

2021 Grand Cherokee

Jeep[®]

these roots
have run deep
since 1941

BORN AS A PURPOSE-BUILT 4x4 FOR THE FRONT LINES OF WWII IN 1941, JEEP® 4x4s SOON TRANSITIONED FROM THE BATTLEFIELDS TO THE FARM FIELDS AND BACKROADS OF AMERICA, WHERE THEY KEPT UP WITH HARD DAILY USE IN INDUSTRY AND RECREATION ALIKE. THROUGH 80 YEARS AND ALL MANNER OF TERRAIN AND WEATHER, A GROWING LINEUP OF JEEP® 4x4s HAS CONSISTENTLY MOVED THE BAR WITH STRONG DRIVETRAINS, INNOVATIVE ENGINEERING AND QUALITY COMPONENTS THAT STAND OUT FROM ALL OTHER 4x4 SUVs.

lean into the curves

Taking first-class passage to the very top of the lineup, Grand Cherokee Summit® puts all the luxuries at hand so you can drive away with a full complement of available premium amenities. Begin with the optional fully wrapped Signature Leather Interior Package that features plush Laguna leather trim throughout: on the heated and ventilated seats, the instrument panel, doors, center console, glove box and armrests. Exotic open-pore wood and metal accents are seen on the steering wheel and bezels. Standard cabin features expand to include a Uconnect® 4C NAV with a flush-mounted 8.4-inch full-color touchscreen that's easily integrated with your smartphone. The standard 825-watt Harman Kardon® Premium Audio System, with 19 well-placed speakers and 10-inch subwoofer, offers a concert-like experience to all passengers. Load cargo with ease, aided by the power liftgate.

1. Grand Cherokee Summit® with available Signature Leather Interior Package in Indigo / Ski Grey
2. Overland® in Granite Crystal Metallic
3. Grand Cherokee Summit Platinum Series in Velvet Red Pearl

designed mastery

Crafted to exacting details, Grand Cherokee Summit® Platinum Series presents an elegant profile. Unique 20-inch wheels shine, and a unique seven-slot grille is outlined in Platinum chrome and filled with impressive mesh inserts, with dual bright exhaust tips in the rear. Summit Platinum Series styling climbs higher with its Platinum chrome trim that enhances the roof rails and side window trim.

Grand Cherokee Summit® Platinum Series in Diamond Black Crystal Pearl

TODAY TONIGHT

top-tier standards

You're invited to an immediate "sensory-surround" experience by way of Grand Cherokee Summit® and its robust inclusion of high-level standard features found within its cabin. Its supportive yet highly cushioned seats are covered in Natura Plus leather trim with refined edge welting. Real wood and brushed chrome accents are found throughout, and especially stand out on the leather-wrapped, heated steering wheel. First- and second-row passengers enjoy heated seats as well. The standard Uconnect® 4C NAV dominates the front dash with its 8.4-inch full-color touchscreen and will fully integrate with your smartphone. The standard Harman Kardon® Premium Audio System situates 19 speakers in exactly the right location, with a deep subwoofer that helps fill the cabin with concert-like sound.

3

CommandView® Dual-Pane Panoramic Sunroof

This dual-pane sunroof with single sliding-glass panel includes a power-controlled sunshade in front and a fixed-glass window in the rear. Available.

Active Noise Cancellation utilizes sound-absorbing technology to enhance the effect of the acoustic glass in place on the windshield and side windows. Available.

Heated and Ventilated Seats Both the first and second rows are heated, with instant cooling seat ventilation for the driver and front passenger. Available.

Dual-Zone Automatic Temperature Control Constantly adjusts air temperature inside the cabin to create separate customized environments for the driver and front passenger. Standard.

Blu-Ray™ / DVD Player with Seatback-Mounted Video System Two 9-inch high-resolution screens integrated into the seatbacks can play DVDs and Blu-ray Discs®. Includes independent HDMI and RCA inputs for each screen. Available.

