During the 90s Le Tone had major hit, "Joli Dragon", and devoted himself to music for years before progressively moving towards illustrative art. Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

1974

Citroën launches CX. It's the ultimate mix of technical innovation and advanced design with the engine and gearbox positioned together at the front. Sophisticated hydropneumatic suspension, concave rear screen and a futuristic dashboard help it to succeed amongst more ordinary rivals.

2016

Cxperience Concept reinvents the prestige saloon. A bold, fresh silhouette, a high-end stylish interior and the latest technology combine to inspire the world of automotive design.

CITROËN Origins

Discover the models that make up Citroën's extraordinary history, from 1919 to the present day.

1934

Citroën revolutionises the automotive landscape with Traction Avant. The famous name relates to its ground breaking front wheel drive engineering.

1939

Citroën launches 'TUB', a supremely practical modern design with a sliding side door: its successor is the famous Type H, above, launched in 1948.

1948

The much-loved 2 CV is created as a "safe and economical vehicle, able to carry 4 people on-board and 50 kg of luggage". More than 5 million are made.

1955

Unveiled to a stunned public at the 1955 Paris Motor Show, DS takes futuristic design to new heights. Its stunning aerodynamic shape, created by Flaminio Bertone, earns it the nickname 'flying saucer'. Under the skin it's just as advanced.

1968

It's a golden age for light and agile vehicles like Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use.

2017

Winners of the Manufacturers' Rally Raid World Cup from 1993 to 1997; Rally Raid World Cup Drivers' Champion five times in a row; eight Manufacturers' Champion titles in WRC plus three in WTCC... Citroën has continued to demonstrate exceptional sports pedigree upon returning to WRC in 2017.

UNIQUELY DISTINCTIVE

Citroën C3 stands out thanks to its innovative character and strong personality. This can be seen in every detail, from the lighting signature with LED* daytime-running lights to the wheel arch extensions*, Airbump® and stunning 3D-effect rear lights. Unique and assertive, Citroën C3 doesn't do blending in!

**Depending on version.*

INNOVATIVE PROTECTION AIRBUMP®

Unmistakable at a glance, the Airbump® panels on Citroën C3 protect its bodywork from dents and scuffs. An exclusive Citroën innovation introduced on Citroën C4 Cactus, the panels consist of seven air-filled capsules made from tough polyurethane which can feature red or white surrounds, depending on the chosen roof colour.

Citroën C3 is available with or without Airbump® panels.

INDIVIDUAL STATEMENTS

Whatever your personal taste, with 9 exterior and 3 roof colours there's a Citroën C3 to match. Each roof colour comes with exterior colour touches including on the fog light surrounds, door mirrors and rear quarter panels. If you'd prefer, you can choose a body coloured roof (monotone), go with or without the ingenious Airbump® or add in the optional panoramic sunroof. Self-expression starts here...

'Urban' Red Ambiance

'Hype' Colorado Ambiance

YOUR IDEAL AMBIANCE

Beautifully made with fine detailing and attention to detail, the standard interior ambiance of Citroën C3 is welcoming and contemporary. There are also two optional ambiences encompassing contrasting seat trims, dashboard elements and stitching on the door straps.

- The 'Urban' Red Ambiance* creates a rich dramatic contrast between dark and light. The vibrant red dashboard surround and stitching bring out a dynamic character and sporty feel.

- The 'Hype' Colorado Ambiance** makes full use of high-quality, soft-touch materials and refined design. The tactile, bi-tone leather steering wheel is just one desirable feature to savour.

**Standard on Feel Nav Edition and Flair Nav Edition.*

***Available as an option.*

INSPIRED DETAILS

Around the interior of Citroën C3 you'll discover details inspired by architecture, interior design and even traditional luggage, such as on the beautifully finished overstitched door straps*.

PRACTICAL
PROGRESS

AN INTERIOR TO MAKE YOU FEEL AT HOME

Contemporary and welcoming, Citroën C3's interior has been designed to ensure serenity reigns supreme. The seats are wide, comfortable and supportive, while carefully selected materials and colours guarantee a feeling of well-being inside. Design inspiration comes from diverse sources, beyond the automotive world. Citroën C3 also features exceptional soundproofing and trademark Citroën suspension.

Metropolitan grey interior not available in UK.

PANORAMIC VISION

Choose the optional panoramic sunroof for Citroën C3 and your journeys take on another dimension. Visibility for everyone is transformed and natural light pours in, making the most of the changing elements. An integral sunblind allows you to fine-tune light levels if required.

PERFECTLY FORMED

Elegantly simple and beautifully made, Citroën C3's dashboard is shaped by the **Citroën Advanced Comfort®** programme. This means perfectly placed controls, crystal clear displays, tactile materials and the multi-function touchscreen* placed right at its heart.

**Depending on version*

3.99M OF COMPACT ROOMINESS

With plenty of space to relax and exceptional rear legroom, Citroën C3 has a big-car feel from the inside. Outside it's really compact, measuring just 3.99m in length – perfect for enjoying that natural agility and manoeuvrability. And to make it even more compact, Citroën C3 is equipped with electric folding door mirrors*.

