## 2020 POWER LINEUP

### CANADA'S BEST-SELLING ENGINE<sup>5</sup> 3.6L PENTASTAR V6 WITH VARIABLE VALVE TIMING (VVT)

Outstanding power and real-world efficiency combine to create up to 295 horsepower<sup>†</sup> and 260 lb-ft of torque. When the vehicle comes to a complete stop, Engine Stop/Start (ESS) technology shuts the engine off to help conserve fuel, but keeps power flowing to amenities like the radio, gauges and climate control. The engine restarts automatically when the brake is released, allowing for seamless acceleration.

### CANADA'S BEST-SELLING V8 ENGINE<sup>6</sup> 5.7L HEMI V8

Best-in-Class V8 power<sup>7</sup> is the result of this engine's 360 horsepower and 390 lb-ft of torque performance. The impressive fuel efficiency comes from the 8-speed automatic transmission, VVT and the FuelSaver Multi-Displacement System (MDS), which turns the engine into a fuel-sipping 4-cylinder at highway cruising speeds.

### 6.4L SRT HEMI V8

An intense 475 horsepower and 470 lb-ft of torque make Durango SRT the Most Powerful Three-Row SUV on the road.<sup>9</sup> The 8-speed performance-tuned transmission, Sport-tuned All-Wheel Drive (AWD) and high-flow dual exhaust with 4-inch outlets take the vehicle's performance to the next level.

<sup>†</sup>With dual exhausts; 293 horsepower with single exhaust.

\*For fuel efficiency details, please see page 21.

# FOUR-SEASON ACTION

ALL-WHEEL DRIVE (AWD) /// Durango was built to conquer the conditions. The standard AWD system leverages the SUV's 50/50 weight distribution to enhance the vehicle's traction and handling. The result is a smooth driving experience over a wide range of road conditions. Durango offers three AWD systems – a performance-tuned system for the 6.4L HEMI® V8 engine; a two-speed, active on-demand system for the 5.7L HEMI V8 engine; and a single-speed, full-time system for the 3.6L Pentastar™ V6 engine.

# AWD

Properly secure all cargo.

Paddle shifters

STEER SMARTER /// The standard 8-speed automatic transmission with Eco Mode provides superior efficiency, quick acceleration and smooth shifting. Available performance-inspired steering wheel-mounted paddle shifters allow for a more personalized driving experience. Sport Mode changes the steering calibration, pedal response and shift pattern, increasing the vehicle's responsive driving experience.

## BEST-IN-CLASS TOWING<sup>2</sup>

6.4L SRT® HEMI® VVT V8

BIG NUMBERS, BIG RESULTS /// Durango SRT uses its 475 max horsepower and 470 lb-ft of torque to deliver a mammoth towing capacity of up to 3,946 kg (8,700 lb).<sup>2</sup> Outfit Durango with the available 360-horsepower 5.7L HEMI V8 for up to 3,265 kg (7,200 lb) of towing.<sup>2</sup> Models equipped with the 3.6L Pentastar V6 engine can tow up to an impressive 2,812 kg (6,200 lb).<sup>2</sup>

Third-row 50/50 split-fold and second-row 60/40 split-fold

Properly secure all cargo.

# 50+ SEATING CONFIGURATIONS

**MORE IS MORE** /// With more than 50 different seating configurations, there's bound to be more than one way to strike the perfect balance between passenger and cargo capacity. The standard 60/40 split-folding second-row reclining bench seat features a padded centre armrest with cup holders. The available second-row Fold-and-Tumble Captain's Chairs include soft-touch armrests and a floor-mounted mini console with cup holders for six-passenger seating. For seating up to seven, a 50/50 split-folding third-row seat is available. With the second- and available third-row seats folded down, there's a cavernous 2,393 L (84.5 cu ft) of cargo space at your disposal.

## PRIME TIME ANYTIME // BLU-RAY™/ DVD REAR ENTERTAINMENT CENTRE

Properly secure all cargo.

Gamers and movie buffs can agree: the available 9-inch high-definition dual-screen Blu-ray/DVD Rear Entertainment Centre makes the second row the place to be. Rear-seat HDMI/USB ports let passengers tap into the entertainment system and use each screen independently of each other. Everyone will enjoy the audio energy of the available Harman/Kardon® Premium Audio System with 19 speakers, a subwoofer and an 825-watt amplifier.

