FACTORY-INSTALLED STAND-ALONE OPTIONS

- A PERFECT FIT FOR YOUR HARD WORKING VEHICLE -

WHY BUY FORD?

The impressive lineup of hard-working Ford vehicles includes a variety of choices to meet your specific needs. And Ford offers factory equipment options designed to make them flexible and versatile for our Fleet customers. When you need additional equipment to help get the job done, visit your local Ford Fleet Sales Representative and see what we can do for you.

Your local Ford Dealer's Fleet Sales Representative is able to offer many solutions to your add-on equipment needs. There's no need to go with aftermarket parts when you can purchase products designed for your vehicles and have them installed by Ford – right at the factory.

These factory-installed options offer many benefits including:

- Each one is designed specifically for your vehicle
- They are approved by Ford for use on your vehicle
- They are covered by the 3 year/36,000 mile (60,000 km) New Vehicle Limited Warranty*
- The cost of these options can be worked into the financing deal
- They are installed on your vehicles and ready for work when you take delivery

FUSION

PREMIUM FLOOR LINERS ORDER CODE 55M

Floor Liners help collect mud, snow, slush and spills that might otherwise soil the vehicle's carpet.

- Constructed of durable, pliable molded Thermoplastic Elastomer (TPE) for long life
- Feature Fusion logo on front mats
- 4-piece kit for front and rear

PAINT PROTECTION FILM

ORDER CODE 66C – DOOR HANDLE CUPS, DOOR EDGES AND REAR FASCIA

ORDER CODE 66J – TRUNK LID, DOOR HANDLE CUPS, DOOR EDGES, AND REAR FASCIA

Scotchgard™ Paint Protection Film from 3M is an extremely durable, virtually invisible urethane film applied to high-use areas of the vehicle's exterior and helps protect it from the day-to-day wear and tear that vehicles endure. This can not only help to maintain the resale value of your car, but it can help keep it looking great.

ECOSPORT

MOLDED SPLASH GUARDS¹

ORDER CODE 96F

Protect the sides of your EcoSport with custom-fit Molded Splash Guards.

- Includes front and rear splash guards
- Helps reduce mud and slush deposits on rockers

CARGO MANAGEMENT SYSTEM¹

ORDER CODE 503

The Cargo Management System includes a Soft Cargo Organizer and Cargo Net that mounts in the rear door.

- Organizer folds down for easy storage when not in use
- Cargo Net helps secure items in the rear door, providing extra storage space

INTERIOR PROTECTION PACKAGE

ORDER CODE 502

The Interior Protection Package includes front and rear Floor Liners along with a Cargo Area Protector.

- Floor Liners help collect mud, snow, slush and spills that might otherwise soil the vehicle's carpet
- Feature EcoSport logo on front mats
- The flexible Cargo Area Protector helps shield the flooring behind the back seat from spills and other dirt and debris

KEYLESS ENTRY KEYPAD¹

ORDER CODE 59K

Conveniently unlock your vehicle without your key or keyless entry remote.

- No wiring necessary
- Backlit keypad with black, textured finish

REMOTE START¹

ORDER CODE 62R

With the push of a button, you can remotely start your vehicle from up to 1,000 feet away, warming or cooling the inside to a comfortable temperature.

- Range may vary based on vehicle location and environment

EDGE

WHEEL LOCKS¹

ORDER CODE 65L

Help prevent wheel and tire theft on your vehicle with these good-looking, chrome-plated Wheel Locks.

- For use with 20" wheel packages only
- Special key included

CARGO ACCESSORY PACKAGE

ORDER CODE 60A

The Cargo Accessory Package includes Cargo Shade, Cargo Area Protector and Rear Bumper Protector.

- Cargo Shade helps hide items in the cargo area
- Cargo Area Protector helps shield the flooring behind the back seat from spills and other dirt and debris
- Bumper Protector helps guard against dings and scratches (Image shows previous black textured Protector. 2019 MY Protector is clear.)