*Excluding Touch versions.

Metropolitan Grey interior not available in UK.

DECLUTTERING MADE EASY

You'll find functional, spacious storage ideas throughout Citroën C3 to keep your interior clutter-free. The central storage compartment also features USB and 12V sockets*. Front doors also have good size pockets and the boot volume is 300 l.

*Depending on version.

TECHNOLOGY FOR LIFE

Citroën C3 is filled with innovative technologies and driving aids that are intuitive, simple and seamlessly quick. With a focus on safety, every advance is there to fit right into your routine, and enhance the everyday.

ConnectedCAM Citroën®* NOTHING GETS MISSED

As part of its suite of fashionable technology, Citroën C3 is home to a world first: ConnectedCAM Citroën®* is an HD camera that's discreetly fitted behind the rearview mirror and sees what the driver sees. With its wide viewing angle of 120°, you can film your arrival at fantastic places, whether that's spectacular scenery or awe-inspiring cityscapes and savour them anew later. The camera also has a click and share option, letting you take memorable photos and share them with your friends across social media. There's also a free ConnectedCAM Citroën® app** that transmits your GPS coordinates every time you stop. This means your Citroën C3 can always be found in an instant.

* Filming and taking photos with the connected camera and using recordings must comply with various laws, depending on the respective country, for example data protection regulations. You are responsible for compliance with such laws. Citroën cannot take any responsibility whether your insurance company will accept ConnectedCAM Citroën® recordings as a means of proof. Please check it with your insurance company before using.
** Your free app is available on the App Store and Google Play.

ConnectedCAM Citroën® PERSONAL SAFETY CAMERA

The free ConnectedCAM Citroën®* is about more than fun though, it's also an inspiring in-vehicle safety innovation. It films constantly, but if you need to break sharply, it saves the footage for 30-seconds before the event, and one-minute afterwards. This, combined with its geolocation function that registers your GPS coordinates each time you stop could prove invaluable in the event of an accident.

Metropolitan Grey interior not available in UK.

*Filming and taking photos with the connected camera and using recordings must comply with various laws, depending on the respective country, for example data protection regulations. You are responsible for compliance with such laws. Citroën cannot take any responsibility whether your insurance company will accept ConnectedCAM Citroën® recordings as a means of proof. Please check it with your insurance company before using.

CONNECTIVITY COMES NATURALLY

Using Citroën C3's extensive connected technologies is simply second nature. Citroën Connect Nav* can be controlled by either voice recognition or through the 7 inch touch screen and brings you a wealth of information, from real time traffic reports to the location and price of fuel, car parks and even weather forecasts. There's also a SpeedCam / Danger Zone option which sends you both audible and visual alerts for known accident black spots and traffic enforcement cameras.** Connect your smartphone to enjoy Mirror Screen, which allows you to control your smartphone+ applications using the touchscreen. Mirror Screen is available with Apple Carplay™, Android Auto and MirrorLink®.

* Available on some versions.

** Available in countries where legislation allows.

* Dependent on smartphone model.

Additional terms and conditions apply to connected services, including customer acceptance of location sharing prior to activation.

11 SAFETY AND DRIVER AID SYSTEMS

BLIND SPOT MONITORING SYSTEM*

A really useful safety innovation on multi-lane roads, the Blind Spot Monitoring System alerts the driver to vehicles approaching from behind in the blind spot, using an orange warning light mounted in the door mirror.

**Available as an option*

LANE DEPARTURE WARNING SYSTEM

If Citroën C3 crosses a solid or intermittent white line without the indicators being activated, the Lane Departure Warning System sends clear visual and audio alerts to the driver.

COFFEE BREAK ALERT

This system reminds the driver to take a break on long journeys, for example after 2 hours at average speeds over 40 mph.

CRUISE CONTROL/ SPEED LIMITER WITH SPEED LIMIT SETTING

The recommended figures can be set in the cruise control and speed limiter for complete peace of mind.

SPEED LIMIT RECOGNITION AND RECOMMENDATION

Designed to recognise speed limits and display them clearly to the driver on the dashboard.

KEYLESS ENTRY AND START*

Convenient and ingenious, you can now lock and unlock without getting your key out. The vehicle recognises you as you approach.

**Available as an option*

REVERSING CAMERA*

Engage reverse and the Reversing Camera with parking sensors shows a clear view of what's behind you on the 7 inch touchscreen. Additional coloured lines makes the position of obstacles clearer and helps you manoeuvre around them more easily.

**Standard on Flair and Flair Nav Edition*

HILL START ASSIST*

When you pull away on steep gradients, Hill Start Assist holds the car for 2 seconds, giving you time to pull away safely and smoothly.

