

CITROËN DS4

CUSTOMERS TOLD US THEY WANTED
A DIFFERENT KIND OF CAR.

THOMAS D'HAUSSY
RANGE MANAGER

D S L I N E

A

OLIVIER VINCENT
EXTERIOR DESIGNER

UNIQUE

We really wanted to give it the look of an urban vehicle, able to tackle obstacles, but also agile.

The quarter lines are sharp and attractive.
Flowing lines around the windscreen.

An expressive front and an expressive rear.
The forms are pleasant to look and to touch.

We've really launched a unique vehicle. And on top of that it goes and wins Most Beautiful Car of the Year.

SEAN JOHNSON
INTERIOR DESIGNER

SPACE

It's not like a German car, it's not like an Italian car. It's unique. Typically French. It's like a coupé but still you've got all the space necessary for five occupants. Very spacious.

We've put a lot of attention into the detail and to the modelling to make it really feel quite sophisticated.

A great place to be. It's a car where you feel very involved. Cocooned. Very protected. It's a cockpit. It's a car that you really want to drive.

THOMAS LERET
COLOURS AND MATERIALS STYLIST

LUXURY

The aim with Citroën DS4 was to make a luxury object. We took inspiration from leatherwork, from haute couture, jewellery and clock making.

When you get inside, you really get a feeling of class, a sense of style. This car is a really unique object – you haven't seen anything like it before.

I think every designer deserves the chance to work on a project like Citroën DS4.

MAGALIE HALEY
COLOURS AND MATERIALS STYLIST

HARMONY

The design is very precise. Almost chiselled and plays with the light. The light slides over it. And in the matt parts, it's absorbed. It's about finding the colour in complete harmony with the interior.

When I open the door of Citroën DS4 the thing I'm most proud of is the refinement and luxury which is very present.

When I got out on the street I thought, 'Yep, this car is going to turn heads'. I think that was the idea, you know? I can really see myself driving it.

THOMAS D'HAUSSY
RANGE MANAGER

REFINEMENT

At project inception customers told us they wanted a different kind of car. The object has to be refined, each detail carefully worked.

We invented new mixes for the suspension. New approaches to springing and damping. The road is at your fingertips. You feel like you dominate the road. You feel like you're sitting high up, and protected by the body-hugging seats.

THIERRY METROZ
DESIGN DIRECTOR

POWER

It's true that Citroën DS4 is different, not something you've seen before. When you get into Citroën DS4 you get the real measure of all this refinement. I'm looking at the road, and I'm also looking into the door mirror just to see the side of the car.

You have the power of a coupé, exceptional body lines that make you want to take the wheel. And at the same time, we placed the emphasis on rear space, which is exceptional.

INNOVATION ALWAYS COMES FIRST. LIKE EVERY CAR IN THE DS LINEAGE, NEW CITROËN DS4 STARTS WITH A SPARK OF INNOVATION. UNIQUELY NON CONFORMIST, IT MIXES URBAN PRESENCE WITH COUPÉ GRACE, LUXURIOUS QUALITY WITH SMART FLEXIBILITY.

SO WHILE NEW CITROËN DS4 IS NOT AN SUV OR A HATCHBACK, IT DISTILLS WHAT'S BEST ABOUT ALL OF THESE GENRES AND CREATES SOMETHING GENUINELY FRESH. IT'S A STRIKING, SOPHISTICATED 5-DOOR COUPÉ THAT HAS THE BALANCE AND FINE-TUNED ENGINEERING TO INSPIRE KEEN DRIVERS WITH QUICK RESPONSES AND NIMBLE HANDLING. IT'S A LUXURIOUS WAY TO TRAVEL FOR FIVE AND IT'S A CREATIVE DESIGN STATEMENT. THIS IS WHAT HAPPENS WHEN YOU BEGIN WITH INNOVATION.

