# PASSION MEETS LOGIC. HERE IS A CAR THAT WILL STIMULATE YOUR HEART AS MUCH AS YOUR HEAD, YOUR BODY AS MUCH AS YOUR SOUL.

FROM THE PHYSICS TO THE PHYSICAL, IT RE-DEFINES EVERY DETAIL OF COMFORT, AESTHETICS, PERFORMANCE AND PROTECTION. IN ESSENCE, THE CITROËN C5 HAS BEEN CREATED TO MAKE OPPOSITES EXTREMELY ATTRACTIVE.

With a sophisticated combination of contemporary design and cutting-edge technology, the Citroën C5 marries your passion for driving with a logical need to feel protected – your passion for style, with the rational demands of the executive car.

What instantly strikes you is the muscular yet refined build. Long, wide and low with a very dynamic profile, it's clearly a car that means serious business. This is instantly confirmed the moment you move inside – a driver-focused cockpit, advanced features to protect you and the environment, and a driving experience designed around sure-footed exhilaration. It's all about total control – that gives your heart total freedom to roam.

FROM THE ELEGANT, ENERGETIC LINES OF THE SALOON TO THE FLOWING DYNAMISM OF THE TOURER, THE CITROËN C5 STRIKES A STUNNING BALANCE BETWEEN REFINED STYLE AND SPORTY EXUBERANCE. IT'S A CAR THAT'S BUILT TO TURN HEADS AS QUICKLY AS IT DOES CORNERS.

ATHLETIC AESTHETICS. NOWHERE ARE OPPOSITES MORE ATTRACTIVE THAN ON THE CITROËN C5'S EXTERIOR STYLING.

#### › THE SALOON: ART AND POWER

From any angle, the Citroën C5 saloon inspires awe and desire. With the muscular wheel arches and a concave rear window, its road presence is impossible to ignore. Viewed head-on, it is particularly imposing – with the trademark chrome chevrons and large air-intakes flanked by the incisive, signature boomerang headlamps with integrated daytime-running LEDs. In profile it shows an even more sophisticated side – the sculpted body and extended roofline are indicative of the prestige and style of this thoroughbred executive saloon.

#### › THE TOURER: HIDDEN SPACE

The Citroën C5 Tourer pulls off an amazing feat of optical illusion – disguising its ample interior with a nimble-looking, silky silhouette that evokes performance from every angle. Reflecting the saloon's stylish design and dynamic presence, it balances long, sleek lines with the trademark high waist. And at the same time, it is immediately recognisable as one of Citroën's superb touring versions, with its wide track and wheels flush to the body.

**INVIGORATING LUXURY.** WHEN YOU SIT INSIDE THE CITROËN C5 – YOU FEEL EXCITED AND RELAXED, ALL AT ONCE. THE MOODY LIGHTING, THE LEATHER STEERING WHEEL AND THE TANGIBLE QUALITY OF MATERIALS AND FINISHES. IT'S A PLEASANTLY THRILLING SENSATION.

› SIT TIGHT

Nothing sums up this unique experience better than the Citroën C5's seats, which are ergonomically sculpted for maximum comfort in all driving conditions. And when you opt for a leather interior on VTR+ Techno Pack and Exclusive Techno Pack versions, you'll enjoy the added luxury of heated, electric front seats which can be effortlessly adjusted to your preferred position. The driver's seat even has a massage function – for a little high speed relaxation.

› FUTURISTIC INTERIOR

The Citroën C5 marries cutting-edge luxury with solid, unyielding quality. Its state-of-the-art cockpit is driver-focused with a host of exciting technology at your fingertips, while the stylishly lit dashboard displays all vital information. The centrepiece is a clean, uncluttered console with air conditioning seamlessly incorporated into the design – including dual-zone automatic air conditioning on VTR+ Techno Pack and Exclusive Techno Pack versions.

› TRAVEL IN SPACE

Not to be outdone for size, the Citroën C5 has one of the longest wheelbases in its segment. What's more, its generous dimensions deliver a roomy interior for exceptional passenger comfort and load-carrying. In essence, it's a spacious vehicle packed with many more little luxuries.

