Adjustable Steering Column are standard. Options include a split-folding rear seat, and a Delco AM/FM stereo with integral compact disc player. And, yes, Z24 is suitably attired — with monochromatic exterior trim, cast-aluminum wheels, front air dam and, of course, a rear spoiler.

The Z24 interior features deeply contoured Sport Cloth bucket seats, and full instrumentation, including tachometer. Some options shown.

3.1 Liter V6 Power

At the heart of Z24 performance: a high-torque 3.1 Liter V6 with 140 hp. Features include Multi-Port Fuel Injection, a distributorless direct-fire ignition system that never needs adjustment, and lightweight aluminum cylinder heads.

Speed Reading

Z24 instrumentation includes tachometer, fuel gauge, temperature gauge and oil-pressure gauge.

With its high-output 3.1 Liter V6, the lightweight Z24 Coupe offers impressive, straight-line performance. But that's only half this story.

The special sport suspension, combined with performance-designed touring tires and front-wheel drive, serves up excellent response and great grip. And Z24's standard four-wheel ABS helps you maintain steering control even in a panic stop in rain or snow.

Drive a Z24. We think you'll agree that the makers of those other sport coupes with expensive-sounding nameplates have a little explaining to do.

LOOK WHAT GOES INTO EVERY CAVALIER Z24.

Enjoy CD Sound!

A Delco AM/FM stereo with an integral compact disc player and the Delco-Loc II theft-deterrent system is optional.

Z24 Sport Suspension

The Z24's tuned sport suspension delivers an impressive blend of ride and handling. Quiet-riding Goodyear Eagle GA tires and 15" aluminum wheels are standard.

5-Speed or Automatic

Select from a 5-speed manual transmission or optional 3-speed automatic. Both feature an easy-to-reach, console-mounted shift lever.

*Cavalier Z24 Convertible
in Bright Red.*

Whether it's the Z24 (shown above) or the RS (shown at right), it's never been easier to fall in love with a Cavalier Convertible.

**THE CAVALIER
CONVERTIBLES.
TWO WAYS TO
BE IMPULSIVE.**

Standard features in every RS Convertible include a power top with a glass rear window, power windows, a Delco AM/FM stereo, air conditioning, and an enhanced 2.2 Liter engine with Multi-Port Fuel Injection. A Sport Cloth interior is standard and an even sportier Arctic White all-vinyl interior is optional.

You also get the security of a four-wheel anti-lock brake system (ABS),

and the traction of front-wheel drive in the RS Convertible. And best of all, this Cavalier is Chevrolet's lowest-priced convertible car.

Then there's Z24 Convertible. Even among convertibles, this one's something special. It's got aggressive Z24 looks, a 140-hp V6, and a sport suspension.

The Cavalier convertibles are here, and looking great. What are you waiting for?

*Cavalier RS Convertible