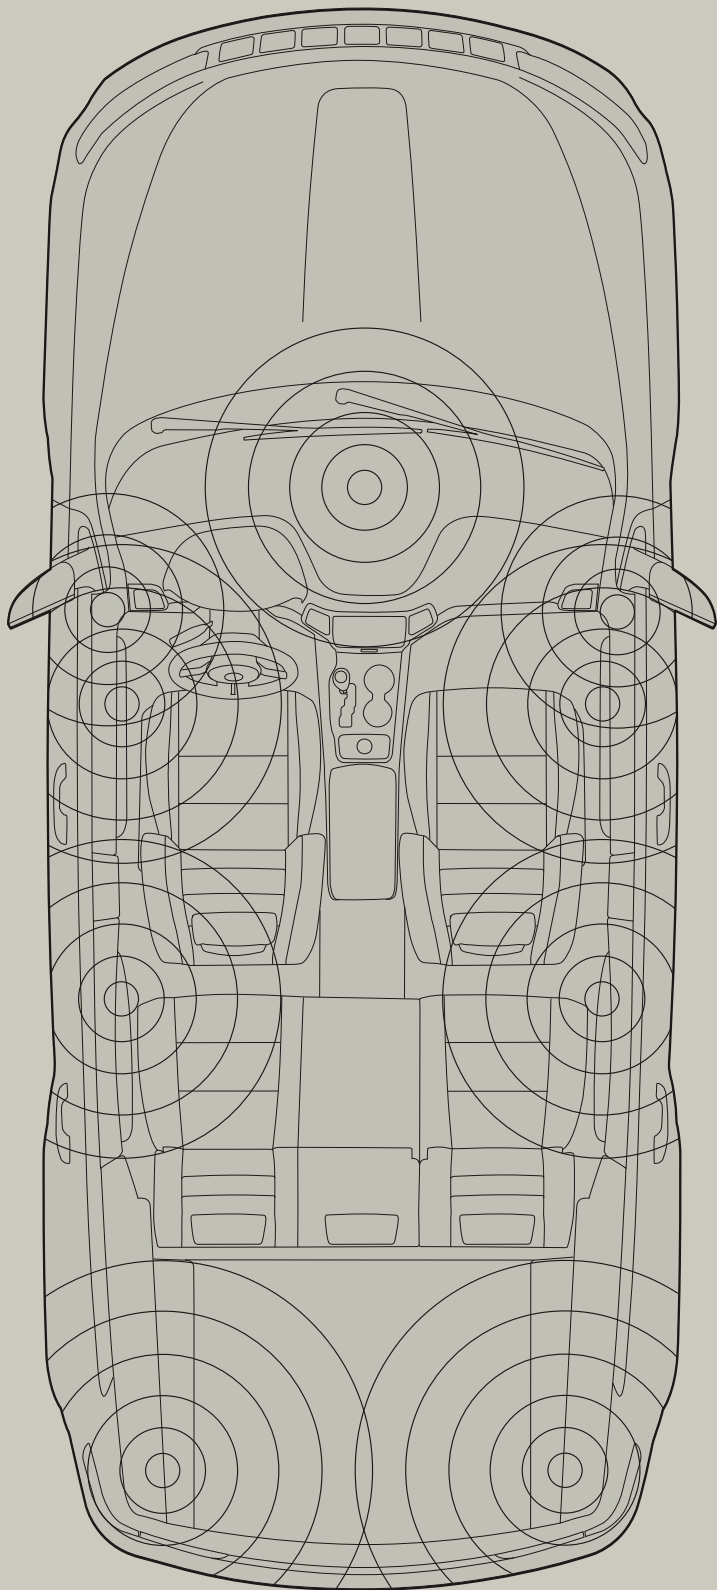

Sun and Sound Group Here, you'll add either the CommandView® Dual-Pane Panoramic Sunroof or the single-pane power sunroof (depending on the trim) and a 9-speaker Premium Alpine® Surround Sound System, giving seekers of music, sun and fresh air exactly what they crave. Available.

Remote Proximity Entry Keep the key fob in your pocket, open the door, get seated with your foot on the brake, press the Start button and simply shift into Drive. Standard.

