

CITROËN C4 CACTUS

INSPIRED
BY YOU

Origins
SINCE 1919

During the 90s Le Tone had a major hit, "Joli Dragon", and devoted himself to music for 15 years before progressively moving towards illustrative art. Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

1974

Citroën launches CX. It's the ultimate mix of technical innovation and advanced design with the engine and gearbox positioned together at the front. Sophisticated hydropneumatic suspension, concave rear screen and a futuristic dashboard help it to succeed amongst more ordinary rivals.

2016

Cxperience Concept reinvents the prestige saloon. A bold, fresh silhouette, a high-end stylish interior and the latest technology combine to inspire the world of automotive design.

CITROËN Origins

Discover the models that make up Citroën's extraordinary history, from 1919 to the present day.

1934

Citroën revolutionises the automotive landscape with Traction Avant. The famous name relates to its ground breaking front wheel drive engineering.

1939

Citroën launches 'TUB', a supremely practical modern design with a sliding side door: its successor is the famous Type H, above, launched in 1948.

1948

The much-loved 2 CV is created as a "safe and economical vehicle, able to carry 4 people on-board and 50 kg of luggage". More than 5 million are made.

1955

Unveiled to a stunned public at the 1955 Paris Motor Show, DS takes futuristic design to new heights. Its stunning aerodynamic shape, created by Flaminio Bertone, earns it the nickname 'flying saucer'. Under the skin it's just as advanced.

1968

It's a golden age for light and agile vehicles like Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use.

2017

Winners of the Manufacturers' Rally Raid World Cup from 1993 to 1997; Rally Raid World Cup Drivers' Champion five times in a row; eight Manufacturers' Champion titles in WRC plus three in WTCC... Citroën has continued to demonstrate exceptional sports pedigree upon returning to WRC in 2017.

— **THE HATCH**
THAT REDEFINES COMFORT

UNIQUE STYLE WITH DARING DETAILS

Citroën C4 Cactus inspires you at a glance with its new front light signature. Slender, sophisticated LED daytime running lights, a refined headlight design complemented by gloss black inserts and colour details* around the fog lights add up to a striking, fresh face. The iconic chrome chevrons extend around the daytime running lights, whilst side scoops and the widened air intake with bright chrome surround contribute to a new sense of dynamism. Rear styling asserts its versatile hatchback character, complete with stunning, redesigned 3D effect LED light signature.

** Depending on version.*

ELEGANT, DYNAMIC AND INDIVIDUAL

Citroën C4 Cactus has a unique profile and presence, from its unmistakable horizontal bonnet line, through the flow of its large windscreen and windows, to the wide, accessible tailgate. Combining compact dimensions with a long wheelbase, it's agile on the open road and effortless around town. Airbump® panels assure extra protection wherever you go.

Taking personalisation to another level, there are four Colour Packs* available, allowing you to add individual touches to front fog light trims and Airbump® panels. Choose from Gloss Black, Gloss White, Deep Red and Silver Chrome. There are no fewer than 31 exterior combinations to explore, so feel free...

**Depending on version.*

— INTERIOR REFINEMENT AND STYLE

Inside Citroën C4 Cactus you're surrounded by bold design, quality materials and beautiful finishing touches. Elements such as the Top Box straps and door handles draw their inspiration from the world of fine luggage, whilst the distinctive horizontal dashboard places all essential controls on the 7 inch touch screen, leaving plenty of clutter-free space. The semi-raised centre console is detailed with gloss black and chrome inserts, adding to the relaxing, contemporary feel. With the sculpted, welcoming Advanced Comfort Seats Citroën C4 Cactus takes comfort and style to an even higher level.

4 INTERIOR AMBIANCES

Inspired by the world of furniture and the spirit of travel, Citroën C4 Cactus offers a choice of 4 diverse interior ambiances.

Wild Grey ambiance* (standard ambiance) is full of vitality yet refined too, with seats in Silica Grey cloth, offset with a light grey strip on the seat backs. The light grey strip also features on the dashboard top, armrests, door and Top Box straps.

