THE ULTIMATE EXPRESSION OF HARDWORKING LUXURY.

VORTEC POWER.

Vortec is the most powerful engine line ever in a Chevy truck. In a 1999 C/K Crew-Cab Short-Box Pickup, you will have the power to haul, tow and pass with confidence. The Vortec 5700 V8 SFI engine is standard in 1999 C/K2500 models and, for even more power, the big block Vortec 7400 V8 SFI will be optional. The Vortec 7400 V8 SFI will be standard in the C/K3500. For diesel fans, a 6.5L Turbo-Diesel V8 will be optional in all models.

RUGGED ELEGANCE.

Ruggedness has its place, but so does luxury. That's why C/K Crew-Cab Short-Box Pickup will offer optional LS interior trim, and even the option of Custom Leather seating surfaces. Seating styles will include front bench or optional 60/40 split-bench or high-back front bucket seats.

A PROVEN 4x4 SYSTEM.

Standard on all 4x4 Crew-Cabs, Insta-Trac will let you shift on the fly from 2WD to 4WD High at any speed. A push-button electric transfer case shift control will be optional for K2500 models.

This is the truck you asked for — the 1999 Chevy C/K Crew-Cab Short-Box Pickup. Four wide-opening doors. Room for up to six. A spacious rear seat. Available LS luxury. You can even choose from 3/4- or 1-ton models. Either way,

CHEVY TRUCKS

you'll enjoy a great ride, smooth V8 power and the maneuverability of a wheelbase that's 14 inches shorter than the Crew-Cab Long-Box Pickup. A perfect balance of strength, flexibility and class — and it's coming this fall.

TRAILERING MADE EASY.

Whether it's a large workload or your prized possessions, C/K Crew-Cab Short-Box Pickup will let you take virtually everybody and everything along. GVWRs of up to 9,400 lbs. will be available with the C/K3500 model and its standard "Big Dooley" dual rear wheels. Or, tow up to 12,500 lbs. with a fifth-wheel hitch, when properly equipped.

RIGHT SIZE, RIGHT RIDE ...

The Crew-Cab Short-Box Pickup will have a wheelbase of 154.5 inches and overall length of 231.9 inches (19 less than the Crew-Cab Long-Box Pickup). A 50.5 foot curb-to-curb turning circle (versus 53.8 for the long-box model) enhances maneuverability. And, a great ride is assured by new 46mm Bilstein shock absorbers specifically tuned for this application. C/K Crew-Cab Short-Box Pickup. It will be as convenient as it is capable.
