ŠKODA RAPID SPACEBACK

Effective: July 2016

Welcome to the ŠKODA Rapid Spaceback

The ŠKODA Rapid Spaceback gives you an opportunity to have your style and attitude reflected in your car.

When you look at the Rapid Spaceback, in terms of space and with regard to size, this compact hatchback offers rear passengers plenty of knee space and headroom, plus there's a generous luggage compartment.

Read on to find out more about the Rapid Spaceback's exterior design, ample useable space and range of thoughtful features and equipment.

Space is a feeling

Model shown is not UK specification.

The design outside turns heads.
The panoramic glass roof inside lifts them.

Design

The character of the Rapid Spaceback is enhanced by design and features elements that are both distinctive and highly functional.

The glass panoramic roof, with tinted glass, will give all passengers a feeling of space as well as a great view of the sky.

It will change the way you see space.

Model shown is not UK specification

Standard on SE Sport is the **panoramic glass roof** that allows in additional daylight. Two manually operated blinds can cover the whole roof if required. SE Sport also includes a black spoiler and extended tailgate glass.

EXTERIOR

- EXTENDED TAILGATE GLASS
- FRONT FOG LIGHTS
- PANORAMIC GLASS ROOF

The Rapid Spaceback is available with two roof options, the standard roof, or on SE Sport, a **panoramic glass roof** that enhances the design of this model.

Rear lights. The rear lights wrap around to the sides and are shaped in the distinctive ŠKODA "C" shape. On SE Sport the rear lights have a darkened black finish.

Front fog lights standard on SE Tech. Black fog lights standard on SE Sport.

Sunset glass Standard on SE Sport is Sunset glass from the B-pillar back. Available as an option on SE Tech.

Model shown is not UK specification. Steering wheel shown is for illustration purposes only.

The **dashboard**, which matches the design of the exterior with its clean style, is practically arranged so the driver clearly sees everything at a glance. All the controls on the dashboard and the driver's door are within reach and placed where the driver intuitively expects them to be. With **good head room** and **rear knee space**, this car is perfect for both business trips and family time.

INTERIOR

- AMUNDSEN SATELLITE NAVIGATION
- MANUAL AIR CONDITIONING

- DSG
- MAXI-DOT

Amundsen satellite navigation is standard on SE Tech and SE Sport. Amundsen has integrated maps for Western Europe, a 6.5" touchscreen and comes with **digital radio (DAB)**.

The **instrument panel** is laid out to reflect the curve of the steering wheel. The trip computer on S shows the time, gear change recommendation and fuel gauge. The Maxi Dot computer from SE Tech also shows average fuel consumption and allows the car's electronic system settings to be adjusted.

Manual **air conditioning** is standard on S, from SE Tech climate control air conditioning is standard which will maintain the temperature you select by regulating the fan speed.

The **7-speed DSG** (Direct shift gearbox) combines the advantages of mechanical and conventional automatic transmissions.

When changing gear, the DSG is able to keep the engine at optimal revolutions, resulting in **fast and smooth gear change**.

SPACE

- FRONT CENTRE ARMREST
- CLEVER STORAGE SOLUTIONS
- REAR ARMREST WITH THROUGH LOAD
- VAST BOOT CAPACITY

As well as offering comfort, this armrest opens to offer yet another **clever storage solution**, standard on SE Tech and SE Sport, optional on S.

The **rear seat armrest** with load through function and integrated **holder for two drinks** gives passengers the opportunity to enjoy the ride with refreshments, optional on SE Tech and SE Sport.

The **Simply clever package** offers a multimedia holder and door panel waste bin, optional on SE Tech and SE Sport.

The **boot package**, which consists of two vertical nets and one horizontal net on the floor, enables you to easily secure items for transportation (optional).

Glasses storage compartment, standard on SE Tech.

Impressive boot capacity

Model shown is not UK specification.

A generous 415 litres of storage space (384 litres with a spare wheel or 380 with the optional variable boot floor) is made more cavernous **with the rear seats down, offering 1,381 litres of space.** Add a wide opening and the Rapid Spaceback really is ready for anything you throw at (or in) it.

ŠKODA Simply Clever features

At every stage of it's production, the Rapid Spaceback's designers have kept the driver and passengers in mind. The result of this thoughtfulness is "**Simply Clever**" features throughout the car. Just little things to help make your life easier.

This handy storage compartment under the front seat easily holds a **safety vest** so if you do need it, it is always close to hand (vests available to purchase through ŠKODA Genuine Accessories).

Ticket holder at A-pillar. Happily holds parking permits and tickets.

Double sided boot floor. This smart feature lets you easily choose between a carpet or rubber boot floor. Taking suitcases to the airport? Go for carpet. Transporting wet wellies and a muddy dog? Flip it to rubber! (Optional)

Every Rapid Spaceback comes with an **ice scraper in the fuel filler cap** for those cold winter mornings. It also doubles up as a magnifier.

Variable boot floor. Available as an option on SE Tech and SE Sport. (Not available on 1.6 TDI).

Smart protection

The Rapid Spaceback has been built with a proven array of safety features. Whilst you hopefully won't need them, you can feel comfortable knowing that should you find yourself in an extreme situation, you can rely on the Rapid Spaceback.