Metropolitan Red ambiance* emphasises the feel of airy space, through design clarity and smooth, tactile materials. Seats are finished in Silica Beige cloth with a striking dark red strip on the seat backs, and the same red accents are found on the dashboard top.

Hype Grey ambiance* evokes an elegant premium feel with half black grain leather seats and grey dashboard top.

Hype Red ambiance* is the ultimate expression of interior style and substance, with seats finished in Beige Nappa leather and Beige cloth, plus a dark red strip of Alcantara across the upper seat backs. The dashboard top is also dark red, while armrests, door and Top Box straps are in contrasting Beige.

INTELLIGENT
STORAGE

A NEW KIND OF COMFORT

CITROËN ADVANCED COMFORT® delivers unrivalled comfort levels to each passenger. Using new technology and intelligent design, it's an approach that keeps you relaxed and refreshed in body and mind. In typical Citroën style, everything that contributes to comfort has been carefully considered and rethought. Four core themes are used to create the **perfect** driving environment: soft contact points and low noise levels, interior space and **versatility**, intuitive and useful **technology** and pure, **calm comfort** all round.

EFFORTLESS
TRAVEL

PRACTICAL
PROGRESS

CITROËN
WORLDWIDE
EXCLUSIVE

INNOVATION
**SUSPENSION
WITH PROGRESSIVE
HYDRAULIC
CUSHIONS®**

Innovation is part of Citroën's DNA and so is providing exceptional comfort. This is why Citroën C4 Cactus features a world-first suspension design that delivers both extraordinary comfort and agility. Effortlessly absorbing imperfections and changes in the road surface, the system also keeps body movements perfectly controlled for stable progress and quick responses.

A CITROËN INNOVATION FOR UNRIVALLED COMFORT

The Progressive Hydraulic Cushion® is like many Citroën innovations: beautifully simple. Unlike an ordinary suspension system that uses a shock absorber, coil spring and mechanical stop, the Citroën solution adds two hydraulic cushions to smoothly control compression and rebound. This slows down large or abrupt suspension movements and glides over minor road imperfections, delivering a balance of poise and unmatched ride comfort.

SUSPENSION WITH PROGRESSIVE HYDRAULIC CUSHIONS®

On heavy compression and rebound, these hydraulic cushions slow down the movement gradually, avoiding sudden shocks and heavy bouncing.

On light compression and rebound, these hydraulic cushions provide a "flying carpet" effect by erasing the roughness of the road.

CITROËN
WORLDWIDE
EXCLUSIVE

— ADVANCED COMFORT SEATS*

Wide, welcoming and inspired by furniture design, the seats in Citroën C4 Cactus are a revelation. Using high-density foam at the heart of the seat, with textured foam near the surface, they provide real softness while staying supportive too. The result is a whole new level of driving comfort, whether you're nipping into town or taking a long journey.

** Depending on version.*

PANORAMIC GLASS ROOF*

The large panoramic glass roof ensures that Citroën C4 Cactus is always a good place to be throughout the seasons. Maximising light, it offers UV and heat protection during summer, and in winter it reduces heat loss thanks to excellent thermal insulation. This also helps to optimise the air conditioning, whilst noise-reducing laminated glass keeps the interior quiet and refined.

** Depending on version.*

DISCOVER A NEW SPACE

Filled with light, soft materials and plenty of room for everyone, Citroën C4 Cactus extends a welcome like no other car. The distinctive horizontal dashboard with its central screen creates a clear view forward and reinforces the sense of roomy elegance. This feeling is enhanced by the quiet refinement of the interior, providing a cocoon like experience for driver and passengers.

CLUTTER IS HISTORY

Here's an interior where everyone can relax and enjoy the ride in clutter-free space. There are clever storage places everywhere, such as the roomy Top Box in the dashboard, the centre console, the area dedicated to your smartphone complete with USB socket, and the huge rear door pockets. Boot volume is a seriously useful 358l and the cube-like shape makes it easy to load, whatever you need to accommodate.

YOUR KIND OF TECHNOLOGY

Citroën C4 Cactus features all the technology that you need for life on the move. Seamless connectivity and 12 reassuring driving aids simply make each journey run smoothly.