Remote Start¹³ Climb into a pleasantly preheated or precooled Grand Cherokee — featuring a 328-ft range. Available.

Acoustic Glass Acoustic windshield and laminated front-door glass help remove the distractions of traffic and wind noise to deliver a noticeably hushed and peaceful ride. Standard. Rear sunroof acoustic laminated glass is standard on Grand Cherokee Summit®, SRT® and Trackhawk® models.

strategic audio design

19 SPEAKERS SURROUND YOU

Enter this virtual concert hall and take your seat. Select your program, adjust the volume, and enjoy a true and very dynamic Surround Sound experience, brought to you by Harman Kardon.[®] Available.

Precisely tuned to maximize the cabin acoustics of Grand Cherokee, the available 19-speaker Harman Kardon Premium Audio System takes you to places few other systems can.

Impressive dynamics feature a 10-inch subwoofer, designed to fill your personal soundstage. Get ready to feel the beat.

authentic 4x4

AUTHORITY

Jeep® Brand Four-Wheel-Drive (4WD) Systems

Quadra-Drive® II With the Electronic Limited-Slip Differential, you can gain ultimate traction by transferring up to 100 percent of torque to the rear wheel(s) with the best grip. Available.

Quadra-Trac II® All-Speed Traction Control quickly distributes power to the axle with the most traction. The two-speed transfer case acts quickly to keep you moving wherever challenging road conditions are found. Available.

Quadra-Trac I® Let this fully automatic 4WD system do the thinking for you. It can adjust traction without need for driver input, so you can keep moving forward with an optimal balance of torque distribution. Available.

Trailhawk® in Granite Crystal Metallic

Always drive within your capability and experience level, and consistent with conditions.

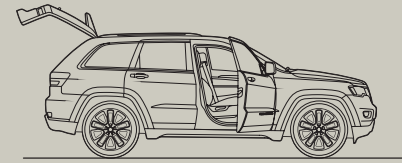

OFF-ROAD 1

OFF-ROAD 2

AERO

PARK

Class-Exclusive Available Quadra-Lift® Air Suspension¹⁴ adjusts your ride height to improve handling based on your driving needs. Quadra-Lift® smooths on-road handling, helps aid efficiency, and makes entry, exit and loading much easier. Raises up to 10.8 inches and lowers 1.6 inches from normal ride height. Allows for 20 inches of water fording¹⁵ Available.

seasons of mastery

Head out with confidence. You're equipped to go anywhere, knowing just about everything regarding the performance of your Jeep® Grand Cherokee.

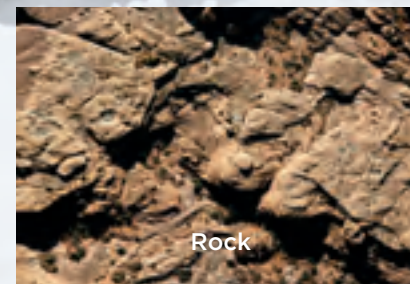

Snow

Trailhawk® in Green Metallic

Selec-Terrain® Traction Management System Five selectable settings let you dial in to the type of 4WD traction control your Jeep Grand Cherokee needs at any particular moment. Selec-Terrain® pairs with an available 4x4 system, giving you the ability to tailor your capability to the road and driving conditions. Selec-Terrain helps to adapt traction performance with a selectable dial that features Snow, Sand, Auto, Mud and Rock settings. This intelligent system gives you ultimate driving confidence by coordinating 12 vehicle systems, including throttle control. Available.

Off-Road Pages Access real-time performance data so you know just how far your suspension is traveling, and see how you're faring on the trail with the tilt-and-pitch gauge. In-depth vehicle diagnostics, including wheel turn, articulation and transmission temperature, all help to provide an optimized experience. Available.