FLOOR LINERS

ORDER CODE 16W

Floor Liners help collect mud, snow, slush and spills that might otherwise soil the vehicle's carpet.

- Constructed of durable, pliable molded Thermoplastic Elastomer (TPE) for long life
- Feature Edge logo on front mats
- 4-piece kit for front and rear

CAR

SUV / SUV

ESCAPE

CUV / SUV

FLOOR LINERS ORDER CODE 50C

Floor Liners help collect mud, snow, slush and spills that might otherwise soil the vehicle's carpet.

- Constructed of durable, pliable molded Thermoplastic Elastomer (TPE) for long life
- Feature Escape logo on front mats
- 4-piece kit for front and rear

CARGO AREA PROTECTOR ORDER CODE 50Q

Protect the flooring in your cargo area with this rugged, stain-resistant polyethylene tray specifically shaped to the contours of your vehicle. A raised lip helps contain spills.

- The flexible Cargo Area Protector helps shield the flooring behind the back seat from spills and other dirt and debris
- Features Escape logo molded into liner

MOLDED SPLASH GUARDS¹ ORDER CODE 63S

Protect the sides of your Escape with custom-fit Molded Splash Guards.

- Includes front and rear splash guards
- Helps reduce mud and slush deposits on rockers

WHEEL LOCKS¹ ORDER CODE 87D

Help prevent wheel and tire theft on your vehicle with these good-looking, chrome-plated Wheel Locks.

- Special key included

REMOTE START¹ ORDER CODE 63D

With the push of a button, you can remotely start your vehicle from up to 1,000 feet away, warming or cooling the inside to a comfortable temperature.

- Range may vary based on vehicle location and environment

EASY ACCESS CARGO SHADE ORDER CODE 47C

Cargo Shade lifts when liftgate is opened providing easy access to contents in the cargo area.

- Lightweight cover helps conceal valuables
- Shades cargo area contents from the sun

EXPEDITION

FLOOR LINERS ORDER CODE 47B

Floor Liners help collect mud, snow, slush and spills that might otherwise soil the vehicle's carpet.

- Constructed of durable, pliable molded Thermoplastic Elastomer (TPE) for long life
- Feature Expedition logo on front mats
- 4-piece kit for front and 2nd rows

CARGO PACKAGE ORDER CODE 76A

The Cargo Package includes the Advanced Cargo Manager (ACM) and a set of Black Roof Rail Crossbars.

- Customize the space behind the 3rd row seats as a shelf or a rear bulkhead
- Easy access from liftglass to items on the shelf
- Bulkhead feature prevents items rolling/falling out

EXPLORER

CUV / SUV

FLOOR LINERS ORDER CODE 16N

Floor Liners help collect mud, snow, slush and spills that might otherwise soil the vehicle's carpet.

- Constructed of durable, pliable molded Thermoplastic Elastomer (TPE) for long life
- Feature Explorer logo on front mats
- 4-piece kit for front and 2nd rows

ROOF CROSS BARS¹ ORDER CODE 50N

These Cross Bars provide the platform for other roof rack carriers to mount.

- Set of two Cross Bars mounts to factory Side Rails
- Molded in black

WHEEL LOCKS¹ ORDER CODE 60W

Help prevent wheel and tire theft on your vehicle with these good-looking, chrome-plated Wheel Locks.

- For use with 20" wheel packages only
- Special key included

MOLDED SPLASH GUARDS¹ ORDER CODE 50M

Protect the sides of your Explorer with custom-fit Molded Splash Guards.

- Includes front and rear splash guards
- Helps reduce mud and slush deposits on rockers

CARGO AREA PROTECTOR¹ ORDER CODE 85W

Protect the flooring in your cargo area with this rugged, stain-resistant polyethylene tray specifically shaped to the contours of your vehicle. A raised lip helps contain spills.