CITROËN CONNECT NAV* & MIRROR SCREEN

Easily controlled by voice recognition or with the 7 inch touch screen, Citroën Connect Nav brings you a wealth of information including traffic conditions in real time, where to find fuel and how much it costs, car parks and even the weather outlook. Dedicated to making life easy, Mirror Screen technology allows you to control your smartphone and driving compatible apps through the touch screen. It's available via Android Auto, Apple Carplay™ and MirrorLink®. There's also a handy place for your smartphone in the centre console, conveniently close to the USB port.

To ensure you're safe wherever you go, Citroën C4 Cactus is equipped with the Citroën Connect Box*, which brings you emergency and assistance call services, 24 hours a day, 7 days a week, thanks to its integrated SIM card. If you are involved in an incident of some kind, the system pinpoints your precise location so the right services can get to you quickly.

**Depending on version.*

EVERYTHING WITHIN EASY REACH

As intuitive as your smartphone, the 7 inch touch screen gives you instant access to the full range of driving and safety technology. You can also access main features using the buttons on both sides of the screen. Voice recognition allows you to control navigation, music and telephone calls in the easiest most natural way of all, so you can focus on enjoying the drive.

SPEED LIMIT RECOGNITION AND RECOMMENDATION⁽¹⁾

This useful feature recognises speed limits displayed on road signs and sends the information direct to the instrument panel. It can then be used to set the cruise control /speed limiter.

LANE DEPARTURE WARNING⁽¹⁾

Over 37mph this system senses when a continuous or broken white line is crossed without the indicator being used, sending you a visual and audible alert.

DRIVER ATTENTION WARNING⁽¹⁾

This ingenious driving aid assesses driver attention level by monitoring changes in vehicle distance from road markings. It's a great safety feature on roads with higher speed limits.

COFFEE BREAK ALERT⁽¹⁾

If you've been driving for 2 hours at 40mph or more, Coffee Break Alert lets you know that it's time to take a break.

BLIND SPOT MONITORING SYSTEM⁽²⁾

A serious safety aid on motorways and other high speed routes, this system lets you know if there's a vehicle hidden in the blind spot, using a bright orange warning light in the door mirror.

PARK ASSIST⁽²⁾

Tailor made for parallel and bay parking, this active parking aid automatically detects a suitable space, then controls the steering to park in complete safety. All you need to do is select reverse, accelerate and brake.

⁽¹⁾ Depending on version.
⁽²⁾ Optional depending on version.

ADVANCED SAFETY AND 12 DRIVING AIDS

⊘ CAN BE DEACTIVATED

⊘ CAN BE DEACTIVATED

GRIP CONTROL⁽²⁾

A sure-footed traction control system, Grip Control optimises front wheel drive grip based on road surface changes. A dial on the dashboard allows you to select one of 5 modes depending on conditions: Standard, Snow, Sand, Mud and ESP OFF.

ACTIVE SAFETY BRAKE⁽¹⁾

Designed to reduce the risk of collisions, Active Safety Brake is working for you from 3mph. The system detects fixed or moving obstacles and pedestrians, and sends a clear warning to the driver if a possible collision risk is detected. If you don't respond, it applies the brakes.

REVERSING CAMERA⁽¹⁾

Hassle-free reversing is assured with the reversing camera, that sends a clear view to the 7 inch touch screen.

KEYLESS ENTRY AND START⁽²⁾

This technology enables your car to recognise you as you approach, so you can unlock, start and lock it without getting the key out.

FOG LIGHT CORNERING FUNCTION

This extra light beam increases visibility and safety around tight bends and at junctions.

HILL START ASSIST⁽³⁾

Created to prevent unwanted movement on hills when the brake pedal is released, Hill Start Assist works on gradients over 3%, holding your vehicle still for around 2 seconds. You can now move smoothly from brake to accelerator pedal and drive away.

⁽¹⁾ Depending on version.
⁽²⁾ Optional depending on version.
⁽³⁾ Not available on PureTech 82.

