

05 SUNFIRE

PONTIAC

05 SUNFIRE

PONTIAC  BUILT FOR DRIVERS

GT COUPE

The hottest Sunfire – the GT Coupe, shown here in Victory Red with available 16-in. Chrome Tech aluminum wheels.

THE 05 PONTIAC SUNFIRE.

A TRULY INSPIRED CHOICE. Scan the list of Sunfire's competitors. Now cross off those with yawn-inducing styling. Then eliminate all that have less than 140 hp. And those with a driving personality that is as dull as its appearance. Your short list has likely become very short indeed. Pontiac Sunfire distinguishes itself from other affordable cars not just in the way it looks, but in the way it performs – the product of a dual overhead cam ECOTEC engine and the precision-shifting five-speed Getrag manual transmission. Pontiac Sunfire. The inspired choice.

INTERIOR

EN

A

THE ORIENTATION IS TO PERFORMANCE.

From the supportive contours of the driver's seat to the feel of the GT's leather-wrapped shifter, Sunfire's interior is dedicated to the interaction between car and driver. Not something you might expect from a car this affordable.

A. INSTRUMENT PANEL

Sunfire's instrument panel places the emphasis on sportiness, with its analogue gauge cluster. Take special note of the standard tachometer. GT interior shown.

B. GT INTERIOR

Sunfire GT's interior features a leather-wrapped steering wheel, shifter and parking brake handle. Shown here in Graphite.

C. TRUNK PASS-THROUGH

Fold down the 60/40 split-folding rear seatback and you open up a wide trunk pass-through that allows you to carry longer objects, like skis.

D. GT SOUND SYSTEM

The eight-speaker GT Premium Stereo System features both CD and MP3 players, as well as Radio Data System (RDS), TheftLock and a 200-watt amplifier. Available on GT Coupe.

C

D

NGAGE.

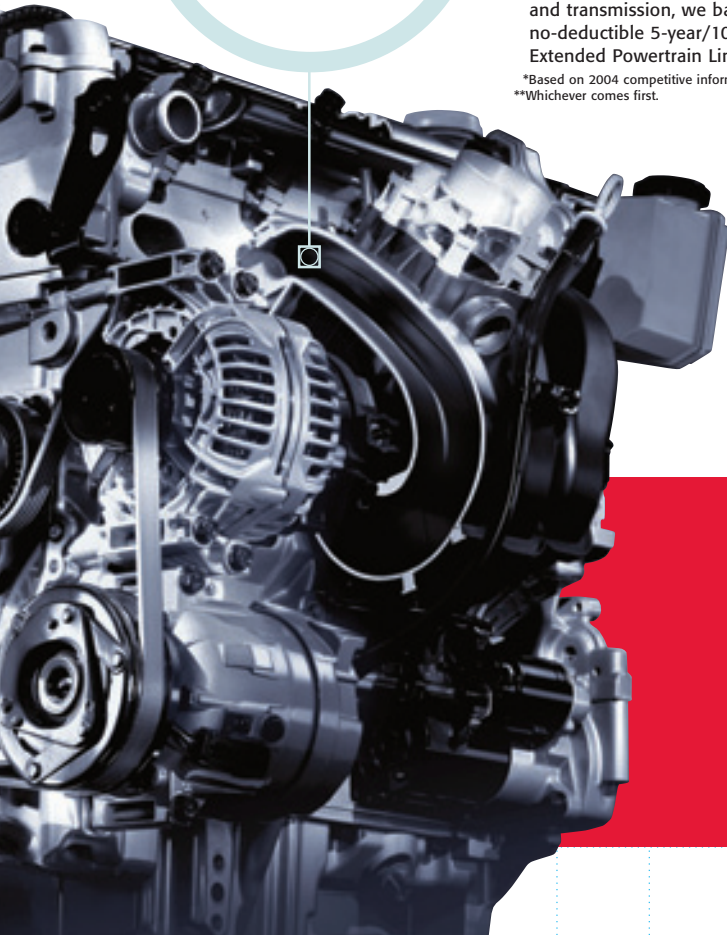

TECHNOLOGY

E.

E. 2.2L ECOTEC L4

The 140 hp dual overhead cam ECOTEC engine isn't only the lightest four-cylinder engine GM has produced – it also produces more standard horsepower than Toyota Corolla, Honda Civic or Nissan Sentra.* And to stand behind the reliability of the engine and transmission, we back them with the no-deductible 5-year/100,000 km** Extended Powertrain Limited Warranty.

