Insurance groups (1-50) are an indication only, please consult your insurance company for further details.

CO₂ figures, P11D values, BIK% and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable. For further information on CO₂ and pricing for vehicles with optional equipment, please visit <https://www.citroen.co.uk/configurator.html>

+ Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures

* 'On the Road' MRRP includes registration plates and delivery to dealer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of, but not limited to, any changes in legislation and/or any changes by the Government). Please see our Prices and Specifications brochures or contact your local Citroën dealer for the most up-to-date prices and specification details for all models.

- 4 Includes red highlights on the dashboard, soft touch black fascia trim with red stitching, red highlights on the seats with red stitching.
- 5 Brings Perla Nera black door handles with chrome insert.
- 6 Subject to subscription – please visit <https://services-store.citroen.co.uk/> to subscribe.

- 7 The SpeedCam/Danger Zones package helps you identify situations which require increased attention by sending you both audible and visual alerts (subject to settings). Within the UK the service highlights different types of speed cameras, and red light cameras, as well as accident blackspots. While the service is operational across most of Europe, it adapts as necessary when travelling in different countries to ensure the local laws with respect to Speed Camera identification are followed. This option can be added to your Citroën Connect Nav subscription at any time. Please visit <https://services-store.citroen.co.uk/> to subscribe

CITROËN C3 AIRCROSS COMPACT SUV

CITROËN C3 AIRCROSS
OFFERS

Citroën C3 Aircross brings fresh thinking and presence to the compact SUV class. The raised bonnet profile, large wheels and bold striking chevrons with LED light signature create a unique character, whilst the inspiring raised driving position provides epic all-round visibility.

Insurance groups (1-50) are an indication only, please consult your insurance company for further details.

CO₂ figures, P11D values, BIK% and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable. For further information on CO₂ and pricing for vehicles with optional equipment, please visit <https://www.citroen.co.uk/configurator.html>

+ Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures

* 'On the Road' MRRP includes registration plates and delivery to dealer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of, but not limited to, any changes in legislation and/or any changes by the Government). Please see our Prices and Specifications brochures or contact your local Citroën dealer for the most up-to-date prices and specification details for all models.

Insurance groups (1-50) are an indication only, please consult your insurance company for further details.

CO₂ figures, P11D values, BIK* and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable. For further information on CO₂ and pricing for vehicles with optional equipment, please visit <https://www.citroen.co.uk/configurator.html>

+ Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures

* 'On the Road' MRRP includes registration plates and delivery to dealer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of, but not limited to, any changes in legislation and/or any changes by the Government). Please see our Prices and Specifications brochures or contact your local Citroën dealer for the most up-to-date prices and specification details for all models.

2 Subject to subscription – please visit <https://services-store.citroen.co.uk/> to subscribe.

3 Only available with Citroën Connect Nav.

4 The SpeedCam/Danger Zones package helps you identify situations which require increased attention by sending you both audible and visual alerts (subject to settings). Within the UK the service highlights different types of speed cameras, and red light cameras, as well as accident blackspots. While the service is operational across most of Europe, it adapts as necessary when travelling in different countries to ensure the local laws with respect to Speed Camera identification are followed. This option can be added to your Citroën Connect Nav subscription at any time. Please visit <https://services-store.citroen.co.uk/> to subscribe.

Some options may change CO₂ emissions, please check with your local dealer.

CITROËN C5 AIRCROSS SUV

New Citroën C5 Aircross SUV is effortlessly comfortable, with class leading flexible space. The secret of its everyday functionality and relaxed ambiance is the unique Citroën Advanced Comfort® programme.

Insurance groups (1-50) are an indication only, please consult your insurance company for further details.

CO₂ figures, P11D values, BIK% and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable. For further information on CO₂ and pricing for vehicles with optional equipment, please visit <https://www.citroen.co.uk/configurator.html>

+ Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures

* 'On the Road' MRRP includes registration plates and delivery to dealer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of, but not limited to, any changes in legislation and/or any changes by the Government). Please see our Prices and Specifications brochures or contact your local Citroën dealer for the most up-to-date prices and specification details for all models.

Insurance groups (1-50) are an indication only, please consult your insurance company for further details.

CO₂ figures, P11D values, BIK% and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable. For further information on CO₂ and pricing for vehicles with optional equipment, please visit <https://www.citroen.co.uk/configurator.html>

+ Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures

* 'On the Road' MRRP includes registration plates and delivery to dealer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of, but not limited to, any changes in legislation and/or any changes by the Government). Please see our Prices and Specifications brochures or contact your local Citroën dealer for the most up-to-date prices and specification details for all models.

