1 Cargo and load capacity limited by weight and distribution.

2 Maximum payload capacity includes weight of driver, passengers, optional equipment, and cargo. Cargo and load capacity limited by weight and distribution.

3 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.

4 Not available on 3500 Extended Wheelbase models.

5 Requires Convenience Package (power windows and door locks).

6 Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.

7 Standard on 3500 EXT models.

8 Standard on 3500 and 3500 EXT models.

9 Requires six-way power-adjustable driver seat.

10 RDS functions only where stations broadcast RDS information.
