THE FORD SUV FAMILY

EcoSport

Kuga

Edge

Go anywhere. Do anything.

A weekend break. Your drive to work. The nimble shortcut. The scenic route... wherever you go, the Ford EcoSport delivers fun and confidence with every drive.

All the rugged functionality of an SUV. All the dynamic spirit of a compact city car. Discover a combination of smart design, impressive engineering, intelligent technology and a host of exciting ways for you to personalise your EcoSport.

Spacious, eye-catching and athletic: it's the perfect SUV for life in the city plus so much more.

The place to be.

The EcoSport's sophisticated interior surrounds you with eye-catching design, beautifully crafted materials and sumptuous comfort features. While an array of advanced technologies are at your command, such as Electronic Automatic Temperature Control (EATC), Blind Spot Information System (option), automatic headlights, plus SYNC 3 with voice control (Standard on Titanium and ST-Line only), taking care of all the little details so you can concentrate on enjoying the drive.

- Control music, navigation (where fitted), phone calls and text messaging using only your voice (Voice control standard Titanium and ST-Line only)
- Automatic headlights are designed to detect failing levels of natural light and activate your headlights for you

Heated steering wheel

Easily activated at the push of a button, EcoSport's heated steering wheel provides an additional layer of comfort between you and the cold outside. (Option within Comfort Pack)

Meet your phone's new best friend.

Ford SYNC 3

Ford SYNC 3 integrates seamlessly with your compatible* smartphone, letting you control everything from phone calls and text messaging to music and satellite navigation - all via the 8" touchscreen or through remarkably simple voice commands. Complimentary map updates for 7 years (from the date of first registration) help to keep you on track and on time. (Standard on Titanium and ST-Line)

SYNC 3 features

- Manage your phone, music, apps and navigation with simple voice commands
- Hear your text messages read aloud for you
- Emergency Assistance† helps occupants place an emergency call to provide emergency services with the vehicle location in their respective language
- Control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you navigate your smartphone through the SYNC 3 home

screen, as if it were your handset

- Colour touchscreen supports multi-touch 'swipe' and 'pinch-to-zoom' gestures, and lets you arrange application icons and background displays just as you would on your tablet or smartphone

Access additional features via your smartphone with the **FordPass App**

- Select points of interest along your route. FordPass will send these locations to your SYNC 3 Navigation when you connect through AppLink
- Search for refuelling points by brand or fuel grade
- Search available parking spaces, opening hours and ratings

*Please note: Full SYNC 3 smartphone integration only available with iPhone 5/Android 5.0 (Lollipop) or higher. Some SYNC 3 functions require a data connection, so mobile data charges will apply. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information.

†Ford Emergency Assistance is an innovative SYNC feature that uses a Bluetooth®-paired and connected mobile phone to help vehicle occupants initiate a call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

Effortless connectivity with FordPass Connect.

For the first time ever, you and your Ford EcoSport can stay seamlessly connected wherever you are. That's because the FordPass Connect modem and the FordPass App, together, unlock a range of features designed to make every journey easier.

FordPass Connect

FordPass Connect* can help save you both time and hassle, as well as give you peace of mind.

- Live Traffic** delivers up-to-date traffic information directly to your SYNC 3 Navigation system every 30 seconds. The technology then adjusts your recommended route based on the traffic conditions, helping you to arrive on time
- On-board Wi-Fi*** - receive up to 4G Wi-Fi for a maximum of ten devices so you and your passengers can enjoy the same connectivity on the move as you would at home

FordPass App

FordPass Connect becomes even more powerful when paired with your Ford EcoSport and smartphone via the FordPass App, allowing you to access a host of features. Including:

- Use your phone to double-check your car is locked, or allow someone to access your car when you're elsewhere
- Monitor your fuel level, mileage and tyre pressures, all via your phone
- Find your way back to your parked car on a map
- Receive Vehicle Health Alerts directly to your smartphone

*FordPass Connect is standard on Titanium and ST-Line. Optional on Zetec. The on-board modem will be connected at the time of vehicle delivery. You may choose to opt in/out of certain data sharing.