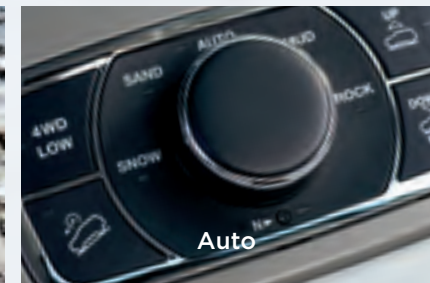

Rock

Sand

Mud

Auto

DO-EVERYTHING trail master

The Trail Rated® badge is an emblem of authority, and every Grand Cherokee 4WD system has earned it — the hard way. Every Trail Rated vehicle in the Jeep® Brand lineup must successfully pass tests in five performance categories: Traction, Articulation, Maneuverability, Ground Clearance and Water Fording.¹⁵ Navigating a Trail Rated Grand Cherokee hands over the confidence to conquer the most challenging conditions out there. You're equipped to experience all the thrills of remote off-road trails, as well as to tame Mother Nature's most demanding weather conditions.

Trailhawk® in Slate Blue Pearl

powerful motion control

Selec-Speed® Control adds Hill Descent Control (HDC) to the familiar Hill Start Assist. Hill Start Assist (standard) engages the throttle to help provide stable low-range control when going uphill, whereas HDC (available) uses engine and physical braking to aid in vehicle control when going downhill.

Grand Cherokee Trackhawk[®]

Hold on tight. You're about to go from 0 - 60 mph in 3.5 seconds.

Trackhawk[®] in Bright White

Quadra-Trac[®] On-Demand Four-Wheel-Drive (4WD) System Authentic Jeep[®] Brand 4WD resides in a rear Electronic Limited-Slip Differential and a single-speed transfer case.

Selec-Track[®] with Launch Control Adjust your suspension based on the way you want to feel the road below. Press a button to choose from five performance settings: Track, Sport, Auto, Snow and Tow. Press the system's Launch Control button to optimize every possible setting for maximum acceleration off the line.

Brembo[®] High-Performance Brake System Four-wheel disc antilock brakes provide important stopping power, from 60 mph in 114 ft. Massive 15.75-inch rotors with six-piston calipers in the front and 13.78-inch rotors with four-piston calipers in the rear are clad in a distinctive Yellow finish.

strength of a hero

Jeep® Grand Cherokee puts a range of advanced powertrain options in front of you. Choose how you'd like to move forward with strength, capability and the fortitude to tow.

The efficient and powerful

3.6L Pentastar® V6 engine Meet Grand Cherokee's standard proven performer. Its strength can pull up to 6,200 lb when properly equipped. Its economies can deliver an EPA-estimated 19 city / 26 hwy mpg.¹⁶ Engine Stop / Start (ESS) technology seamlessly and automatically shuts off the engine at full stops, then re-engages for takeoffs, resulting in a savings in fuel and lower emissions. Standard.

The 5.7L V8 engine with powerful towing Towing of up to 7,200 lb is earned via 360 hp, with 390 lb-ft of torque when properly equipped. Quick and responsive, this V8 workhorse also delivers efficiency gains due to the helpful Variable Valve Timing (VVT). Available.

The 6.4L SRT® V8 engine Here, Fuel Saver Technology is at the very core of Grand Cherokee SRT®. The heart of Grand Cherokee SRT churns out 475 hp and 470 lb-ft of torque. Fuel Saver Technology optimizes efficiency when V8 power is not required, with no sacrifice in performance.

6.2L Supercharged V8 engine It powers the Grand Cherokee Trackhawk®. With 707 hp under the hood and 645 lb-ft of torque, 0 - 60 mph in 3.5 seconds, and a top speed of 180 mph, it delivers a thrilling driving experience.

Standard 8-speed automatic transmission Moves with efficient, smooth-riding might, consistently using energy to its best advantage. You'll feel the enhanced acceleration and appreciate the reduced fuel consumption. Increased torque adds strength to pull. On Trackhawk and SRT, you can switch to Sport Mode, and both shifts and engine power are adjusted to hand over a sportier driving experience.

Eco Mode maximizes fuel efficiency It automatically modifies the shift schedule and torque converter. When you activate Eco Mode, idle speed is gently lowered, allowing gains in precious mpg.

on board for big trips

Tow up to 7,200 lb with the Trailer Tow Group IV. It includes heavy-duty engine cooling, a Class IV hitch receiver, a four- and seven-pin wiring harness, rear load-leveling suspension and a full-size spare. Available.