› PEACEFUL OASIS

Drive-comfort is at the heart of the Citroën C5 and it has numerous advanced soundproofing features to wrap you in your own haven of tranquility. With triple door seals, reinforced roof lining and an acoustic windscreen, the Citroën C5's insulating innovations exceed all expectations for an executive saloon. On Exclusive Techno Pack versions, you even enjoy laminated side windows for total isolation from the outside world.

# CONTROLLED POWER. YOUR HEART WANTS TO PUMP. YOUR HEAD WANTS TO CONTROL. SO THE CITROËN C5 PAYS EQUAL HOMAGE TO BOTH.

PREPARE YOURSELF FOR A PERFORMANCE WHERE STIRRING POWER IS KEPT IN CHECK BY PRECISE STEERING. A GRIPPING DRIVE IS MADE EVEN BETTER BY HIGH LEVELS OF COMFORT AND SAFETY.

## › SUSPEND DISBELIEF

You always expect an outstanding ride from Citroën, and the C5 delivers this with a choice of two sophisticated suspensions. The core system is a highly engineered front double wishbone and multi-link rear suspension – it's a set-up that's been specially tuned to complement the Citroën C5's dynamic looks with an equally dynamic drive, without compromising comfort.

## › ACTIVE DRIVE COMFORT

Of course, if you really want to experience something unique, the Hydractive 3+ suspension comes as standard on Exclusive Techno Pack versions. This is our most advanced system to date. This advanced technology offers a whole new standard of luxurious driving, or at a touch of the 'sport mode' button, the ultimate in driving excitement. Hydractive 3+ also has Citroën's trademark self-levelling feature that guarantees a constant ride height regardless of load or number of passengers – particularly useful for the Tourer. The ingenuity does not end there. The suspension constantly monitors speed and road conditions, lowering the car at 70mph to optimise stability and fuel economy. So whatever you're looking for – supreme comfort, an exhilarating performance or unrivalled load-carrying ability – the Citroën C5 has some truly inspiring answers.

## › FUELLING ENJOYMENT

You can see it's a driver's car the moment you lay eyes on it. The Citroën C5 offers as much versatility as it does power, with a selection of diesel engines to match the level of pleasure and efficiency you're looking for. There's even a choice of automatic and manual gearboxes to put that final performance decision firmly in the palm of your hand.

**ADVANCED SIMPLICITY.** EVERY SECOND, INNOVATIVE TECHNOLOGY IN THE CITROËN C5 IS MAKING A MILLION CALCULATIONS – WHERE YOU ARE, WHERE YOU'RE GOING, AND HOW IT CAN GET YOU THERE FASTER, SAFER AND MORE COMFORTABLY. ALL YOU HAVE TO DO IS SIT BACK AND ENJOY THE DRIVE – CONTROLLING THE MAJORITY OF IT FROM THE COMFORT OF YOUR STEERING WHEEL.

› CLEVER LITTLE EXTRAS

When the time comes to park, the availability of front and rear parking sensors means you can manoeuvre easily into the tightest spaces. And if your arms are full of shopping, the automatic boot on Exclusive Techno Pack Tourer versions can be opened with a touch of your remote.

› INTELLIGENT INSTINCT

The Citroën eTouch Emergency and Assistance System on Exclusive Techno Pack versions is a bold step forward in security at the press of a button. Or two. In the event of an accident or sudden health problem, one push of the 'SOS' button will instantly contact the emergency services.

If there's a more serious incident, SOS activates automatically. After a breakdown, one push on the 'chevron' button will alert Citroën Assistance, sending both location details and an initial fault report. Further innovations include Eco Driving and an on-line maintenance guide which help optimise driving style for efficiency and monitor maintenance needs or possible problems, through a personal web account at MyCITROËN.

› CLEAR THINKING

To make your night drives even more pleasant, all Citroën C5 versions are equipped with the static Adaptive Front-lighting System (AFS), which boosts lighting functionality to give you a clearer view of the road, wherever it takes you. On Exclusive Techno Pack versions, you can opt for Xenon Dual-Function Directional headlamps. With dynamic AFS, it follows the car's steering, greatly enhancing visibility on corners and at junctions.

