Driver and front passenger air bags²

Front lap and shoulder belts

Rear outboard seating position lap and shoulder belts with comfort guides for children and small adults, and center seating position lap belt

Daytime running lights

Automatic headlamp control

Driver-controlled power window lockout switch

Child security door locks

Side door beams

Passlock® theft deterrent system

Theftlock® radio theft deterrent system

Vehicle content theft alarm

Remote keyless entry with panic alarm

Brake/transmission shift interlock

Battery rundown protection

Ignition key lock-out prevention

FUNCTIONAL

Luxury tuned suspension with automatic rear load-leveling feature

Heavy-duty battery (690 CCA) and long-life engine coolant (5-year/ 150,000-mile change interval)³

Autotrac push-button electronic shift-on-the-fly 4WD with automatic 4WD and neutral modes

Transmission shift select preference (tow-haul mode)

Four-wheel disc antilock braking system

Power steering

Aluminized stainless steel muffler and tailpipe

Heavy-duty trailering package, including eight-wire harness, weight-distributing hitch platform and heavy-duty flasher

Front frame-mounted recovery hooks

AVAILABLE FEATURES

Power sunroof with express open and tilt feature, sunshade and wind deflector

Locking rear differential and 3.73 axle

OnStar mobile communication service

¹ Operation of system requires the purchase of a receiver from HomeLink.

² Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the *Owner's Manual* for more safety information and refer to "A Note on Child Safety" on page 24.

³ Maintenance needs vary with different uses and driving conditions. See the *Owner's Manual* for more information.

POWERTRAIN SPECIFICATIONS

Engine	Vortec 4300
Capacity/configuration/cylinders	4.3L V6
Cubic-inch displacement	262
Fuel type	Gasoline
Fuel delivery	Sequential fuel injection
Bore and stroke (mm)	101.60 x 88.39
Compression ratio	9.20:1
SAE net horsepower @ rpm	190 @ 4400
SAE net torque @ rpm (lb-ft)	250 @ 2800
Valvetrain	Overhead valve
Transmission	Electronic 4-speed automatic with overdrive

STANDARD TECHNICAL DATA

Gross Vehicle Weight Rating (lbs)	5350
Front suspension	Independent torsion bars
Axle capacity (total lbs)	2800
Torsion bar capacity (total lbs)	2800
Rear suspension	Semi-elliptic two-stage multileaf springs
Axle capacity (total lbs)	2900
Spring capacity (total lbs)	2700
Brakes	Front disc/rear disc with 4-wheel antilock system
Steering	Variable ratio with integral power
Fuel tank capacity	18 gallons
Delco Freedom Battery Cold cranking amps rating	12-volt, maintenance-free 525
Alternator	100 amps

SUSPENSION SYSTEM

Suspension type	Luxury Ride
Primary road use	Paved
Cargo capacity	Good
Trailer rating	Heavy duty
Ride	Luxury
Shock absorbers	Front: 46 mm DeCarbon Rear: 36 mm pneumatic load-leveling
Tire size	P235/70R15 ¹
Wheel size (inches)	15 x 7

¹Tire chains should not be used because they could damage your Envoy.

TRAILERING DATA

Maximum trailer weight (lbs) ²	5600
---	------

²Maximum trailer weight ratings are calculated assuming a standard equipped base vehicle plus driver. The weight of optional equipment, passengers, cargo and required trailering equipment will reduce the maximum trailer weight your truck can tow. Trailer tongue weight should be 10 to 15% of total loaded trailer weight. See the *GMC Trailering Guide* for further details.

TONE-ON-TONE LEATHER Enjoy seating surfaces in Medium Beige with Light Beige accents or Medium Dark Pewter with Dark Gray accents.

Summit White

Pewter Metallic

Topaz Gold Metallic

Monterey Maroon Metallic

Indigo Blue Metallic

Onyx Black

GMC recognizes the importance of mobility to everyone's life and therefore offers financial assistance to persons with disabilities through the General Motors Mobility Program. This program can provide up to \$1000 reimbursement toward the cost of after-market mobility adaptive equipment for drivers or passengers when installed or reinstalled on any eligible purchased or leased new GM vehicle. For details and free resource information, call 1-800-323-9935 (TTY users: 1-800-833-9935).

GMC supports the National SAFE KIDS Campaign,[®] a grassroots program dedicated to promoting child passenger safety.

GMC is proud to be a partner in conservation with the Nature Conservancy, an organization dedicated to protecting the diversity of life on Earth. GMC contributes both money and trucks to support this worthwhile organization.