› **CONTENTS:** 14 INTRODUCTION 16 DEFYING DEFINITIONS 18 DRIVING EXPERIENCE 20 INTERIOR DESIGN
22 TECHNOLOGY & INNOVATION 24 ENVIRONMENTAL 26 SAFETY 28 RANGE OVERVIEW 30 OPTIONS
31 COLOUR, TRIM & WHEEL OPTIONS 32 EQUIPMENT SPECIFICATION 34 TECHNICAL SPECIFICATION
36 ACCESSORIES 37 ENVIRONMENTAL COMMITMENT 38 FINANCE, CARE & INSURANCE 39 GLOSSARY & DIMENSIONS

DEFYING DEFINITIONS. NEW CITROËN DS4 PROVES THAT THERE'S NO CONTRADICTION BETWEEN SPORTY AND PURPOSEFUL, ELEGANT AND CURVACEOUS. THE ESTABLISHED DEFINITIONS SIMPLY DON'T COUNT.

WALK AROUND THE OUTSIDE AND YOU'LL FIND SWEEPING LINES, EXCITING DETAILS AND A PROFILE THAT IS BOTH COMPACT AND BOLD. STEP INSIDE AND YOU'LL DISCOVER A WELCOMING COMBINATION: STYLISH SPACE, LIGHT, INTUITIVE TECHNOLOGY AND HIGH QUALITY MATERIALS. NOW, FIVE PEOPLE CAN TRAVEL COMFORTABLY IN COUPÉ STYLE, WHILE HIGH PROFILE ROAD PRESENCE AND SLEEK EFFICIENCY GO HAND IN HAND.

› HANDLE WITH FLAIR

Rear door handles are smoothly integrated into the window surround, leaving the side profile's organic curves uninterrupted.

› REAR REVELATION

The ultra-stylish, tough body-coloured rear bumper, beautifully formed lights, steeply raked tailgate and roof spoiler surround a luggage area of real versatility. Compromise is not included.

› ACCESS ALL AREAS

New Citroën DS4 is a proper 5-door coupé. It just looks and drives like something far more stimulating...

POWER AND POISE. BENEATH NEW CITROËN DS4'S SCULPTED BONNET YOU CAN SPECIFY ONE OF SIX ADVANCED ENGINES. BUT A GREAT DRIVING CAR NEEDS MORE THAN POWER...

CITROËN ENGINEERS HAVE USED THEIR IMAGINATION AND EXPERIENCE TO CREATE A CAR THAT HANDLES, RIDES AND RESPONDS WITH BALANCE AND FLUIDITY. DYNAMICALLY, NEW CITROËN DS4 OFFERS BOTH INSPIRATION AND SUREFOOTED SAFETY – IT'S A PERFECT PLATFORM FOR ADDING YOUR CHOSEN EURO 5 ENGINE. THERE ARE THREE EURO 5 DIESELS, THE POWERFUL, FLEXIBLE HDi 160, THE EFFICIENT HDi 110 AND THE SUPER-EFFICIENT e-HDi 110. SELECT PETROL AND THERE ARE THREE ENGINES TO CHOOSE FROM, THE VTi 120 WITH INGENIOUS VARIABLE VALVE TIMING, THE INCREDIBLY TORQUEY THP 160, OR THE ALL-NEW THP 200 FOR ULTIMATE PERFORMANCE. AGILITY AND STABILITY, POWER AND EFFICIENCY... NEW CITROËN DS4 LEAVES NOTHING OUT.

> ALL CLEAR

Powerful fog lamps and daytime-running LEDs provide a broad, clear confidence-inspiring picture of the road ahead – perfect for enjoying new Citroën DS4's power and poise.

> DRIVER FOCUSED

Cool, clear main instruments are right in the centre of your vision when you take the wheel, providing a perfect mix of analogue and digital information from the three chrome-rimmed dials.