- 1 Different system for Hybrid - please see Hybrid-specific section.
- 2 Subject to subscription – please visit <https://services-store.citroen.co.uk/> to subscribe.
- 3 Only available with Citroën Connect Nav.
- 4 The SpeedCam/Danger Zones package helps you identify situations which require increased attention by sending you both audible and visual alerts (subject to settings). Within the UK the service highlights different types of speed cameras, and red light cameras, as well as accident black-spots. While the service is operational across most of Europe, it adapts as necessary when travelling in different countries to ensure the local laws with respect to Speed Camera identification are followed. This option can be added to your Citroën Connect Nav subscription at any time. Please visit <https://services-store.citroen.co.uk/> to subscribe.
- 5 e-Remote Control subject to subscription - no extra charge.

- Standard equipment
- Optional factory fitted equipment

Option availability varies according to version/engine/trim level. Some options are only available as part of a pack. Please refer to the options page for further information.

Prices quoted above are for the standard 8 seat version. See the options list for alternative configurations.

Insurance groups (1-50) are an indication only, please consult your insurance company for further details.

CO₂ figures, P11D values, BIK% and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable. For further information on CO₂ and pricing for vehicles with optional equipment, please visit <https://www.citroen.co.uk/configurator.html>

+ Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures

* 'On the Road' MRRP includes registration plates and delivery to dealer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of, but not limited to, any changes in legislation and/or any changes by the Government). Please see our Prices and Specifications brochures or contact your local Citroën dealer for the most up-to-date prices and specification details for all models.

Some options may change CO₂ emissions, please check with your local dealer.

1 Please refer to Technical Specification Pages for impact on vehicle CO₂ emissions, weights and MPG data.

2 Subject to subscription – please visit <https://services-store.citroen.co.uk/> to subscribe.

3 The SpeedCam/Danger Zones package helps you identify situations which require increased attention by sending you both audible and visual alerts (subject to settings). Within the UK the service highlights different types of speed cameras, and red light cameras, as well as accident blackspots. While the service is operational across most of Europe, it adapts as necessary when travelling in different countries to ensure the local laws with respect to Speed Camera identification are followed. This option can be added to your Citroën Connect Nav subscription at any time. Please visit <https://services-store.citroen.co.uk/> to subscribe.

CITROËN SPACETOURER BUSINESS

Available in 2 lengths and with 8 or 9 seats, Citroën SpaceTourer Business and Business Lounge is tailored for professionals.

Prices quoted above are for the standard 8 seats on Business and 6 seats on Business Lounge. See the options list for alternative configurations.

Insurance groups (1-50) are an indication only, please consult your insurance company for further details.

CO₂ figures, P11D values, BIK% and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable. For further information on CO₂ and pricing for vehicles with optional equipment, please visit <https://www.citroen.co.uk/configurator.html>

+ Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures

* 'On the Road' MRRP includes registration plates and delivery to dealer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of, but not limited to, any changes in legislation and/or any changes by the Government). Please see our Prices and Specifications brochures or contact your local Citroën dealer for the most up-to-date prices and specification details for all models.

Some options may change CO₂ emissions, please check with your local dealer.

Some options may change CO₂ emissions, please check with your local dealer.

1 Please refer to Technical Specification Pages for impact on vehicle CO₂ emissions, weights and MPG data.

2 Subject to subscription – please visit <https://services-store.citroen.co.uk/> to subscribe.

3 The SpeedCam/Danger Zones package helps you identify situations which require increased attention by sending you both audible and visual alerts (subject to settings). Within the UK the service highlights different types of speed cameras, and red light cameras, as well as accident blackspots. While the service is operational across most of Europe, it adapts as necessary when travelling in different countries to ensure the local laws with respect to Speed Camera identification are followed. This option can be added to your Citroën Connect Nav subscription at any time. Please visit <https://services-store.citroen.co.uk/> to subscribe.

PERFORMANCE WITH CARE FOR THE ENVIRONMENT

With its sophisticated and technologically advanced range of engines, Citroën is well placed to reconcile performance with low taxation levels and reduced environmental impact.

Today more than ever, this means that when choosing a Citroën vehicle you are guaranteed access to superb value for money motoring.

For example, the Citroën C3 Flair Plus, when specified with the BlueHDi 100 S&S Diesel manual engine produces only 118g/km of CO₂ and therefore qualifies for the G band of Vehicle Excise Duty.

