

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. Insurance groups are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation. Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Optional equipment. Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. *Ford Information Service. Calls are charged at national rate and may be recorded for training purposes.

*Ford Information Service. Calls are charged at national rate and may be recorded for training purposes.

Allergy-tested interior All the materials used in the manufacture of the interior of the vehicles meet the strict requirements of the TÜV TOXPROOF Criteria Catalogue for Vehicle Interiors by the TÜV Produkt und Umwelt GmbH and are designed to minimise the risk of allergic reactions. With doors and windows closed, the interior materials selected – together with the integrated pollen filter – protect the passengers against most allergising particles from the outside air. At higher temperatures, the additional use of air conditioning is recommended.

FordFocus Coupé-Cabriolet

Feel the difference

Fabulously styled

The Ford Focus Coupé-Cabriolet brings you two sensational cars in one. It's a sporty coupé with the roof up; a sophisticated cabriolet with the roof down.

Created in partnership with Pininfarina, the Italian design house, Ford Focus Coupé-Cabriolet appeals to those who value true originality and purity of design. And it's this special combination that really stirs your emotions.

The merest glimmer of blue sky will prompt an exhilarating roof-down drive. Maybe it's the wind in your hair, or simply because the world always looks better in the sunshine, but nothing has the ability to bring a smile to everyone's face quite like the Ford Focus Coupé-Cabriolet.

Dynamically driven

It's a feeling
of awe...

It's an
awesome
feeling...

It's a sense
of space

It's a sense of freedom

You're driving along in your sleek, aerodynamic 4-seater coupé. The sun comes out. Being able to adapt to changing circumstances puts a more positive slant on life. So, pull over and at the push of a button without moving from your seat, the 2-part hardtop folds back to reveal you're sitting in a stunning cabriolet. Take off, then take off. True to its Ford Focus heritage, whether you're in coupé mode or going along with the top down, this car displays uncompromising driving dynamics. With independent Control Blade rear suspension, it's precise and sure-footed, nimble and responsive, everything you need to own the road – at least, that's how it'll feel.

It's a feeling of being in control

Take your place behind the wheel and you'll feel like you're not just in the driving seat but poised to enjoy the open road. While the sense of freedom is tangible, you'll always feel in touch as sophistication surrounds you in the shape of the latest technical features that are available as options. Voice-activated controls and Bluetooth® hands-free technology mean you can manage the audio as well as your Bluetooth® - compatible mobile phone, simply at the sound of your voice. With the convenient and secure KeyFree System there's no need to hunt for your car keys, while the DVD navigation system with 7" colour touch screen provides detailed audio-visual directions to your destination.

Sony 6CD audio
Sony audio system features an in-dash CD autochanger and optional DAB digital technology. Also offers MP3 playback capability, external AUX jack and an optional USB port. (Option)

Voice Control
Make and receive calls using your Bluetooth® compatible phone, wherever it is in the car, and operate the audio, navigation and climate systems* without taking your hands off the steering wheel. (Option)

*Requires Dual Electronic Automatic Temperature Control (DEATC) air conditioning.

It's the fun of choosing

Which Focus Coupé-Cabriolet is right for you? Whichever model you choose, you'll discover a genuine 4-seater, with more leg and headroom than you would expect in a car of this class: the result of hundreds of hours of research exploring just how people sit in cars. And adding to your comfort is air conditioning as standard and a choice of luxury fabric, partial leather or leather interior in three shades.

CC-1

Detail upon detail defines the Focus Coupé-Cabriolet and the CC-1 with roll-over protection and chrome detailing is evidence of a car that is exciting, practical and stylish.

- 16" 5-Spoke Alloy Wheels
- Electronic Stability Programme
- Radio/CD with 6 speakers
- CFC free Air Conditioning
- Electrically operated and heated door mirrors
- Body colour door handles and bumpers
- Thatcham Cat 1 Alarm

CC-2

Performance-inspired features such as the sport suspension and 17" 10-spoke wheels as well as the heated windscreen make this a highly distinctive and desirable model.

- 17" 10-Spoke Alloy Wheels
- Sony Audio system CD/MP3 player
- 3-spoke Leather Sports Steering Wheel
- 'Quickclear' heated windscreen
- Unique Sports Suspension
- 2.0L Duratec (145PS) Petrol engine
- Optional 2.0L Duratorq TDCi (136PS) Diesel engine available at extra cost

Images may show optional features.

Images may show optional features.

CC-3

Rich in features, including partial-leather seats, cruise control and air conditioning, the CC-3 adds a touch of luxury, taking comfort, style and practicality to impressive levels.

