*an expression
of quality*

Choosing Citroën accessories means choosing quality, safety and style. Specially designed for your new Citroën C5 Aircross SUV, these accessories are fine-tuned to the most intricate, stylistic and technological features of your car, ensuring a high level of quality and performance. You can rely on Citroën to customise your vehicle to suit your personal requirements.

— alloy wheels

Developed and tested according to safety criteria, our light alloy wheels transcend these natural driving qualities. The pleasure gained from accelerating, cornering and braking is increased many times over. The very first time you see them, you'll notice how they emphasise the dynamic lines of your Citroën. Safety and performance have never been so enticing.