ADVANCED LUXURY. IN EVERY SENSE, NEW CITROËN DS4'S INTERIOR IS A SPECIAL PLACE. NATURALLY LIGHT AND ROOMY, IT IS MADE WITH METICULOUS CARE, COMBINING CRAFTSMANSHIP WITH HIGH TECHNOLOGY.

BEGINNING WITH THE FUNDAMENTALS, THE WHOLE INTERIOR IS THOROUGHLY SOUNDPROOFED, USING CAREFULLY CHOSEN MATERIALS THAT ABSORB NOISE AND VIBRATION. THIS RESTFUL SPACE IS THEN SHAPED FOR FIVE PEOPLE, BRINGING THEM AN ENVIRONMENT THAT CAN BE FINE-TUNED IN NUMEROUS WAYS. BACKLIGHTING CAN BE CHANGED FROM WHITE TO BLUE, AUTOMATIC DIGITAL AIR CONDITIONING, STANDARD ON DSTYLE AND DSPORT OR OPTIONAL ON DSIGN, HAS A SPECIAL 'REST' FUNCTION THAT MAINTAINS ITS TEMPERATURE SETTING FOR A FEW MINUTES AFTER THE ENGINE STOPS. FRONT SPORTS SEATS WITH LUMBAR ADJUSTMENT EVEN INCLUDE A MASSAGE FUNCTION FROM DSTYLE UPWARDS AND SUMPTUOUS LEATHER TOUCHES CREATE AN ALL ENCOMPASSING FEEL OF REFINEMENT AND QUALITY.

› 2 + 3 + DS4

Even with its flowing coupé profile, Citroën DS4's interior presents beautifully shaped and trimmed seating for three in the back – it's one definition of advanced luxury.

INNOVATION FOR LIFE. NEW CITROËN DS4 IS PACKED WITH ADVANCED TECHNOLOGY AND NEW IDEAS, BUT NEVER JUST FOR THE SAKE OF IT. THEY ARE EACH CREATED TO ENTERTAIN, INSPIRE AND INFORM YOU AND YOUR PASSENGERS.

OPTIONAL EMYWAY IS A GREAT EXAMPLE. THIS IS YOUR ROUTE INTO THE LATEST GENERATION TECHNOLOGY, USING BIRDVIEW MODE AND EUROPEAN MAPS STORED ON INTERNAL MEMORY. IT ALSO ALLOWS EASY NAVIGATION OF YOUR MUSIC PLAYLISTS ON A 7" SCREEN AND INTEGRATES WITH THE BLUETOOTH® SYSTEM FOR YOUR MOBILE. TO PUT YOU IN THE MIDDLE OF THE MUSIC WHEREVER YOU GO, NEW CITROËN DS4 USES A DIGITAL SOUND PROCESSOR TO CREATE LIFELIKE DEPTH AND SPACE. FOR THE ULTIMATE PERFORMANCE YOU CAN SELECT THE DENON HI-FI WITH BOOT MOUNTED SUBWOOFER, OPTIONAL ON DStyle and DSport.

> PLUG AND PLAY

The centre console discreetly sorts the connectivity, thanks to its USB and auxiliary sockets, standard on DStyle and DSport, optional on DSign models.

REST

AUTO

GUILT-FREE PLEASURE. DRIVING PLEASURE AND ENVIRONMENTAL EFFICIENCY BLEND HAPPILY IN NEW CITROËN DS4. IT'S THE BALANCE THAT MAKES IT SUCH AN INSPIRING CAR AND A GENUINE PIONEER.

THE EXTRAORDINARY MICRO-HYBRID TECHNOLOGY OF e-HDi REDUCES BOTH FUEL CONSUMPTION AND CO₂ EMISSIONS BY UP TO 15% AROUND TOWN, THANKS TO A COMBINATION OF EFFICIENT HDi ENGINEERING AND INGENUOUS ADVANCES. REGENERATIVE BRAKING RECOVERS ENERGY USED DURING DECELERATION AND SECOND GENERATION STOP & START CUTS THE ENGINE AS YOU ROLL TO A HALT. WHEN YOU RELEASE THE BRAKE PEDAL AND MOVE OFF, IT SEAMLESSLY RESTARTS, SO YOU CAN SAY GOODBYE TO POINTLESS IDLING IN TRAFFIC.