**Live Traffic access is complimentary for the first 2 years following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a licence fee is payable.

***Wi-Fi hotspot (up to 4G LTE) includes complimentary wireless data trial that begins at the time of activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first. Afterwards a subscription to Vodafone is required, refer to their website for details of their data packages. To take advantage of the built-in Wi-Fi hotspot capability, a 2018 Ford vehicle must come with the appropriate hardware, and a data plan is required. Data coverage and service is not available everywhere and terms of your data plan, including applicable message and data rates, may apply.

See more.

HID xenon headlights

The Ford EcoSport HID xenon headlights are more than twice as powerful as conventional headlights, but use only two-thirds of the energy. (Option on ST-Line and option on Titanium as part of the Lux Pack)

It sounds live with B&O.

B&O

Whatever your taste in music, from classic tracks to modern anthems, it deserves to sound the way the artists intended. Ford's exciting new 675 watt, 10-speaker audio system from B&O delivers exactly that. Designed and fine-tuned for the EcoSport by specialist B&O acoustic engineers, it elevates the experience of every journey. And the distinctive speaker designs perfectly complement the EcoSport's stylish interior. (Option on Titanium and ST-Line)

- Model specific sound calibration
- 10-speaker premium sound system
- Dual voice subwoofer
- Surround sound
- 675 W power output
- Unique B&O design

- Tweeter
- Midrange
- Woofer
- Dual voice subwoofer

Add extra style.

Contrasting coloured roof⁺

Choose from a diverse collection of body colours with contrasting roof, rear spoiler and door mirror combinations, plus optional alloy wheels – all intended to further enhance the beautiful exterior and help make your new Ford EcoSport as unique as you.

⁺Standard on ST-Line and optional on Titanium; available with selected body colours.

Follow your own path.

Intelligent All-Wheel Drive system (AWD)

Ford EcoSport's Intelligent All-Wheel Drive system continually monitors your driving environment, optimising traction whatever the surface, to direct power between wheels as required. A display on the cluster panel shows the amount of drive going to each wheel, helping you stay alert to any changes in the road conditions. (Option on Titanium and ST-Line series)

Styled for sport.

EcoSport ST-Line

ST-Line delivers all the dynamic practicality of the Ford EcoSport, with additionally eye-catching sports inspired style. Unique ST-Line bumpers and side skirts, Dark Tarnish alloy wheels, ST-Line exterior branding, plus contrasting roof, rear spoiler and door mirrors – all contribute to the car's unique blend of usability and head-turning good looks.

And this distinctively stylish image echoes through the ST-Line interior – with its unique ST-Line leather-trimmed steering wheel, black gearshift insert and stainless steel sports pedals, all emphasising the sports inspired character of its design.

Engineered for economy.

Ford EcoBoost. Sub 1-litre International Engine of the Year 2017.

The diamond-like coating on the piston rings reduces friction; the turbocharger, direct injection and variable valve timing boost efficiency. The result is remarkable performance from such an economical petrol engine. **Winner at the International Engine of the Year Awards** for six years running, the 1.0-litre Ford EcoBoost is available in 100 PS, 125 PS and 140 PS versions.

With the help of **Ford ECOnetic Technology**, EcoSport's latest engines are fuel-efficient. The 1.0 Ford EcoBoost 125 PS petrol engine achieves an impressive 53.3 combined mpg*, and from only 119 g/km of CO₂ emissions*. The 1.5 100 PS Ford EcoBlue diesel engine is even more frugal, achieving a combined fuel consumption of 67.3mpg*, and CO₂ emissions from 110 g/km*.

Powered by **FORD EcoBoost**

*NEDC CO₂MPAS correlated official test figures. Actual fuel consumption may differ. See Fuel & Performance section for more information.

