## FORD LTD TOWN CAR

Everything about Ford LTD Town Car sets it apart, from its tasteful golden exterior and leather grained vinyl roof line, to its spacious, lavishly appointed interior. Deep cushioned seats are upholstered in supple soft chamois toned leather. Accented by doeskin toned cut pile carpet. Integrated air conditioning to front and rear is fingertip controlled. Considerations such as power windows, variable ratio power steering, SelectShift 3-speed transmission are all standard. So too, is the powerful LX5.8 litre engine — matched by power disc brakes on all four wheels. Ford LTD Town Car — a limited edition to mark Ford's 50th Anniversary.

*Ford's 50<sup>th</sup>  
Anniversary*

## Standard Equipment

Special high-performance LX5.8 litre V8 engine

4 wheel power disc brakes, self-adjusting

Variable-ratio power steering

Dual hydraulic brake system

Brake proportioning valve

Limited slip differential

Power side windows

Select-Shift 3-speed automatic transmission

Air-conditioning system

Heater-demister system

Windscreen washers

2-speed windscreen wipers

Foot-operated parking brake

Interior lights:

Courtesy lights — operated by all doors . . .

Padded and insulated vinyl roof

Protective body-side mouldings with bumper over-riders front and rear

Locking fuel tank cap

Underbody sound deadening

Styled steel wheel covers

White sidewall ER70H15 radial tyres

Fully carpeted luggage compartment

Remote control rear deck lid release

## SPECIFICATIONS

### ENGINE:

The Ford LX 5.8 litre V8 engine is standard equipment. It develops 161 kW at 4300 revs. 9.4:1 compression ratio with a 4-barrel/automatic choke carburettor and dual exhaust system. Maximum torque is 410 Nm at 3100 revs.

### TRANSMISSION:

T-Bar SelectShift Cruisomatic 3 speed lets you drive fully automatic or shift manually through the gears. Three forward gears, one reverse, with T-Bar quadrant sequence: P-R-N-D-2-1. This system gives effective engine braking in low gear for better control on steep grades and hilly driving.

### BRAKES:

4 wheel disc brakes are standard.

Power assisted 11¼ inch diameter, ventilated and turbo-cooled for fade-free operation. Dual hydraulic system with proportioning valve and dash mounted circuit failure warning light.

### STEERING:

Variable ratio power assisted steering gives you completely effortless handling and parking . . . with precise instant response and positive 'feel' of the road in any situation.

### WHEELS & TYRES:

Tyres are performance rated by the Australian Rubber Manufacturers and are fitted on double-sided safety rim wheels. Wheel size: 6" x 15" diameter. Tyres: ER70H15 wide radial (white side-wall).

### EXTERIOR DIMENSIONS:

|                |          |             |
|----------------|----------|-------------|
| Wheelbase      | 3073.8mm | (121.0 ins) |
| Track — Front  | 1536.7mm | (60.5 ins)  |
| Track — Rear   | 1524.0mm | (60.0 ins)  |
| Overall Length | 5176.5mm | (203.8 ins) |
| Overall Height | 1379.6mm | (54.3 ins)  |
| Overall Width  | 1900.3mm | (74.8 ins)  |

### INTERIOR DIMENSIONS:

|                    |                    |                |
|--------------------|--------------------|----------------|
| Front Compartment  |                    |                |
| Headroom           | 965.2mm            | (38.0 ins)     |
| Legroom            | 1033.8mm           | (40.7 ins)     |
| Hiproom            | 1529.0mm           | (60.2 ins)     |
| Rear Compartment   |                    |                |
| Headroom           | 927.1mm            | (36.5 ins)     |
| Legroom            | 1067.0mm           | (42.0 ins)     |
| Shoulder Room      | 1524.0mm           | (60.0 ins)     |
| Hiproom            | 1529.0mm           | (60.2 ins)     |
| Luggage Capacity   | 0.87m <sup>3</sup> | (30.8 cu. ft.) |
| Fuel Tank Capacity | 79.5 litres        | (17.5 gals)    |
| Turning Circle     | 12.8m              | (42.2 ft.)     |
| Kerb Weight        | 1791.6 kg          | (3950 lbs.)    |

\*Most rear compartment legroom in its class.
