

QX

full-size impression

enhance the presence of your Infiniti QX.

They have the capacity to empower.

A complete line of quality accessories
designed to inspire your sense of independence, along with your sense of style.
The luxury to expand the experience to an even grander scale.

EMPOWERING

Amplify the experience by sharing it. And bring whatever is necessary to make each moment last.

1 telescoping tow mirrors

1 telescoping tow mirrors. Keep an eye on what's behind you with heated, power-adjustable tow mirrors. They're designed to work with the vehicle's available memory function and feature adjustable wide-view spotter mirrors to help reduce blind spots.

2 hatch tent. Convert rear cargo space into a sturdy and comfortable 10' x 10' sleeping area. Zippered-adjustable sleeve extends tent beyond the hatch and features a 6' x 6' canopy with external rainfly. Two large entrance doors and large mesh windows provide ample ventilation. Hatch tent also converts to a stand-alone, self-contained ground tent.

2 hatch tent

3 hitch ball mount and hitch ball (class III) 4 interior bike carrier 5 hitch cap 6 hitch ball mount (class IV)

3 hitch ball mount and hitch ball (class III). Rated for towing up to 5,000 lbs.* (sold separately).

4 interior bike carrier by Yakima. Keep your bicycles safe from weather with help from this Yakima® interior bike carrier. The carrier secures to tie-down rings in the cargo floor with the included straps, and holds two bicycles. Optional wheel fork is also available (shown). Powder-coated in black and silver for durability, the carrier easily adjusts to fit various-sized bikes.

5 hitch cap. Keep dirt, mud and snow from clogging the receiver hitch opening on your QX56 when not in use with this hitch cap manufactured from durable synthetic rubber. Its self-retention system helps keep it securely on the vehicle for a more integrated look.

6 hitch ball mount (class IV). Weight-distributing hitch ball mount (Class IV). Includes Class IV hitch ball. For use when towing over 5,000 lbs.* and up to vehicle capacity (depending on vehicle configuration).

® Yakima is a registered trademark of Yakima Products, Inc.

7 hitch-mounted bike carrier. Mount this carrier to a tow receiver hitch and carry up to four bikes of most any size or style. A locking feature adds security, while the swing-arm allows access to the hatch without removing the carrier.

LIFESTYLE

Enhancing the sport. Enhancing the utility. Just what you need for enhancing your life.

1 roof-rack extender 2 ski/snowboard carrier

1 roof-rack extender. Add precious versatility and capacity to your roof rack with this extender. Required for use with all available roof-rack accessories on this and the following page (except LoadWarrior™ with optional extension).

2 ski/snowboard carrier by Yakima. Can easily carry up to four pairs of skis or two snowboards with a locking feature for an extra measure of security. Use with optional ski carrier lift kit for added clearance for your ski/snowboard bindings. Black satin powder coating adds durability and corrosion-resistance. Vertical MightyMount kit (sold separately) and roof-rack extender are required to attach to roof-rack crossbars.

3 organizer open

3 organizer closed

3 cargo organizer. From groceries to sporting equipment, keeping things in their place is an important aspect of every journey. This easy-to-install cargo organizer is designed to organize different-sized cargo items, and conveniently collapses into itself when not in use. (Cargo area protector is required.)

4 hard-shell cargo carrier 5 kayak carrier 6 Anklebiter bike carrier

4 aerodynamic hard-shell cargo carrier. This sleek, aerodynamic carrier adds 12 cubic feet of capacity (that's up to six pairs of skis). It comes with key locks to keep your things secure. Mounting hardware and roof-rack extender are sold separately.

5 kayak carrier by Yakima. Carries up to two kayaks safely and securely. Black satin powder coating adds durability and corrosion-resistance. Horizontal MightyMount kit (sold separately) and roof-rack extender are required to attach to the roof-rack crossbars.

6 Anklebiter® bike carrier by Yakima. Safely and securely holds one bike by the pedal crank with the front wheel attached. Add another Anklebiter to transport two bikes. Provides a locking feature for added security. Carrier is black satin powder-coated for durability and corrosion-resistance. Horizontal MightyMount kit (sold separately) and roof-rack extender are required to attach to roof-rack crossbars.