4 CACTUS

SUPER-EFFICIENT AND INSPIRING TO DRIVE

Citroën C4 Cactus stands out for its perpetual pursuit of efficiency. Today there is a strong focus on how we maintain the pleasure of driving whilst reducing CO₂ emissions and Citroën have answered this with C4 Cactus by controlling its weight and equipping it with the latest generation PureTech engines, which are both responsive and economical.

The EAT6 gearbox, combined with the PureTech 110 S&S petrol engine and BlueHDi 120 S&S diesel engine offers fast gear changes, excellent fluidity and a high-level of durability. Citroën C4 Cactus is also available in its most powerful version: PureTech 130 S&S S&S 6-speed manual.

NEW POWER GENERATION

The PureTech 110 S&S manual and PureTech 130 S&S 6-speed manual options for Citroën C4 Cactus have been named engines of the year*, in recognition of their no-compromise efficiency and performance. You can also choose BlueHDi diesel power, which is a major step forward in environmental protection. Its filter stops 99.9% of harmful exhaust particles, while the catalytic converter removes 90% of nitrogen oxide [NOX].

All PureTech petrol and BlueHDi diesel engines meet the latest Euro 6 regulations.

[Details on citroen.co.uk](http://Details.on.citroen.co.uk)

* International engine of the year award for 2015, 2016, 2017 and 2018 for the PureTech 110 and PureTech 130 S&S, in the 1-1.4l engine capacity category, as voted for by the "International Engine of the Year Awards" panel, organised by the British magazine, Engine Technology International.

* Figures shown are for comparison purposes only; you should only compare these fuel consumption and CO₂ figures with other cars tested using the same technical standard. The fuel consumption you achieve, and CO₂ produced, in real world conditions will depend upon a number of factors: including the accessories fitted (post registration), variations in weather, driving styles and vehicle load. There is a new test WLTP (Worldwide Harmonised Light Vehicles Test Procedure) used to measure fuel consumption and CO₂ figures. The CO₂ figures shown are NEDCeq (New European Driving Cycle Equivalent), calculated using an EC correlation tool which converts WLTP figures to NEDC. These NEDCeq figures are based on the outgoing test cycle and will be used to calculate tax for the first registration. CO₂ and fuel economy figures may vary according to wheel fitment and optional extras fitted.

DIMENSIONS

* Vehicle width/width with side mirrors out.
** Height with roof bars.

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

• CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

• CITROËN ASSISTANCE

Citroën Assistance brings rapid expert roadside assistance to you in an emergency in response to a telephone call. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, misfuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. For more details, please contact Citroën at <https://www.citroen.co.uk/owner-services/emergency-assistance>

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

• CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

• CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.

• CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Authorised Repairers know your Citroën best, so if your vehicle's MOT Test is due, why not contact your local Citroën dealer? You can be confident that your vehicle will be looked after by one of our expert trained Citroën Technicians, nominated by DVSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know your Citroën.

EQUIPMENT SPECIFICATION

To make choosing straightforward and enjoyable, we've worked hard to ensure that the information in this brochure is accurate at the time it was created in February 2020. It's important to remember that Citroën can introduce changes to the equipment and accessories featured, although these wouldn't alter the essential character and design of the models. Naturally the images and specifications are also dependent on trim level and any options included.

We know how important it is to present the right facts and figures, so our brochures are regularly updated, however it is important that you consult your dealer when ordering your vehicle to ensure you are advised of the latest specifications and equipment.

Standard equipment ●
Optional factory fitted equipment ○

Option availability varies according to version/engine/trim level.
Some options are only available as part of a pack.
Please refer to the options page for further information.

1 Excludes EAT6 auto versions. Removed when space saver spare wheel specified.
2 Standard on EAT6 automatic versions. Removes puncture repair kit with compressor.
3 Cut-off switch for front passenger.
4 Not compatible with Polar White or Pearl White body colour.
5 Not available with Sport Red or Emerald Blue body colour.
6 Includes cruise control/speed limiter and audio controls.
7 Front only if optional panoramic roof chosen.
8 Subject to subscription: please visit <https://services-store.citroen.co.uk/> to subscribe

TECHNICAL SPECIFICATION

* Vehicle width/width with door mirrors.
** Height with roof bars.