FORD ECOSPORT Remarkable Features

Sunroof

An electrically-operated sunroof gives more beautiful views of surrounding scenery from the comfort of your EcoSport. A solar reflective coating is designed to help keep the interior cool when closed, while an internal sunblind provides extra shade when you need it. (Option on Titanium and ST-Line)

Paddle Shifters

The six-speed automatic transmission delivers a smooth, relaxing driving experience, especially in busy stop-start traffic. Change gear manually if you prefer, using the steering wheel-mounted paddle shifters (available with automatic transmission only).

Blind Spot Information System

Blind Spot Information System (BLIS) is designed to alert you via discreet warning lights built into the driver and passenger's door mirrors, when it detects another vehicle - car, van or lorry - entering your blind spot while driving. (Option)

Front and rear parking distance sensors

With Ford EcoSport you won't have to pass by those more challenging parking spaces. An audible warning helps you judge the distance between your car and obstacles at the back, for easier parking and manoeuvring. (Option on Zetec. Rear parking sensors are standard on Titanium and ST-Line)

Detachable tow bar

For extra transport and stowage capability, the tow bar can tow up to 1,100 kg depending on engine. For more information please see weights and loads located on page 36. The tow bar can be detached if not in use. (Option and accessory)

Quickclear heated windscreen

A heated element built into the windscreen is designed to clear the glass of frost and condensation, even on the coldest mornings. (Standard)

We chose Blue Lightning. What will you choose?

The EcoSport owes its beautiful and durable exterior to a special multi-stage painting process. From the wax-injected steel body sections to the protective top coat, new materials and application processes ensure your EcoSport will retain its good looks for many years to come.

*At extra cost.
The Ford EcoSport is covered by the Ford Perforation Warranty for 12 years from the date of first registration. Subject to terms and conditions.
[†]Body colour available from 2019MY in September 2018.
Note The car images used are to illustrate body colours only and may not reflect current specification or product availability in certain markets. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of the printing processes used.

Create your perfect EcoSport.

What's your favourite combination?

EcoSport lets you choose from a diverse collection of colour combinations. Use the table below to choose from the contrasting roof and door mirror options available for each body colour, or use the QR code to view all combinations online.

FORD ECOSPORT Accessories

Boot liner

Durable tray style liner, designed to keep the load compartment clean and tidy, ideal for transporting wet or dirty items. (Accessory)

Detachable tow bar

For extra transport and stowage capacity, the tow bar can tow up to 1,100 kg depending on engine (check with your Ford Dealer for further details). The tow bar can be detached if not in use. (Option and accessory)

Uebler⁺ rear bike carrier

High-quality tow bar-mounted bike carrier with optional practical tilting mechanism (depending on bike carrier model), for easy access to the load compartment. (Accessory)

Thule[®]+ roof bike carrier

High-quality, easy-to-install roof bike carrier from Thule[®]. (Accessory)

Thule[®]+ roof box

Designed to carry a wide variety of loads and protect them from weather and theft. All models come with dual-opening for easy access. (Accessory, available in various sizes)

Cross bars, for roof rails

Sturdy cross bars allow you to transport loads easily. (Accessory, only in combination with roof rails)

Mud flaps

Contoured mud flaps help to protect the bodywork of your Ford EcoSport from stone chips and road spray. Available as sets for front and rear. (Accessory)

Rubber floor mats

All-weather floor mats with the Ford EcoSport nameplate are tailor-made to fit perfectly and protect against dirt and damp. Made from a rubberised material and fixation clips to attach the drivers floor mat from slipping (Accessory).

*Item covered by third party supplier's warranty, please see back cover for further information.

Fitment of accessories may have an impact on your vehicle's fuel consumption

FORD ECOSPORT Engines

Reality check. Making fuel economy figures more realistic.