- The flexible Cargo Area Protector helps shield the cargo well behind the 3rd row seat from spills and other dirt and debris
- Features Explorer logo molded into protector

COMMERCIAL GRAPHICS

FOR ORDER CODE CALL 1-877-236-4428 OR VISIT: WWW.FORDCOMMERCIALGRAPHICS.COM

Ford fleet customers can now have their graphics installed by Ford via our new orderable option program. Let Ford administer all aspects of your graphics program and eliminate the headaches associated with the installation process.

- For fleets ordering 25 vehicles or more
- Graphic design is completed and approved prior to ordering
- Order Code and pricing is provided based on square footage of approved design
- Long-lasting, professional graphics are installed prior to vehicle arriving at the dealership

5" CHROME RECTANGULAR RUNNING BOARDS ORDER CODE 18E

Corrosion-resistant aluminum 5" Chrome Rectangular Running Boards are rugged and lightweight.

- Wide, slip-resistant step pads help provide sure footing
- All hardware is corrosion-resistant for long life
- Features a rugged chrome finish

5" BLACK RECTANGULAR RUNNING BOARDS ORDER CODE 18Y

Corrosion-resistant aluminum 5" Black Rectangular Running Boards are rugged and lightweight.

- Wide, slip-resistant step pads help provide sure footing
- All hardware is corrosion-resistant for long life
- Features a rugged, black powdercoat finish

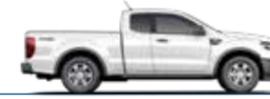

ALUMINUM CROSSBED TOOLBOX, BLACK ORDER CODE 86C

The 9.1 cu ft Crossbed Toolbox for compact trucks includes a tamper-resistant push-button lock, steel reinforced looped strikers, D-shaped ribbed weather stripping, heavy-duty four-piece welded aluminum box construction and black powdercoat finish.

- Built-in compartments on either side of the box are great when you need quick access to a tool
- The one-touch push button locks pop open the box easily even when your hands are full of tools
- Welded aluminum channels keep the cover closing evenly so both latches engage -- no having to walk around to the other side of the truck to make sure that the cover is fully latched
- N/A with Tonneau/Bed Covers (94D, 94E or 94J)

RANGER

BED UTILITY PACKAGE ORDER CODE 86Q

Includes the traditional Drop-In Bedliner with Tailgate Cover and a 12-volt outlet in the bed.

- Bedliner has a skid-resistant and static-dissipative surface that helps minimize the build-up of static electricity
- Bedliner is resistant to fading and most common chemicals
- The 12-volt outlet is conveniently located, providing power where it's needed
- N/A with Tonneau/Bed Covers (94D, 94E, 94J)

SPRAY-IN BEDLINER ORDER CODE 86S

A ToughBed® Spray-In Bedliner helps provide excellent protection against scratches, chips and dents. The uniform application process provides a custom yet rugged appearance.

- Factory-applied with automated precision to help ensure a smooth, even coat and a premium-looking finish
- Uniform, textured surface helps minimize load slippage, gouging and scratching of the bed
- Industrial-strength, long lasting protection, ToughBed® Spray-In Liners look great for a long time

MOLDED SPLASH GUARDS ORDER CODE 17B

Protect the sides of your Ranger with custom-fit Molded Splash Guards.

- Includes front and rear splash guards
- Helps reduce mud and slush deposits on rockers

FLOOR LINERS ORDER CODE 17C

Floor Liners help collect mud, snow, slush and spills that might otherwise soil the vehicle's carpet.

- Constructed of durable, pliable molded Thermoplastic Elastomer (TPE) for long life
- Feature Ranger logo on front mats
- 4-piece sets for both SuperCab and SuperCrew models

RANGER

SOFT FOLDING TONNEAU/BED COVER ORDER CODE 94D

Our soft folding covers feature a tri-fold design that can be secured in the open position when access to the entire bed is required.