Grand Cherokee Summit® in Ivory Pearl Tri-Coat
Properly secure all cargo.

discover what drives you

Access the 7-inch reconfigurable Multi-View Display Cluster while keeping your eyes safely on the road via controls on the steering wheel. You'll instantly scroll through a selection of vehicle data displayed on your instrument panel, including available navigation, performance stats, alerts and estimated fuel consumption. Standard.

16

IN TOUCH WHEREVER YOU GO

achievement arrives with perks

Jeep® Grand Cherokee fulfills the quest for head-turning style supported by authentic capability. Travel to all those places you've always hoped to discover by way of a luxurious legend that doubles as a powerful road warrior.

arranged to take it all in

Whether you're heading out to roam the world or taking a trip across town, Jeep® Grand Cherokee is ready to adapt, carrying passengers, cargo and pets in spacious comfort.

The fold-forward front-passenger seat adds a convenient surface that can enhance your cargo-carrying capabilities. By flipping the passenger seat forward, you're able to carry longer items. Available.

This interior rearranges to fit your needs Each section of the 60 / 40 split-folding rear seat folds separately to create a customized space, including a large rear cargo area that offers up to 68.3 cu ft with the rear seat folded down. Standard.

Operate the power liftgate by pressing a button on your key fob to open Grand Cherokee's rear cargo area before you arrive at your vehicle. Fill the space with a full array of luggage, groceries and supplies when the 60 / 40 split-folding rear seats are folded down. Available.

Grand Cherokee Summit® Platinum Series in Velvet Red Pearl

confidence moves you ahead

With more than 70 standard and available Safety and Security features, including the ProTech II Group that delivers key complementary features grouped together, Jeep® Grand Cherokee helps you remain confident driving in all weather conditions, over all terrain. The strength of a reinforced structure adds a welcome layer between you and the outside world, with both passive and active systems working together to keep everyone safe and secure.