- 17" 10-spoke 'machined' Alloy Wheel
- Sony Audio 6CD player
- Partial Leather trim
- 4-spoke Leather Steering Wheel
- Cruise Control
- Heated front seats
- Rain Sensing Wipers, Automatic headlights and Auto-dimming rear-view mirror
- Drivers seat power height adjustment
- 2.0 Duratec (145PS) Petrol engine
- Optional 2.0L Duratorq TDCi (136PS) Diesel engine available at extra cost

Images may show optional features.

Eibach suspension lowering kit

The Eibach suspension lowering kit gives your car a sportier appearance. Lowers the car by approximately 30 mm. (Accessory)

Styled handbrake cover

Designed with unique 'aluminium effect' inserts to match perfectly with the gear lever knob. (Accessory.)

Premium velour floor mats

Available in four colour combinations to harmonise with your Focus Coupé-Cabriolet interior style and colour. (Accessory, standard on CC-3)

Space to boot

The Focus Coupé-Cabriolet gives you 534 litres of space with the roof up and 248 litres with the roof down. Plenty of space for that well-planned touring holiday or a spur-of-the-moment weekend break. For a car of this class, the Focus Coupé-Cabriolet gives you more, in more ways than one. (Image below shows Cargo net which is available as an Accessory)

Unique chrome-finish mirrors

with integrated side indicators, styled to accentuate the elegant design of your car and to perfectly complement the standard chrome features. (Option and Accessory.)

Foldable windbreak

With the top down and the windbreak up, you can enjoy the fresh air in comfort. When not required, the windbreak can be simply folded away to store in the boot in its own bag. (Option and accessory.)

Becker satellite navigation system

Single DIN-sized navigation system renowned for its brilliant sound and superior navigation abilities. Also plays CD/MP3. (Accessory.)

It's a personal thing

There is a host of extras with which you can shape the Focus Coupé-Cabriolet to a perfect fit with your lifestyle. Each item from the range allows you to personalise your car your way, so it better suits your needs and your individual style.

Option = Must be ordered at time of vehicle purchase

Accessory = Available from your Ford Dealer

CC-1
16" 5-spoke
alloy wheel
(Standard)

CC-2
17" 10-spoke
'anthracite/machined' alloy
wheel
(Standard on CC-2 and
available as accessory)

17" 5-spoke alloy wheel
(Accessory)

17" 7x2-spoke alloy wheel
(Accessory)

18" 5-spoke alloy wheel
(Option and accessory)

18" 7-spoke 'anthracite/
machined rim' alloy wheel
(Accessory)

18" 7-spoke 'machined'
alloy wheel with chrome
centre cap
(Accessory.)

18" 10-spoke Y-design
alloy wheel
(Option and accessory)

Wheels and alloys

Each distinctive wheel adds another element to the Focus Coupé-Cabriolet's sleek and stylish design.

CC-3 17" 10-spoke 'silver/
machined' alloy wheel
(Standard on CC-3 and
available as accessory,

We are all beginning to understand the impacts that mobility is having on climate change. While we can't change things overnight, we are working very hard to find solutions.

Our range of finance, insurance, service and assistance options is designed with just one thing in mind – making life easy for you.

Making a difference

On Ford Focus, Ford C-MAX, Ford Mondeo, Ford S-MAX and Ford Galaxy, our optional Flexifuel engine, fuelled by E85, is achieving emission reductions of around 30% to 80%** compared to conventional petrol engines. E85 is a mixture of 85% plant-derived ethanol and 15% petrol, but these models can run on any mixture of the two – even 100% petrol.

On Ford Focus and Ford Mondeo, new low emission diesel ECONetic derivatives are now available. Ford Focus ECONetic delivers more than 65 mpg, emitting just 115 g/km of CO₂ and Ford Mondeo ECONetic delivers more than 53 mpg on 5-door, emitting 139 g/km of CO₂.

Protecting the future

Using our Product Sustainability Index, a design for sustainability management tool, we are addressing the environmental, social and economic impacts of our vehicles from the earliest stages of their development*.

We are working on a wide range of vehicle technologies from biofuels to hybrids and clean diesels, and in the long term to hydrogen fuel-cell technology with the potential for near zero CO₂ emissions.

Improving our manufacturing facilities

Elsewhere, we are working to minimise the impact of our facilities on the environment, for example by pioneering on-site generation of electricity from sun and wind.