- Premium vinyl covering the frame and bow design provides excellent weather resistance
- Tonneau has double-pivot hinges, steel corner brackets and I-beam bows to help provide a strong frame
- Hidden glass-filled, spring-loaded nylon speed clamps help keep the cover and contents secure
- N/A with Aluminum Crossbed Toolbox (86C) or Bed Utility Package (86Q)

HARD FOLDING TONNEAU/BED COVER ORDER CODE 94E

The sleek, "no profile" design makes this a favorite. This folding tonneau/bed cover mounts flush with the side of the truck bed.

- Made from rigid, heavy-duty 3/4" thick panels strong enough to hold up to 300 lbs. (evenly distributed)
- Rugged synthetic hinges and seals provide outstanding weather resistance
- Lock the cover in full open position with the included prop rods for access to the whole bed without removing the cover
- Hidden, quick-release latch system automatically locks panels when shut, simply lock the tailgate to secure the bed
- N/A with Aluminum Crossbed Toolbox (86C) or Bed Utility Package (86Q)

RETRACTABLE TONNEAU / BED COVER ORDER CODE 94J

These manually retractable tonneau/bed covers use a sealed ball-bearing roller system for easy one-handed operation. They are key lockable in any position along the rail providing excellent flexibility.

- Heavy-duty aluminum construction
- Spiral track system keeps cover from coming in contact with itself as it rolls into the compact storage container
- Attractive low-profile design
- Convenient pop-up handle – no need for straps
- Durable matte-black finish with Ford Oval badge
- N/A with Aluminum Crossbed Toolbox (86C) or Bed Utility Package (86Q)

RANGER

LED WARNING STROBES ORDER CODE 66F – AMBER ORDER CODE 66G – AMBER/WHITE

These warning strobes are mounted up high for extra visibility. They were developed to alert other drivers that workers are present and to proceed with caution.

- Warning Strobes feature amber or amber & white LED lamps that can be seen from up to 1,000 ft. during daylight and up to a mile at night
- Front facing strobes mount at the rear of the hood for maximum visibility and rear facing strobes integrate into the vehicle's CHMSL and provide 180 degrees of illumination
- Programmable flash-pattern capability to meet specific fleet requirements

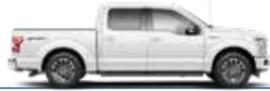

EXTERIOR BACK-UP ALARM ORDER CODE 60H

At busy construction sites or in crowded urban areas, a back-up alarm can help alert pedestrians and other vehicles of your intention to back up. Have Ford install it on your trucks at the factory and avoid unnecessary downtime having it installed later.

- The back-up alarm sounds off and alerts workers when the vehicle is in reverse
- Includes 102dB alarm

F-150

TRUCKS

5" CHROME ANGULAR STEP BARS ORDER CODE 18C

Corrosion-resistant aluminum 5" Angular Step Bars are rugged and lightweight.

- Wide, slip-resistant step pads help provide sure footing
- All hardware is corrosion resistant for long life
- Features a chrome finish

6" CHROME ANGULAR STEP BARS ORDER CODE 188

Corrosion-resistant aluminum 6" Angular Step Bars are rugged and lightweight.

- Wide, slip-resistant step pads help provide sure footing
- All hardware is corrosion-resistant for long life
- Features a chrome finish

BED DIVIDER¹ ORDER CODE 90D

Divide your truck bed into separate load areas with this rugged, 16" high barrier that attaches to the interface plates on either side of the bed.

- Can be positioned in either of two places – approximately 2" thick, 16" high and 68" wide
- Constructed of weather-resistant, blow-molded, reinforced plastic and nylon composite
- Requires 55B BoxLink™; N/A with Stowable Loading Ramps (90R)

FLOOR LINERS ORDER CODE 47R

Floor Liners help collect mud, snow, slush and spills that might otherwise soil the vehicle's carpet.

- Constructed of durable, pliable molded Thermoplastic Elastomer (TPE) for long life
- Feature F-150 logo on front mats
- 2-piece kit for Regular Cab, 3-piece kits for SuperCab and SuperCrew models

F-150

TRUCKS

DROP-IN BEDLINER ORDER CODE 96P

If a traditional Drop-In Bedliner suits your needs better than a Spray-In Bedliner, we have you covered. Our drop-in liners also include a tailgate cover.