› NAVIGATION INNOVATION

With its 7 inch screen and sleek, integrated look, eMyWay satellite navigation system is standard on all vehicles and helps you travel effortlessly around the UK and Europe. The system also lets you adapt your route based on traffic conditions, with data provided by Trafficmaster and ViaMichelin in the UK and France.

› PROGRESS IN REVERSE

Using a rear facing camera and the integrated satellite navigation screen, Citroën C5 Tourer brings a clear, colour rear view for safe and incident free reversing and manoeuvres as standard on Exclusive Techno Pack, optional on VTR+ Techno Pack versions.

**POWERFUL CONSIDERATION.** ENVIRONMENTAL CONCERN AND POWERFUL PERFORMANCE AREN'T USUALLY CRITERIA YOU'D GROUP TOGETHER. BUT IN THE CITROËN C5, WE'VE EVOLVED OUR TECHNOLOGY FOR GREENER, QUIETER ENGINES – WITH PLENTY OF EXHILARATING PERFORMANCE. IT'S JUST ONE MORE REASON YOU'LL FEEL GOOD DRIVING THE CITROËN C5.

› DRIVING PEACE OF MIND

A clean, efficient driving experience is at the heart of the Citroën brand. Our cars are designed to the highest environmental standards and fuel-efficiency is a major priority for our engineers. The Citroën C5 takes this even further, ensuring optimised CO<sub>2</sub> levels by cutting pollutant emissions with its electronically controlled high pressure direct injection diesel engines, as well as its multi-valve petrol engines.

› ENERGY SAVER® TYRES

With a reduction in rolling resistance of 20%, Michelin's Energy Saver® tyres, fitted on HDi 115 versions, reduce the amount of energy needed to propel the car along the road which results in a reduction in the fuel consumption. This is achieved with no loss of grip or stability, with shorter stopping distances in wet conditions. The tyre's innovative architecture generates fuel savings of nearly 0.5 litres per 100km (in combined cycle), resulting in a reduction in CO<sub>2</sub> emissions of nearly 19g/km and around one tonne less CO<sub>2</sub> over the entire life of a Citroën C5.

› BIG IDEAS, SMALL FOOTPRINT

15 years of development have gone into our HDi direct injection engines, making them refined and frugal. In combination with a beautifully simple Stop & Start system and sophisticated ETG gearbox, the e-HDi 115 ETG6 can achieve 65.7mpg and CO<sub>2</sub> emissions of only 111g/km.

The ETG gearbox is an advanced transmission that lets you select either electronically controlled clutch operation in auto mode, or manual changes via the steering wheel mounted paddles. It's part of what makes Citroën efficient engineering unique. Stop & Start puts the engine into idle mode as you decelerate and stops altogether as you come to a halt. The moment you take your foot off the brake, it restarts silently and without vibration. It helps to reduce CO<sub>2</sub> by about 5g/km and fuel consumption by 15% in the city.

**PROTECTIVE FORCE.** PACKED WITH CUTTING-EDGE TECHNOLOGY, THE CITROËN C5 DOES EVERYTHING IT CAN TO PREVENT ACCIDENTS. OF COURSE IF ONE DOES HAPPEN, REST ASSURED YOU AND YOUR PASSENGERS ARE SURROUNDED BY ONE OF THE FINEST PROTECTIVE BODY-SHELLS ON THE ROAD.

› PROACTIVE SAFETY

Safety is not optional on the Citroën C5, with a lengthy standard of accident-avoiding technology putting you in control. It has an advanced braking system with Electronic Brakeforce Distribution (EBD), Emergency Braking Assistance (EBA), Anti-lock Braking System (ABS) and Electronic Stability Programme (ESP) so you can stay on guard in all conditions. And if you do find yourself in an unexpectedly hairy situation, you can rely on sophisticated added safety measures – such as traction control and automatically activated hazard warning lights when the ABS operates.

› ADAPT TO IMPACT

With a reinforced outer shell, the Citroën C5 has been designed for endurance as well as performance. The front end features upper and lower energy absorbers which provide cushioning on impact, while the cabin structure is also reinforced to create a strong passenger survival cell.

In the Citroën C5, you and your passengers are obsessively protected from every direction – with up to nine airbags cushioning against front, side and head impact. In the passenger seat, there's optional airbag de-activation and importantly for the driver, not only does the steering column retract by 65mm, but thanks to the fixed-centred controls steering wheel, your airbag always deploys at the safest possible angle.

› STRENGTH AND POISE

Even when it's stopped, the Citroën C5 doesn't sleep. It's constantly on alert for dangerous situations, with anti-theft alarm and deadlocks fitted as standard. Automatic re-locking after 30 seconds gives you extra peace of mind, and with protective laminated side windows fitted on Exclusive Techno Pack versions to guard against intruders, the Citroën C5 is reassuringly defended.

› HARNESSING PROTECTION

Even the most basic details – such as seat belts – have been thoroughly considered. The Citroën C5's front seat belts are height-adjustable and fitted with force-limiters. Isofix anchor points are also standard – with two on either side of the rear seat. All of which makes the Citroën C5 an exceptionally secure place for adults and children.

# YOUR HEART HAS SPOKEN. NOW IT'S TIME FOR SOME RATIONAL DECISION-MAKING.

EVERY VERSION IN THE CITROËN C5 RANGE IS DESIGNED TO RAISE THE HAIRS ON THE BACK OF YOUR NECK – WHETHER DRIVING IT OR SIMPLY ADMIRING IT.

# VTR TECHNO PACK

## BRISTLING WITH FEATURES

THE CITROËN C5 VTR TECHNO PACK HAS LEVELS OF COMFORT, SAFETY AND ADVANCED TECHNOLOGY YOU WOULDN'T EXPECT AS STANDARD ON AN EXECUTIVE CAR.

➤ CITROËN C5 **VTR TECHNO PACK** SPECIFICATION INCLUDES:

- ABS with Electronic Brakeforce Distribution and Emergency Braking Assistance
- Electronic Stability Programme
- Intelligent Traction Control System
- Driver, front passenger, front lateral, curtain and driver's knee airbags
- Rear ISOFIX anchorage points
- Perimetric and volumetric alarm
- Cornering lights
- Front fog lights
- 16 inch 'Iroise' alloy wheels
- Multi-functional fixed-centred controls steering wheel
- Electrically adjustable heated door mirrors
- Automatic air conditioning with soft diffusion system
- Front and rear electric windows
- Acoustic windscreen
- Cruise control with speed limiter
- RDS radio/MP3 CD player with bi-tuner
- Leather steering wheel with decor inserts
- Multi-function on-board trip computer
- Height-adjustable driver's seat
- Roof bars (Tourer only)
- LED Daytime Running Lights (DRLs)
- Tyre pressure sensors
- Rear parking sensors
- eMyWay with Connecting Box (Bluetooth® handsfree with USB socket)

# VTR+ TECHNO PACK

## MORE OF EVERYTHING

WITH A HOST OF STYLISTIC, TECHNOLOGICAL AND PERFORMANCE ENHANCING FEATURES, THE CITROËN C5 VTR+ TECHNO PACK IS A CAR THAT BRISTLES WITH ENERGY AND EXPECTATION.

➤ CITROËN C5 **VTR+ TECHNO PACK** SPECIFICATION IN ADDITION TO VTR TECHNO PACK INCLUDES:

- Snow mode (automatic versions only)
- Hill Start Assist function (e-HDi versions only)
- 17 inch 'Ionian' alloy wheels
- Electrically folding door mirrors
- Chrome effect side rubbing strips and front fog light inserts
- **Visibility Pack** – automatic lights and windscreen wipers
- Automatic dual zone air conditioning
- Rear armrest with ski flap
- Height-adjustable front seats
- Lumbar adjustment on driver's seat
- Rechargeable boot light (Tourer only)

# EXCLUSIVE TECHNO PACK

## SUMPTUOUS COMFORT

HEART-POUNGING PERFORMANCE? TANTALISING LITTLE LUXURIES? WHATEVER IT IS, THE CITROËN C5 EXCLUSIVE TECHNO PACK DELIVERS IT WITH ABUNDANCE.

