STINGER

A simple guide to help you decide

The Power to Surprise

A perfect balance of
**EXHILARATING
PERFORMANCE**
and refined comfort

A balanced approach to performance enables Stinger to respond to your every command with both refinement and authority. It's 3.3 litre, twin turbocharged engine generates a breathtaking 365 horsepower, while standard all-wheel drive with dynamic torque vectoring control gives you maximum traction and control.

Born on the
TEST TRACK
Tamed for the road

Rigorous testing in some of the world's harshest proving grounds has culminated in every detail being engineered for incredible stability at higher speeds. But it's also made for the long journey, so you can take your time.

**NÜRBURGRING, GERMANY**

Ride and handling precision were fine-tuned during more than 10,000 kilometres of testing on this legendary track.

**ARJEPLÖG, SWEDEN**

Extreme weather and low-grip testing were conducted on an ice circuit just outside the arctic circle, where temperatures fall below -40°C.

**DEATH VALLEY, CALIFORNIA**

Long distance and durability trials were performed in one of the world's hottest locations, where temperatures can reach 56°C.

IT STOPS

as well as it goes

Confidence is the by-product of one of the most sophisticated braking systems on the road today.

**ADVANCED FORWARD COLLISION-AVOIDANCE ASSIST^{1,2}**

This system is designed to detect and alert you if a potential front collision is imminent, and can also automatically apply the brakes, if necessary.

BREMBO BRAKES

These high-performance brakes feature signature red, fixed quad-piston front calipers and dual-piston rear calipers for superior braking.

BRAKE FADE COMPENSATION

This feature automatically increases hydraulic pressure in the braking system as the temperature rises, for a more consistent and confident braking feel.

KIA/CALSTINGER
DESIGN

Dare to dream. That was the mantra surrounding the development of Stinger – an obsession shared by every designer and engineer who gave the GT Concept its ultimate shape and refined its performance. Their labour of love is evident in everything from the muscular profile to the craftsmanship of the interior trim. Drive the dream. In the 2020 Kia Stinger.