All measurements are in millimetres.

¹ Figures shown are for comparison purposes only; you should only compare these fuel consumption and CO₂ figures with other cars tested using the same technical standard. The fuel consumption you achieve, and CO₂ produced, in real world conditions will depend upon a number of factors: including the accessories fitted (post registration), variations in weather, driving styles and vehicle load. There is a new test WLTP (Worldwide Harmonised Light Vehicles Test Procedure) used to measure fuel consumption and CO₂ figures. The CO₂ figures shown are NEDCeq (New European Driving Cycle Equivalent), calculated using an EC correlation tool which converts WLTP figures to NEDC. These NEDCeq figures are based on the outgoing test cycle and will be used to calculate tax for the first registration. CO₂ and fuel economy figures may vary according to wheel fitment and optional extras fitted.

CITROËN & YOU

FINANCE AND INSURANCE SHOULD REFLECT YOU AND YOUR NEEDS, JUST AS YOUR CHOSEN CAR DOES. HERE ARE THE PRODUCTS THAT AIM TO DO JUST THAT.

CITROËN FINANCIAL SERVICES

• PURCHASE PLAN

Own your vehicle with this flexible package designed to fit your budget.

• CITROËN PERSONAL CONTRACT PURCHASE

A new Citroën car every two or three years with monthly payments structured to suit your budget.

• CITROËN PERSONAL LEASE

Enjoy the convenience of a new car without the stress and hassle of ownership.

To find out more about Citroën products and services, go to www.citroen.co.uk or contact your Citroën dealer.

All our vehicles are available on the Motability scheme which includes insurance cover. To find out more, please contact your local dealer to speak to a Motability specialist or visit citroen.co.uk/motability

FOR BUSINESS USERS

FREE2MOVE

• HIRE PURCHASE

A tried and tested finance package that allows you to own your vehicle.

• BUSINESS LEASE

An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

• LEASE PURCHASE

Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

• CONTRACT HIRE

A non-ownership finance solution that keeps costs fixed and risks low.

For more information on Citroën fleet and business sales please contact your local Citroën dealer or go to <http://business.citroen.co.uk>

CITROËN INSURANCE

• INSTANT COVER

To help you drive away your new car without delay, we offer instant cover insurance, providing you with 7 days' comprehensive car insurance, for free!

• MOTOR INSURANCE

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance policies are underwritten by U K Insurance Limited, Registered office: The Wharf, Neville Street, Leeds, LS1 4AZ. Registered in England & Wales No. 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Citroën Insurance is a trading style of PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA.

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

• CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

• CITROËN ASSISTANCE

Citroën Assistance brings rapid expert roadside assistance to you in an emergency in response to a telephone call. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, misfuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. For more details, please contact Citroën at <https://www.citroen.co.uk/owner-services/emergency-assistance>

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

• CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

• CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.

• CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Authorised Repairers know your Citroën best, so if your vehicle's MOT Test is due, why not contact your local Citroën dealer? You can be confident that your vehicle will be looked after by one of our expert trained Citroën Technicians, nominated by DVSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know your Citroën.

- 1 Not compatible with Polar White or Pearl White body colour.
- 2 Not compatible with Sport Red or Emerald Blue body colour.
- 3 Gloss black roof bars and thermally insulated panoramic sunroof cannot be ordered together.
- 4 Removes puncture repair kit with compressor. *Space saver spare wheel standard on EAT6 versions.
- 5 Subject to subscription – please visit <https://services-store.citroen.co.uk/> to subscribe.

⁶ Only available with Citroën Connect Nav.

- ⁷ The SpeedCam / Danger Zones package helps you identify situations which require increased attention by sending you both audible and visual alerts (subject to settings). Within the UK the service highlights different types of speed cameras, and red light cameras, as well as accident blackspots. While the service is operational across most of Europe, it adapts as necessary when travelling in different countries to ensure the local laws with respect to Speed Camera identification are followed. This option can be added to your Citroën Connect Nav subscription at any time. Please visit <https://services-store.citroen.co.uk/> to subscribe.
