Ghibli

Ghibli. You're not like everyone else.

Bold, graceful, assertive and elegant, Maserati Ghibli offers something unique in a world of conformity.

Ghibli delivers the comfort you'd expect in a luxury sports sedan — yet it distinguishes itself with razor-sharp, sports car handling. This balance, a signature of Maserati, is a source of endless inspiration — whether you're heading to the office or breaking loose for an exhilarating drive.

For 2021, Ghibli features a restyled signature Trident grille that announces your daring character. Also new are the taillamps inspired by the Giugiaro-penned Maserati 3200 GT “boomerang” rear lights which will be a delight for all followers to admire.

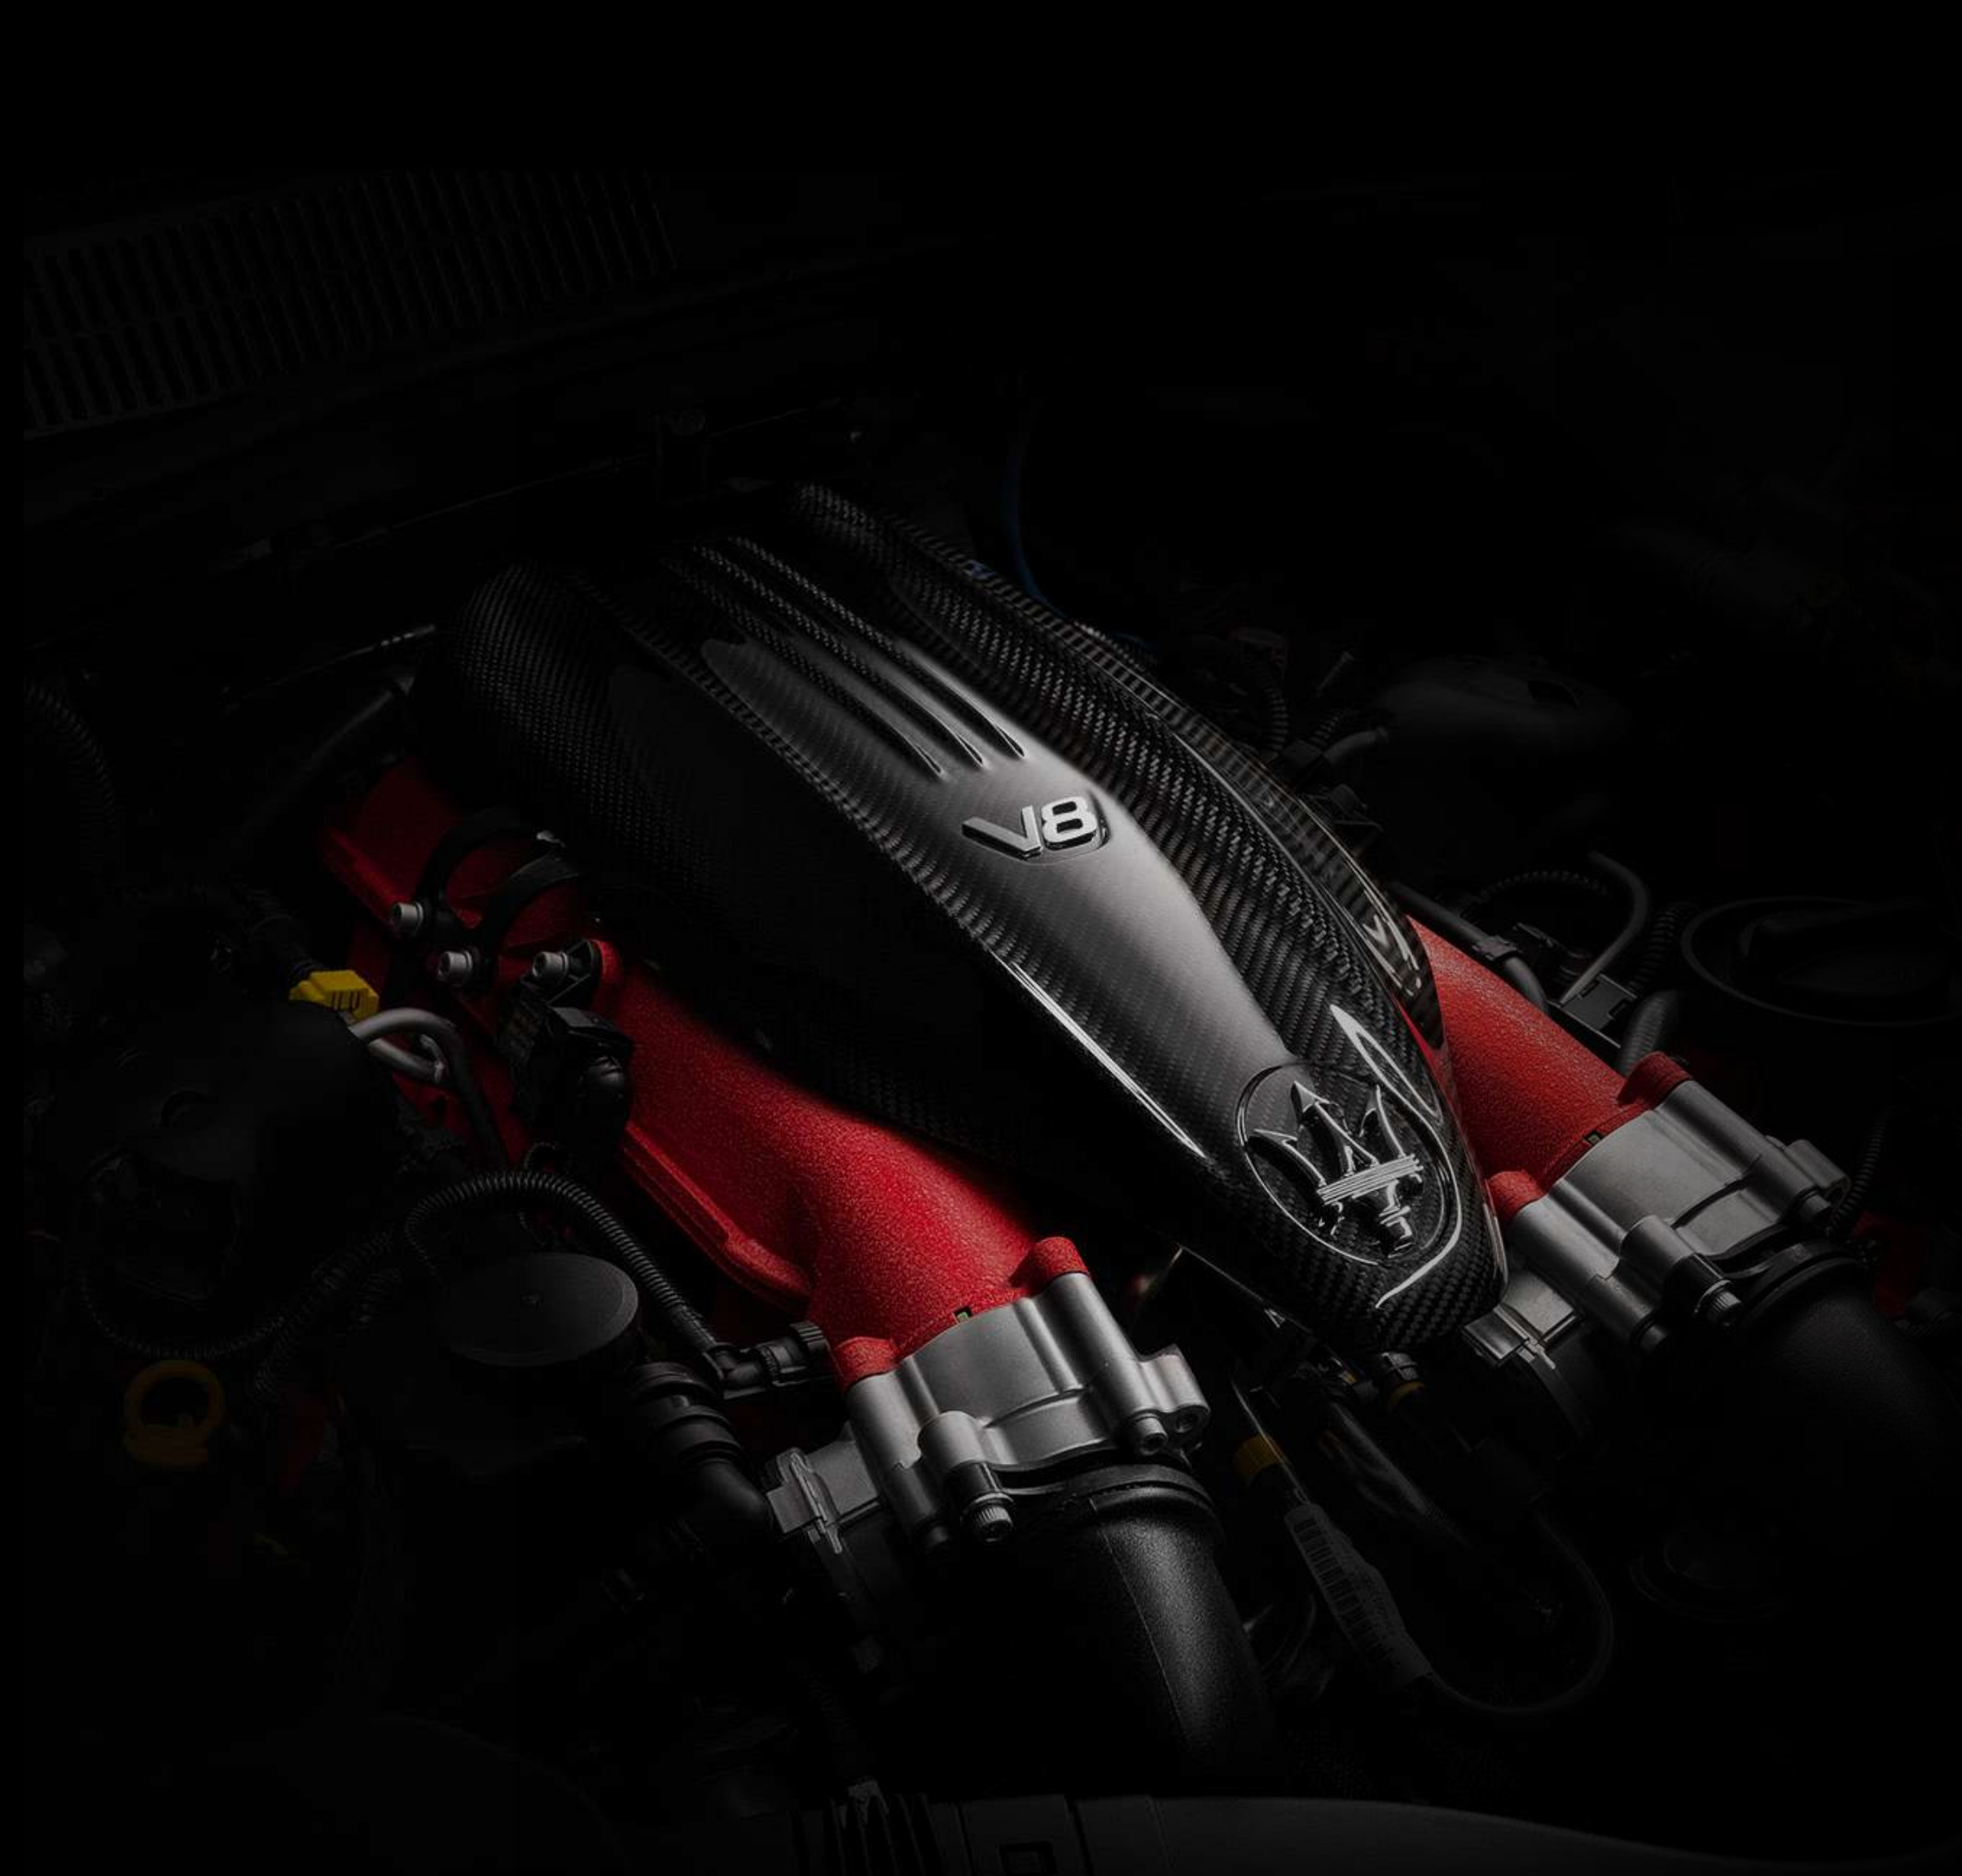

Inside, the redesigned instrument cluster and the new 10.1-inch frameless HD screen with Maserati Intelligent Assistant (MIA) multimedia system will make your driving experience even more intuitive and engaging.

A core offering of all Maserati vehicles is the ability to cover long distances at dynamic yet refined high speed. With the Ghibli, the power that delivers this comes from a choice of twin-turbocharged V6 and V8 engines.

Whatever your choice or ambition, Maserati Ghibli always offers a uniquely inspirational answer.
