# WELCOME TO THE ŠKODA FABIA

The ŠKODA Fabia is the third generation of ŠKODA's most successful mini car. With a wide range of exterior Colour Concept combinations on Hatch, you can express your personality and steal attention on the road.

You can enjoy your journey with the fantastic infotainment system whilst knowing you have the protection of a 5 star Euro NCAP award. Additionally, **What Car?** Magazine announced Fabia not only as the winner of the '**Best small car**' award for 2015, but also as the overall **What Car? 'Car of the Year'** for 2015. This year, Fabia has retained its '**Best small car**' title, as well as being named '**Best estate car less than £18,000**'.

With its impressive room for front and rear passengers, as well as generous boot space, read on to learn how the Fabia can fit perfectly into your life.

Model shown is not UK specification.

# EXTERIOR DESIGN

The ŠKODA Fabia turns heads wherever it goes, with its dynamic style and elegant clean lines.

The front of the car embodies the core elements of ŠKODA's design language, including the grille's clear geometric shape, the ŠKODA logo on the sloping front end of the bonnet and the crystalline design of the headlights.

Sharp lines and strong curves define the rear, creating an attractive play of light and shadow. The ŠKODA design language is spelt out in the crystal-shaped space for the number plate. The rear of the car also features the familiar illuminated C-shaped rear lights.

Models shown are not UK specification

The side indicators have now been moved into the door mirrors creating a clean and sharp side profile.

Model shown is not UK specification

The front grille contains 19 vertical slats, with the badge positioned in a prominent position on the bonnet. LED daytime running lights are available (optional on SE, standard on SE L and Monte Carlo) and front fog lights are also available with a cornering function (front fog lights are standard on SE L and Monte Carlo, cornering front fog lights are optional on SE, SE L and Monte Carlo).

5

# INTERIOR DESIGN

Equally captivating is the car's interior, with quality materials and precise workmanship wherever you look. An emphasis on horizontal lines and fine-tuned ergonomics makes the interior of the Fabia a comfortable, and surprisingly spacious place to be.

You can enjoy the feeling of freedom and space with the optional panoramic glass roof.

Personalise the interior with blue upholstery and a white insert for the dashboard (available on SE and SE L).

The Fabia provides impressive space for your friends or family in the rear seats.

## Multimedia holder

You can drive with your smart phone safely stored in the multimedia holder placed in the dual cup holder on the central console. Optional as part of the Simply Clever pack.

## Pockets

Storage pockets on the insides of the front seat backrests can carry a map, mobile phone or other small items. Standard on SE and SE L models.

## Bottle holders

Standard storage compartments in both rear doors can hold a 0.5-litre bottle (pictured), while the front doors can hold a 1.5-litre bottle.

## Waste basket

Put small items of rubbish, like snack wrappers, into the waste basket, which can be easily removed and emptied. It can be inserted into the storage compartment in the front door panelling. Optional as part of the Simply Clever pack.

## Reflective vest compartment

A standard reflective vest compartment is located in the door, ensuring they are always within reach. Please note vests are not supplied in the UK.

## Glove compartment

The closed storage compartment in the dashboard has enough room to fit a 1-litre bottle inside.

# LUGGAGE COMPARTMENT

## Capacity

The Fabia's spacious luggage compartment on the hatchback offers 330 litres with the seats up and 1,150 litres with the rear seats folded, while the Estate offers 530/1,395 litres.

Split folding rear seats (60:40 split) Model shown is not UK specification

## Shelf

The 2-position luggage compartment shelf, when fixed in the lower position, allows for the transport of delicate objects. Standard across the range on hatchback models.

## Folding hooks

Your shopping will be safe from spilling out of the bags when hung on the hooks standard across the range.

## Flexible storage compartment

This optional handy accessory can be used to fix smaller objects in place.

## Net programme

An optional set of nets in varying sizes will help keep everything in place in your luggage compartment and will prevent luggage from sliding around.

## Variable boot floor

This optional equipment for the Fabia Estate raises the floor of the boot to be level with the sill, making it easier to lift bulky items into the boot. In addition, it provides a discrete storage place.