➤ CITROËN C5 **EXCLUSIVE TECHNO PACK** SPECIFICATION IN ADDITION TO VTR+ TECHNO PACK INCLUDES:

- Hydractive 3+ suspension
- Electric front seats (slide, tilt, height, seat, lumbar, shoulder with memory for driver's seat)
- Chrome insert on door handles
- 18 inch 'Atlantic' alloy wheels
- Leather steering wheel with chrome effect inserts
- Front and rear carpet mats
- Chrome effect inserts on dashboard
- Part leather upholstery
- Interior mood lighting
- Laminated side windows
- Front parking sensors
- Electric tailgate (Tourer only)
- Auto-dimming electrochrome rear view mirror
- Citroën eTouch Emergency & Assistance system
- Dark tinted rear windows (Tourer only)
- Automatic electric parking brake
- Hill Start Assist function

# PERSONALISE YOUR CITROËN C5 TO SUIT YOU. WHETHER YOU NEED EXTRA CHILD SAFETY FEATURES, IN-CAR ENTERTAINMENT OR A HANDS-FREE PHONE KIT, CITROËN ACCESSORIES ARE DESIGNED TO MAKE YOUR JOURNEY SAFER AND MORE ENJOYABLE.

FROM ROOFBARS TO TOWBARS, FROM LUXURY TOUCHES TO PRACTICAL EQUIPMENT, YOU'LL FIND THE SOLUTIONS YOU'RE LOOKING FOR. VISIT [WWW.ACCESSORIES.CITROEN.CO.UK](http://WWW.ACCESSORIES.CITROEN.CO.UK) TO VIEW THE FULL RANGE OF CITROËN C5 ACCESSORIES.

## > DIGITAL RADIO

The new Citroën Ezi-DAB has been designed to upgrade your existing car stereo to receive outstanding digital reception. Enjoy 100s of extra digital radio channels and be ready for the digital switch over.

## > 1 MANUAL DEMOUNTABLE TOWBAR

Citroën towbars have been developed to ensure the highest standards of safety and strength. Created with your new Citroën C5 in mind, these accessories match your Citroën's style perfectly.

## > 2 ROOF BOXES

Citroën roof boxes are available in 340, 370 or 430 litre capacities and enable you and your family to have a more relaxing journey with increased comfort on day trips and holidays with all your clutter hidden away on the roof.

## > 3 ROOF BARS

Citroën traversing roofbars are designed to match the sleek lines of your new Citroën C5 and are also available as additions to Citroën C5 factory fitted roofbars on Tourer versions. They can be used with Citroën bicycle carriers, ski/snowboard carriers and roof boxes for quick and easy transport and storage solutions.

## > 4 SKI & SNOWBOARD CARRIERS

During those winter months, transport your skis and snowboards easily and safely with Citroën Ski and Snowboard Carriers. Quick to install and lockable to protect against theft, they enable you to carry up to 6 pairs of skis.

## > 5 BICYCLE CARRIERS

Perfect for a weekend get-away, Citroën bicycle carriers with aluminium or steel frames are a secure and hassle-free way of transporting your bike. Please contact your local Dealer for information about additional fixings that may be required.

# EFFICIENCY MINUS COMPROMISE. CITROËN HAS CREATED FUELEFFICIENT VEHICLES WITHOUT SACRIFICING DRIVER ENJOYMENT FOR SOME TIME. THE LATEST ADVANCES TAKE THIS FINE BALANCE FURTHER STILL...

WITH THE PROVEN CREDENTIALS AND ENVIRONMENTAL PERFORMANCE OF CITROËN HDi DIRECT INJECTION ENGINES AS INSPIRATION, e-HDi ADDS NEW TECHNOLOGY, SUCH AS A SMOOTH, SIMPLE STOP & START SYSTEM AND ETG GEARBOX. STOP & START PUTS THE ENGINE INTO IDLE MODE AS YOU DECELERATE AND STOPS ALTOGETHER AS YOU COME TO A HALT. THE MOMENT YOU TAKE YOUR FOOT OFF THE BRAKE, IT RESTARTS SILENTLY AND WITHOUT VIBRATION. THE RESULTS ARE A DRAMATIC REDUCTION IN BOTH FUEL CONSUMPTION AND CO<sub>2</sub> EMISSIONS, COMBINED WITH RESPONSIVE PERFORMANCE WHEREVER YOU GO.