› PERFECT SHIFT WORK

New Citroën DS4 incorporates a Gear Efficiency Indicator, on manual models (excluding THP 200), which helps you to shift at just the right moment for optimum fuel consumption. The ideal gear ratio appears in the centre of the rev counter, for instant legibility.

SAFETY MOVES ON. PIONEERING PROTECTION IS ENGINEERED IN TO EVERY PART OF NEW CITROËN DS4. IT'S WHERE CREATIVE DESIGN AND NEW TECHNOLOGY PLAY A VITAL ROLE.

OUT ON THE ROAD, WHEN YOU NEED TO CHANGE LANES, THE BLIND SPOT MONITORING SYSTEM, STANDARD ON DSPORT AND OPTIONAL ON DSTYLE MODELS, IS LOOKING OUT FOR YOU. IT GIVES A VISIBLE WARNING IN YOUR DOOR MIRROR IF IT DETECTS A HIDDEN VEHICLE. CRUISE CONTROL AND A PROGRAMMABLE SPEED LIMITER MAINTAIN HASSLE-FREE AND SAFE PROGRESS. A PURE EXAMPLE OF CITROËN INNOVATION ON YOUR SIDE IS ETOUCH WHICH BRINGS YOU KEY SERVICES BY HARNESSING TECHNOLOGY. ON DSPORT MODELS CITROËN ETOUCH EMERGENCY AND ASSISTANCE SYSTEM USES YOUR CAR'S GPS AND MAP INTEGRATED SIM TO IDENTIFY AND LOCATE YOU. IN THE EVENT OF AN INCIDENT AN OPERATOR WILL IMMEDIATELY SEND TECHNICAL SUPPORT OR HELP WHEREVER YOU NEED IT. THIS SERVICE IS FREE AND AVAILABLE 24 HOURS EVERY DAY.

> GOODBYE TO BUMPS

For safe manoeuvres without bumps and scuffs, new Citroën DS4 has rear parking sensors, standard on DStyle and DSport and optional on DSign models. For further, pinpoint accuracy, front parking sensors are standard on DSport and optional on DStyle models.

> YOUR PARKING PARTNER

When you see what looks like a space with your name on it, the parking space 'gap' measurement system standard on DSport and optional on DStyle models will measure it and let you know if there's room – it takes the guesswork and the hassle out of urban parking.

> SUREFOOTED EVERYWHERE

New Citroën DS4 has intelligent traction control that continuously monitors grip levels at each driven wheel. If it detects slip, it fine-tunes power delivery to ensure complete stability. Integrated with this system is an automatic electric parking brake, standard on DStyle (excluding THP 160 6-speed automatic) and DSport models. Also the Hill Start Assist, standard on all models, holds you securely in place on steep inclines without rolling backwards.

THREE ORIGINALS. NEW CITROËN DS4
NEATLY DRIVES AROUND PREDICTABLE
CATEGORIES, BUT YOU WILL KNOW
WHICH MODEL SUITS YOU BEST.

DSIGN, DSTYLE AND DSPORT EACH COME WITH A HUGE ARRAY OF INTELLIGENT,
ENTERTAINING AND LUXURIOUS FEATURES – THERE IS NO 'STANDARD' VERSION.
IT'S MORE A MATTER OF EMPHASIS, STYLE AND PERSONALITY...

DSIGN

MAKE YOUR OWN RULES

FROM ITS FULL SPECTRUM OF SAFETY TECHNOLOGY TO THE 17" 'CANBERRA' ALLOY WHEELS, SURROUND SOUND 6-SPEAKER STEREO AND DAYTIME-RUNNING LEDS, THIS IS WHERE THE UNIQUE NEW CITROËN DS4 STORY BEGINS.

