

# ELANTRA GT

2020

# A bit about us.

With Hyundai, you really can have it all.

Our company believes in pushing the boundaries and challenging conventional thinking. Our very name, “Hyundai”, stands for modernity in the Korean language and it is this one word that helps represent everything we stand for. We don’t approach vehicle development in a traditional way. Our company is structured differently. We think differently. We find the modern way. It’s our mission to offer top quality, feature-rich vehicles at an affordable price.

We offer elite quality through meticulous design and painstaking craftsmanship. Our three design centres in Korea, the U.S. and Europe compete against each other to bring you cutting-edge designs — designs that not only look stunning but are also aerodynamic and fuel efficient.

We are the only global automaker to manufacture our own Advanced High-Strength Steel because, simply put, we just weren’t satisfied with what was available.

We test our vehicles in areas like the Arctic, our proving grounds in the Mojave Desert and on Germany’s world-famous Nürburgring circuit to deliver the durability and reliability you demand. And not only do we package our vehicles with advanced safety and technology, we back all our vehicles with one of the best automotive warranties in the industry. This means you really can have it all, quality and value together.

Elantra GT SUPERSTRUCTURE™ shown, made with our Advanced High-Strength Steel.

# Proof that fun and practicality can coexist.

Fun to drive. Standout hatchback styling. Impressive space. What more could you want? With precise, responsive handling and a flexible amount of cargo space, the Elantra GT proves that fun and practicality really can coexist. Bring on the weekend adventures, morning commutes and everything in between.

**Proof that fun and  
practicality can coexist.**

**ELANTRA GT**

# Sporty hatchback style.

Precisely sculpted surfaces, a tapering silhouette and expressive design details establish a sleek, simple sophistication. Muscular wheel arches provide a subtle hint of its eagerness to tackle the curviest of roads. This is a vehicle where you look for every opportunity to take the long way home, especially with the available panoramic sunroof to help soak in those weekend drives.

Available 17" alloy wheels

Standard LED side repeaters

# A new level of standard comfort and convenience.

Embrace the cold with standard heated front seats. A standard heated steering wheel is an added luxury when temperatures start to drop. It's also leather-wrapped and features mounted audio, cruise and Bluetooth® controls.

Up front, the standard floating 8.0" touch-screen display is perfectly positioned for both driver and front passenger access. Along with the standard rearview camera and Bluetooth® hands-free phone system, the touch-screen also enables you to intuitively interact with your favourite apps thanks to Apple CarPlay™ and Android Auto™ smartphone connectivity.

Available panoramic sunroof

Standard heated, leather-wrapped steering wheel

Available proximity keyless entry with push-button ignition

Available dual-zone automatic climate control

# Hit the open road.

The Elantra GT was engineered to deliver a fun, sporty driving experience. With its 2.0L Gasoline Direct Injection (GDI) engine, the Elantra GT is able to precisely control the injection of fuel for improved power and fuel efficiency. The available Drive Mode Select system further enhances your drive by tailoring both throttle response and steering effort to match your preferred driving style.

Standard 2.0L GDI engine: 161 horsepower, 150 lb-ft torque

Standard 8.0" touch-screen with Apple CarPlay™ and Android Auto™

Standard heated front seats

May not be exactly as shown.

# Hyundai SmartSense™

In addition to seven standard airbags, including a driver's knee airbag, the Elantra GT features standard Blind-Spot Collision Warning with Lane Change Assist and Rear Cross-Traffic Collision Warning.

## **Standard Blind-Spot Collision Warning with Lane Change Assist<sup>1</sup>**

This system lets you know if a vehicle is in your blind spot. Plus, our innovative system also senses the speed of the vehicle in the adjacent lane. If it's approaching faster than you can safely make the lane change, it will signal an alarm.

## **Standard Rear Cross-Traffic Collision Warning<sup>2</sup>**

Activated during reverse driving, the Rear Cross-Traffic Collision Warning uses radar to warn the driver of vehicles approaching from either side, even before they come into view of the standard rearview camera.

# Accessories

### Cross Rails

This durable, quick-locking cross rail system lets you transport cargo easily, without sacrificing interior room. Maximum load rating of 110 lbs/50 kg evenly distributed.

### Chrome Side Trim Line

An eye-catching chrome trim piece that complements the side of your vehicle.

### Remote Engine Starter

Leaving the house on winter mornings doesn't have to be an unpleasant experience. Equip your Hyundai with a remote engine starter and get on the road in comfort.

### Premium All-Weather Floor Liners

Premium all-weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long-lasting premium look. Remove carpet mats prior to installation.

For more information on additional accessories, please visit [hyundaicanada.com](http://hyundaicanada.com) or see your dealer for details. Vehicle and accessories may not be exactly as shown.

\*Exterior and interior colour options and/or availability by model may change without notice. Choice of interior colour is dependent on model and/or exterior colour selection. Colours shown are for reference only and may vary from the actual hue. Visit [hyundaicanada.com](http://hyundaicanada.com) or see your dealer for details.

# Find the ELANTRA GT that is right for you.

## Preferred

Standard equipment includes:
