

Galaxie LTD Pillared Hardtop

Impressively styled, superbly appointed -the biggest of the big cars.

The new LTD 4-door Pillared Hardtop sedan by Ford brings you everything you've come to expect from one of America's finest big cars.

Crisp, clean, almost pillarless lines sweep over a full and stylish 18 feet. The interior is rich, spacious, sumptuous — with new high-backed twin-comfort lounge seats and a driver's seat that's fully reclining and adjustable.

There's a new tilt steering column — easily adjusted to exactly the angle that makes driving most comfortable, most relaxed. A new rear window de-fogger with fan demists the rear window quickly and efficiently.

And a new, remote control exterior rear view mirror on the driver's side offers finger-tip adjusting convenience from inside the car.

The LTD's soundproofing is amazingly effective — so much so that you may not be able to believe what your ears can't hear.

Climate control through heating and ventilation systems or optional air-conditioning is quietly efficient.

Performance is swift and silky — from a 400 CID 2-barrel V8 (the biggest of all the big engines) and Cruisomatic transmission.

And, of course, there's an extensive array of standard equipment and appointments — they're listed below.

Standard Equipment Highlights:

- Power disc brakes • Power steering • Tinted, banded, laminated windscreen • New high-backed twin-comfort full width lounge/split-bench seats with folding centre armrests • Fully-adjustable, reclining driver's seat. Upholstered in luxurious expanding vinyl • New, adjustable and collapsible steering column with anti-theft locks • Solid state, push-button radio • New, remote control RHS exterior rear-view mirror
- 3-speed heater/demister • New rear window de-fogger with fan • Electric clock
- Deep pile, wall-to-wall carpeting • Illuminated glove and luggage compartments and driver's ashtray • Handbrake warning light • Instrument panel courtesy light
- Front and rear courtesy lights • Ignition key warning buzzer • Reversing lights
- Left-dipping headlights • Seat belts for six passengers with seat belt warning light
- 7.25 x 15" BSW tyres on 6" rims • Full wheel covers.

Abridged specifications:

The 400 CID 260-horsepower 2-barrel V8 with 400 lb./ft. torque, is highly responsive in all speed ranges for instant power whenever you need it, and effortless highway cruising.

Transmission is 3-speed SelectShift Cruisomatic, which you can also use as a manual if you wish.

Heavy-duty full-coil suspension on all four wheels gives you a smooth, stable ride.

Dual-line power-assisted brakes with ventilated discs at front, big drums at rear for maximum stopping power with minimum driver effort.

Power-assisted steering gives you effortless, fingertip control, but retains that positive 'feel' of the road.

8.25 x 15" black sidewall tyres on 6" safety-rim wheels.

Main dimensions and capacities:

Overall length 216.2", width 79.2", height 53.6".

Wheelbase 121". Track: front 63.3", rear 64.3".

Fuel tank capacity 20.3 imp. gals.

Options available:

- Integrated air-conditioning with tinted side glass
- Vinyl roof in black or beige
- Tutone paint
- Cloth or nylon-weave seat trim
- LHS exterior rear-view mirror
- 8.25 x 15" white sidewall tyres
- 205 x 15" radial tyres
- 4-speaker radio/tape player with individual front and rear adjustment.
