

1997 CAMARO SS

30th Anniversary Camaro SS

1997 CAMARO SS

Highlights

Camaro SS was all-new in 1996 and quickly established itself as the benchmark in affordable high performance. With up to 310 horsepower on tap, SS was featured in 35 automotive publications and appeared on the covers of 17 leading magazines!

For 1997, the new special edition, low volume 30th Anniversary SS could prove to be the next "classic" Camaro. Bold "Hugger Orange" exterior stripes, white wheels, all-new interior styling and special SS badges set these special Camaros apart. Overall, 3,000 Camaro SS's will be produced in 1997, with 1,000 receiving the distinctive 30th Anniversary stripes and unique content.

Standard Camaro SS Content

- 305 horsepower LT1 V8 engine (310 hp with optional Performance Exhaust)
- Restyled hood with functional scoop
- Underhood forced air induction system
- Restyled rear deck lid spoiler
- Revised suspension on coupe and t-top models*
- BFGoodrich Comp T/A P275/40ZR17 tires*
- 17" x 9" ZR-1 styled cast aluminum alloy wheels*
- Quaker State Synquest synthetic engine oil
- Exterior "SS" badges replace Z28 logos
- Interior "Camaro SS" console plaque
- Available exterior colors: Arctic White, Black, Bright Red, Polo Green

— Sebring Silver Metallic is only available as an option** —

*Convertible models retain stock Camaro Z28 suspension, 16" version of BFGoodrich Comp T/A tires and receive 16" x 8" ZR-1 styled cast aluminum alloy wheels.

Camaro SS Options

- Performance Exhaust System (increases output to 310 horsepower)
- Level II Bilstein Sport Suspension Package (n/a with SS convertible)
- Torsen Limited Slip Differential (includes Performance Lubricants Package)
- Hurst Six-Speed, Short-Throw Shifter
- Engine Oil Cooler (helps reduce engine oil operating temperatures, does not include synthetic media filter when ordered with Torsen Differential or Performance Lubricants Package)
- BFGoodrich Comp T/A R1 17" tires (only available as second set shipped to dealer on 17" wheels, recommended for track usage by experienced driver, n/a with convertible)
- Performance Lubricants Package with premium synthetic media engine oil filter, rear axle lube and semi-synthetic power steering fluid
- Fitted car cover with locking cable and tote bag. Silk-screened Camaro SS logo on cover and bag (standard with 30th Anniversary option)
- Premium front floor mats with embroidered Camaro SS logo
- Sebring Silver Metallic exterior color

30th Anniversary SS Option

Option package includes orange dual hood, roof, deck lid and rear spoiler stripes; white SS wheels and exterior emblems; commemorative dash plaque and two key fobs; premium quality car cover with locking cable and tote bag.

Requires Chevrolet's 1SJ, Z4C, and AG1 options for hard-top and t-top models; 1SM, Z4C, and AG1 options required for convertible models.

Warranty Coverage

SLP Engineering, Inc. provides a three year/36,000 mile limited warranty on its specific content and options, while the standard three year/36,000 mile General Motors' limited warranty applies to the balance of Camaro SS.

Warranty service for SS alteration and SLP options is performed by Chevrolet dealerships.