> CITROËN DS4 **DSIGN** SPECIFICATION INCLUDES:

- ABS with Electronic Brakeforce Distribution (EBD)
- Emergency Braking Assistance (EBA)
- Electronic Stability Programme (ESP) with traction control
- Driver's, front passenger's and front lateral airbags
- Front and rear curtain airbags
- Hill Start Assist function
- High-frequency multi-function plip remote control central locking with deadlocks
- Daytime-running LEDs
- Halogen headlamps
- Leather steering wheel with chrome inserts
- Body colour door handles and door mirrors
- Body colour front and rear bumpers
- 17" 'Canberra' alloy wheels (set of four)
- Cruise control with speed limiter and memory settings
- Electrically adjustable and heated door mirrors
- Front electric windows with 'one-touch' operation and anti-pinch
- Air conditioning
- Multi-functional steering wheel
- RDS stereo radio/CD player with 6 loudspeakers, surround sound and auxiliary socket
- Sliding front armrest with storage
- Front fog lights with cornering function
- Lumbar adjustment on front seats
- Dark tinted rear side and tailgate windows
- Perimetric and volumetric anti-theft alarm

DSTYLE

TURN HEADS, FREE MINDS

NEW CITROËN DS4 DSTYLE IS FULL OF EYE-CATCHING DESIGN DETAILS BUT IT'S ALSO PACKED WITH FRESH IDEAS. FOR EXAMPLE LED INTERIOR MOOD LIGHTING CAN DELIGHT YOUR PASSENGERS.

> CITROËN DS4 **DSTYLE** SPECIFICATION IN ADDITION TO DSIGN INCLUDES:

- Automatic electric parking brake (excludes THP 160)
- Electrically adjustable, foldable and heated door mirrors with integrated kerb side LED
- Automatic rain-sensitive windscreen wipers, automatic illumination of headlamps and electrochromic rear view mirror
- LED interior mood lighting
- Front sports seats with electric lumbar adjustment and massage function
- Lower front grille chrome surround
- Chrome strip on rear bumper
- Brushed aluminium effect front door sill protectors
- 18" 'Brisbane' alloy wheels (set of four)
- Aluminium drilled pedals (excludes VTi 120)
- Rechargeable torch and 12V socket in boot
- Rear centre armrest with ski flap
- Sliding height-adjustable front armrest with storage
- Rear parking sensors
- Automatic digital air conditioning with dual-zone temperature setting
- **Connecting Box** – Bluetooth® system with USB socket
- Mistral 'Claudia' leather and 'Sao' cloth upholstery

DSPORT

THE ULTIMATE EXPRESSION

SETTLE INTO THE MISTRAL 'CLAUDIA' LEATHER INTERIOR AND START UP THE MOST COMPLETE EXPRESSION OF NEW CITROËN DS4. THIS IS WHERE INNOVATION, REFINEMENT, STYLE AND VERSATILITY CREATE A CLASS OF ONE.

> CITROËN DS4 **DSPORT** SPECIFICATION IN ADDITION TO DSTYLE INCLUDES:

- Front heated sports seats
- Citroën eTouch Emergency & Assistance system
- Mistral 'Claudia' leather upholstery
- 19" 'Cairns' alloy wheels (set of four)
- Front parking sensors with parking space 'gap' measurement system
- Blind spot monitoring system
- Body colour or black side rubbing strips with chrome insert

YOUR DEFINITION OF DS4. NEW CITROËN DS4 BRINGS OUT THE INDIVIDUAL AND THE NON CONFORMIST, SO THE RANGE OF OPTIONS IS INSPIRING AND DIVERSE.

FROM ESSENTIAL TECHNOLOGY TO SENSUAL LUXURY, YOUR OPTIONS ARE WIDE OPEN. EXPLORE THE FULL LIST TO SEE WHAT YOU CAN ADD TO YOUR CHOSEN MODEL.