*Based on 2004 competitive information.
**Whichever comes first.

SAFETY

F.

F. AIR BAGS

Every Sunfire comes equipped with more than a hundred safety features, including standard dual frontal air bags,[†] and available seat-mounted side-impact air bags on SLX Sedan and GT Coupe.

[†]Remember, always wear your safety belt, even with air bags.

SAFETY

FEATURES

G. ACCESSORIES

You can personalize your Sunfire with GM Accessories – the only accessories that are integrated into the process of designing your vehicle, ensuring excellent fit, finish and functionality. GM Accessories are also the only ones that are covered by the 3-year/60,000 km GM TOTAL™ Warranty!^{††} and can be added to your new-vehicle lease or financing through GMAC. Ask your dealer for a complete list of the GM Accessories available for Sunfire or visit gmcanada.com.

GM Accessories for Sunfire include:

- Rear spoiler • Splash guards • Aluminum wheels • Floor mats
- Roof rack carrier system • Multi-purpose cargo organizer.

^{††}Whichever comes first, when permanently installed by the dealer at the time you purchase or lease your new vehicle.

H. ONSTAR

DISCOVER ALL THE HELP YOU'LL NEED ON THE ROAD.

OnStar provides an unparalleled combination of safety and security whenever you need it. As the leading provider of in-vehicle communications, OnStar combines sophisticated GPS and wireless technology with personal assistance from our highly trained Advisors. OnStar can send help in emergencies, unlock your doors, perform a remote diagnostic check of your vehicle, and more – all at the simple touch of a button. And when you purchase a new vehicle equipped with OnStar, a one-year service plan is included.[‡]

[‡]Subscription Agreement necessary. OnStar services require vehicle electrical system and wireless service to be available and operating for features to function properly. OnStar relies on existing emergency service providers as well as wireless and satellite technologies and is subject to their limitations. Due to the transition of the wireless industry from analogue to digital technology, as of January 1, 2008, OnStar plans to offer service only through equipment that operates on the digital network, which may require the purchase of a system upgrade. Call 1-888-4ONSTAR (1-888-466-7827), see your OnStar Owner's Guide, or visit onstarcanada.com for system information and details.

ONSTAR

SL COUPE

To some, a rear deck-lid spoiler is an add-on. To us, it's a symbol of our commitment to a dynamic driving experience. And it's standard on all Sunfire coupes.

SL SEDAN

Fog lights are only one of the standard features that make Sunfire SL Sedan stand out from the other four-doors in its class. It alone is the one that isn't shy about making a statement.

SLX SEDAN

It's not only horsepower that defines SLX Sedan, but also conveniences like power windows, door locks and exterior mirrors. The available Touring Package adds leather appointments for an upscale feel.

ENTHUSIASM.

DRIVING – A TASK, OR A PASSION?

PEOPLE CAN BE DIVIDED into two distinct categories: those who view driving simply as a practical means of transportation, and those who view every stretch of open road as a challenge and every stint behind the wheel as a means of self-expression – not to mention fun. Our apologies to people who fall into the first group – we only build vehicles that are engineered to stoke your enthusiasm for driving. Pontiac Sunfire. Built for Drivers.

COLOURS

[#]Remember, always wear your safety belt, even with air bags.

*A NOTE ON CHILD SAFETY: Always use safety belts and proper child restraints, even in vehicles with air bags. Children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. Refer to the vehicle Owner's Manual and child safety seat instructions for more information. Air bag inflation can cause severe injury or death to anyone too close to the air bag when it deploys. Be sure every occupant is properly restrained.

FOR YOUR PROTECTION – General Motors is committed in every way, to making your 2005 Pontiac Sunfire the best vehicle you've ever owned. That commitment starts with a quality vehicle, and it continues with the service after you drive away in your new Pontiac Sunfire, including the following: • 3-year/60,000 kilometre, whichever comes first, GM TOTAL™ Warranty with no deductible. See your dealer for terms of this limited new vehicle warranty. • 5-year/100,000 kilometre, whichever comes first, Extended Powertrain Limited Warranty with no deductible. • 24-hour General Motors Roadside Assistance Program during the term of the GM TOTAL™ Warranty. For your security, 24-hour roadside assistance is available via toll-free hotline. See your dealer for terms of this program.

IMPORTANT: General Motors reserves the right to make changes at any time, without notice to specifications, equipment, colours, materials, availability, programs, policies and services. Because some information may have been updated since the time of printing, please check with your dealer for complete details.