- Skid-resistant, static-dissipative surface that helps minimize the build-up of static electricity
- Resistant to fading and most common chemicals
- Molded-in pockets and board-holder slots allow the user to use common 2x4s to create separate load zones

SPRAY-IN BEDLINER ORDER CODE 96W

A ToughBed® Spray-In Bedliner helps provide excellent protection against scratches, chips and dents. The uniform application process provides a custom yet rugged appearance.

- Factory-applied with automated precision to help ensure a smooth, even coat and a premium-looking finish
- Uniform, textured surface helps minimize load slippage, gouging and scratching of the bed
- Industrial-strength, long lasting protection, ToughBed® Spray-In Liners look great for a long time

BACK-UP ALARM SYSTEM ORDER CODE 85H

At busy construction sites or in crowded urban areas, a back-up alarm can help alert pedestrians and other vehicles of your intention to back up. Have Ford install it on your trucks at the factory and avoid unnecessary downtime having it installed later.

- The back-up alarm sounds off and alerts workers when the vehicle is in reverse

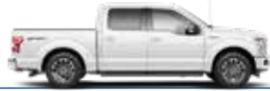

STOWABLE LOAD RAMPS ORDER CODE 90R

For times when you need to wheel equipment up into the bed, a set of Bed Ramps can be handy. These are made specifically for the F-150 and stow inside the bed using the BoxLink™ Interface Plates.

- These innovative ramps attach to the tailgate for a proper loading or unloading solution that's engineered and integrated with the tailgate
- When finished, they stow out of the way using the BoxLink™ Interface plates on the inside of the bed
- Requires 55B BoxLink™; N/A with Bed Divider (90D), Hard Folding Tonneau Cover (96X) or Soft Folding Tonneau Cover (96T)

BOXLINK™ INTERFACE PLATES

ORDER CODE 55B

BoxLink™ Interface Plates required for most bed products including Locking Bed Cleats are now optional rather than standard equipment on most F-150 XL/XLT Trim pickups.

- Interface Plates are required for Bed Dividers, Bed Ramps, and Locking Bed Cleats (shown above)
- The locking mechanism helps secure the cleats to the Interface Plate, helping to discourage theft

LED WARNING STROBES

ORDER CODE 94R - AMBER/WHITE
ORDER CODE 94S - AMBER
ORDER CODE 94W - RED/BLUE

These warning strobes are mounted up high for extra visibility. They were developed to alert other drivers that workers are present and to proceed with caution.

- Warning Strobes feature amber LED lamps that can be seen from up to 1,000 ft. during daylight and up to a mile at night
- Front facing strobes mount at the rear of the hood for maximum visibility and rear facing strobes integrate into the vehicle's CHMSL providing 180° of illumination
- Programmable flash-pattern capability to meet specific fleet requirements

SOFT FOLDING TONNEAU¹

ORDER CODE 96T

Our soft folding covers feature a tri-fold design that can be secured in the open position when access to the entire bed is required.

- Premium vinyl covering the frame and bow design provides excellent weather resistance
- Tonneau has double-pivot hinges, steel corner brackets and I-beam bows to help provide a strong frame
- Hidden glass-filled, spring-loaded nylon speed clamps help keep the cover and contents secure
- N/A with Stowable Loading Ramps (90R)

HARD FOLDING TONNEAU¹

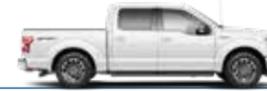

ORDER CODE 96X

The Hard Folding Tonneau mounts to the top of the bed for maximum cargo space height and superior sealing.

- Completely self-contained, there are no loose parts to lose or tools required for installation or removal
- Rugged yet lightweight, constructed of an aluminum alloy with a black textured paint finish for a custom look, tri-fold design allows full access to the bed
- The flexible hinge system along with padded seals helps keep the weather out of your truck bed
- N/A with Stowable Loading Ramps (90R)

¹ Factory Invoiced Accessory

F-150

ALUMINUM CROSSBED STORAGE TOOLBOX

ORDER CODE 90B

Includes a tamper-resistant push-button lock, steel reinforced looped strikers, D-shaped ribbed weather stripping and heavy-duty four-piece welded aluminum box construction.

