1 Cargo and load capacity limited by weight and distribution. **2** Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, cargo and required trailering equipment will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details. **3** Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the Owner's Manual and child safety seat instructions for more safety information. **4** Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. **5** Requires leather-appointed seating. **6** RDS functions only where stations broadcast RDS information. **7** Map coverage not available in Puerto Rico, the Virgin Islands and portions of Canada. **8** Available only in the 48 contiguous United States. Required \$12.95 monthly subscription sold separately after three trial months. All fees and programming subject to change. Subscription subject to customer agreement. For more information, visit gm.xmradio.com. **9** Some accessories may not be available on all models. See dealer for details.