We've also been equipping more of our vehicles with more environmentally friendly breakthroughs, such as our Efficient Tronic Gearbox (ETG), which boasts impressively greener credentials, with less pollution and up to 5% more economy than a conventional manual gearbox system. In addition, Citroën has expanded the use of the exceptionally efficient, self-regenerating Diesel Particulate Filter System in our models. Cleaner, greener driving without taking away from the drive – that's what you can continue to expect from Citroën.

## › PURE TECHNOLOGY

Demonstrating Citroën's commitment to Créative Technologie, PureTech engines provide increased power with lower fuel consumption and emissions by adopting a smaller and lighter three cylinder configuration constructed of pressure-cast aluminium. In conjunction with low friction component coatings, improved air and fuel flow and optimised combustion, this allows engines to offer more power, better fuel economy and significantly lower CO<sub>2</sub> emissions.

## › ELECTRIFYING. HOWEVER YOU LOOK AT IT

Forget what you know about electric cars. Citroën Survolt concept combines undiluted glamour with advanced sporting dynamics, then adds a 100% electric drivetrain. Outside, LED lights, voluptuous curves, two-tone charcoal and fuchsia paintwork, and a race-inspired rear spoiler meet your gaze. Inside, a stunning blend of curved chrome, swooping glass, high technology and organic forms welcomes you to an entirely new place. But this is no simple styling exercise. At heart, Survolt is even more radical, because although it is designed to thrill, it is powered purely by silent, efficient, clean electricity.

# DRIVE YOUR WAY. GET BEHIND THE WHEEL OF YOUR NEW CITROËN C5, WITH CITROËN'S RANGE OF FINANCE AND INSURANCE PRODUCTS.

## CITROËN FINANCIAL SERVICES

### PURCHASE PLAN

Own your vehicle with this flexible package designed to fit your budget.

### ELECT 3

A new Citroën car every two or three years with monthly payments structured to suit your budget.

### ELECT 4

Enjoy the convenience of a new car without the stress and hassle of ownership.

TO FIND OUT MORE ABOUT CITROËN PRODUCTS AND SERVICES, GO TO [WWW.CITROEN.CO.UK](http://WWW.CITROEN.CO.UK) OR CONTACT YOUR CITROËN DEALER.

FOR BUSINESS USERS

## CITROËN CONTRACT MOTORING

### HIRE PURCHASE

A tried and tested finance package that allows you to own your vehicle.

### BUSINESS LEASE

An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

### LEASE PURCHASE

Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

### CONTRACT HIRE

A non-ownership finance solution that keeps costs fixed and risks low.

FOR MORE INFORMATION ON CITROËN FLEET AND BUSINESS SALES, PLEASE CALL CITROËN FLEET CONNECT ON 08457 940 940 OR LOOK US UP AT [WWW.CITROEN.CO.UK/FLEET](http://WWW.CITROEN.CO.UK/FLEET)

## CITROËN INSURANCE

### INSTANT COVER

To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days comprehensive car insurance, for free!

### MOTOR INSURANCE

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Max call charge from a BT landline is 8p per minute. Calls from other networks may vary. Alternatively, visit [www.citroen.co.uk](http://www.citroen.co.uk) for more information or to apply online.

Citroën Insurance is underwritten by U K Insurance Limited which is authorised and regulated by the Financial Conduct Authority. Citroën Insurance is a trading style of Banque PSA Finance UK of Quadrant House, Princess Way, Redhill, Surrey, RH1 1QA.

# ESSENTIAL CARE. CITROËNS ARE RENOWNED FOR THEIR RELIABILITY – AND NEW CITROËN C5 IS NO EXCEPTION.

WITH THE ADDED REASSURANCE OF A WARRANTY, ROUTINE SERVICING AND MAINTENANCE, AS WELL AS 24-HOUR ROADSIDE ASSISTANCE, YOU ARE PROTECTED.

## CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year\* warranty package, plus a 12 year anti-perforation\*\* warranty and a 3 year paint warranty.

\* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

\*\* Against all internal to external perforation to bodywork or underbody.

## CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes.

Full details are available on request from Citroën UK via [cuk\\_contactcentre@citroen.com](mailto:cuk_contactcentre@citroen.com)

## CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens.

To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

## CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles.

For further information, please contact your Citroën Dealer.

# GLOSSARY

## ▶ HIGH-PRESSURE DIRECT INJECTION DIESEL ENGINE

Our HDi diesel engines operate with the fuel under extremely high pressure, enabling microscopically precise injection control. With this level of management it's possible to inject at different times during the same engine stroke allowing total control over the combustion process. This has allowed our engineers to reduce carbon monoxide emissions by 40%, unburned hydrocarbons by 50% and engine particulates by 60%. Fuel consumption is 20% lower than a prechamber diesel engine, resulting in an equivalent reduction in CO<sub>2</sub> emissions and thanks to the torque available at low engine speed it could be argued that driveability is now better than in petrol engined cars.

## ▶ e-HDi DIESEL ENGINE

The e-HDi 115 ETG6 engine is capable of 65.7mpg and CO<sub>2</sub> emissions of just 111g/km combined with the ETG gearbox. It has a reversible starter/alternator that works in tandem with an e-booster to provide a seamless Stop & Start function. Going further than other similar systems, the e-HDi's Stop & Start puts the engine into idle mode while decelerating before coming to a complete standstill. This reduces consumption by 15% in urban driving.

## ▶ ANTI-LOCK BRAKING SYSTEM (ABS)

Computer-controlled braking assistance designed to prevent the wheels from locking under extreme braking. This enables the car to continue being steered and therefore controlled during this braking incident. The Citroën C5's ABS system is further enhanced with EBA and EBD (see below).

## ▶ FIXED-CENTRED CONTROLS STEERING WHEEL

A Citroën innovation that makes for safer driving in every way. Whilst the rim of the steering wheel turns normally, the centre hub remains static which means that all the audio, information and driving controls operated from here stay in exactly the same place. It also means that the driver's airbag can be specially sculpted to deploy more favourably than the round ones necessary in cars with conventional steering wheels.

## ▶ HYDRACTIVE 3+ SUSPENSION

An outstanding Citroën invention built on the company's renowned hydropneumatic sphere platform, Hydractive 3+ suspension offers the ultimate in driver control and passenger comfort. To begin with, the car maintains a constant ride height at all times regardless of load (either weight or force) which ensures excellent driver control. In addition, electronic sensors read the road and driving style hundreds of times a second and adapt the hydraulic damping accordingly, maintaining perfect poise. The driver is also able to select two different suspension modes designed for varying degrees of comfort or sporty driving. The system is maintenance free for five years or 200,000km.

## ▶ ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD)

A conventional ABS system cannot account for any of the four wheels wanting to lock more quickly than the others (for example, two of the wheels may be on snow and two on tarmac). EBD reads the deceleration rate of each wheel individually and applies the ABS principles accordingly.

## ▶ EMERGENCY BRAKING ASSISTANCE (EBA)

As drivers we find it difficult to instinctively brake very hard, but this is often what is needed in those rare emergency situations. The EBA system recognises our 'attempt' to brake hard and in combination with the ABS and EBD systems instantly applies the maximum stopping power possible.

## ▶ ELECTRONIC STABILITY PROGRAMME (ESP)

This is computer-controlled traction assistance and is provided primarily through the braking systems. The ESP's control unit constantly compares where the driver intends going (through the position of the steering wheel) with where the vehicle is actually going and, if necessary, makes speed corrections to each wheel individually through braking or engine torque to keep the vehicle 'in line'.

## ▶ ISOFIX

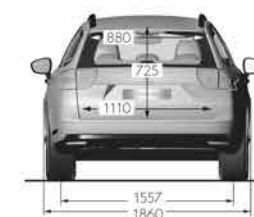

A standardised and more simple method for installing child seats, each seat is 'clicked' into place via a three point system. On the Citroën C5, Isofix is installed on the two outer rear seats.
