## The new Trofeo Collection. The Art of Fast.

Merging the excitement of the track with the everyday road is one of the most audacious challenges ever.

And when you do it with all the Italian craftsmanship, you get a winner.

That's how Trofeo Collection came to life. Born from racing, enhanced by comfort with an innate sense for timeless beauty.

The Trofeo Collection has a high-revving twin-turbo charged engine at its heart - producing 580 hp. This exceptional power translates to speed and acceleration with a sound that rushes through your spine. A refined declaration of performance: that's Trofeo Collection in a nutshell.

From the aerodynamic details in high-gloss carbon fiber, to the dark finish tail lights, the race-inspired wheels and the Trofeo badge on the iconic air vents with red accents: a mere glimpse is all it takes to get a resounding confirmation of the power within this car. By activating the "Corsa" mode you will also immediately experience a faster throttle response, quicker gear shifting and an even more powerful exhaust soundtrack.

As for the aesthetics, the Collection features supreme racing refinements: sculpted natural leather sports seats, carbon fiber patterns, a Trofeo-specific instrument cluster, cutting-edge technology and a concert-hall sound system. Although almost everything about Trofeo's aesthetic is inspired by the world of racing, this does not compromise its comfort and luxurious design.

Maserati Trofeo. Feel the speed, never lose your poise.
