As the only reconfigurable luxury SUT in the world, Escalade® EXT® redefines innovation. The key is its clever Midgate™ back panel which quickly helps transform the EXT from a luxury utility vehicle into a versatile cargo carrier.

Equipped with a 345-hp V8, the Escalade EXT also includes five-passenger seating, a five-foot lockable cargo bed (expandable to over eight feet) with hard tonneau cover and outside-accessible/lockable storage boxes.

Power. Luxury. Functionality. Escalade EXT.