# IMPRESSIVE 8.4-INCH TOUCHSCREEN<sup>B</sup>

**STAY IN TOUCH.** Remain focused on the road with your hands on the wheel as you communicate, navigate, stay entertained and easily manage your Durango power and charging features with the available 8.4-inch Uconnect<sup>®</sup> touchscreen.<sup>9</sup>

The system displays climate and multimedia controls and available memory features to save preferred seat, mirror and radio settings. With your compatible phone paired to the system's hands-free<sup>9</sup> Bluetooth<sup>®</sup> technology, Voice Text Reply<sup>10</sup> can announce and read incoming texts, and you can reply with any of the 18 preset responses, such as "Yes" and "I'm on my way." Siri Eyes Free<sup>11</sup> allows you to make voice commands<sup>9</sup> with your iPhone. The Do Not Disturb feature will hold calls and texts or send automated replies.

**APPLE CARPLAY COMPATIBILITY<sup>12</sup>** This is smarter iPhone integration, so you'll experience your favourite features through your dashboard. With Siri,<sup>11</sup> all you have to do is ask – catch up on calls and messages, get directions from Apple Maps or request a song through Apple Music. The system lets you browse music or discover nearby gas stations, parking, restaurants and more. Plus, Maps helps predict where you're headed.

**ANDROID AUTO™ INTEGRATION<sup>12</sup>** Designed with safety and convenience in mind, Android Auto gives you the right information for the road ahead. Easily access your favourite music with Google Play Music and get where you need to with Google Maps. With your Google Assistant on Android Auto, you can keep your eyes on the road and your hands on the wheel while using your voice to help you with your day. Just say, "Ok, Google."

Apple CarPlay shown on touchscreen.

## ALWAYS IN TOUCH

**SIRIUSXM GUARDIAN<sup>14</sup>** This advanced in-vehicle connectivity offers a WiFi Hotspot<sup>15</sup> plus help when you need it most. Both Roadside Assistance Call<sup>16</sup> and SOS Call<sup>17</sup> can be activated from your touchscreen or rearview mirror button. The mobile app helps to keep you connected by turning your phone into your vehicle's command centre. The one-year subscription includes Remote Vehicle Start<sup>18</sup> to start your car and unlock the doors from virtually anywhere, as well as Stolen Vehicle Assistance<sup>19</sup> alerts, Send & Go<sup>TM</sup> and much more. Available.

**SIRIUSXM TRAFFIC/SIRIUSXM TRAVEL LINK<sup>20</sup>** Now you can receive real-time, detailed information about traffic and construction road closures, and the service works in tandem with the available GPS Navigation<sup>13</sup> in your vehicle. This service can also display weather forecasts, fuel prices, sports scores and movie schedules. Includes a five-year subscription. Available.

**SIRIUSXM SATELLITE RADIO<sup>21</sup>** SiriusXM satellite radio is standard and includes a one-year subscription to a variety of music, news, sports and specialty channels. You can set up alerts for your favourite song, artist or sports team playing on another channel, and Instant Replay lets you pause, rewind and replay programs, songs and sports broadcasts.

**GPS NAVIGATION<sup>13</sup>** Identifying your whereabouts is an exact science with the available Uconnect<sup>®</sup> 4C NAV multimedia centre's integrated navigation, including 3D landmarks, city models, digital terrain maps, enhanced graphics and one-step voice destination entry.

**(((SiriusXM)))**

SiriusXM  
**TRAFFIC**

SiriusXM  
**TRAVEL LINK**

## GET PERSONAL

The standard buttons on the front side of the steering wheel let you control the 7-inch, full-colour, customizable in-cluster display centre. From here, you can view real-time information on performance, vehicle status and available navigation.<sup>13</sup>

Because this display is reconfigurable, you decide how you want to view and receive the information. Durango also lets you customize your climate with standard Three-Zone Automatic Temperature Control (ATC). You, your front passenger and second-row passengers can set the preferred temperature for each zone. ATC maintains these temperatures throughout the drive.

# STYLED BY YOU

**DURANGO R/T** throws an intimidating look with a monochromatic exterior that features a performance hood, performance front fascia, Black accents surrounding the High Intensity Discharge (HID) headlamps and 20-inch Satin Carbon aluminum wheels wrapped in all-season tires. A 20-mm-lower ride height adds to this trim level's mystique.

