T TOURING CAR

INSTRUCTIONS FOR ORDERING PARTS

T TOURABOUT

1. Order all parts through the nearest Branch or Dealer representing us in your territory, as parts are generally carried in stock by them.
2. Specify model, and give number and name of each part ordered, as well as the machine number.
3. Cash should accompany all orders. If it is desired to have parts shipped C. O. D., a deposit sufficient to cover transportation charges must be remitted with the order.
4. Mail orders must be accompanied by an amount sufficient to cover postage.
5. All prices are net f. o. b. Detroit.
6. Specify whether shipments are to be forwarded by mail, express or freight.
7. Orders for parts should be written separately from correspondence pertaining to other matters, as this will insure prompt handling by the proper department at the factory.

T TOWN CAR

Telegraph Code

TO save expense, to expedite ordering and for the convenience of those ordering parts, we have arranged a code word for each part of the Model "T" car. In addition to the parts code we list below a brief general code covering miscellaneous instruction, questions and answers relative to the entering and shipping of parts ordered.

¶ In telegraphing an order for parts start with the code telling us how to ship, then use the word for the next part, stating the number required and then give the number of your car.

¶ The following will illustrate how to send in an express order for 8 push rods No. 3058, 1 fan No. 496, and 3 transmission band springs No. 3425:

FORD MOTOR COMPANY,
Detroit, Mich.