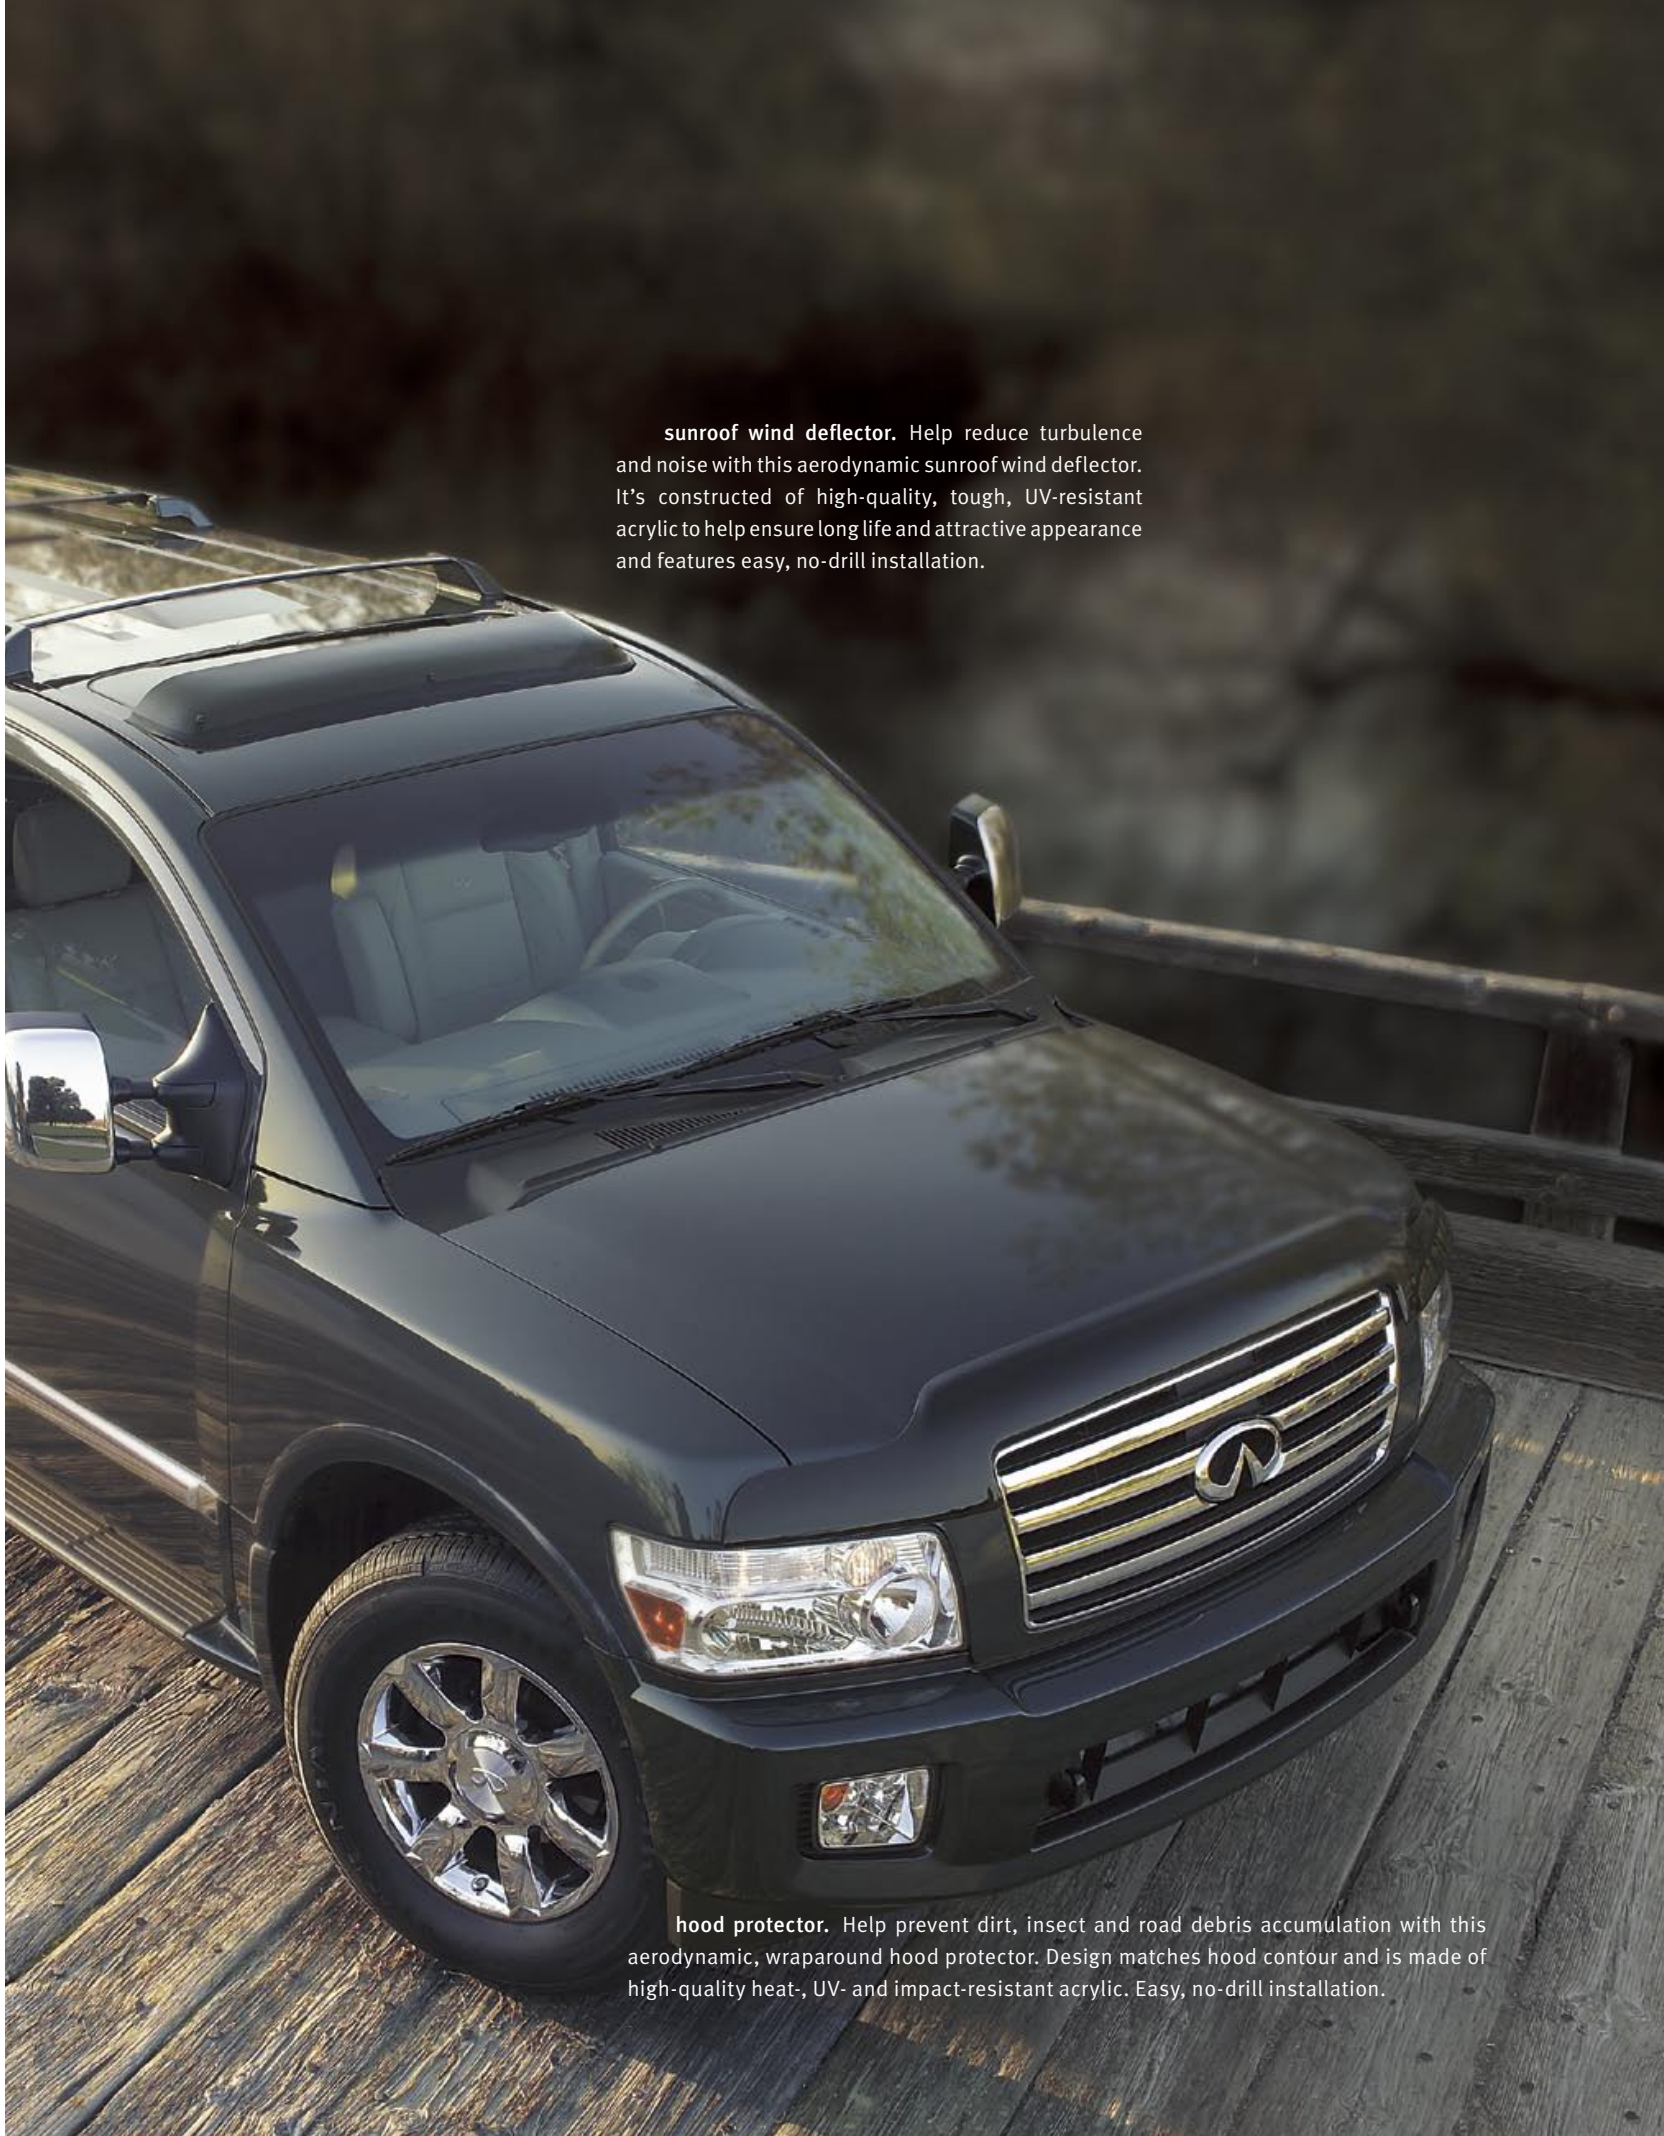

7 LoadWarrior™ and extension by Yakima. Maximize cargo capacity when you need it most. LoadWarrior adds significant load-carrying capability with its heavy-duty construction. Incredibly durable yet lightweight (25 lb.), LoadWarrior is also weather-resistant and easy to install. Universal mounting hardware included. (LoadWarrior extension and tie-downs are required.) Straps, nets and tie-down hardware are sold separately.

8 safari basket/safari net by Yakima. Versatile enough to handle almost any gear. Optional stretch net with multi-use hooks helps secure loose items. Heavy-gauge, rubber-coated steel rods are durable and corrosion-resistant. Horizontal MightyMount kit (sold separately) and roof-rack extender are required to attach to roof-rack crossbars.