Powerful performance comes from the 5.7L HEMI® V8, and the unique Sport-tuned suspension takes your heart rate to the next level. Inside, the details are equally impressive, with a standard Uconnect® 4C NAV<sup>13</sup> multimedia centre featuring a Class-Exclusive 8.4-inch touchscreen,<sup>8</sup> premium navigation,<sup>13</sup> Apple CarPlay<sup>12</sup> and Android Auto,<sup>TM12</sup> and leather-faced seats with perforated suede inserts.

**BLACKTOP PACKAGE.** Give your Durango an even more menacing look. Gloss Black finishes coat the exterior mirrors, grille and badging. The 20-inch Gloss Black aluminum wheels round out the dramatic look. Available on SXT, GT and R/T.

**BRASS MONKEY APPEARANCE PACKAGE.** Up your street style with 20-inch aluminum wheels decked out in an eye-catching Burnished Bronze finish. Special Gloss Black badging gives a shout-out to this special package. Available on GT and R/T.

R/T in DB Black with Blacktop Package

Brass Monkey Appearance Package

Citadel shown in Platinum Appearance Package in White Knuckle

## CITADEL: PREMIUM AT EVERY ANGLE

Durango Citadel stands out with striking exterior features like bright front fascia, sill moulding appliqué and side roof rails with integrated crossbars, chrome touches on the mirrors and door handles, and 20-inch Platinum Chrome aluminum wheels. The feeling of luxury and refinement continues inside with finely appointed Nappa Leather-faced seating, front bucket seats, an 8.4-inch Uconnect<sup>®</sup> touchscreen radio and a power sunroof.

## GT: MUSCLE-INSPIRED

Durango GT is heavy on power and racy looks. The performance front fascia, bold body-colour wheel lip and sill moulding, as well as the rear fascia, give this trim level curb appeal. The 20-inch Satin Carbon aluminum wheels, Black halogen headlamp bezels and dual bright exhaust tips add to its overall attitude. Standard tech-savvy features such as the Park-Sense<sup>®</sup> Rear Park Assist System,<sup>22</sup> ParkView<sup>®</sup> Rear Back-Up Camera<sup>22</sup> with dynamic grid lines, and Remote Start System not only offer convenience, but also help make the drive more secure. Driver and passengers will appreciate the comfort of heated, power front and second-row leather-faced seats with perforated suede inserts, heated leather-wrapped steering wheel, and memory settings for exterior mirrors, driver's-seat position and radio.

GT shown in Redline Pearl

# SRT<sup>®</sup>

## 475-HORSEPOWER, THREE-ROW SUV

Dodge muscle isn't just reserved for cars. Sometimes you want a third row and serious power. Choose Durango SRT and the two go hand-in-hand. The 392 HEMI<sup>®</sup> V8 engine unleashes 475 horses, 470 lb-ft of torque and delivers a 0 - 60 mph drag-strip time of 4.4 seconds. Consider the certified 12.9-second quarter-mile time by the National Hot Rod Association (NHRA) and Durango SRT holds even more bragging rights – and that's without even going into detail about the 8-speed performance-tuned transmission, Sport-tuned All-Wheel Drive (AWD), high-flow dual exhaust with 4-inch outlets or the massive 295 tires on 20 x 10-inch wheels and huge Brembo<sup>®</sup> brakes.

In addition to this vehicle's street cred, Durango SRT demands attention with its robust looks. The widebody exterior design boasts a functional performance hood, cold air duct located on the front fascia/lower valance and LED fog lamps.

## STANDARD AND AVAILABLE SAFETY & SECURITY FEATURES

### LANE DEPARTURE WARNING (LDW) WITH LANE KEEP ASSIST<sup>22</sup>

The vehicle's lane position is monitored by a camera mounted near the rearview mirror, and, should the system detect that the driver drifts outside of lane boundaries and no turn signal is applied, a visual warning is given along with a slight jerk of the steering wheel. If no corrective action is taken, the system can help realign the vehicle back to the correct lane position.

### FORWARD COLLISION WARNING (FCW) WITH ACTIVE BRAKING<sup>22</sup>

Sensors detect when Durango may be approaching another vehicle too quickly and send an audible and visual alert to the driver, followed by active braking assistance if the driver does not react in time.