COMPANY CAR BENEFIT-IN-KIND TAXATION CHARGES

The Company Car Benefit-In-Kind Taxation charge is based upon the type of fuel used, and the level of CO₂ emissions, measured in grams per kilometre (g/km). The table opposite shows the percentage of the car's list price to be taxed (P11D value[†]).

For example a Citroën C4 Cactus Hatch BlueHDi 100 S&S manual Flair has a CO₂ emissions figure of 119g/km and a P11D figure of £22,740.00

The BIK value would therefore be
26% (22%+4%)[†] x £22,740= £5,912.40

More information about the Company Car Benefit-In-Kind Taxation Charges can be found on www.citroen.co.uk/fleet-and-business/citroen-business or by contacting Citroën Fleet Connect on 0800 023 4000.

GRADUATED VEHICLE EXCISE DUTY (ROAD FUND LICENCE)

The Graduated V.E.D. bands classify all new cars into one of thirteen Vehicle Excise Duty bands, depending on their type of fuel and carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). There are two V.E.D. rates, a rate for the first year and a rate for subsequent years.

Band	CO ₂ g/km	First year VED 2020/21	Annual Tax
A	0	£0.00	£0.00
B	1-50	£10.00	£145.00
C	51-75	£25.00	£145.00
D	76-90	£110.00	£145.00
E	91-100	£135.00	£145.00
F	101-110	£155.00	£145.00
G	111-130	£175.00	£145.00
H	131-150	£215.00	£145.00
I	151-170	£540.00	£145.00
J	171-190	£870.00	£145.00
K	191-225	£1,305.00	£145.00
L	226-255	£1,850.00	£145.00
M	Over 255	£2,175.00	£145.00

[†] Drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel and does not need the Real Driving Emissions Step 2 (RDE2) standard (up to a maximum of 37%). Check with your Citroën dealership to confirm the emissions standard of your vehicle.

[†] The new Car's price to be taxed includes:

- Manufacturer's Recommended Retail Price (inc V.A.T.)
- Delivery to Dealer and Number Plates (inc V.A.T.)
- The list price of an option or an accessory (inc V.A.T. plus delivery and fitting charges if relevant). Some exceptions apply but excludes:
- Graduated Vehicle Excise Duty
- Government First Registration Fee

CITROËN & YOU

A network of Citroën New Car Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Citroën Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

CITROËN PERSONAL LEASE

Personal Lease is an alternative way to enjoy a new Citroën without the cost of ownership. Instead of owning the car, you rent it for a fixed period and then return it to your local dealer where you can exchange it for a brand new one. You set your preferred contract terms and anticipated annual mileage. With leasing which can be arranged for a period up to 4 years, Personal Lease offers you an alternative method of funding your new Citroën. One initial bulk advance rental will be required. This is between 14%-16% of the 'On the Road Recommended Retail Price' plus any advance rental contribution from Citroën UK. Excess mileage charges may apply if the agreed annual mileage is exceeded. Citroën contribution on selected models only. Payment of the optional final rental extends the rental term (this does not transfer title of the vehicle) & requires an annual rental equivalent to one month's rental. All based on a 36 month contract with an annual mileage set at 6,000 miles on C1, C3, C3 Aircross, Berlingo Multispace and 8,000 miles on all other models. All rentals inclusive of VAT. Finance subject to status. Over 18s only. Finance provided by and written quotations available on request from PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA. PSA Finance UK Ltd is authorised and regulated by the Financial Conduct Authority.

CITROËN FLEET AND BUSINESS SALES

All Citroën New Car Dealers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more. In short, their expertise aim to provide a 'total transport solution' for all your fleet or business vehicle needs. If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 0800 023 4000. Or look us up at: <http://business.citroen.co.uk>

Full details available on request. Credit subject to status and to over 18s only. A guarantee may be required. Finance provided by and written quotations available on request from PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA. PSA Finance UK Ltd is authorised and regulated by the Financial Conduct Authority. Telephone calls may be recorded or monitored for training or quality purposes.

www.citroen.co.uk | **CITROËN UK Ltd. Pinley House, 2 Sunbeam Way, Coventry CV3 1ND.**

NOTE: Every endeavour has been made to ensure that the information, including prices, contained in this leaflet was accurate at the date of going to press April 2020. The Company however, reserves the right, whilst preserving the essential characteristics of the models described, to introduce at any time modifications, changes of details, equipment or accessories as may be considered necessary to improve the models described or for any other reason of a constructional or operational nature.