- Weather Guard® Defender Series
- Built-in compartments on either side of the box provide quick access to a tool or flashlight
- Special crimp-free and drill-free mounting brackets secure the box to the truck without having to drill into the pickup bed
- Welded aluminum channels keep the cover closing evenly so both latches engage – no having to walk around to the other side of the truck to make sure that the cover is fully latched
- Storage capacity approximately 10.7 cu.ft.

REAR WHEEL-WELL LINERS

ORDER CODE 96L

Ford Wheel-Well Liners are precision fit for your new F-150. Our Liners are constructed of rugged, recyclable high-density polyethylene to help provide excellent impact resistance.

- Custom molded to fit the contours of the rear wheel-well, they look as good as they protect
- Designed and engineered to meet stringent Ford specifications for fit and durability
- Easy to clean – simply spray off with a hose

PREMIUM ALUMINUM CROSSBED STORAGE TOOLBOX

ORDER CODE 90P

Features heavy-duty aluminum diamond plate construction with ARMOR-TUF® Clear Coat finish to help keep the box looking good.

- Weather Guard® model #127-0-02
- Tamper-resistant, retracting lock helps protect against break-ins
- 12 volt access for electrical upfits
- Automotive-style rotary latch features smooth one-touch opening, full D-shaped ribbed weather seal helps protect contents against the elements
- Storage capacity approximately 11.3 cu.ft.

LED BOX LIGHTING

ORDER CODE 85P

Light up the interior of your truck box with these dual high-intensity LED lights. When it's dark, flip the switch and illuminate the whole bed. You'll also find these lights extra valuable when your truck is equipped with a tonneau cover or cap.

- Illuminates box interior with bright, high-intensity LED lights
- Makes it easy to find items in the dark or under a tonneau cover
- Two LED pods located at the rear corners of the bed shine forward
- On/Off switches located in the cab as well as inside the bed

TRUCKS

5TH WHEEL / GOOSENECK PREP PACKAGE* ORDER CODE 53W

The Prep Package provides the necessary under-box hardware that allows the installation of any Ford 5th Wheel or Gooseneck Hitch Kits in the pickup box.

- Designed and developed to meet Original Equipment standards for durability and toughness
- Engineered to provide adequate clearances for the exhaust system, rear axle and suspension, and pickup box understructure
- The truck bed is prepped at the factory to minimize the chance of corrosion
- Package also includes a 7-pin electrical harness connector mounted near the midpoint of the pickup box for easy hook-ups
- Required when selecting any Ford 5th Wheel Hitch (15L/15K) or Gooseneck Hitch (15E/15J)

GOOSENECK HITCHES* ORDER CODE 15J - 27,500 LBS ORDER CODE 15E - 33,000 LBS

For heavy-duty hauling, Ford offers two Gooseneck Hitch options. For most applications, the 27,500 lb. package should get the job done. For really heavy loads, there's the 33,000 lb. Gooseneck for F-450 Super Duty models; properly equipped, it provides a maximum GCWR of 40,000 lbs.

- Gooseneck Hitches help distribute the trailer's load evenly over the vehicle's frame and suspension
- The hitch ball and safety chain loops can be removed when not in use for full access to the pickup bed
- Kits include Hitch Balls, two cast steel safety chain loops and a nylon storage bag
- Compatible with Spray-In Bedliner (Option Code 85S), N/A with Drop-In Bedliner (Option Code 85L)
- Requires 5th Wheel/Gooseneck Hitch Prep Package (53W)

5TH WHEEL HITCHES* ORDER CODE 15L - 18,000 LBS ORDER CODE 15K - 27,500 LBS

Great for towing the mobile office to the jobsite, two 5th Wheel Hitch offerings are available from the factory. The required 5th Wheel/Gooseneck Prep Package provides extra strength with an under-the-bed-frame crossmember. For use in Super Duty trucks with 8' beds only.