## Bicycle holder

The optional interior bicycle holder will allow you to comfortably transport two bicycles inside the boot with the rear seats folded. (Estate only).

# INFOTAINMENT

Advanced technology on board turns your car into a **smartphone on wheels**.

## SmartLink<sup>†</sup>

SmartLink delivers an elegant connection between car and compatible smartphone using MirrorLink™, Apple CarPlay and Android Auto interfaces. Whether you want to select and listen to music on your smartphone or receive turn-by-turn directions via a navigation app, all of this is mirrored on the central display. SmartLink is standard on SE, SE L and Monte Carlo.

Model shown is not UK specification.

## SmartGate<sup>†</sup>

SmartGate is a system that uses a Wi-Fi connection to send selected vehicle data to a connected device. Special mobile apps are available which allow you to analyse driving data and performance to find out more about your driving style. Examples of data available include vehicle speed, engine revs and g-meter. The SmartGate applications are available free of charge from app stores. SmartGate is optional on SE, SE L and Monte Carlo.

<sup>†</sup> SmartLink cannot be retro-fitted, for more information about SmartLink, SmartGate and phone compatibility please visit [www.skoda.co.uk/fabiatechnology](http://www.skoda.co.uk/fabiatechnology)

## ŠKODA Surround

Enjoy a more intense music experience with ŠKODA Surround. This advanced audio system with digital processor, 6 speakers, 2 virtual speakers and a virtual subwoofer, is tuned perfectly to the space of the Fabia. It is fitted as standard with the Bolero radio. Works when a compatible device is paired to the system.

## Bolero radio

This top-of-the-range infotainment system for the Fabia offers the advanced ŠKODA Surround audio system as standard. When you connect your compatible phone via Bluetooth®, when it is safe to do so you can read, write and send texts using Bolero's large 6.5" colour LCD touchscreen with a resolution of 800x480 pixels and multitouch gestures (standard on SE, SE L and Monte Carlo).

# COMFORT

## Height adjustable front seats

For your comfort, you can adjust the seat according to your height, standard across the range for the drivers seat. The passenger seat is also adjustable and is standard on SE, SE L and Monte Carlo and optional on S.

Models shown are not UK specification.

## Electrically-adjustable and heated door mirrors

The door mirrors can be quickly adjusted and defrosted or defogged from the comfort of your seat without having to open the windows. Available as standard on SE, SE L and Monte Carlo.

## Electrically-adjustable windows

The controls for the front windows are conveniently located in the door panelling. If you decide on the optional electrically-adjustable rear windows, you'll also get the child's safety lock.

## Rain and Light assistants

Your drive will be even safer and more pleasant now that you can leave turning on and off the lights and wipers to the Rain and Light assistants (optional).

## KESSY / KESSY GO

The Fabia can be equipped with KESSY (Keyless Entry, Start and exit system) or with the simpler version called KESSY GO. A Start/Stop button for keyless switching on and off the engine is located on the steering column (KESSY GO is standard on SE L).

Models shown are not UK specification.

## Multi-function steering wheel

The attractive multi-function leather steering wheel is not only soft and tactile, but enables you to control the radio, Maxi DOT and your connected compatible phone, standard on SE, SE L and Monte Carlo.

Image shown is not UK specification & white insert is part of the optional Blue upholstery (available on SE and SE L). Steering wheel shown is for illustration purposes only.

## Climatronic air conditioning

The electronic air conditioning isn't just a hard worker during the hot summer months. It will also ensure maximum comfort all year round, and thanks to the humidity sensor, will even deal with a steamed-up windscreen (optional on SE & Monte Carlo, standard on SE L).

# SAFETY

The safety of those in the Fabia is of the utmost importance, which is why there are several safety features available to keep you as safe as possible.

The Fabia is equipped with six airbags as standard to help provide protection to the driver as well as the passengers. These include front, curtain and side airbags.

## Speedlimiter

The Speedlimiter won't let you exceed speed limits. Only a sharp thrust on the accelerator pedal to engage full throttle will deactivate the speed limiter, for safety reasons of course (standard from SE).