➤ MOVING STYLE AND SUBSTANCE

Choose the stunning 19" 'Cairns' alloy wheels and combined with the upgraded suspension, it makes for a perfect blend of aesthetics and dynamics.

➤ DARK CHROME SIGNATURE

Balancing sophisticated function with stylish form, the Dark Chrome Signature brings front parking sensors and the innovative parking space 'gap' measurement system for a smooth parking experience. Whilst the matt Shark Grey front bumper, fog light surrounds, rear spoiler and side rubbing strips point to pure style and elegance.

➤ HABANA LEATHER

The tradition of fine luxury is alive and well in this most advanced interior. Habana 'Club' leather touches provide an all-encompassing sense of quality and comfort.

THE FUTURE OF FINE TUNING.

ACCESSORIES FOR NEW CITROËN DS4 CAN ENHANCE EVERY ASPECT, FROM COMMUNICATION, ENTERTAINMENT AND ROUTE FINDING, TO HASSLE-FREE PARKING, DESIGN FLAIR AND OUTDOOR PURSUITS.

NATURALLY ALL ACCESSORIES ARE ENGINEERED TO CITROËN'S NO-COMPROMISE STANDARDS AND ARE A PERFECT MATCH FOR NEW CITROËN DS4.

> WIFI ON BOARD

Citroën's new 'WiFi on Board' system creates an in-car wireless network, allowing simultaneous internet connection for multiple WiFi devices such as laptops, smartphones and game consoles.

Requires a 3G/3G+ SIM, which is not included.

> 1 MUDFLAPS

Contoured front and rear mudflaps protect bodywork and enhance safety in poor weather.

> 2 ALLOY WHEELS

Add your personal touch with our alloy wheel range. These alloys have been designed and developed featuring a bold design with clean lines. Alloy wheels are one of the few parts that can profoundly affect a vehicle's appearance.

> 3 PARKING SENSORS (FRONT & REAR)

Parking becomes stress-free with Citroën's front and rear parking sensors, which are subtly integrated into your new Citroën DS4's bumpers.

> 4 BODY COVER

Keep your new Citroën DS4 as clean and new as the day it left the showroom.

> 5 TOWBARS

Citroën towbars have been developed to ensure the highest standards of safety and strength.

> 6 ROOF BARS

Citroën traversing roofbars are designed to match the contours of your new Citroën DS4 and can be used with Citroën bicycle carriers, ski/snowboard carriers and roof boxes for quick and easy transport and storage solutions.

EFFICIENCY MINUS COMPROMISE. CITROËN HAS CREATED FUELEFFICIENT VEHICLES WITHOUT SACRIFICING DRIVER ENJOYMENT FOR SOME TIME. THE LATEST ADVANCES TAKE THIS FINE BALANCE FURTHER STILL...

WITH THE PROVEN CREDENTIALS AND ENVIRONMENTAL PERFORMANCE OF CITROËN HDi DIRECT INJECTION ENGINES AS INSPIRATION, e-HDi ADDS NEW TECHNOLOGY, SUCH AS A SMOOTH, SIMPLE STOP & START SYSTEM AND EGS GEARBOX. THE RESULTS ARE A DRAMATIC REDUCTION IN BOTH FUEL CONSUMPTION AND CO₂ EMISSIONS, COMBINED WITH RESPONSIVE PERFORMANCE WHEREVER YOU GO.

We've also been equipping more of our vehicles with more environmentally friendly breakthroughs, such as our Electronic Gearbox System (EGS), which boasts impressively greener credentials, with less pollution and up to 5% more economy than a conventional manual gearbox system. In addition, Citroën has expanded the use of the exceptionally efficient, self-regenerating Diesel Particulate Filter System in our models. Cleaner, greener driving without taking away from the drive – that's what you can continue to expect from Citroën.