Driver and passenger front, side and curtain airbags. Should an impact occur, large volume airbags activate in conjunction with the front seat belt pretensioners. This will help to anchor you in the middle of the seat and cushion you to reduce injury.

Telescopic front headlight washers, optional on SE Tech and SE Sport.

Families that fully occupy the car will certainly appreciate the option of equipping the car with a **third headrest in the rear**, designed for the passenger in the middle seat.

OTR (Recommended On The Road)

Recommended 'On the Road' prices include delivery, 12 months Road Fund Licence, DVLA First registration Fee (at £55), and apply to the United Kingdom only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock. The VED bands are shown in the table opposite.

¹ First year vehicle licence rates for petrol and diesel cars purchased on or after 1st April 2016. First year rate or 'showroom tax' applies to new car purchases only.

² Rate reverts to the Government's applicable Standard VED rate in subsequent years.

Edition: UK 1st April 2016. VAT is calculated at 20%. Please confirm figures with your ŠKODA Retailer.

Company car tax is based on your cars carbon dioxide emissions. The higher the car's emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes.

To help you work out your tax liability please refer to page 30.

P11D (Expenses and Benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2016/2017.

** Exclusions and terms and conditions apply. For details see page 31 or speak to your local ŠKODA retailer.

Calculating your tax liability

To find out how much tax you will pay, simply take the P11D value, then multiply this figure by the BiK percentage. Then simply multiply this figure by 20% or 40% depending on the level of income tax that you pay.

Please note if your employer provides you with free fuel, this is treated as an additional taxable benefit.

For more information on company car taxation please visit the HM revenue and customs website hmrc.gov.uk

BiK calculation example - Rapid Spaceback S 1.2 TSI 90PS

P11D value	£13,620.00
Company Car BiK tax based on CO ₂ emission level	18%
Taxable BiK (for 2016/2017 tax year): 18% of £13,620.00	£2,451.60

Annual company car tax (2016/17)

20% Income Tax: 20% of £2,451.60	£490.32
40% income Tax: 40% of £2,451.60	£980.64

Monthly company car tax (2016/17)

20% Income Tax: £490.32 divide by 12 months	£40.86
40% income Tax: £980.64 divide by 12 months	£81.72

Warranty

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers.

Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, ignition adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, loss of personal effects or income are not recoverable under the terms of the warranty.

Service intervals

When you order your Rapid Spaceback, you can choose whether your car is on a fixed or a flexible service regime. Your retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: Service every 10,000 miles or one year (whichever comes first). This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum **and/or**
- > Mainly short journeys, drive mostly in towns or cities **and/or**
- > High vehicle loading/towing and frequent hill climbs **and/or**
- > Heavy accelerating and braking, using high revs

Flexible regime: Sensors in the engine detect when a service is needed. You will be informed of this by a service light which will show at any point between 9,000 and 20,000 miles, up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. The vehicle service regime does affect the entitlement service plan** if you choose to purchase this.

ŠKODA Solutions Personal Contract Plan. Your journey, your choice.

ŠKODA Financial Services like to do things a little differently, that's why for many years we've specialised in providing simple and convenient funding options for ŠKODA drivers. It's what we know.

ŠKODA's Solutions Personal Contract Plan is all about you; a flexible, fixed-rate plan designed around you and your budget, putting you firmly in the Rapid Spaceback driving seat.

Solutions Personal Contract Plan is different because you defer a proportion of the car's value until the end of the agreement, giving you lower monthly repayments.

Solutions Personal Contract Plan is totally flexible. You get to choose the size of your deposit (from as little as one monthly payment), and a repayment period which suits you and at the end of the term you have 3 options to choose from.

DEPOSIT

As little as one repayment

BALANCE

A flexible repayment period (18-48 months)

OPTIONAL FINAL PAYMENT

3 choices at the end of the agreement

1  Part-exchange the car for a new ŠKODA on a new Solutions Personal Contract Plan.

2  Pay the optional final payment so that you own the car.*

3  Circumstances changed? Return the car to us (fees may be payable).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA retailer for your personalised quotation today

Free Insurance for 3 years.

No one likes to think about their ŠKODA being damaged in an accident. But if it was you'd no doubt want it repaired to ŠKODA standards, by a ŠKODA trained technician using only ŠKODA genuine parts. That's why we came up with Insurance - ŠKODA's free accident and repair cover.

Insurance works alongside your existing comprehensive motor insurance policy, no matter who you are insured with, to help get you back on the road as smoothly as possible. Better still, it's free for three years and is available on both new and older models.

Your free Insurance cover includes:

- > Guaranteed use of a ŠKODA approved repairer, ŠKODA trained technicians and the use of genuine ŠKODA parts and paints
- > A dedicated Claims Manager who will look after your entire claim from start to finish
- > Help to recover any uninsured losses with our Legal Expenses Cover
- > An online claims tracker so you can keep up to date with the status of any claim

To benefit from Insurance you'll need to activate your free cover which takes less than a minute.

We hope you don't ever have to use your policy but it's nice to know it's there - just in case.

Remember to call us first, Insurance will help deal with the rest

Your car is **guaranteed** to be repaired by a ŠKODA approved repairer. Only **genuine ŠKODA parts will be used.**