## ESC

The ESC (Electronic stability control) is further refined in the Fabia. XDS+ (electronically controlled differential) allows you to drive round corners more safely and dynamically. When some of the front airbags are activated, the MCB (multi-collision braking system), will attempt to control out-of-control skidding (standard on all Fabias).

Models shown are not UK specification.

## Driver fatigue sensor

The driver fatigue sensor evaluates data from the power steering sensors to detect any driver fatigue behaviour. In such cases, the Maxi DOT display warns the driver to take a break (optional on SE, SE L and Monte Carlo).

## Front assist

Using a radar in the front bumper, front assist initiates an audio/visual warning, using Maxi DOT, to warn about an impending collision. If the driver fails to respond, the system is designed to initiate braking to minimise any possible impact (standard on SE, SE L and Monte Carlo).

Models shown are not UK specification.

## The ŠKODA Fabia Colour Concept

Colour Concept, exclusively for the Fabia Hatch, allows you to become the designer. Choose your roof including A pillar, side mirrors and 16" Antia alloy wheels in either white, silver or black and match them with a selection of exterior body colours.

Please discuss possible colour combinations with your local Retailer.

## The ŠKODA Fabia Trims and Wheels

Please note CO<sub>2</sub> emissions can change if a different size alloy is ordered. This may potentially lead to a change in the VED and BiK amount payable. A change in VED may increase the Recommended On The Road (ROTR) price. Please refer to pages 36 and 37 for more details.

<sup>◊</sup> Standard EU test figures are for comparative purposes and may not reflect real driving results. Fuel consumption and CO<sub>2</sub> figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the ŠKODA website at [skoda.co.uk](http://skoda.co.uk) and at [dft.gov.uk/vca](http://dft.gov.uk/vca)

Depending on your chosen wheel size, different efficiency figures for CO<sub>2</sub> emissions and fuel consumption will apply (based on EU directive no. 715/2007 effective from 01/09/14).

CO<sub>2</sub> values for standard alloy wheels are listed above and can also be found from page 16 onwards, listed with the pricing.

Please note CO<sub>2</sub> emissions can change if a different size alloy is ordered. This may potentially lead to a change in the VED and BiK amount payable. A change in VED may increase the Recommended On The Road (ROTR) price. Please refer to page 36 for more details. These tables are reference guides to assist you in finding the correct CO<sub>2</sub>, fuel consumption, BiK and VED values based on wheel sizes and chosen engine. Please see page 38 for further details on BiK.

VED (Vehicle Excise Duty)			
Band	CO <sub>2</sub> (g/km)	First 12 Months <sup>1</sup>	Standard VED <sup>2</sup>
A	Up to 100	£0	£0
B	101 - 110	£0	£20
C	111 - 120	£0	£30
D	121 - 130	£0	£110

K	201 - 225	£650	£295
L	226 - 255	£885	£500
M	Over 255	£1,120	£515

**OTR (Recommended On The Road)**  
Recommended 'On the Road' prices include delivery, 12 months Road Fund Licence, DVLA First registration Fee (at £55), and apply to the United Kingdom only.

**VED (Vehicle Excise Duty)**  
All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO<sub>2</sub>) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO<sub>2</sub> figures may differ on these vehicles if taken from current SKODA UK stock. The VED bands are shown in the table opposite.

<sup>1</sup> First year vehicle licence rates for petrol and diesel cars purchased on or after 1st April 2016. First year rate or 'showroom tax' applies to new car purchases only.

<sup>2</sup> Rate reverts to the Government's applicable Standard VED rate in subsequent years.

Edition: UK 1st April 2016. VAT is calculated at 20%. Please confirm figures with your SKODA Retailer.

Company car tax is based on your car's carbon dioxide emissions. The higher the car's emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes.

**PIID (Expenses and Benefits)**  
The PIID value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

**BiK (Benefit in Kind)**  
The BiK percentage value is based on the CO<sub>2</sub> emissions of the vehicle for the current tax year 2016/2017.