Overland® in Granite Crystal Metallic

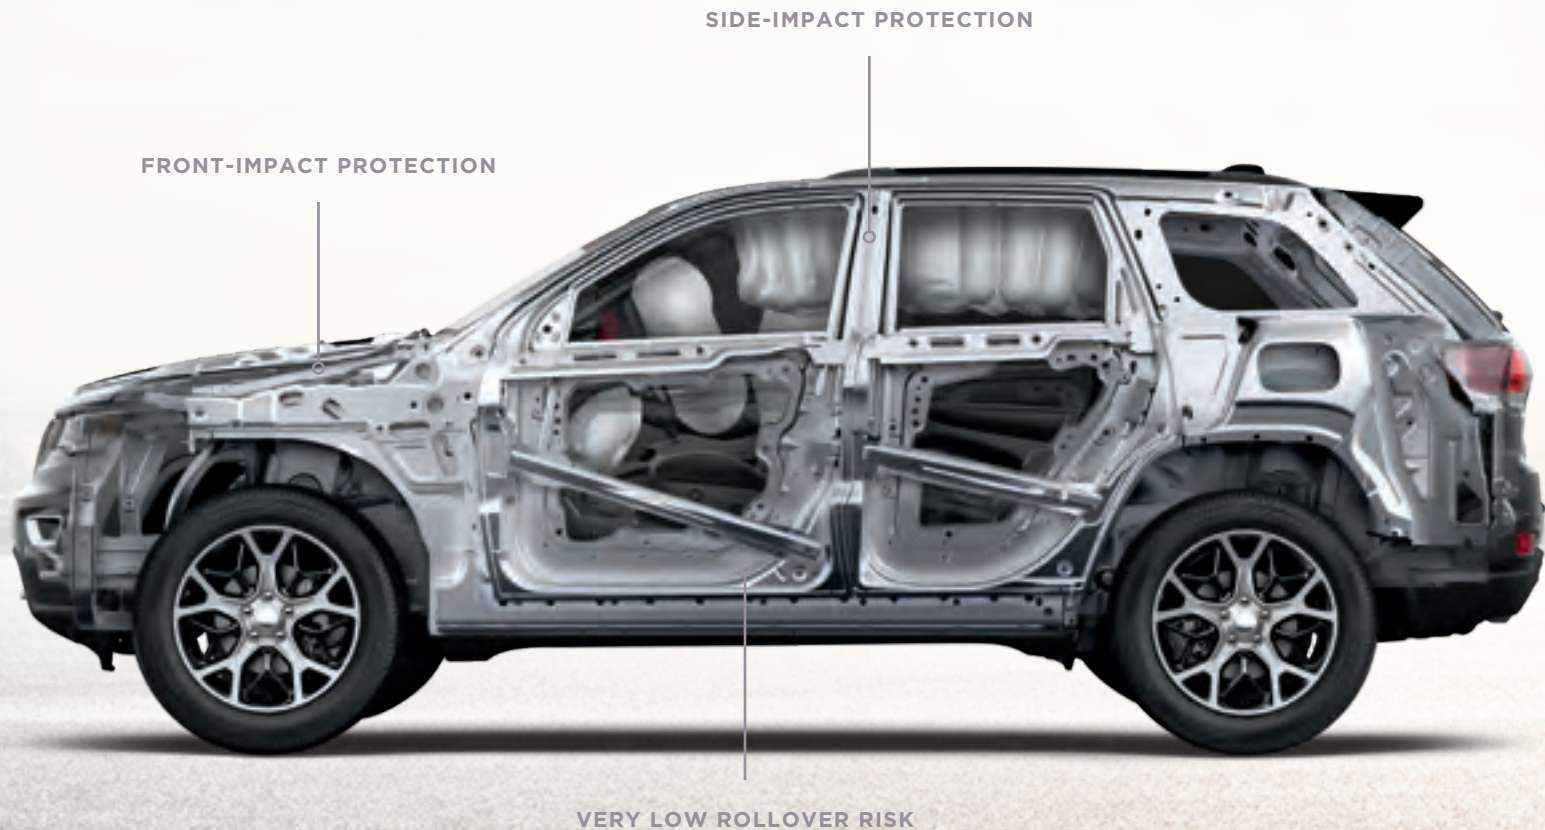

SAFETY & SECURITY

ProTech I STANDARD

- ParkView® Rear Back-Up Camera⁷ with Dynamic Grid Lines and Trailer View
- Blind Spot Monitoring⁸ and Rear Cross-Path Detection⁷ Systems
- ParkSense® Rear Park Assist System⁹

ProTech II AVAILABLE

- Adaptive Cruise Control with Stop¹⁰
- Parallel and Perpendicular Park Assist⁹
- Forward Collision Warning with Active Braking¹¹
- LaneSense® Lane Departure Warning with Lane Keep Assist¹²
- Rain-Sensing Windshield Wipers
- Advanced Brake Assist
- Auto High-Beam Headlamps

Blind Spot Monitoring⁸ and Rear Cross-Path Detection⁷ Systems

These systems monitor the space between you and other drivers. When a side or rear blind spot is encroached, you're notified via helpful icons illuminated on sideview mirrors, and an audible chime. Standard.

ParkView[®] Rear Back-Up Camera⁷ with Dynamic Grid Lines and Trailer View

Back out safely with grace. This system helps bring previously hidden rear objects to your attention, either on-screen or with an audible warning, in good time to react. You can also keep an eye on anything in tow while in motion. Standard.

ParkSense[®] Rear Park Assist System⁹ Works in tandem with ParkView[®] Rear Back-Up Camera.⁷ When the vehicle is in Reverse, the screen displays a dynamic distance grid to help gauge your rear perimeter. Standard.

Electronic Stability Control (ESC)³¹ A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should they detect you're veering off your intended path. ESC³¹ coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) and Brake Assist, All-Speed Traction Control and Trailer Sway Control (TSC),³² sending them into action when needed. Standard.