™ LoadWarrior is a trademark of Yakima Products, Inc.
Cargo and load capacity is limited by weight and distribution.

7 LoadWarrior 8 safari basket/net

sunroof wind deflector. Help reduce turbulence and noise with this aerodynamic sunroof wind deflector. It's constructed of high-quality, tough, UV-resistant acrylic to help ensure long life and attractive appearance and features easy, no-drill installation.

hood protector. Help prevent dirt, insect and road debris accumulation with this aerodynamic, wraparound hood protector. Design matches hood contour and is made of high-quality heat-, UV- and impact-resistant acrylic. Easy, no-drill installation.

SAFEGUARDING

Protect your assets. Beautify your surroundings.

1 cargo area protector. Helps protect the cargo area in your QX56 from muddy or snowy boots and sporting equipment. This cargo area protector is easy to install, remove and clean.

2 carpeted cargo mat. Help maintain the premium appearance of carpet while protecting against spills and wear in the cargo area. This durable, high-density, loop-pile nylon carpet features nylon edging with a non-skid, moisture-resistant, vulcanized-rubber backing.

1 cargo area protector 2 carpeted cargo mat

3 front splash guards. By reducing dirt spray and helping to prevent nicks and scratches caused by road debris, these splash guards add style and value. They're contoured to perfectly fit wheel openings and color-matched to complement all exterior colors.

4 all-season rubber floor mats. Help protect your interior from the elements with these custom-fit, all-season floor mats. Constructed of durable, long-wearing rubber, their deep-ribbed channels trap dirt, mud, snow and water. The driver's mat features a grommet/hook retention system. Available in two colors (Willow and Graphite) to complement your vehicle's interior.

5 carpeted floor mats (replacement). Deliver protection and a touch of elegance with premium-quality custom-fit carpeted floor mats embroidered with the QX56 logo in colors to complement your interior. Constructed of durable loop-pile carpet, these replacement floor mats match the ones that come standard with your QX56 and are an excellent way to freshen up your interior. Driver's mat features a grommet/hook retention system to help keep it in place.

ENHANCEMENTS

Accessories that inspire and enrich the ownership experience.

satellite radio.* Experience your favorite radio format—news, jazz, comedy, rock and more—in pure digital-quality sound. With the option of XM® or SIRIUS™ Satellite Radio, you can subscribe to the service of your choice and listen all the way across country with a digital feed direct to your car. And since the QX56's audio system is pre-wired for either system, there's no need for a separate control unit. Just touch a single button, and your radio switches from broadcast to satellite.

1 wheel locks 2 license plate frames

1 wheel locks. Help protect wheels against theft. Each wheel lock set contains four lug nuts and a special coded lug nut socket with narrow-groove key pattern. Constructed of triple-nickel chrome-plated steel for superior durability and corrosion-resistance. Installs quickly and easily.

2 license plate frames. Customize, enhance and add personal style to the front and rear of your QX56's exterior. Constructed of stainless steel for durability and weather-resistance, these license plate frames are available with or without logo in several finishes (polished, satin, matte black, black pearl and gold).

items not shown

in-cabin microfilter. Filter outside air introduced by the air conditioning system into the cabin of your QX56. Infiniti's in-cabin microfilter helps reduce road dust, pollen and other air pollutants. Recommended replacement at 12 months or 15,000 miles.

touchup paint. Matched specifically to your vehicle's color, touchup paint bottle comes with "brush-in-cap" applicator.

air bag anti-theft bolt. Helps prevent costly air bag theft. The unique keyed design provides added security.

* No satellite radio reception is available unless optional satellite receiver and antenna were purchased and installed, and a SIRIUS™ or XM® satellite radio service subscription is active. Not available in Hawaii, Alaska and Guam. The XM name and related logos are registered trademarks of XM Satellite Radio Inc. SIRIUS and related marks are trademarks of Sirius Satellite Radio Inc. All rights reserved.

make your Infiniti yours when you buy it.

All Genuine Infiniti Accessories are tailor-made for your vehicle.