## Calculating your tax liability

To find out how much tax you will pay, simply take the P11D value, then multiply this figure by the BiK percentage. Then simply multiply this figure by 20% or 40% depending on the level of income tax that you pay.

Please note if your employer provides you with free fuel, this is treated as an additional taxable benefit.

For more information on company car taxation please visit the HM revenue and customs website [hmrc.gov.uk](http://hmrc.gov.uk)

### BiK calculation example - Fabia S Hatch 1.0 MPI 60PS

P11D value	£10,695.00
Company Car BiK tax based on CO <sub>2</sub> emission level	18%
Taxable BiK (for 2016/2017 tax year): 18% of £10,695.00	£1,925.10

### Annual company car tax (2016/17)

20% Income Tax: 20% of £1,925.10	£385.02
40% Income Tax: 40% of £1,925.10	£770.04

### Monthly company car tax (2016/17)

20% Income Tax: £385.02 divide by 12 months	£32.09
40% Income Tax: £770.04 divide by 12 months	£64.17

## Warranty

### Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers.

Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, ignition adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

### Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, loss of personal effects or income are not recoverable under the terms of the warranty.

## Service intervals

When you order your Fabia, you can choose whether your car is on a fixed or a flexible service regime. Your retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: Service every 10,000 miles or one year (whichever comes first). This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum **and/or**
- > Mainly short journeys, drive mostly in towns or cities **and/or**
- > High vehicle loading/towing and frequent hill climbs **and/or**
- > Heavy accelerating and braking, using high revs

Flexible regime: Sensors in the engine detect when a service is needed. You will be informed of this by a service light which will show at any point between 9,000 and 20,000 miles, up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. The vehicle service regime does affect the entitlement service plan\*\* if you choose to purchase this.

# ŠKODA Solutions Personal Contract Plan. Your journey, your choice.

ŠKODA Financial Services like to do things a little differently, that's why for many years we've specialised in providing simple and convenient funding options for ŠKODA drivers. It's what we know.

ŠKODA's Solutions Personal Contract Plan is all about you; a flexible, fixed-rate plan designed around you and your budget, putting you firmly in the Fabia driving seat.

Solutions Personal Contract Plan is different because you defer a proportion of the car's value until the end of the agreement, giving you lower monthly repayments.

Solutions Personal Contract Plan is totally flexible. You get to choose the size of your deposit (from as little as one monthly payment), and a repayment period which suits you and at the end of the term you have 3 options to choose from.

## BALANCE

A flexible repayment period (18-48 months)

## OPTIONAL FINAL PAYMENT

3 choices at the end of the agreement

## DEPOSIT

As little as one repayment

1 Part-exchange the car for a new ŠKODA on a new Solutions Personal Contract Plan.

2 Pay the optional final payment so that you own the car.<sup>◊</sup>

3 Circumstances changed? Return the car to us (fees may be payable).

<sup>◊</sup>See notes on page 39 for more details.

## Free Insurance for 3 years.

No one likes to think about their ŠKODA being damaged in an accident. But if it was you'd no doubt want it repaired to ŠKODA standards, by a ŠKODA trained technician using only ŠKODA genuine parts. That's why we came up with Ensurance - ŠKODA's free accident and repair cover.

Ensurance works alongside your existing comprehensive motor insurance policy, no matter who you are insured with, to help get you back on the road as smoothly as possible. Better still, it's free for three years and is available on both new and older models.

### Your free Ensurance cover includes:

- > Guaranteed use of a ŠKODA approved repairer, ŠKODA trained technicians and the use of genuine ŠKODA parts and paints
- > A dedicated Claims Manager who will look after your entire claim from start to finish
- > Help to recover any uninsured losses with our Legal Expenses Cover
- > An online claims tracker so you can keep up to date with the status of any claim

To benefit from Ensurance you'll need to activate your free cover which takes less than a minute.

We hope you don't ever have to use your policy but it's nice to know it's there - just in case.

### Remember to call us first, Ensurance will help deal with the rest

Your car is **guaranteed** to be repaired by a ŠKODA approved repairer. Only **genuine** ŠKODA parts **will be used**.
