

SONATA N Line

2021

 **N** Line

Spice up your driveway with N Line.

Derived from our high-performance N brand, N Line models are outfitted with N-inspired styling that set them apart from other models. The Sonata N Line also features enhanced power, handling and agility that makes driving an invigorating rush, while maintaining a balanced combination of technology, safety and comfort.

The most powerful SONATA ever.

Underneath the hood is a 2.5 litre Turbocharged engine with 290 horsepower and 311 lb.-ft. of torque. Just hit the Sport aluminum gas pedal and let the fun begin.

Sport mode for your eyes.

This is not the Sonata you know. It shares the same unique lighting signature with the rest of Sonata family, but is amplified with N-inspired design elements throughout. The black grille bears an N Line badge, larger alloy rims sport a distinctive black and silver spoke design and a glossy black spoiler further defines the N-inspired silhouette.

Sport-tuned suspension

The Sonata N Line is outfitted with a Sport-tuned suspension designed to elevate on-road dynamics, responsiveness and feel.

N 8-speed Wet Dual Clutch Transmission (N DCT) with paddle shifters

The N DCT is an automated manual transmission with two separate clutches for increased efficiency, faster shifting and driving convenience.

Rack-mounted motor-driven power steering

Rack-mounted motor-driven power steering elevates the precision and stability of every turn, delivering increased steering feedback.

Refined. Roomy. Race-inspired.

Inside the very modern and spacious cabin you'll find a number of N-inspired features, such as Nappa leather and suede Sport seats with red stitching and piping details. The N logo stamped on the steering wheel and shift-by-wire controls infuse the interior with the feeling of the N brand.