From 1 September 2017, certain new vehicles will be type-approved using the Worldwide Harmonised Light Vehicle Test Procedure (WLTP), which is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions. From 1 September 2018 the WLTP will fully replace the New European Drive Cycle (NEDC), which is the current test procedure. During NEDC Phase-out, WLTP fuel consumption and CO₂ emissions are being correlated back to NEDC and are shown as CO₂MPAS figures. There will be some variance to the previous fuel economy and emissions as some elements of the tests have altered i.e., same car might have different reported fuel consumption and CO₂ emissions. The figures stated in the table below are CO₂MPAS figures

To learn more about the new testing procedures, please visit www.dft.gov.uk/vca/fcb/wltp.asp

FORD ECOSPORT EcoBlue

Engineered for economy.

EcoSport's latest Ford EcoBlue diesel engines are remarkably fuel-efficient. The 1.5 125 PS Ford EcoBlue diesel engine achieves a combined fuel consumption of 64.2 mpg (4.4 L/100 km)*, and CO₂ emissions of just 113 g/km*.

- Power 125 PS
- Combined consumption 64.2 mpg (4.4 L/100 km)*
- CO₂ emissions 113 g/km*

*NEDC CO₂MPAS correlated official test figures. Actual fuel consumption may differ. See Fuel & Performance section for more information.

*In 4th gear. ⁹⁸Ford test figures. ⁹⁹The declared Fuel/Energy Consumptions, CO₂ emissions and electric are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk/>. DPF = diesel particulate filter.

FORD ECOSPORT Dimensions

Power-foldable mirrors

Neatly folding door mirror housings for when parking in narrow spaces. Electrically-operated for added convenience. (Standard on Titanium and ST-Line)

Height: 1,653 mm
Height (with roof rails): 1,713 mm

Width: 1,765 mm
Width (with mirrors): 2,057 mm

Length: 4,096 mm

Fold-flat split rear seats

Fold-down the 60:40 rear seats and you get 1,238 litres of space in the back.

Making ownership easy and affordable.

Take advantage of a range of invaluable services and make the most of your car.

FORD SERVICE

Allows you to relax knowing we're always by your side.

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car – throughout its life.

- Comprehensive service and maintenance plans
- Use of quality Ford parts for added peace of mind
- Ford trained technicians using the latest diagnostic equipment and tools
- Ford Online Service Booking
- One Call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers

Also, every Ford vehicle comes with 12 months UK & European Roadside Assistance from the date of registration. This can be extended for a further 12 months when your vehicle has a Scheduled service at a participating Ford Dealer.

FORD INSURE

At Ford Insure we provide insurance designed specifically for Ford owners. We have comprehensive cover which includes features and benefits that really matter to you, along with first class service.

- Repairs carried out by Ford-trained technicians at Ford Accident Repair Centres
- Genuine Ford parts with a 5 year guarantee
- Small replacement car for the duration of your repairs
- Ford Insure experts at UK call centres
- 24 hour accident recovery
- Unlimited cover for standard fit in-car entertainment equipment
- Up to 90 days European cover
- Replacement child seats in the event of an accident

Terms and conditions apply.

Ford Insure is sold and administered by Europa Group Limited which is authorised and regulated by the Financial Conduct Authority. Registration number 309794. Registered in England with company number 3279177. Registered office: Europa House, Midland Way, Thornbury, Bristol, BS35 2JX.

FORD PROTECT

Extend your warranty up to 5 years/100,000 miles with Ford Protect.

Extend your standard 3-year/60,000 miles warranty and enjoy worry-free motoring for many years to come. Ford Protect provides a range of key benefits including:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- With Ford Protect, the price of parts and labour are guaranteed for the length of your plan
- Help prolong the lifespan of your Ford vehicle
- Help protect your vehicle resale value

To help increase potential resale value, Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

Ford Protect terms and conditions apply see ford.co.uk/extended-warranties for more information.

FORD Protect Extended Warranty for New Vehicles

	Total Mileage (mls)
4 Year Protection	80,000 mls
5 Year Protection	100,000 mls

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **+**The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Ford and BP – working together to reduce fuel consumption and emissions.