Adaptive Cruise Control with Stop (ACC Stop)¹⁰ Take the guesswork out of keeping a safe following distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring Grand Cherokee to a complete stop, without driver intervention, to help avoid a collision. Available.

Forward Collision Warning with Active Braking (FCW+)¹¹ Sensors detect when Grand Cherokee may be approaching another vehicle too rapidly, sending an audible and visual alert to the driver and providing 1.5 seconds of brake assistance if the driver does not react in time. Available.

Parallel and Perpendicular Park Assist⁹ This active guidance system controls steering automatically using ultrasonic sensors that help you ease into parking spots. Includes ParkSense[®] Front Park Assist⁹ sensors. Available.

LaneSense[®] Lane Departure Warning with Lane Keep Assist (LDW+)¹² Provides a visual and audible warning should the vehicle drift outside of lane boundaries or if the driver's hands are off the wheel. Available.

Rain-Sensing Windshield Wipers and Rain Brake Support Rain showers should never be a showstopper. Front wipers activate when raindrops are detected. The smart brake system helps dry the brake rotors on wet roads. Available.

Integrated Voice Command with Bluetooth[®] Allows drivers to safely send, reply or listen to a text¹⁸ (not compatible with iPhone[®]), take or make phone calls, and request detailed information, like fuel prices, while keeping both hands on the wheel. Standard. Navigation commands available on Uconnect[®] 4C NAV.

Trailer Sway Control (TSC)³² Crosswinds and traffic hold no sway over you and your payload. As part of ESC,³¹ TSC³² helps keep you and the toys you tow safely on course. Standard.

Sentry Key[®] Engine Immobilizer A unique, embedded key code matched only to your vehicle helps keep your Grand Cherokee safely where you parked it. Standard.

A Secure Air Bag²² System Your need for security is fully respected with Grand Cherokee's all-around air bag²² system. Full-length side-curtain, seat-mounted side thorax, and advanced multistage front and driver inflatable knee bolster air bags²² all work together to help provide protection. Standard.

Chassis Strength Maintain peace of mind with this strong safety cage constructed with 65 percent high-strength steel. Standard.

SRT (standard)	13.78 x 1.10 disc with Brembo 4-piston caliper SRT (available)
13.78 x 1.10 Performance disc, directionally slotted with Brembo 4-piston caliper	
Trackhawk	13.78 x 1.10
Performance disc, directionally slotted with Brembo 4-piston caliper	

FUEL SAVER TECHNOLOGY — Deactivates 4 cylinders during steady-speed cruising, low acceleration or shallow-grade climbing conditions (5.7L and 6.4L)

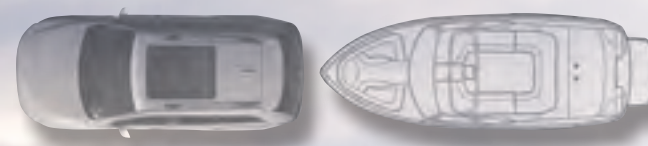

VARIABLE VALVE TIMING — Increases engine breathing by varying the degree the valves open and close in conjunction with the piston position, resulting in better performance, more efficient operation and increased torque for towing and hauling (3.6L and 5.7L)

TRANSMISSION — Driver-interactive manual control via steering-wheel paddle shifters and electronically modulated torque converter clutch with Eco Mode (standard)

SRT® / TRACKHAWK® — Adaptive electronic control with driver-interactive manual control via steering-wheel paddle shifters and electronically modulated torque converter clutch with 7 drive modes: Auto, Sport, Track, Snow, Tow, Eco and Valet

SUSPENSION — Front: short- and long-arm (SLA) independent, coil springs, gas-charged, twin-tube coil-over shock absorbers, steel upper and aluminum lower control arms (“A” arms), aluminum knuckle, and hollow stabilizer bar. AUTHENTIC JEEP® BRAND VEHICLE ACCESSORIES

When it comes to Grand Cherokee, not all parts and accessories are created equal. As the official service, parts and customer care provider for the Jeep® Brand, only Mopar® Parts and Accessories can ensure the proper fit, finish and functionality. That's because they're original equipment, engineered by the same people who designed your vehicle, which means you can personalize your ride with complete confidence.