Breathe easier

The allergy-tested interiors of Ford Ka, Ford Focus, Ford C-MAX, Ford Mondeo, Ford S-MAX and Ford Galaxy models were the first worldwide to receive the approval of the independent German TÜV organisation, and are endorsed by the British Allergy Foundation.

Recycling for good

In the interests of sustainability, many of our components contain recycled and renewable content. All Ford vehicles are at least 85% recyclable and 95% recoverable in accordance with ISO 22628. We offer free take-back for qualifying vehicles at the end of their lives. All our take-back points are fully licensed and must also meet additional Ford quality standards for the professional receipt, treatment and recovery of end-of-life vehicles.

This brochure has been produced on paper based on fibres from sustainable forestry, using a 100% chlorine-free (TCF) bleaching process.

*For more about this topic, see www.ford.com
**Dependent on feedstock used and production process. (Source: EUCAR CONCAWE study.) Ford supports the sustainable production of biofuels.

Ford Credit

Your local Ford Dealer can offer simple, plain language advice on the various ways of financing your purchase. They can help you complete an application and get a decision, usually within 15 minutes. For further details, visit www.ford.co.uk or contact your Ford Dealer.

Ford Options is the flexible plan if you want to change your car more often.

Ford Acquire is a straightforward plan for private customers and business users who want to own their cars outright.

Ford Business Partner provides dedicated advice for businesses that need a complete Contract Hire solution.

Ford Insure is a wide range of vehicle insurance products. When you purchase a Ford from a Ford Dealer, call us for a no-obligation quotation and we'll give you 7 days' free Driveaway cover*.

*Ford Insure may decline to quote in some circumstances, meaning that the 7 days' Driveaway cannot be given. Ford Insure is underwritten and administered by Norwich Union Insurance Limited. Registered in England No. 99122. Registered Office: 8 Surrey Street, Norwich NR1 3NG. Authorised and regulated by the Financial Services Authority. Quotations are valid for 60 days. Offer can be withdrawn at any time.

Services

Ford Protect

Your new Ford is protected by a 3-year/60,000-mile Ford Protect Classic Plan Warranty, and comes with Ford Assistance roadside cover throughout the UK and Europe for 1 year. You can also upgrade to a Ford Protect Premium Plan, giving you the option of scheduled servicing and extended Ford Assistance.

Ford Service

Like any vehicle, your new Ford needs servicing regularly to keep it in the best condition and to maintain its value. The Ford authorised repairer network is independently quality checked to ensure the highest standards of workmanship are maintained. Ford has the largest repairer network in the UK, and uses Ford-trained technicians, Ford-specific tools and the latest computerised diagnostic equipment specifically for your Ford.

Ford Accident Repair Centres

Should your Ford require accident repair, an approved Ford Accident Repair Centre is the best place to return your vehicle to its pre-accident condition. Repairers displaying the Ford Accident Repair Centre sign meet the rigorous customer service, technical and quality standards demanded by Ford. Ford trained technicians, the latest repair equipment and the use of original parts mean that the future safety and value of your vehicle are assured.

Contacts

Ford Customer Relationship Centre

In the unlikely event that your Ford Dealer can't help you or if you need to speak to us directly, call 0845 841 1111 at local rates.

Ford Rental – local service nationwide

Car and van rental from our latest model range. Contact your local Ford Dealer for more information.

Talkback – the company car drivers' club

This is your club for extended test drives, special events, and advice on tax and buying issues. Join free, even if you don't drive a Ford, on www.talkbackclub.com or call 0845 605 55 66.

Ford Mobility

Our MAGIC care centre provides free information on all motoring and mobility issues, including special offers for HRDLA and Motability recipients. Call free on 0800 240 241.

● = Standard, ○ = Optional, at extra cost.

6000CD audio

This single CD/radio RDS EON features AM/FM radio with 'Keycode' anti-theft coding, and four front and two rear speakers.

CD-SD navigation system

Offers route guidance and CD/tuner in one. Features a 5" full-colour display with colour map and turn-by-turn instructions to your destination. You can even play MP3 files direct from your memory card for enhanced sound quality. Also includes an external AUX jack, SD memory card slot for data exchange or map data and remote audio controls. (Option)

DEATC air conditioning

Dual-zone DEATC air conditioning allows both the driver and front passenger to control the temperature in their area individually. This feature can also work in conjunction with the optional Voice Control System (Option).

Cruise control

Reduce your stress on long trips or when towing, with optional cruise control. Simply select your desired speed and the system will maintain it for as long as you wish. Also includes leather-trimmed, 4-spoke steering wheel. (Option on CC-2, standard on CC-3.)
