

Galaxie LTD Pillared Hardtop

The new LTD 4-door Pillared Hardtop sedan, by Ford.

Big in performance and luxury to put you impressively ahead.

The new Galaxie LTD is recognised as one of America's finest big cars: In styling, luxury, comfort, performance and value.

The crisp, clean, almost pillarless lines sweep through a full 18 feet, and speak beautifully for themselves.

Now move inside LTD's rich, spacious, superbly appointed interior to a luxury world all your own. The entire car is thoroughly sound-proofed. So, instead of hearing the noise from outside, you can fully enjoy quiet conversation or soft music inside. You'll be relaxed by a smooth limousine ride and plush lounge seats. You can even create your own climate with the heating and ventilation systems (or optional air-conditioning).

Galaxie LTD also has performance to put you ahead. With a 400CID 2-barrel V8 and Cruisomatic transmission, the miles go by very smoothly and silently.

Highlights of Galaxie LTD standard equipment.

Deep-padded, full-width seats with folding centre armrests, upholstered with luxurious expanding vinyl. Adjustable front headrests. Deep-pile carpeting. Solid-state press-button radio. 3-speed heater/demister. Electric clock. Glove and luggage compartments and driver's ashtray all illuminated. Courtesy lights front and rear. Seat belts for 6 passengers with warning lamp. Park-brake warning lamp. Reversing lights. Tinted, banded, laminated windscreen. Full wheelcovers. Collapsible steering column with anti-theft lock. Ignition key warning buzzer.

Abridged specifications:

The 400 CID 260-horsepower 2-barrel V8 with 400 lb./ft. torque, is highly responsive in all speed ranges for instant power whenever you need it, and effortless highway cruising.

Transmission is 3-speed SelectShift Cruisomatic, which you can also use as a manual if you wish.

Heavy-duty full-coil suspension on all four wheels gives you a smooth, stable ride.

Dual-line power-assisted brakes with ventilated discs at front, big drums at rear for maximum stopping power with minimum driver effort.

Power-assisted steering gives you effortless, finger-tip control, but retains that positive 'feel' of the road.

8.25 x 15" black sidewall tyres on 6" safety-rim wheels.

Main dimensions and capacities:

Overall length 216.2", width 79.2", height 53.6".

Wheelbase 121". Track: front 63.3", rear 64.3".

Fuel tank capacity 20.3 imp. gals.

Options include:

Air-conditioning. Four speaker radio/tape player with individual front and rear adjustment. Vinyl roof in black or beige. White sidewall tyres. 205 x 15" radial tyres. Nylon-weave seat trim.

Warranty: Galaxie Ltd gives you warranty protection for 12,000 miles or 12 months whichever comes first. Owners are responsible only for normal, maintenance and routine replacement of maintenance items.