### PARK-SENSE<sup>®</sup> FRONT AND REAR PARK ASSIST SYSTEM<sup>22</sup>

When the vehicle is in Reverse, standard rear sensors detect the presence of objects within 2 m (6.6 ft) of the rear pathway and provide both an audible chime and a visual warning. Available sensors in the front bumper detect obstacles from a distance of up to 1.6 m (5.2 ft) in front of the vehicle to notify the driver of objects within range.

### AIR BAGS<sup>24</sup>

Your sense of security is fully met with Durango's all-around air bag system.<sup>24</sup> These seven standard air bags – full-length side-curtain, front-seat side-mounted, driver's-side knee blocker and advanced multistage front – all work together to help provide protection when you need it most.

### BLIND-SPOT MONITORING (BSM) WITH REAR CROSS-PATH DETECTION<sup>22</sup>

This technology includes dual radar sensors that constantly monitor driver blind spots, providing notification of an encroaching vehicle via illuminated icons on sideview mirrors and by an audible chime if the turn signal is activated. When the vehicle is in Reverse, rear sensors warn the driver with an audible chime if cross-traffic approaches.

### ELECTRONIC STABILITY CONTROL (ESC)<sup>25</sup>

A standard vehicle-wide network of safety sensors provides instant aid when it detects the driver veering off the intended path. This robust system includes Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) with Brake Assist, All-Speed Traction Control and Trailer Sway Control (TSC).

### ADAPTIVE CRUISE CONTROL (ACC) WITH STOP<sup>22</sup>

This system maintains a driver-selected distance between your vehicle and the one in front of it by automatically decreasing the preset cruise control speed when approaching another vehicle in the same lane or when another vehicle that is travelling at a slower speed pulls into your lane. The system will accelerate back to the preset speed when space permits. At low speeds, ACC can bring Durango to a controlled stop.

### PARKVIEW<sup>®</sup> REAR BACK-UP CAMERA WITH DYNAMIC GRID LINES

When the vehicle is in Reverse, the standard ParkView Rear Back-Up Camera<sup>22</sup> with dynamic grid lines is designed to assist the driver in detecting obstacles out of his/her line of sight during parking manoeuvres. When equipped with the 8.4-inch touchscreen, view-at-speed functionality is added, allowing you to monitor your rear view with the touch of a button while driving. Great for checking on trailers.

SXT

### POWERTRAIN

- 3.6L Pentastar™ Variable Valve Timing (VVT) V6 with Engine Stop/Start (ESS) technology and 8-speed automatic transmission

DISCLAIMERS 1) Based on IHSMarkit Automotive Canadian New Vehicle Total Registrations for combined years 2013 to CYTD August 2018. Based on IHSMarkit Automotive Canadian New Vehicle Total Registrations with 8-cylinder engines for combined years 2013 to CYTD August 2018. 2) Based on *WardsAuto* Mid-Size Sport Utility segmentation. When properly equipped. Excludes other vehicles designed and manufactured by FCA US LLC. 3) Based on HP and torque. Excludes low-volume production vehicles. 4) Based on 1/4-mile time. Excludes low-volume production vehicles. 5) Based on IHSMarkit Automotive Canadian New Vehicle Total Registrations for combined years 2013 to CYTD August 2018. 6) Based on IHSMarkit Automotive Canadian New Vehicle Total Registrations with 8-cylinder engines for combined years 2013 to CYTD August 2018. 7) Based on *WardsAuto* Mid-Size Sport Utility segmentation and combined horsepower and torque ratings. Excludes other vehicles designed and manufactured by FCA US LLC. 8) Based on *WardsAuto* Mid-Size Sport Utility segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. 9) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 10) Preset voice-to-text messaging and incoming text message reading require a MAP-enabled phone. 11) Siri Eyes Free requires an iPhone equipped with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 12) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto App on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates may apply. 13) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 14) All SiriusXM Guardian equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 15) Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. WiFi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 16) Roadside Assistance Call provides direct calling to Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 17) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's location. 18) When equipped with Remote Start. 19) Stolen vehicle police report required. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own. 20) SiriusXM Traffic and SiriusXM Travel Link require a subscription, sold separately, or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at [www.siriusxm.ca](http://www.siriusxm.ca) for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. 21) Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at [siriusxm.ca](http://siriusxm.ca). 22) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 23) Based on 1/4-time and towing capacity. Excludes low-volume production vehicles. 24) The Advanced Front Air Bags in this vehicle are certified to the federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 25) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 26) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 27) Not compatible with all garage door openers.