- Our 5th Wheel Hitches are rated at either 18,000 lbs. or 27,500 lbs. allowing you to select the one that best suits your needs
- Each package includes a height adjustable 5th wheel and two safety chain tie-downs; all can be removed for full access to the bed
- Compatible with Spray-In Bedliner (Option Code 85S), N/A with Drop-In Bedliner (Option Code 85L)
- Requires 5th Wheel/Gooseneck Hitch Prep Package (53W)

HARD FOLDING TONNEAU/ BED COVER ORDER CODE 21E

The sleek, "no profile" design makes this a favorite. This folding tonneau/bed cover mounts flush with the side of the truck bed.

- Made from rigid, heavy-duty 3/4" thick panels strong enough to hold up to 300 lbs. (evenly distributed)
- Rugged synthetic hinges and seals provide outstanding weather resistance
- Lock the cover in full open position with the included prop rods for access to the whole bed without removing the cover
- Hidden, quick-release latch system automatically locks panels when shut, simply lock the tailgate to secure the bed
- N/A with Aluminum Crossbed Toolbox (62X/62Y), Stowable Loading Ramps (52R) or Drop-In Bedliner (85L)

SOFT FOLDING TONNEAU/ BED COVER ORDER CODE 21D

Our soft folding covers feature a tri-fold design that can be secured in the open position when access to the entire bed is required.

- Premium vinyl covering the frame and bow design provides excellent weather resistance
- Tonneau has double-pivot hinges, steel corner brackets and I-beam bows to help provide a strong frame
- Hidden glass-filled, spring-loaded nylon speed clamps help keep the cover and contents secure
- N/A with Aluminum Crossbed Toolbox (62X/62Y), Stowable Loading Ramps (52R) or Drop-In Bedliner (85L)

*Please work with your Ford Dealer to determine the towing capacity of your vehicle to ensure it has the equipment, powertrain and capability to do the job you want it to.

SUPER DUTY®

RETRACTABLE TONNEAU/BED COVER ORDER CODE 21J

These manually retractable tonneau/ bed covers use a sealed ball-bearing roller system for easy one-handed operation. They are key lockable in any position along the rail providing excellent flexibility.

- Heavy-duty aluminum construction
- Spiral track system keeps cover from coming in contact with itself as it rolls into the compact storage container
- Attractive low-profile design
- Convenient pop-up handle – no need for straps
- Durable matte-black finish with Ford Oval badge
- N/A with Aluminum Crossbed Toolbox (62X/62Y), Stowable Loading Ramps (52R) or Drop-In Bedliner (85L)

REAR-VIEW CAMERA PREP KIT* ORDER CODE 87Z

For Chassis Cab models, the Rear-View Camera is mounted at the rear of whatever body you have had fitted to the vehicle and provides a wide view of what is behind the vehicle.

Pre-installed content includes:

- Cab wiring and frame wiring to the rear-most frame cross member
- Video display
 - Electrochromic mirror when ordered with XL base radio (585) or radio delete (58Y)
 - 4" display when ordered with Single CD
 - 8" display when ordered with SYNC®3

Upfitter kit includes:

- Camera with mounting bracket
- 14' Jumper wire
- Camera mounting and aiming instructions

CUSTOMER-PLACED TRAILER CAMERA WITH TRAILER TPMS* ORDER CODE 653

When installed on the back of your trailer, the Customer-Placed Trailer Camera automatically engages when the vehicle is shifted in Reverse, providing excellent visibility of objects behind the trailer through the center stack screen.

