THE NEW ŠKODA
OCTAVIA

THE NEW ŠKODA OCTAVIA

Improving an icon is an ambitious task. But with the new ŠKODA OCTAVIA, we took all the good things that made it such a complete car and made them even better. And then we added some more. The result is a car that is as striking to look at as it is compelling to drive.

On the inside, numerous connectivity features and safety assistant systems place the car in a class of its own. The new OCTAVIA is yet another example of our philosophy of making beautifully designed cars that are as much a joy to drive now as they were back when we started.

ŠKODA. Driven by Something Different.

NEW DESIGN

FULL LED HEADLIGHTS

With LED daytime running lights standard across the range, the new split-headlight design gives the car a bold new design.

LED REAR LIGHTS

The rear is all about LED technology. The rear lights, with familiar C-shaped illumination, now feature LED rear lights as standard, as well as the lighting of the registration plate.

LED BOARDING SPOTS

LED boarding spots are integrated into the door mirrors and designed to illuminate the area below the door when entering.

CONNECT WITH ŠKODA CONNECT

Being connected online means not only having access to entertainment and information, but to information that can assist you on your journey. ŠKODA CONNECT is your gateway to a world of unlimited possibilities.

SMARTLINK+ WITH APPLE CARPLAY AND ANDROID AUTO

WIRELESS PHONE CHARGING

ŠKODA CONNECT - GOOGLE MAPS

ŠKODA CONNECT - WEATHER

COMFORT AND CONVENIENCE

Driving should be a pleasure, not a chore. No matter whether you're on business or vacation, numerous practical features and ingenious details make every drive more comfortable.

HEATED MULTIFUNCTIONAL STEERING WHEEL

For the first time ever, the new OCTAVIA is available with a heated multifunctional steering wheel, providing the ability to control radio, phone and vehicle assistance systems, with the additional benefit of driver comfort in cold winter conditions.

REAR VIEW CAMERA

The new generation rear view camera system showcases a new, higher resolution camera and additional functionality modes. The camera is also equipped with a washer.

LED AMBIENT LIGHTING

With up to 10 different colours to choose from, personalise your interior space with LED Ambient Lighting.

Model shown is not UK specification.

UMBRELLA BOX

Greet the rain with a smile. The new ŠKODA OCTAVIA comes complete with an original ŠKODA umbrella which can be found under the passenger seat.

CAPACITY

Beautiful yet practical. The new ŠKODA OCTAVIA Estate provides a full 610 litres of space for your luggage, rising to 1,740 litres when the rear-seat backrests are folded down. Image shown also features the variable boot floor, for additional loading ease.

THE NEW ŠKODA OCTAVIA vRS

The new ŠKODA OCTAVIA vRS is available as a hatchback and estate with two four-cylinder engines to choose from. While the 2.0 TDI diesel engine continues to produce 184PS, the performance of the 2.0 TSI petrol engine has increased by 10PS to 230PS, making it the most powerful and fastest series-production model in the history of the ŠKODA OCTAVIA.

Model shown is not UK specification.

THE NEW ŠKODA OCTAVIA SCOUT

The new ŠKODA OCTAVIA SCOUT launches with two engine variants and state-of-the-art permanent all-wheel drive technology with electronically controlled, hydraulic multi-plate clutch. With underbody protection and a ground clearance that has been increased by 30 mm in comparison to the standard model, the new OCTAVIA SCOUT can conquer any terrain.