Mopar is also more than parts and accessories. We're here to help you properly maintain and care for your vehicle. Our certified technicians are trained to know your vehicle best, and our Mopar Express Lane service departments are set up to get you in, out and back on the road. From parts and accessories to expert service and more, always be sure to choose Mopar. Learn more at mopar.com

an unstoppable pedigree

NO OTHER AUTOMOTIVE BRAND ON EARTH OWNS 4x4 INNOVATION LIKE THE JEEP® BRAND. FROM THE INDISPENSABLE WILLYS MB DURING WWII TO THE UNDENIABLE ORIGINALITY OF THE NEW GLADIATOR TRUCK, JEEP VEHICLES HAVE CONSISTENTLY BROUGHT “FIRSTS” TO THE 4WD SEGMENT, TAKING ADVENTURE-SEEKERS TO PLACES OTHERS ONLY DREAM OF REACHING. OUR PROMISE TO CONTINUALLY OFFER LEGENDARY CAPABILITY, OPEN-AIR FREEDOM, STYLE, 4xe HYBRIDS, SAFETY AND TECHNOLOGY REMAINS EVER AT OUR FOREFRONT.

CELEBRATING YEARS OF THE JEEP BRAND[®]

(1) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (2) To use Android Auto on your phone screen, you'll need an Android phone running 5.0 or higher and the Android Auto App. Google, Android, Android Auto, YouTube and other marks are trademarks of Google LLC. (3) The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility, please visit www.UconnectPhone.com. (4) Your service will automatically stop at the end of your trial subscription unless you decide to continue service. If you do not wish to enjoy your trial subscription, you can cancel it by calling the number below. **If you decide to continue service after your trial subscription, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. Please see our Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling us at 1-866-635-2349. All fees, content and features are subject to change. (5) All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States and Puerto Rico. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (6) Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. (7) Always check entire surroundings visually before proceeding. (8) Always check visually for vehicles prior to changing lanes. (9) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (10) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (11) This system is solely an alert system for the front of the vehicle that does not take any actions to change vehicle dynamics to avoid a collision, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (12) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (13) Check state and local laws regarding the use of remote start systems. (14) Based on *WardsAuto* Middle/Sport Utility Vehicle — excludes other FCA US LLC vehicles. (15) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (16) Based on 2021 EPA estimates with a 3.6L engine and 4x2 configuration. Actual mileage may vary. (17) You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. (18) Voice Text Reply feature requires a compatible mobile device that supports text messaging and Bluetooth. Visit www.UconnectPhone.com for system and device compatibility. (19) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (20) Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See dealer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (21) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's location. (22) Always sit properly in designated seating positions with seat belts securely fastened at all times. (23) Roadside Assistance Call provides direct calling to Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. (24) Remote Vehicle Start is not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. (25) To use Vehicle Finder, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. (26) Send & Go requires a vehicle equipped with a Uconnect 8.4 NAV or Uconnect 4C NAV unit. To use Send & Go, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. (27) Theft Alarm Notification is compatible with factory-installed alarms only. (28) Stolen vehicle police report required. (29) Available only on equipped vehicles with an active subscription to SiriusXM Guardian connected services (Family Drive Alerts is not available on vehicles with 12-inch touchscreen). All SiriusXM Guardian equipped vehicles come with a 12-month trial of the full suite of services effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue services. Services can only be used within the United States and Puerto Rico where cellular coverage is available. See coverage map for details. (30) Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. Amazon, Alexa and all related logos and marks are trademarks of Amazon.com, Inc. or its affiliates. (31) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (32) Always drive carefully, consistent with conditions. (33) Vehicle must be locked and system activated for alarm to sound. (34) Visit Mopar.com for complete details and a copy of the Basic Limited Warranty. (35) Visit Mopar.com for complete details and a copy of the Powertrain Limited Warranty. (36) Mastercard is a registered trademark of Mastercard International, Inc.