- Trailer mountable camera
- Camera views display on screen when vehicle is in reverse
- Camera-mounting bracket and wiring harness for up to a 32-ft. trailer
- Customer-Placed Trailer Camera is NOT included with Ultimate Trailer Tow Camera System
- Due to the multitude of different trailers, dealer must determine installation cost
- Requires Ultimate Trailer Tow Camera System; w/Pro Backup Assist Package (53R) or F-250 Trailer Tow High Capacity w/Ultimate Trailer Tow Camera System and Pro Trailer Backup Assist Package (53Q); N/A w/Rear CHMSL Camera (873)
- Trailer TPMS Sensors only compatible on wheels with a .452" diameter valve stem

Help prevent wheel and tire theft on your vehicle with these good-looking, chrome-plated Wheel Locks.

- For use with 20" wheel packages only
- Special key included

MOLDED SPLASH GUARDS ORDER CODE 61S FRONT ORDER CODE 62S REAR

Help protect the sides of your truck from mud and slush from the construction site with a set of splash guards.

- Order both front and rear for SRW applications or front only for DRW vehicles
- Rear splash guards N/A with box delete or DRW applications
- Heavy Duty construction resists cracking
- Contoured design complements vehicle styling and provides a precise fit

STAINLESS STEEL WHEEL LINERS ORDER CODE 94S

These Wheel Liners will brighten the look of any vehicle equipped with plain steel wheels for a fraction of the cost of new custom wheels.

- For Dual Rear Wheel Super Duty models
- Polished stainless steel construction for corrosion resistance and a custom look
- AirMax air inflation kit for the rear makes it easy to check or add air when necessary
- Optional on XL and XLT Models
- Requires 17" Argent Painted Steel Wheel (64K)

*Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

TRANSIT

KEYLESS ENTRY KEYPAD ORDER CODE 52C

Conveniently unlock your vehicle without your key or keyless entry remote.

- No wiring necessary
- Backlit keypad with black, textured finish

FLOOR LINERS ORDER CODE 86N

Floor Liners help provide protection for your floor covering. The form-fitting liners are molded for a tight fit around trim, pedals, seats and jambs. The deep grooves and high rise edges help keep dirt, grime and spills in their place.

- Designed by Ford engineers using proprietary Computer Aided Design (CAD) data during the vehicle development process
- Durable and flexible molded Thermoplastic Elastomer construction
- For Front only - two piece set
- Feature Transit logo on front mats
- Flat All-Weather Mats are provided in vehicles equipped with vinyl flooring

HEAVY-DUTY CARGO AREA FLOORING ORDER CODE 60B

For applications where a Vinyl or Carpeted liner would not be appropriate, this heavy-duty solution is available to help protect your cargo area floor. The kit is manufactured by Legend Fleet Solutions to stringent Ford specifications.

- Constructed of rigid composite plastic with an anti-slip surface
- The non-porous surface helps protect against mold formation
- Rugged floor lining helps protect the floor of the van
- Includes Heavy-Duty Rear Scuff Plate (Order Code 85B)
- Includes Heavy-Duty Scuff Plate Kit (85B) only on Cargo Van. Not available with Dual Sliding Side Doors (59B) or Vinyl, Front and Rear (16E)

HEAVY-DUTY SCUFF PLATE KIT ORDER CODE 85B

Kit includes Heavy-Duty Scuff Plates for both the rear and the passenger side cargo door (barn or single-sliding). Manufactured by Legend Fleet Solutions to exacting Ford specifications, the kit provides a finished look to the Transit's work area.

- Constructed of rugged 14 gauge steel
- Coated with a durable non-slip coating
- Included with Heavy-Duty Cargo Flooring (Order Code 60B)
- Not available with Dual Sliding Side Doors (59B). Not available with Load Area Protection Package (96D) or the Interior Upgrade Package - Cargo Van (96C) unless ordered with Heavy-Duty Cargo Flooring (60B)
- Note: Heavy-duty scuff plate kit includes heavy duty scuffs for rear cargo doors and side cargo door (60/40 Hinged Passenger-side Door or Sliding Passenger-side Door). Heavy-duty scuff plate kit is not installed on vehicle, needs to be installed by upfitter/dealership
