BREAK  THROUGH

SEVILLE

cadillac.com or 1-800-333-4CAD

Simple, bold strokes state the theme: Seville® is about power and technology. The power of a muscle car with sports-carlike agility. An onboard computer system integrates Seville's advanced technologies to produce an adrenaline rush of acceleration. Precise steering control. All-weather performance. Amid fine leather and selected woods, Seville creates an exhilarating driving experience.

STS™ interior shown with available Wood Trim Package and other optional equipment.