› ELECTRIFYING. HOWEVER YOU LOOK AT IT

Forget what you know about electric cars. Citroën Survolt concept combines undiluted glamour with advanced sporting dynamics, then adds a 100% electric drivetrain. Outside, LED lights, voluptuous curves, two-tone charcoal and fuchsia paintwork, and a race-inspired rear spoiler meet your gaze. Inside, a stunning blend of curved chrome, swooping glass, high technology and organic forms welcomes you to an entirely new place. But this is no simple styling exercise. At heart, Survolt is even more radical, because although it is designed to thrill, it is powered purely by silent, efficient, clean electricity.

› AIRDREAM – A BENCHMARK

When it comes to the environment we wanted to show our genuine commitment as well as our profound expertise, so we have devised a benchmarking scheme with the signature 'Airdream'. To qualify for the Airdream signature, vehicles must have an e-HDi, electric or Hybrid4 engine.

DRIVE YOUR WAY. GET BEHIND THE WHEEL OF YOUR NEW CITROËN DS4, WITH CITROËN'S RANGE OF FINANCE AND INSURANCE PRODUCTS.

CITROËN FINANCIAL SERVICES

PURCHASE PLAN

Own your vehicle with this flexible package designed to fit your budget.

ELECT 3

A new Citroën car every two or three years with monthly payments structured to suit your budget.

ELECT 4

Enjoy the convenience of a new car without the stress and hassle of ownership.

TO FIND OUT MORE ABOUT CITROËN PRODUCTS AND SERVICES, GO TO WWW.CITROEN.CO.UK OR CONTACT YOUR CITROËN DEALER.

FOR BUSINESS USERS

CITROËN CONTRACT MOTORING

HIRE PURCHASE

A tried and tested finance package that allows you to own your vehicle.

BUSINESS LEASE

An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

LEASE PURCHASE

Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

CONTRACT HIRE

A non-ownership finance solution that keeps costs fixed and risks low.

FOR MORE INFORMATION ON CITROËN FLEET AND BUSINESS SALES, PLEASE CALL CITROËN FLEET CONNECT ON 08457 940 940 OR LOOK US UP AT WWW.CITROEN.CO.UK/FLEET

CITROËN INSURANCE

INSTANT COVER

To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days comprehensive car insurance, for free!

MOTOR INSURANCE

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Max call charge from a BT landline is 8p per minute. Calls from other networks may vary. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance is underwritten by UK Insurance Ltd which is authorised and regulated by the Financial Services Authority. Citroën Insurance is a trading style of Banque PSA Finance UK of Quadrant House, Princess Way, Redhill, Surrey, RH1 1QA.

ESSENTIAL CARE. CITROËNS ARE RENOWNED FOR THEIR RELIABILITY – AND NEW CITROËN DS4 IS NO EXCEPTION.

WITH THE ADDED REASSURANCE OF A WARRANTY, ROUTINE SERVICING AND MAINTENANCE, AS WELL AS 24-HOUR ROADSIDE ASSISTANCE, YOU ARE PROTECTED.

CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes.

Full details are available on request from Citroën UK via cuk_contactcentre@citroen.com

CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens.

To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles.

For further information, please contact your Citroën Dealer.

GLOSSARY

> e-HDi DIESEL ENGINE

The e-HDi 110 Airdream EGS6 engine is capable of 64.2 mpg and CO₂ emissions of just 114g/km combined with the EGS gearbox. It has a reversible starter-alternator that works in tandem with an e-boosters to provide a seamless Stop & Start function. Going further than other similar systems, the e-HDi's Stop & Start puts the engine into idle mode while decelerating before coming to a complete standstill. This reduces consumption by 15% in urban driving.

> HIGH-PRESSURE DIRECT INJECTION DIESEL ENGINE

Citroën's HDi diesel engines operate with the fuel under extremely high pressure, enabling microscopically precise injection control. With this level of management it's possible to inject at different times during the same engine stroke allowing total control over the combustion process. This has allowed our engineers to reduce carbon monoxide emissions by 40%, unburned hydrocarbons by 50% and engine particulates by 60%. Fuel consumption is 20% lower than a prechamber diesel engine, resulting in an equivalent reduction in CO₂ emissions.

