# HOME IS WHERE THE CHARGE IS

## CHARGING STATION

This fixed-position electric vehicle charger installs in your garage or near your parking area, indoors or outdoors. It plugs into a 208 – 240 VAC outlet and delivers AC power to the onboard charger of your FIAT® 500e. It only takes this charger about four hours to take your vehicle's battery from fully depleted to fully charged. The charger has an industry-standard SAE J1772 connector and comes with 25 feet of cord. Must be professionally installed and inspected before using. See your FIAT 500e Studio team for information about professional installation through our partner, AeroVironment. For more information, call 1-888-CIAO-FIAT. For charging station support, call 1-888-899-6235.

## ALWAYS AT YOUR SERVICE

The story of Mopar® began nearly 80 years ago with a focus on motor parts and the introduction of a simple can of antifreeze. Through the decades, we have grown into so much more. Today, as the official service, parts and customer care provider for FCA US LLC vehicles, we walk alongside you as your partner in the vehicle ownership experience. That's why we offer authentic parts and accessories designed by the same engineers that created your vehicle to make it truly *yours*. It's why our team is comprised of expert dealer technicians who know your make and model best, armed with leading-edge diagnostic technology no one else can match. And it's why we've created unique services like Mopar Owner Connect, Express Lane Service and Mopar Vehicle Protection® plans to offer convenience and peace of mind. In short, we are not only here to service cars, trucks, minivans and SUVs — we are here to service people's lives. It's this commitment that fuels who we are. And it's our promise to you that Mopar will always be at your service.
