FORD 1980 CARS

It's a great choice. Ford Escorts in the small car field; in the medium car market, the Cortina range of sedans and wagons; for larger car buyers, an exciting selection of

Ford Falcons and Fairmonts. If your taste runs to more prestigious motoring you can choose from the Fairlane or Ford LTD models. We think you'll find a Ford that's just right for you.

Economy and style in classic harmony. That's Ford Escort, the European formula small car. 2-door or 4-door, Escort has the flair and features to make driving a real pleasure around town or on the open highway. Choose from the Escort L, GL, or the surptuous Ghia—which has just about everything you can think of in a small car. Or, go sporty in the dynamic Escort RS2000—it's Street Legal.

Ford Cortina. Drive it...it makes beautiful sense. Stylish and compact on the outside, yet spacious and comfortably appointed on the inside, with room for five. Both the Cortina L and GL sedans and wagons let you set the standards high—without having to pay a high price. And for even more pleasure, there's the Cortina Ghia sedan or wagon, marked by

distinctive interior and exterior refinements with which the name Ghia has become synonymous.

Ford Falcon GL, Fairmont and Fairmont Ghia. Inside and out, you'll find evidence of the priorities which reflect the needs and wants of today's drivers. When you consider the striking design, features, handling, ride, comfort, and spaciousness of Falcon we're sure you'll agree it is a world class family car. And for that 'something extra' look no further

than the highly appointed Fairmont series. Wagons? Again, we're sure you'll agree Falcon and Fairmont offer more of what you buy a wagon for.

A distinctive difference in contemporary motoring comes to you in the Ford Fairlane, a car for the big country. From the moment you settle into the luxurious cloth-covered

seats, you begin to realise that Fairlane has been built with your comfort in mind, and designed to maintain a grand tradition of prestige travel.

Similarly, we believe you will find a new element of sophistication in Australia's most successful luxury car—the Ford LTD. Here is a motor car, which, when you compare it on a feature and price basis, sets its own standard of value among all luxury cars.
