WE ARE PROFESSIONAL GRADE.™

## 2007 GMC ENVOY DENALI

The Envoy Denali combines Professional Grade Engineering with impressive style, performance and safety. The exterior features the signature Denali honeycomb front grille and high-polished 18-inch aluminum wheels. Inside, you'll see a range of standard upscale amenities, from leather seating surfaces to a Bose® speaker system. Denali features the Gen IV Vortec 5.3L V8 engine with Active Fuel Management™, offering the most standard horsepower\* — 302 HP — in its class. Also standard are several key safety features including StabiliTrak, dual-stage frontal air bags with the Passenger Sensing System,† antilock brakes (ABS), Daytime Running Lamps and OnStar.\*\* GMC — engineered to the highest standard. Professional Grade.

Envoy Denali in Liquid Silver Metallic. \*Based on 2006 GM Medium Utility segment. Excludes other GM vehicles. †Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the vehicle Owner's Manual and child safety seat instructions for more information. \*\*Includes one-year Safe & Sound Plan. Call 1-888-4ONSTAR (1-888-466-7827) or visit [onstar.com](http://onstar.com) for system limitations and details.

**1** Cargo and load capacity limited by weight and distribution. **2** Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details. **3** Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the vehicle Owner's Manual and child safety seat instructions for more information. **4** Head-curtain side-impact air bags are designed to help reduce the risk of head injuries to outboard front- and rear-seat occupants during certain side-impact collisions. **5** Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. **6** XM is available only in the 48 contiguous United States. Service fees apply. Visit gm.xradio.com for more details. **7** RDS functions only where stations broadcast RDS information. **8** Not available with Sun, Sound and Entertainment Package. **9** Navigation map only covers the 48 contiguous United States and portions of Canada, but does not cover Alaska, Hawaii, Puerto Rico or the U.S. Virgin Islands.