GMC backs your new vehicle with its no deductible Bumper to Bumper limited warranty. The entire vehicle is warranted for repairs, including parts and labor, to correct problems in materials or workmanship, for three years or 36,000 miles, whichever comes first (except normal maintenance). The warranty covers towing to the nearest GMC dealership, and there is no deductible for warranty repairs during the warranty period. The warranty transfers automatically with vehicle ownership during the warranty period. GMCs are designed and built to resist corrosion. All body sheet-metal components are warranted against rust-through corrosion for six years or 100,000 miles, whichever comes first. Application of additional rust-inhibiting materials is not required, and none is recommended. See your GMC dealer for terms and conditions of these limited warranties.

Qualified approved customers can conveniently arrange GMAC[®] leasing and financing right at your GMC dealership. For more information, see your dealer or call 1-800-32-SMART.

The GM MasterCard gives you an important financial advantage, GM Card Earnings. GM Card Earnings can be used to purchase or lease a new GM car or truck (excludes Saturn, Saab, EVI). Card members receive 5% in earnings on any GM Card purchase — accumulating up to \$500 per account year. That's over and above any other discount or incentive. Call 1-800-8GM-CARD.

A NOTE ON CHILD SAFETY

Children generally are safer if they are secured in a rear seat using the appropriate child safety seats and restraints, which is why General Motors recommends that child safety seats be properly secured in a vehicle's rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the *Owner's Manual* and child safety seat instructions for more safety information. Always wear safety belts, even with air bags.

ENVOY HAS MANY STANDARD SAFETY FEATURES INCLUDING:

Occupant Protection Equipment Lap/shoulder belts, front and rear outboard positions. Driver and front passenger air bags. Child security door locks, rear doors. Child comfort guides, rear outboard shoulder belt. Safety belt cinch capability for child seats. Power window lock-out, rear door windows. Side door guard beams.

Crash Avoidance Equipment Four-wheel antilock brake system. Brake transmission shift interlock. Automatic ignition-activated High Intensity Discharge headlamps. Maintenance-free battery. Tires with built-in tread wear indicators. Audible brake lining wear indicators on front disc brakes. Side window defogger. Tinted glass windshield.

Theft Deterrence Equipment Laser-etched VIN plate. Marked body parts. Single two-sided key system. Passlock theft deterrent system. Remote hood release. Remote rear hatch release.

TRAILERING WITH YOUR ENVOY

Envoy is built strong and durable to handle the demands of towing. Certain equipment that prepares Envoy for trailering is standard: power steering and brakes, a large fuel tank, a 100-amp alternator, a front stabilizer bar, special transmission oil and engine oil coolers. For other available trailering-related equipment, talk to your dealer. If you plan to tow frequently, your Envoy is equipped with the towing package (RPO Z82). This package includes a weight-distributing hitch platform and a heavy-duty eight-wire electrical harness. Also required are a hitch ball and mounting head. Equalizing and anti-sway assemblies may be required for some trailering applications; these are available through aftermarket sources. If you have any questions about trailering with an Envoy before you buy, feel free to ask your dealer for a copy of the *GMC Trailering Guide*.

OFF-ROADING WITH YOUR ENVOY

When you go off-road, you should ensure your driving is appropriate to the vehicle and environment. Avoid sharp turns and abrupt maneuvers. Failure to operate vehicles correctly off-road could result in loss of vehicle control or vehicle rollover. When you are off-road, make sure that all cargo is properly loaded and secured. Whenever possible, use established trails, roads and other areas that have been set aside for public off-road recreational driving. And obey posted regulations. Don't drive on private property without the permission of the owner; in some states, you must have it in writing. Avoid any driving practice that could harm the environment or hurt wildlife, like wheel-spinning, breaking down trees, driving through streams or driving over soft ground. And never park your vehicle over dry grass or other materials that could catch fire from the heat of the vehicle's exhaust system.

TIRE CHAINS

Tire chains should not be used because they could damage your Envoy.

A WORD ABOUT THIS BROCHURE

We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time and without notice, in prices, colors, materials, equipment, specifications, models and availability. Since information may have been updated from the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

ENGINES

GMC vehicles are equipped with engines produced by different operating units of General Motors, its subsidiaries or suppliers to General Motors worldwide.

ASSEMBLY

GMC models and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to General Motors worldwide. We sometimes find it necessary to produce GMC models with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered, or, if there are changes, that they are acceptable to you. GMC regularly sends its dealers useful GMC product service bulletins. To obtain these bulletins, ask your dealer or call 1-800-GMC-8782.

YOU'RE A PRIVILEGED MEMBER.

WHEN YOU BUY OR LEASE A NEW GMC, YOU GET our outstanding portfolio of owner privileges which lasts throughout your warranty. For complete details on Commitment Plus,[™] see your GMC dealer. For expert help and advice, product information, Roadside Assistance or other support services, call 1-800-GMC-8782. We want you to feel good about driving a GMC.