> PETROL ENGINES

Part of Citroën's range of state-of-the-art engines, VTi and THP petrol powertrains are friction optimised and benefit from an inlet camshaft variable valve timing system that constantly measures the pressure on the accelerator and precisely regulates the quantity of air entering the cylinders. VTi engines boast advanced variable inlet valve lift and exhaust camshaft variable valve timing systems whilst THP engines are turbocharged. This guarantees outstanding efficiency and allows for immediate response with plenty of low range torque available.

> CITROËN ETOUCH EMERGENCY AND ASSISTANCE SYSTEM

In the event of an accident or sudden health problem, one push of the 'SOS' button will instantly contact the emergency services. If there's a more serious incident, SOS activates automatically. After a breakdown, one push on the 'chevron' button will alert Citroën Assistance, sending both location details and an initial fault report.

> CONNECTING BOX

Integrated Bluetooth® hands-free phone function with USB socket and jack to plug in a portable MP3 player.

> EMYWAY SATELLITE NAVIGATION SYSTEM

The eMyWay satellite navigation system features a 7" screen and covers UK and Europe. Its in-built memory provides information about speed limits and lets you know which lane to use when reaching complex intersections. The system also lets you adapt your route based on traffic conditions, with data provided by Trafficmaster and ViaMichelin in the UK and France.

> ANTI-LOCK BRAKING SYSTEM (ABS)

Computer-controlled braking assistance designed to prevent the wheels from locking under extreme braking. This enables the car to continue being steered and therefore controlled during this braking incident. New Citroën DS4's ABS system is further enhanced with EBA and EBD.

> ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD)

A conventional ABS system cannot account for any of the four wheels wanting to lock more quickly than the others (for example, two of the wheels may be on snow and two on tarmac). EBD reads the deceleration rate of each wheel individually and applies the ABS principles accordingly.

> EMERGENCY BRAKING ASSISTANCE (EBA)

As drivers we find it difficult to instinctively brake very hard, but this is often what is needed in those rare emergency situations. The EBA system recognises our 'attempt' to brake hard and in combination with the ABS and EBD systems instantly applies the maximum stopping power possible.

> ELECTRONIC STABILITY PROGRAMME (ESP)

This is computer-controlled traction assistance and is provided primarily through the braking systems. The ESP's control unit constantly compares where the driver intends going (through the position of the steering wheel) with where the vehicle is actually going and, if necessary, makes speed corrections to each wheel individually through braking or engine torque to keep the vehicle 'in line'.

> ON-BOARD TRIP COMPUTER

New Citroën DS4's multi-function on-board trip computer provides you with information at your fingertips. At the touch of a button you can view a range of data like fuel consumption, average speed and mileage possible at your current fuel level.

> FRONT SEAT BELT PRE-TENSIONERS

In the event of a crash, a pre-tensioner will tighten the seat belt almost instantaneously. This reduces the load on the occupant in a violent crash. Like airbags, pre-tensioners are triggered by sensors in the car's body, and use explosively expanding gas to drive a piston that retracts the belt. Seat belt pre-tensioners also lower the risk of 'submarining', which is when a passenger slides forward under a loosely worn seat belt.

> ISOFIX

A standardised and more simple method for installing child seats, each seat is 'clicked' into place via a three point system. On new Citroën DS4, Isofix is installed on the outer rear seats.

DIMENSIONS

All measurements are in millimetres.

This brochure is made from paper from a well-managed forest. Citroën support responsible use of forest resources.

Please don't throw me away, give me to a friend or recycle me.

NOTE: Every endeavour has been made to ensure that the information and details contained in this brochure were accurate at the time of going to press April 2012.