COMPREHENSIVE WARRANTY

Every new Citroën car offers the benefit of a three year* warranty package, plus a 12 year anti-perforation** warranty and a three year paint warranty.

- * Two years' unlimited mileage manufacturer's warranty. No-fee customer option of one year's Dealer provided warranty, only on vehicles sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for all passenger vehicles.
- ** Against all internal to external perforation to bodywork or underbody on condition the car undergoes an inspection by a Citroën franchised Dealer every two years from its fourth anniversary.

EXTENDING YOUR WARRANTY

For continued peace of mind, you can extend your warranty beyond the end of Citroën's manufacturer warranty with a Citroën Extended Warranty, providing your Citroën is less than 3 years old and has covered less than 60,000 miles. You can purchase Citroën Extended Warranty via the following website: <http://www.citroen.co.uk/ownerservices/warranty>

CITROËN ASSISTANCE

In response to a free telephone call, Citroën Assistance brings rapid roadside support to you in the event of a breakdown. For new vehicles, cover comes free of charge for a full year, from the date of your vehicle's registration. Cover is operational 24 hours a day in all parts of the UK and Europe. Within the first twelve months, the following services are in force: Citroën Roadside Assistance, Citroën Recovery, Citroën Assistance From Home, Citroën Onward Travel, Citroën European Cover. Services include nationwide recovery for both the vehicle and passengers, a home call service, replacement vehicle and hotel accommodation. Cover includes manufacturing defects only. Citroën Assistance is available to be purchased for vehicles in their 2nd and 3rd years, for a one-off up-front payment of £75 per year and includes European cover. Full details are available on request from Citroën UK via <http://citroen-uk-en.custhelp.com/>

SERVICING

When your vehicle is due for a service you need just the right mix of unique expertise, surprising value and real convenience. With the Citroën Care Plan that's exactly what you get. Choose the plan when ordering your vehicle and for just £15.99 a month (over 36 months), you will benefit from:

- Scheduled Servicing[†]
- Brake Fluid Replacement[†]

Better still, you get the unique reassurance of our Citroën Price Promise that guarantees all work is carried out by trained technicians using only Citroën Approved Parts. You will also benefit from a FREE 22 point vehicle health check and FREE technical updates

[†] As outlined in your vehicle's Maintenance & Guarantee Guide. Less than 12,000 miles per annum usage profile, terms and conditions apply. Contact your local Citroën dealership for details

MAINTENANCE

For a single fee or low monthly payments, you can put yourself in control of your maintenance costs. Depending on your needs, you can choose from a package that covers you between 12 and 48 months and between 10,000 and 150,000 miles and provides you with:

- Scheduled Servicing[†]
- Periodic Maintenance[†]
- Wear and Tear Cover – The replacement of friction materials such as brake pads, discs, wiper blades, clutch and other such items needed to keep you and your vehicle on the move
- Citroën Assistance, provided by the AA, includes: Roadside & At Home Assistance, Recovery, Onward Travel and European Cover
- MOT test fees

Why not add the following option to your chosen package:

- Replacement of worn tyres, including wheel balancing (includes puncture repairs)
- Replacement vehicle whilst yours is being serviced or MOT'd

Rest assured that all Maintenance and Servicing work will be carried out by qualified Citroën Technicians at any Citroën Authorised Repairer within the UK, using only Citroën Original Equipment and Approved Parts. For further information, please contact your Citroën Dealer.

CITROËN MOTOR INSURANCE

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. You see, where other insurers see a vehicle, we see a Citroën. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725. (Lines open 8am-8pm weekdays, 9am-5pm Saturdays. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance policies are underwritten by U K Insurance Limited, Registered office: The Wharf, Neville Street, Leeds, LS1 4AZ. Registered in England & Wales No. 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. INTERNET

The Citroën Website contains full information on all Citroën products and offers available in the UK, together with details of our environmental and recycling policies. The site address is: www.citroen.co.uk or you can contact Citroën directly via cuk_contactcentre@citroen.com. Alternatively, for further information, please contact your Citroën Dealer.

SPEEDCAM/DANGER ZONES PACKAGE

The SpeedCam/Danger Zones package helps you identify situations which require increased attention by sending you both audible and visual alerts (subject to settings). Within the UK the service highlights different types of speed cameras, and red light cameras, as well as accident blackspots. While the service is operational across most of Europe, it adapts as necessary when travelling in different countries to ensure the local laws with respect to Speed Camera identification are followed. This option can be added to your Citroën Connect Nav subscription at any time. Please visit <http://services-store.citroen.co.uk/> to subscribe.