**Depending on engine choice*

ACTIVE SAFETY BRAKE*

This new emergency braking technology minimises the risk of collision. It starts working from speeds of 3 mph and is designed to detect both fixed or moving obstacles as well as pedestrians. If the system detects a collision risk, it sends a clear warning and if the driver doesn't respond it automatically applies the brakes.

**Dependent on version*

DRIVER ATTENTION WARNING*

By analysing the direction of Citroën C3's travel, this reassuring system can detect if the driver has lost concentration and sends an audible and visual alert.

**Dependent on version*

AUTO INTELLIGENT BEAM HEADLIGHTS*

When vehicles are detected coming towards you or overtaking, the headlights will switch from main to dipped beam. It ensures you always have the right lighting for night driving.

**Dependent on version*

ENGINEERED FOR EVERYWHERE

Citroën C3 features a choice of the very latest PureTech petrol and BlueHDi diesel engines. Whichever suits you best, you'll enjoy a fine balance between economy, efficiency and go-anywhere performance. There are three petrol engines, PureTech 68, 82 and 110 S&S*, and one diesel engine, BlueHDi 100 S&S.

To make the most of Citroën C3's poise, comfort and agility, it is available with the advanced EAT6 auto [Efficient Automatic Transmission 6] automatic gearbox. In combination with the PureTech 110 S&S engine, this sophisticated transmission increases driving pleasure with fast smooth gear changes and maximise environmental efficiency too.

The PureTech 110 was awarded International Engine of the Year** in 2015, 2016, 2017 and 2018.

* Figures shown are for comparison purposes only; you should only compare these fuel consumption and CO₂ figures with other cars tested using the same technical standard. The fuel consumption you achieve, and CO₂ produced, in real world conditions will depend upon a number of factors: including the accessories fitted (post registration), variations in weather, driving styles and vehicle load. There is a new test WLTP (Worldwide Harmonised Light Vehicles Test Procedure) used to measure fuel consumption and CO₂ figures. The CO₂ figures shown are NEDCeq (New European Driving Cycle Equivalent), calculated using an EC correlation tool which converts WLTP figures to NEDC. These NEDCeq figures are based on the outgoing test cycle and will be used to calculate tax for the first registration. CO₂ and fuel economy figures may vary according to wheel fitment and optional extras fitted.

• CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

• CITROËN ASSISTANCE

Citroën Assistance brings rapid expert roadside assistance to you in an emergency in response to a telephone call. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, misfuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. For more details, please contact Citroën at <https://www.citroen.co.uk/owner-services/emergency-assistance>

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

• CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

• CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.

• CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Authorised Repairers know your Citroën best, so if your vehicle's MOT Test is due, why not contact your local Citroën dealer? You can be confident that your vehicle will be looked after by one of our expert trained Citroën Technicians, nominated by DVSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know your Citroën.

EQUIPMENT SPECIFICATION

To make choosing straightforward and enjoyable, we've worked hard to ensure that the information in this brochure is accurate at the time it was created in January 2020. It's important to remember that Citroën can introduce changes to the equipment and accessories featured, although these wouldn't alter the essential character and design of the models. Naturally the images and specifications are also dependent on trim level and any options included.

We know how important it is to present the right facts and figures, so our brochures are regularly updated, however it is important that you consult your dealer when ordering your vehicle to ensure you are advised of the latest specifications and equipment.

TECHNICAL SPECIFICATION

* Vehicle width/width with door mirrors.

All measurements are in millimetres.

**Figures shown are for comparison purposes only; you should only compare these fuel consumption and CO₂ figures with other cars tested using the same technical standard. The fuel consumption you achieve, and CO₂ produced, in real world conditions will depend upon a number of factors: including the accessories fitted (post registration), variations in weather, driving styles and vehicle load. There is a new test WLTP (Worldwide Harmonised Light Vehicles Test Procedure) used to measure fuel consumption and CO₂ figures. The CO₂ figures shown are NEDCeq (New European Driving Cycle Equivalent), calculated using an EC correlation tool which converts WLTP figures to NEDC. These NEDCeq figures are based on the outgoing test cycle and will be used to calculate tax for the first registration. CO₂ and fuel economy figures may vary according to wheel fitment and optional extras fitted. Figures quoted reflect a range of configurations (including non-UK market vehicles) and are subject to changes resulting from ongoing product development, range evolutions, testing and evaluations.

Citroën Insurance policies are underwritten by U K Insurance Limited, Registered office: The Wharf, Neville Street, Leeds, LS1 4AZ. Registered in England & Wales No. 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Citroën Insurance is a trading style of PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA.

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

• CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

• CITROËN ASSISTANCE

Citroën Assistance brings rapid expert roadside assistance to you in an emergency in response to a telephone call. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, misfuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. For more details, please contact Citroën at <https://www.citroen.co.uk/owner-services/emergency-assistance>

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

• CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

• CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.

• CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Authorised Repairers know your Citroën best, so if your vehicle's MOT Test is due, why not contact your local Citroën dealer? You can be confident that your vehicle will be looked after by one of our expert trained Citroën Technicians, nominated by DVSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know your Citroën.
